0.2.1 (Now and Then There's) A Fool Such as I

(Words & music by Trader)

(Now and then there's a fool such as I)

Pardon me, if I'm sentimental

When we say goodbye

Don't be angry with me should I cry

When you're gone, yet I'll dream

A little dream as years go by

Now and then there's a fool such as I

Now and then there's a fool such as I am over you

You taught me how to love

And now you say that we are through

I'm a fool, but I'll love you dear

Until the day I die

Now and then there's a fool such as I

Now and then there's a fool such as I am over you

You taught me how to love

And now you say that we are through

I'm a fool, but I'll love you dear

Until the day I die

Now and then there's a fool such as I

Now and then there's a fool such as I

Now and then there's a fool such as I

0.2.2 A Big Hunk o' Love

(words & music by Aaron Schroeder and Sid Wyche)

Hey baby, I ain't askin' much of you
No no no no no no no no baby, I ain't askin' much of you
Just a big-a big-a hunk o' love will do

Don't be a stingy little mama
You're 'bout to starve me half to death
Well you can spare a kiss or two and
Still have plenty left, no no no
Baby, I ain't askin' much of you
Just a big-a big-a hunk o' love will do

You're just a natural born beehive
Filled with honey to the top
Well I ain't greedy baby
All I want is all you got, no no no
Baby, I ain't askin' much of you
Just a big-a big-a hunk o' love will do

I got wishbone in my pocket
I got a rabbit's foot 'round my wrist
You know I'd have all the things these lucky charms could bring
If you'd give me just one sweet kiss, no no no no no no no
Baby, I ain't askin' much of you
Just a big-a big-a hunk o' love will do

0.2.3 A Boy Like Me, a Girl Like You

(Words & music by Tepper - Bennett)

When a boy like me meets a girl like you
Then I must believe wishes come true
I just look at you and I touch your hand
And this ordinary world becomes a wonderland

There are many girls I have met before
But I pass them by because I knew
There would be this magic moment,
One to last a lifetime through
When a boy like me meets a girl like you

When a boy like me meets a girl like you

0.2.4 A Cane and a High Starched Collar

(Words & music by Tepper - Bennett)

Cowboy, cowboy marry me
I'll bake you a cherry pie
Well thank you very kindly mam
But I'm too young to die

Hi-lo-do-si-dosy-do
Stay single and save a dollar
Come Saturday night I'll court a pretty girl
With a cane and a high starched collar

Cowboy if you'll marry me
I'll be your darling Jenny
Now why should I drink from just one well
When I can drink from twen'y

Hi-lo-do-si-dosy-do
Stay single and save a dollar
Come Saturday night I'll court a pretty girl
With a cane and a high starched collar

Cowboy, cowboy name the day
July 'd be nice I reckon
Gladly meet you at the church
July the 32nd

Hi-lo-do-si-dosy-do
Stay single and save a dollar
Come Saturday night I'll court a pretty girl
With a cane and a high starched collar

You sleep all day and spoon all night
And eat your favorite chow
Then why should I get married mam
That's what I'm doing now

0.2.5 A Dog's Life

(Words & music by Sid Wayne - Ben Weisman)

If I had my life to live over
I know just what I'd like to be
A pampered pet of a rich brunette
Sitting on my mama's knee
Someone to love me
Someone to care
Rubberduck dubble little fingers through my hair
I need a dog's life
What a life, that's good enough for me
That's good enough for me

If I had a bone to be picking
A picking chicken or a steak
Curled up there in an easy chair
Man, that won't be hard to take
I'll always be faithful
That's what I'd be
Never bite a hand that feeds me, no siree
Just lead a dog's life
What a life
That's good enough for me
That's good enough for me

I'd find me a pink little poodle
And lose my noodle over her
I chase her 'round all over town
Just to ruffle up her fur
Nuzzle her muzzle
A hole in her paw
Greatest case of puppy lovin' you ever saw
It's called a dog's life
What a life
That's good enough for me
You heard me say it now
That's good enough for me
That's good enough for me

0.2.6 A House That Has Everything

(Words & music by Tepper - Bennett)

I can see you now living like a queen
In a house that has everything, everything but love
Crystal chandeliers, chauffeured limousines
Yes you'll really have everything, everything but love

I see diamonds, rubies, sapphires and pearls
And as the picture clears
Poor little rich girl sitting all alone
Counting her treasures in tears
Better just a shack where two people care
Than a house that has everything, everything but love

I see diamonds, rubies, sapphires and pearls
And as the picture clears
Poor little rich girl sitting all alone
Counting her treasures in tears
Better just a shack where two people care
Than a house that has everything, everything but love
Than a house that has everything, everything but love

0.2.7 A Hundred Years From Now

(Words & music by Flatt - Scruggs)

Well a hundred years from now I won't be crying
A hundred years from now I won't be blue
My heart will have to forget that we ever met
But I won't care a hundred years from now

I'll never forget sweetheart the night you told me
That you could Live without my love somehow
That's all in the past I knew it wouldn't last
But I won't care a hundred years from now

0.2.8 A Little Bit of Green

(Words & music by Arnold - Morrow - Martin)

Now that the truth is hard to face
I can't forget you once were mine
Someone else is in my place
Whenever we meet my heart beats out of time

Just a little bit of green
Clouds my eyes to what I've seen
Just a little bit of green
When I see you with someone new
And knowing that there's nothing I can do

Please don't try to tie me down
Those are the words you often say
I can't help seeing you around
You smile with surprise, I turn my eyes away

Just a little bit of green
Oh-oh-ho, clouds my eyes to what I've seen
Just a little bit of green
When I see you with someone new
And knowing that there's nothing I can do

Oh-oh-oh-oh-oh-oh

Just a little bit of green
Oh-oh-ho, clouds my eyes to what I've seen
Just a little bit of green
When I see you with someone new
And knowing that there's nothing I can do

Oh-oh-oh-oh-oh-oh
Just a little bit of green

0.2.9 A Little Less Conversation

(Words & music by Strange - Davis)

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Baby close your eyes and listen to the music
Drifting through a summer breeze
It's a groovy night and I can show you how to use it
Come along with me and put your mind at ease

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Come on baby I'm tired of talking
Grab your coat and let's start walking
Come on, come on
Come on, come on
Come on, come on
Don't procrastinate, don't articulate
Girl it's getting late, gettin' upset waitin' around

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

0.2.10 A Mess of Blues

(words & music by Doc Pomus and Mort Shuman)

I just got your letter baby
Too bad you can't come home
I swear I'm goin' crazy
Sittin' here all alone
Since you're gone
I got a mess of blues

I ain't slept a wink since Sunday
I can't eat a thing all day
Every day is just blue Monday
Since you've been away
Since you're gone
I got a mess of blues

Whoops there goes a teardrop
Rollin' down my face
If you cry when you're in love
It sure ain't no disgrace

I gotta get myself together
Before I lose my mind
I'm gonna catch the next train goin'
And leave my blues behind
Since you're gone
I got a mess of blues

Whoops there goes a teardrop
Rollin' down my face
If you cry when you're in love
It sure ain't no disgrace

I gotta get myself together
Before I lose my mind
I'm gonna catch the next train goin'
And leave my blues behind
Since you're gone
I got a mess of blues

Since you're gone I got a mess of blues
Since you're gone I got a mess of blues

0.2.11 A Thing Called Love

(words & music by Jerry Hubbard)

Six foot six stood on the ground, weighted 235 pounds
But I saw that giant of a man brought down to his knees by love
He was the kind of man who would gamble on love
Look you in the eye and never back up
But I saw him crying like a little whipped pup because of love

Can't see it with your eyes, hold it in your hands
Like the rules that govern our land
Strong enough to rule the heart of every man, this thing called love

It can lift you up, it can put you down
Take your world and turn it all around
Ever since time nothing's ever been found stronger than love
Men like me they worry and doubt
Trouble their minds day in and day out
Too busy a livin' to worry about a thing called love

And then I see a mother's tenderness
As she holds her young close to her breast
Then I say thank God this world will win with the thing called love

0.2.12 A Whistling Tune

(Words & music by Edwards - David)

Did you ever notice when the sun goes down
Out of nowhere comes a strange and pretty sound
It's a whistling tune for walking in the night
If you listen you can hear it in the breeze
Specially when the breeze is drifting through the trees

It's a whistling tune for walking in the night
And the murmuring waters sing the song
The echoing mountains hum along
The whispering valleys fill the air
With a whistling tune our hearts can share

It's so wonderful to walk beneath the moon
Listening to old mother nature's favorite tune
It's a whistling tune for walking in the night

0.2.13 A World of Our Own

(Words & music by Giant - Baum - Kaye)

You kiss me darling, a miracle starts
A magic feeling, comes into our hearts
The spell of love began, when we're alone
And we're in, a world of our own

You say you want me, and music I hear
Touch me my darling, and clouds disappear
The sky is bright above, and cares have flown
And we're in, a world of our own

Holding you close, is heaven
Only I know, what it's worth
Knowing you're mine, forever
Is the greatest wonder on earth

Nothing can change it, the magic's begun
When we're together, our hearts become one
I find a happiness, I've never known
When we're in, a world of our own

When we're in...a world of our own...

0.2.14 Adam and Evil

(Words & music by Wise - Starr)

Now Adam and Evil, they go hand in hand
Eve taught him sin, that's the way it all began
But every time you kiss me, my heart pounds like a drum
So trouble is a woman, trouble here I come

I'm lonely like Adam, you're evil like Eve
I shouldn't take forbidden fruit 'cause I believe
I'll be heading straight for heartache
I should cut loose and run
But if loving you means heartache
Heartache, here I come

You're not the angel that I dreamed about
But you're the devil I don't want to live without
A woman's a woman, a man is a man
I can't be free I'm just putty in your hands
Who cares about tomorrow, I need your love tonight

And even if you're evil, baby hold me tight

You're not the angel that I dreamed about
But you're the devil I don't want to live without
A woman's a woman, a man is a man
I can't be free I'm just putty in your hands
Who cares about tomorrow, I need your love tonight

And baby if you're evil, baby hold me tight
Hold me tight
Hold me tight
Hold me tight

0.2.15 After Loving You

(Words & music by E. Miller - J. Lantz)

But now after loving you, what else is there to do
For honey, all the rest is just gonna have to be second best
I know I'll go through life comparing her to you
That's 'cause I'm no good, I'm no good to anyone after loving you

Your precious love cannot be erased by just another woman with a pretty face
And your memory, you know it will remain for it cannot be erased
Other loves may come along, they can't live up to you
That's 'cause I'm no good, I'm no good to anyone after loving you

Your precious love cannot be erased by just another woman with a pretty face
And your memory, you know it will remain for it cannot be erased
Other loves may come along, they can't live up to you
That's 'cause I'm no good, I'm no good to anyone after loving you

I said I'm no good, I'm no good to anyone after loving you
I said I'm no good, I'm no good, I'm no good to anyone
To anyone, to anyone, to anyone after loving you
That's 'cause I'm no good, I'm no good to anyone after loving you

0.2.16 Ain't That Loving You Baby

(words & music by Clyde Otis and Ivory Joe Hunter)

I could ride around the world in an old oxcart
And never let another girl thrill my heart

Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you so ?

I could meet a hundred girls and have loads of fun
My huggin' and my kissin' belong to just one

Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you so ?

If you gave me nine lives like a tommy cat
I'd give 'em all to you and never take one back

Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you so ?

I'm putting on my Sunday suit and I'm goin' downtown
But I'll be kissin' your lips before the sun goes down

Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you baby ?
Ain't that loving you so ?

Ain't that loving you baby ?
Ain't that loving you so ?

0.2.17 All I Needed Was the Rain

(Words & music by Ben Weisman - Sid Wayne)

Hello misfortune, how's my old friend "Mr. Misery" ?
I've been away so long I bet you think you saw the last of me
Got no bed, to rest my head
No doors or walls or window pane
Now all I needed was the rain
rain, rain, rain, rain

Met a little honey at the "Buzzin' Bumble Bee Cafe"
Yes I did
One drink and all my money and that honey bee had flown away
I'm 'bout as low, as I can go
I don't really mean to complain
Now all I needed was the rain
rain, rain...rain..rain

All I needed was this rain...
All I needed was the rain...um..um.....

0.2.18 All Shook Up

(words & music by Otis Blackwell - Elvis Presley)

A well I bless my soul
What's wrong with me ?
I'm itching like a man on a fuzzy tree
My friends say I'm actin' wild as a bug
I'm in love
I'm all shook up
Mm mm oh, oh, yeah, yeah !

My hands are shaky and my knees are weak
I can't seem to stand on my own two feet
Who do you thank when you have such luck ?
I'm in love
I'm all shook up
Mm mm oh, oh, yeah, yeah !

Please don't ask me what's on my mind
I'm a little mixed up, but I'm feelin' fine
When I'm near that girl that I love best
My heart beats so it scares me to death !

She touched my hand what a chill I got
Her lips are like a vulcano that's hot
I'm proud to say she's my buttercup
I'm in love
I'm all shook up
Mm mm oh, oh, yeah, yeah !

My tongue get tied when I try to speak
My insides shake like a leaf on a tree
There's only one cure for this body of mine
That's to have the girl that I love so fine !

0.2.19 All That I Am

(Words & music by Tepper - Bennett)

All that I am or ever hope to be
Lies in your hands
You are my destiny
When you are in my arms, I rule the world
And when we're far apart, how cruel the world

All that I want is to be near to you
To spend my life making it clear to you
You are my heart, my soul, my dream come true
All that I am, I am because of you

All that I want is to be near to you
To spend my life making it clear to you
You are my heart, my soul, my dream come true
All that I am, I am because of you

Because of you
Because of you

0.2.20 Allá En El "Rancho Grande"

(Words & music by Ramos / Urange / Del Moral)

Allá en el rancho grande
Allá donde vivía
Habi'a una rancherita
Que alegre me decía
Que alegre me decía :
"Te voy hacer unos calzones
comos los que usa el rancho
Los comenzo de lana
y los acabo de hierro."

There in the great ranch
There where she used to live
There used to be a cowgirl
Who joyfully used to tell me
Who joyfully used to tell me
"I'm going to make some trousers
like those which the cowboy wears
I'm starting them with wool
and I'm finishing them with iron."

0.2.21 Almost

(Words & music by Kaye - Weisman)

We almost shared a dream
We almost made it as a team
How nice it would have been.

We almost touched the stars
And there stood heaven, almost ours
We were just outsiders looking in.

We had the chance to fall
But fate stepped in to end it all
Before it could begin.

And if it's true, you're really going
There's nothing but goodbye to say
The saddest part of all is knowing
We almost went all the way

0.2.22 Almost Always True

(Words & music by Fred Wise - Ben Weisman)

I was always, baby, I was always
Well almost always true to you
Met a pretty mademoiselle
Her papa owned a small hotel
Oh, I was almost always true to you

I resisted tho' my arm was twisted
I was almost always true to you
Stayed away from drinkin' wine
Thought about you all the time
Oh, I was almost always true to you

Kept refusin' don't jump to conclusions
I was almost always true to you
I would never grab like this
I would never steal a kiss
Oh, I was almost always true to you

0.2.23 Almost in Love

(Words & music by L. Bonfa - R. Starr)

Your lips were made for kisses so tender
I'm almost in love tonight
When we are close, my heart says surrender
I'm almost in love tonight

And here under the spell of evening
I long to hold you tight
Heaven is near, why think of tomorrow
I'm almost in love tonight

It may be just the spell of evening
I long to hold you tight
Heaven is near, why think of tomorrow
I'm almost in love tonight

Almost in love

0.2.24 Aloha Oe

(adapted and arranged by Elvis Presley)

Aloha-oe, aloha-oe, ikeona ona noho ikanipo

One fond embrace ahoea ea

Until we meet again

Until we meet again

0.2.25 Always on My Mind

(words & music by Wayne Thompson - Mark James - Johnny Christopher)

Maybe I didn't treat you
Quite as good as I should have
Maybe I didn't love you
Quite as often as I could have
Little things I should have said and done
I just never took the time

You were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't died
Give me, give me one more chance
To keep you satisfied, satisfied

Maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you
I'm so happy that you're mine
If I make you feel second best
Girl, I'm sorry I was blind

You were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't died
Give me, give me one more chance
To keep you satisfied, satisfied

Little things I should have said and done
I just never took the time
You were always on my mind
You are always on my mind
You are always on my mind

0.2.26 Am I Ready

(Words & music by Tepper - Bennett)

Am I ready, can my heart be true ?
Am I ready, to fall in love with you

One love, one girl, one dream shared by two
Am I ready, to fall in love with you

I have touched your lips, and now I know
I would be a fool, to let you go

Should I, could I, how I wish I knew
Am I ready, to fall in love with you

Should I, could I, how I wish I knew
Am I ready, to fall in love with you

Fall in love...with..you...

0.2.27 Amazing Grace

(words & music by William J. Gaither, arr. Elvis Presley)

Amazing grace, oh how sweet the sound
That saved a wreck like me
I once was lost, though now I'm found
I was blind, but now I see
When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Then when, when we first begun
Too many ages false and spent
I have already hung
This face and flock He saved us by
His endless grace will leave me whole
Amazing grace, oh how sweet the sound
To save a wreck like me

I once was lost, but now I'm found
I was blind, but now I see

0.2.28 America the Beautiful

(Traditional,, arranged by Elvis Presley)

O beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above thy fruited plain

America, America
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea

For beautiful..for spacious skies
For amber waves of grain
For purple mountain..majesties
Above the fruited plain...
America !...America !...
God shed His grace..on thee..
And crowned thy good, with brotherhood
From sea...to shining sea...

America !..America !!
God shed his grace on thee
And crown thy good with brotherhood
From sea...to..shining..sea !!

AMERICA !!!....

0.2.29 An American Trilogy

(words & music by Newbury)

Oh I wish I was in the land of cotton
Old things they are not forgotten
Look away, look away, look away Dixieland
Oh I wish I was in Dixie, away, away
In Dixieland I take my stand to live and die in Dixie
Cause Dixieland, that's where I was born
Early Lord one frosty morning
Look away, look away, look away Dixieland

Glory, glory hallelujah
Glory, glory hallelujah
Glory, glory hallelujah
His truth is marching on

So hush little baby
Don't you cry
You know your daddy's bound to die
But all my trials, Lord will soon be over

0.2.30 An Evening Prayer

(words & music by Battersby - Gabriel)

If I have wounded any soul today

If I have caused one foot to go

If I have lost in my own misery

Dear Lord forgive

Forgive a sin I have confessed to Thee

Forgive my secret sins I do

Oh God watch over me and my misery

Dear Lord, help me

0.2.31 And I Love You So

(words & music by Don McLean)

And I love you so,
The people ask me how,
How I've lived till now
I tell them I don't know

I guess they understand
How lonely life has been
But life began again
The day you took my hand

And yes I know how lonely life can be
Shadows follow me
The night won't set me free
But I don't let the evening get me down
Now that you're around me

And you love me too
Your thoughts are just for me
You set my spirit free
I'm happy that you do

The book of life is brief
Once the page is read
All but love is dead
This is my believe

0.2.32 And the Grass Won't Pay No Mind

(words & music by Neil Diamond)

Listen easy, you can hear God calling
Walking barefoot by the stream
Come on to me, Your hair's softly falling
On my face as in a dream
And the time will be our time
And the grass won't pay no mind

Saying nothing, lying where the sun is
Baking down upon our sides
My lips touch you, with their soft wet kisses
Your hands gentle in reply
And the time will be our time
And the grass won't pay no mind

Child, touch my soul with your cries
And the music will know what we've found
I, hear a hundred good-byes
But today I hear only one sound
The moment we're living is now
Now now now now now now now

Young bird flying, and a soft wind blowing
Cools the sweat inside my palms
Close my eyes, hear the flowers growing
As you lay sleeping in my arms
And the time will be our time
And the grass won't pay no mind
No the grass won't pay no mind

0.2.33 Angel

(Words & music by Sid Tepper - Roy C. Bennett)

Angel, with those angel eyes
Come and take this earth boy
Up to paradise

Angel, may I hold you tight ?
Never kissed an angel
Let me kiss one tonight

If I said "I love you"
Would I be speaking out of turn ?
I'm only human, but I'm willing to learn

Angel, make my wish come true
Let me be in heaven here on earth with you

Angel, never kissed an angel
Let me kiss one tonight

If I said "I love you"
Would I be speaking out of turn ?
I'm only human, but I'm willing to learn

Angel, make my wish come true
Let me be in heaven here on earth with you

Angel, Angel

0.2.34 Animal Instinct

(Words & music by Giant, Baum, Kaye)

Don't ever take your eyes off me
Not even for a minute
'cause like a panther I might pounce
And that will be the limit

I can be sneaky, fast as a snake
I strike like a cobra, make no mistake
And baby you'll be trapped, quick as a wink
It's animal instinct

Don't think that I won't pin you down
No matter how you plead it
I'm like a lion who's been caged
And you are gonna meet it

Watch out I'll warn ya', sharp as a hawk
I'm wild as a tiger, I prowl and I stalk
'cause when a man feels thirst, he takes a drink
It's animal instinct

You better not be caught off guard
This wolf is on the search now
A leopard just can't change its spots
And I'm about to lurch now
I roar like the jungle, I fight tooth and nail
I just gotta get you, you'll fall without fail
I'm ready for the kill, I'm right on the brink
It's animal instinct
It's animal instinct, animal instinct

0.2.35 Any Day Now

(Words & music by B. Bacharach - B. Hilliard)

Any day now I will hear you say
Goodbye my love
You'll be on your way
Then my wild beautiful bird
You will have flown
Any day now I'll be all alone
Oh, oh, oh

Any day now, when your restless eyes
Meet someone new
To my sad surprise
Then the blue shadow will fall all over town
Any day now
Love will let me down
Oh, oh, oh

I know I shouldn't want to keep you
If you don't want to stay, yeah
Until you've gone forever
I'll be holding on for dear life
Holding you this way
Begging you to stay

Any day now
When the clock strikes go
You'll call it off
Then my tears will flow
Then the blue shadow will fall all over town
Any day now
Love will let me down
Oh, oh, oh

Oh, any day now
Oh, oh, oh
Oh, any day now
Don't fly away my beautiful bird

Don't fly away my beautiful bird

0.2.36 Anyone (Could Fall in Love With You)

(Words & music by Benjamin - Marcus DeJesus)

Anyone could fall in love with you
Anyone who knows you as I do
Anyone could fall in love with you
And I love you my darling

Anyone could lose his heart like me
Anyone who has eyes that can see
Anyone could fall in love like me
And I love you my darling

You're the star I reached for
You're a dream so rare
You're my greatest treasure
Nothing can compare

Anyone could want you for his own
Anyone not only mine alone
Anyone could fall in love with you
And I love you my darling
Anyone could fall in love with you
And I love you my darling

0.2.37 Anyplace Is Paradise

(words & music by Thomas)

Whether you're riding down a highway
Or walkin' down a street
It makes no difference baby
I'm gonna love you just as mean
'Cause holdin' your little hand
Makes me feel so very nice
Anyplace is paradise
When I'm with you

Whether we're standin' on a doorstep
Or sittin' at a park
Or strollin' down shady lane
Or dancin' in the dark
Well I can take you in my arms
And look into your pretty eyes
Anyplace is paradise
When I'm with you

Give me a cave up in the mountain
Or a shack down by the sea
And I will be in heaven honey
If you are there with me
Well kiss your pretty lips
See the love-light in your eyes
Anyplace is paradise
When I'm with you

Baby I'd live deep in the jungle
And sleep up in a tree
And let the rest of the world go be
If you were there with me
Well I could love you all the time
Baby, a jungle would be fine
Anyplace is paradise
When I'm with you

0.2.38 Anything That's Part Of You

(Words & music by Don Robertson)

I memorize the note you sent
Go all the places that we went
I seem to search the whole day through
For anything that's part of you

I kept a ribbon from your hair
A breath of perfume lingers there
It helps to cheer me when I'm blue
Anything that's part of you

Oh, how it hurts to miss you so
When I know you don't love me anymore
To go on needing you
Knowing you don't need me

No reason left for me to live
What can I take, what can I give
When I'd give all of someone new
For anything that's part of you

0.2.39 Anyway You Want Me

(words & music by A. Schroeder and C. Owens)

I'll be a strong as a mountain,
Or weak as a willow tree,
Anyway you want me,
That's how I will be.

I'll be a tame as a baby,
Or wild as the raging sea,
Anyway you want me,
That's how I will be.

In your hand my heart is clay,
To take a mold as you may.
I'm what you make me, you've only to take me,
And in your arms I will stay.

I'll be a fool or a wise man,
My darling you hold the key,
Yes, anyway you want me,
That's how I will be,
I will be.

0.2.40 Are You Lonesome Tonight ?

(words & music by Roy Turk and Lou Handman)

Are you lonesome tonight,
do you miss me tonight ?
Are you sorry we drifted apart ?
Does your memory stray to a brighter sunny day
When I kissed you and called you sweetheart ?
Do the chairs in your parlor seem empty and bare ?
Do you gaze at your doorstep and picture me there ?
Is your heart filled with pain, shall I come back again ?
Tell me dear, are you lonesome tonight ?

I wonder if you're lonesome tonight
You know someone said that the world's a stage
And each must play a part.
Fate had me playing in love you as my sweet heart.
Act one was when we met, I loved you at first glance
You read your line so cleverly and never missed a cue
Then came act two, you seemed to change and you acted strange
And why I'll never know.
Honey, you lied when you said you loved me
And I had no cause to doubt you.
But I'd rather go on hearing your lies
Than go on living without you.
Now the stage is bare and I'm standing there
With emptiness all around
And if you won't come back to me
Then make them bring the curtain down.

Is your heart filled with pain, shall I come back again ?
Tell me dear, are you lonesome tonight ?

0.2.41 Are You Sincere

(Words & music by Wayne Walker)

Are you sincere when you say I love you
Are you sincere when you say you love me too
Oh and are you really mine every day, all the time
I've gotta know which way to go
Will our love grow, are you sincere

Are you sincere when you say I love you
Honey, are you sincere when you say you love me too

And are you really mine every day, all the time
I've gotta know which way to go
Will our love grow, are you sincere

0.2.42 As Long As I Have You

(Words & music by Wise - Weisman)

Let the stars fade and fall
And I won't care at all
As long as I have you

Every kiss brings a thrill
And I know that it will
As long as I have you

Let's think of the future
Forget the past
You're not my first love
But you're my last
Take the love that I bring
Then I'll have everything
As long as I have you

Let's think of the future
Forget the past
You're not my first love
But you're my last
Take the love that I bring
Then I'll have everything
As long as I have you

As long, as long as I have you

0.2.43 As We Travel Along the Jericho Road

(Traditional)

As you travel along on the Jericho Road

(Elvis : I would take young Johnny Cash to do this)

Does the road seem all long and heavy your load

Just take it to Christ your sins all confess

On the Jericho Road your heart He will bless

On the Jericho Road

0.2.44 Ask Me

(words & music by Modugno - Giant - Baum - Kaye)

Ask me if I wanted to caress you
And I'd confess
Ask me if I'm longing to possess you
I'll answer yes

Now that we're together
I could hold you close forever
And I swear that I would never let you go

There's no question that I care more than you
Love me darling, just be mine completely
And there's nothing I won't do if you
Just ask me

0.3 B

0.3.1 (You're So Square) Baby I Don't Care

(words & music by Jerry Leiber - Mike Stoller)

You don't like crazy music.
You don't like rockin' bands.
You just wanna go to a movie show,
And sit there holdin' hands.
You're so square.
Baby, I don't care.

You don't like hotrod racin'
Or drivin' late at night.
You just wanna park where it's nice and dark.
You just wanna hold me tight.
You're so square.
Baby, I don't care.

You don't know any dance steps that are new,
But no one else could love me like you do, do, do, do.

I don't know why my heart flips.
I only know it does.
I wonder why I love you, baby.
I guess it's just because
You're so square.
Baby, I don't care.

0.3.2 Baby, Let's Play House

(words & music by Arthur Gunter)

Oh, baby, baby, baby, baby baby.
Baby, baby baby, b-b-b-b-b baby baby, baby.
Baby baby baby
Come back, baby, I wanna play house with you.

Well, you may go to college,
You may go to school.
You may have a pink cadillac,
But don't you be nobody's fool.

Now baby,
Come back, baby, come.
Come back, baby, come.
Come back, baby,
I wanna play house with you.

Now listen and I'll tell you baby
What I'm talking about.
Come on back to me, little girl,
So we can play some house.

Now baby,
Come back, baby, come.
Come back, baby, come.
Come back, baby,
I wanna play house with you.
Oh let's play house, baby.

Now this is one thing, baby
That I want you to know.
Come on back and let's play a little house,
And we can act like we did before.
Well, baby,
Come back, baby, come.
Come back, baby, come.
Come back, baby,
I wanna play house with you.

Yeah.

Now listen to me, baby
Try to understand.
I'd rather see you dead, little girl,
Than to be with another man.
Now baby,
Come back, baby, come.
Come back, baby, come.

Come back, baby, I wanna play house with you.

Oh, baby baby baby.

Baby baby baby b-b-b-b-b baby baby baby.

Baby baby baby.

Come back, baby, I wanna play house with you.

0.3.3 Baby, if You'll Give Me All of Your Love

(Words & music by Joy Byers)

I'll send you red roses by the dozen
I'll call you sweet little things like turtle dove
I'll whisper pretty things in your ear
The kinda things a girl likes to hear
Baby, if you'll give me all of your love

I'll bring you pounds and pounds of chocolate candy
To prove it's you that I've been thinking of
Tear up all the pictures I own of every pretty girl I've ever known
Baby, if you'll give me all of your love

I'll take you dancin' every night until you're ready to drop
I'll kiss your sweet red cherry lips until you holler stop
Every night I'll serenade you 'neath your window
If you need me just a whistle and I won't need a shove
I'll hug you squeeze you tight as I can
It ain't gonna be no one-night stand
Baby, if you'll give me all of your love

I'll take you dancin' every night until you're ready to drop
I'll kiss your sweet red cherry lips until you holler stop
Every night I'll serenade you 'neath your window
If you need me just a whistle and I won't need a shove
I'll hug you squeeze you tight as I can
It ain't gonna be no one-night stand
Baby, if you'll give me all of your love
Baby, if you'll give me all of your love
If you will give me, if you will give me all your love

0.3.4 Baby, What You Want Me to Do

(Words & music by Jimmy Reed)

You got me doin' what you want me
Oh baby what you want me to do

You got me peepin' you got me hidin'
You got me peep hide hide peep
Any way you wanna let it roll
Yeah yeah yeah
You got me doin what you want me
Baby what you want me to do

0.3.5 Bad Nauheim Medley

- I'll Take You Home Again, Kathleen (Thomas P. Westendorf)
- I Will Be True (Ivory Joe Hunter)
- It's Been So Long Darling (Ernest Tubb)
- Apron Strings (Weiss/Schroeder)
- There's No Tomorrow (Hoffman - Corday - Carr)

I'll take you home again Kathleen

Across the ocean wild

To where your heart has ever been

Since first you were my bonny bride

The roses all have left your cheek

I watch them fade away and die

Your voice is soft when you speak

And tears bedim your lovely eyes

Oh, I will take you home Kathleen

Across the ocean wild

And when the fields are soft and green

I will take you to your home Kathleen

Somehow I feel

That someday we'll meet again

Don't ask me how

It's something I can't explain

Until the day

I give up all hope of you

Assure yourself this I'll do

I will be true

It's been so long darling

Since I gazed into your eyes

It's been so long darling

But now I realize

'bout your love, not seeing you,

It hurts me through and through

It's been so long darling

Well, I'm coming back to you

tadadada ... ?... Apron strings

There tatatatata

There's no tomorrow

When love isn't near

0.3.6 Barefoot Ballad

(Words & music by Fuller - Morris)

I want a barefoot ballad yes a barefoot ballad
Won't you play for me a down home country song
'Cause when I kick my shoes off and I kick my blues off
With a barefoot ballad you just can't go wrong

Give me a honk-tonk fiddle with a guitar in the middle and a melody
Humming like a fountain swinging out on Smokey mountain

I want a barefoot ballad yes a barefoot ballad
Won't you play for me a down home country song
'Cause when I kick my shoes off and I kick my blues off
With a barefoot ballad you just can't go wrong

Now the big toe's connected to the two toe
And the two toe's connected to the three toe
And the three toe's connected to the four toe
And the four toe's connected to the five toe
And the five toe and away we go

I want a barefoot ballad yes a barefoot ballad
Won't you play for me a down home country song
'Cause when I kick my shoes off and I kick my blues off
With a barefoot ballad you just can't go wrong

Now the big toe's connected to the two toe
And the two toe's connected to the three toe
And the three toe's connected to the four toe
And the four toe's connected to the five toe
And the five toe and away we go

I wanna barefoot ballad yes a barefoot ballad
Won't you play for me a barefoot ballad song.

0.3.7 Beach Boy Blues

(words & music by Sid Tepper - Roy Bennett)

I'm a poor Hawaiian beach boy
A long way from the beach
'Cause someone shoved his face against my hand
Now I'm a kissing cousin to a ripe pineapple
I'm in the can

I was minding my own business
But drinking daddy's juice
I swear I'll never touch that stuff again
Just like a pig before he gave his all that aluhau
I'm in the pen

Got those beach boy blues
Don't the time go slow
Lonely beach boy blues
Only 30 day's and 90 years to go

I want a taste of honey
From my wahini's lips
I want to be her ever loving man
But I'm a kissing cousin to a ripe pineapple
I'm in the can

But I'm a kissing cousin to a ripe pineapple
I'm in the can

0.3.8 Beach Shack

(Words & music by Giant - Baum - Kaye)

When you're through swimming
I'll dry your back
Come and relax girl
In my little beach shack
dum-di-dum-di-dum, yeah-yeah-yeah
There'll be nothing you'll lack
It's a pleasure to welcome you
In my little beach shack

In my beach shack, baby we'll be alone
In my beach shack, I'll make you feel at home

Take off that wet cap
Let down your hair
Come to my beach shack
You'll be comfortable there
dum-di-dum-di-dum, yeah-yeah-yeah
Be my guest, have a snack
See how nice I feed company
In my little beach shack

In my beach shack, baby we'll be alone
In my beach shack, I'll make you feel at home

Come see my etchings
I wish you would
Don't be afraid girl
My intentions are good
You believe me now..
dum-di-dum-di-dum, yeah-yeah-yeah
I know girls by the pack
There's no-one I want there but you
In my little beach shack

In my beach shack, baby we'll be alone
In my beach shack, I'll make you feel at home

In my little beach shack....

0.3.9 Because of Love

(Words & music by Batchelor - Roberts)

Because of love, I'm a hundred feet tall
I can bounce this world like a little old ball
The heaven and earth are now all mine
I've jumped to the moon from cloud number nine
Because, because, because, because of love

Because of love, I'm a mighty big man
I hold the sun in the palm of my hand
Just one leap I can cross the seas
Jump over mountains and fly over trees
Because, because, because, because of love

Well I found love, I found love
That's all that I can say
Oh I'll never, never, I'll never, never
Never let it get away

Because of love, I'm the happiest guy
And life is sweet as cherry cream pie
Well heaven and earth are now all mine
I've jumped to the moon from cloud number nine
Because, because, because, because of love
Because, because, because, because of love

0.3.10 Beginner's Luck

(Words & music by Tepper - Bennett)

First time I fell in love
I fell in love with you
First time I dared to dream
My only dream came true

Must be beginner's luck
To wish upon a star
That opened up my eyes
And there you are

I wave no magic wand
I own no lucky charms
How then can I explain
An angel in my arms
Must be beginner's luck
What else can it be
When someone wonderful as you
Loves me

0.3.11 Beyond the Bend

(Words & music by Weisman - Wise -/ Fuller)

Breeze sing a happy song
This heart of mine is singing right along
Don't know where I'm going
Don't know where it ends
Till the grass is greener, beyond the bend

I haven't got a care
I'm just on my way to anywhere
Pocketful of nothing, nothing I can spend
Hope the grass is greener, beyond the bend

Beyond the bend,
Perhaps there'll be somebody waiting who's right for me
So I got to move around
And I know I've got to cover ground
Oh the trip is shorter when you got a friend
Gotta find that rainbow beyond the bend

Beyond the bend, beyond the bend

0.3.12 Beyond the Reef

(Words & music by Jack Pitman)

Beyond the reef where the sea is dark and cold
My love has gone from me and my dreams grow cold
There'll be no tears, there'll be no regretting
Will she remember me, will she forget ?

I'll send a thousand flowers
Where the trade winds blow
I'll send my lonely heart for I love her so
Some day I know, she'll come back again to me
Till then my heart will be beyond the reef

I'll send a thousand flowers
Where the trade winds blow
I'll send my lonely heart for I love her so
Some day I know, she'll come back again to me
Till then my heart will be beyond the reef

Till then my heart will be beyond the reef

0.3.13 Big Boots

(words & music by Wayne - Edwards)

They call your daddy Big Boots
And Big Boots is his name
It takes a big man to wear big boots
That's your daddy's claim to fame

Wherever soldiers are
'Cause he can handle an armored tank
Just like a kiddy can
So sleep little soldier
Don't you cry
Loo loo loo loo
Loo loo loo
General sandman's soon coming by
Loo loo loo loo
Loo loo loo
I'm gonna tell you a little secret
You won't believe it's true
Did you know your
Daddy Big Boots
Once wore little boots like you

0.3.15 Big Love, Big Heartache

(Words & music by Fuller - Morris - Hendrix)

Oh yes, I know it's true
The more you fall in love
The more your heart can break in two
Now that you've said goodbye
For every tender kiss
I've had the tears I cry
I gave my heart and soul
All the love I knew
Oh how much it hurts me now
To know that we are through

I'll always feel this way
My arms will be so empty
You'll return some day and say
Your love, yes your big love
Will be here to stay
Till then it's

Your love yes your big love
Will be here to stay

0.3.16 Bitter They Are, Harder They Fall

(Words & music by Larry Gatlin)

I told her to leave me alone
That's what she's done, just what she's done
And a house built for two, ain't a home
When it's lived in by one, one lonely one

And I can no longer hear footsteps, come right down the hall
Here come the teardrops, bitter they are, harder they fall
She caught me lying, then she caught a train
And I caught a fever walking home in the rain
Oh yeah!

But it's over and I'm done
She left me once and for all
Here come the teardrops, bitter they are, harder they fall
Here come the teardrops, bitter they are, harder they fall

0.3.17 Black Star

(Words & music by Wayne - Edwards)

Every man has a black star
A black star over his shoulder
And when a man sees his black star
He knows his time, his time has come

Black star don't shine on me, black star
Black star keep behind me, black star
There's a lot of livin' I gotta do
Give me time to make a few dreams come true
Black star

When I ride I feel that black star
That black star over my shoulder
So I ride in front of that black star
Never lookin' around, never lookin' around

Black star don't shine on me, black star
Black star keep behind me, black star
There's a lot of livin' I gotta do
Give me time to make a few dreams come true
Black star

One fine day I'll see that black star
That black star over my shoulder
And when I see that old black star
I'll know my time, my time has come

Black star don't shine on me, black star
Black star keep behind me, black star
There's a lot of livin' I gotta do
Give me time to make a few dreams come true
Black star

0.3.18 Blessed Jesus Hold My Hand**(Traditional)**

... mm, stepping through the sinking sand
To the cross of Calvary
Mm, let it be my prayer, dear Lord, each day
To help me do the best I can
For there is no friend on whom I can depend
Blessed Jesus, hold my hand.

Blessed Jesus, hold my hand ...
Oh, yes, I need Thee every hour
Through the this pilgrims land
Protect me by thy saving power
Please, hear my feeble plea
Oh, hoh, Lord, please, tell me
I kneel in prayer, I try to meet you there
Blessed Jesus, hold my hand, hold my hand.

0.3.19 Blowin' in the Wind

(words & music by Bob Dylan)

How many roads must a man walk down,
Before you call him a man ?
Yes and how many seas must a white dove sail,
Before she sleeps in the sand ?
Yes and how many times must cannonballs fly,
Before they're forever banned ?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

How many times must a man look up,
Before he can see the sky ?
How many ears must one man have,
Before he can hear people cry ?
How many deaths will it take till he knows
That too many people have died ?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

How many years can a mountain exist,
Before it's washed to the seas (sea)
How many years can some people exist,
Before they're allowed to be free ?
How many times can a man turn his head,
Pretend that he just doesn't see ?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

0.3.20 Blue Christmas

(words & music by **Billy Hayes - Jay Johnson**)

I'll have a Blue Christmas without you

I'll be so blue thinking about you

Decorations of red on a green Christmastree

Won't be the same dear, if you're not here with me

And the when those blue snowflakes start fallin'

That's when those blue memories start callin'

You'll be doin' all right, with your Christmas of white

But I'll have a blue, blue, blue, blue Christmas

0.3.21 Blue Eyes Crying in the Rain

(Words & music by Fred Rose)

In the twilight glow I see her
Blue eyes crying in the rain
When we kissed goodbye and parted
I knew we'd never meet again

Love is like a dying ember
Only memories remain
Through the ages I remember
Blue eyes crying in the rain

Someday when we meet up yonder
We'll stroll hand in hand again
In a land that knows no parting
Blue eyes crying in the rain

Blue eyes crying in the rain
Blue eyes crying in the rain
Blue eyes crying in the rain

0.3.22 Blue Hawaii

(words & music by Leo Robin - Ralph Rainger)

Night and you
And blue Hawaii
The night is heavenly
And you are heaven to me

Lovely you
And blue Hawaii
With all this loveliness
There should be love

Come with me
While the moon is on the sea,
The night is young
And so are we, so are we

Dreams come true
In blue Hawaii
And mine could all come true
This magic night of nights with you

0.3.23 Blue Moon

(words & music by **R. Rodgers - L. Hart**) Blue moon,
You saw me standing alone,
Without a dream in my heart,
Without a love of my own.

Blue moon,
You knew just what I was there for.
You heard me saying a pray for
Someone I really could care for.

Blue moon,
You saw me standing alone,
Without a dream in my heart,
Without a love of my own.

Blue moon...
Without a love of my own.

0.3.24 Blue Moon of Kentucky

(words & music by **Bill Monroe**)

Blue moon, blue moon, blue moon,
keep shining bright.
Blue moon, keep on shining bright,
You're gonna bring me back my baby tonight,
Blue moon, keep shining bright.

I said blue moon of Kentucky
keep on shining,
Shine on the one that's gone and left me blue.
I said blue moon of Kentucky
keep on shining,
Shine on the one that's gone and left me blue.

Well, it was on one moonlight night,
Stars shining bright,
Wish blown high
Love said good-bye.

Blue moon of Kentucky
Keep on shining.
Shine on the one that's gone and left me blue.

Well, I said blue moon of Kentucky
Just keep on shining.
Shine on the one that's gone and left me blue.
I said blue moon of Kentucky
keep on shining.
Shine on the one that's gone and left me blue.

Well, it was on one moonlight night,
Stars shining bright,
Wish blown high
Love said good-bye.

Blue moon of Kentucky
Keep on shining.
Shine on the one that's gone and left me blue.

0.3.25 Blue River

(Words & music by Evans - Tobias)

Blue river, it can't be found on any map that I know
But it's the place where lonely lovers all go
To cry their tears, blue river
It winds along a path of heartache and pain
Of broken dreams from lovin' someone in vain
Like I loved you, and baby I still do

I held you so tight
You were out of my sight
I'm feelin' so low
But I gotta go
Blue river because you never really cared about me
From now on baby that's where I'm gonna be
Cryin' over you, by the river of blue

0.3.26 Blue Suede Shoes

(words & music by Carl Perkins)

Well, it's one for the money,
Two for the show,
Three to get ready,
Now go, cat, go.

But don't you step on my blue suede shoes.
You can do anything but lay off of my Blue suede shoes.

Well, you can knock me down,
Step in my face,
Slander my name
All over the place.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes
Don't you step on my Blue suede shoes.
You can do anything but lay off of my blue suede shoes.

You can burn my house,
Steal my car,
Drink my liquor
From an old fruitjar.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes
Don't you step on my blue suede shoes.
You can do anything but lay off of my blue suede shoes.

0.3.27 Blueberry Hill

(Words & music by Lewis - Stock - Rose)

I found my thrill on blueberry hill
On blueberry hill when I found you
The moon stood still on blueberry hill
And lingered until my dreams came true

The wind in the willow played
Love's sweet melody
But all of those vows we made
Were never to be

Tho' we're apart, you're part of me still
For you were my thrill on blueberry hill

0.3.28 Bosom of Abraham

(words & music by Johnson - McFadden - Brooks - Presley)

Well you rock my soul

Down in the bosom of Abraham

Rock, rock, rock down in the bosom of Abraham

He rocks my soul down in the bosom of Abraham

Well a rich man lives, He lives so well

Children, when he dies on a lonely hill

Why don't you rock my soul in the bosom of Abraham

0.3.29 Bossa Nova, Baby

(words & music by Jerry Leiber - Mike Stoller)

I said, 'Take it easy, baby
I worked all day and my feet feel just like lead
You got my shirt tails
Flyin' all over the place
And the sweat poppin' out of my head'
She said, 'Hey, Bossa nova, baby
Keep on a workin' child
This ain't no time to quit'
She said, 'Go, Bossa nova, baby
Keep on dancin'
I'm about to have myself a fit'
Bossa nova, Bossa nova

I said, 'Hey little mama,
Let's sit down
Have a drink and dig the band'
She said, 'Drink, drink, drink
Oh, fiddle-de-dink
I can dance with a drink in my hand'
She said 'Hey Bossa nova, baby
Keep on workin' child
This ain't no time to drink'
She said 'Go, Bossa nova, baby
Keep on dancin'
'Cause I ain't got time to think'

I said, 'Come on, baby
It's hot in here
And it's oh so cool outside
If you lend me a dollar
I can buy some gas
And we can go for a little ride'
She said, 'Hey Bossa nova, baby
Keep on workin' child
I ain't got time for that'
She said, 'Go Bossa nova, baby
Keep on dancin'
Or I'll find myself another cat'

0.3.30 Bridge Over Troubled Water

(words & music by Paul Simon)

When you're weary, feeling small
When tears are in your eyes I will dry them all
I'm on your side, oh, When times get rough
And friends just can't be found

Like a bridge over troubled water,
I will lay me down,
Oh, like a bridge over troubled water
I will lay me down

When you're down and out, when you're on the streets
When evening falls so hard, I will comfort you
I'll take your part when the darkness falls and pain is all around

Yes, like a bridge over troubled water
I will lay me down
Oh, like a bridge over troubled water
I will lay me down

Sail on, silver girl, sail on by
Your time has come to shine
All your dreams are on their way
See how they shine
Oh, if you need a friend,
I'm sailing right behind

Yes, like a bridge over troubled water
I, I will ease your mind
Like a bridge over troubled water
I will ease your mind

0.3.31 Bringin' It Back

(words & music by Greg Gordon)

If I can never see you, if I can never hold you
If I can never touch your face or feel your warm embrace
I still remember talkin', I still remember laughin'
I still remember lovin' you a lot and touchin' you

Only bringin' it back, only just bringin' it back
A familiar face, a familiar face just brings it all back
Everything's bringin' it back, good songs bringin' it back
Even after so much time, everything's bringin' it back

Thinkin' in my solitude, wonderin' about your attitude
Thinkin' maybe that your love has died
There it is, I can see it in your eyes
A look of sweet surrender, a touch of too much sadness
'Cause I've hurt you so, you know your sorrow shows
You just can't stay, but you can't let go

0.3.32 Britches

(Words & music by Wayne - Edwards)

Beware of a gal in britches

Yo-di-o-di-o

Never trust no gal in britches

No-di-o-di-o

If you had a sense of this here horse

You would have known it by now of course

Who wears the britches is the boss

That's a gal, that's a gal in britches

Don't mess with a gal in britches

Yo-di-o-di-o

No feminine gal wears britches

No-di-o-di-o

She'll beg you to come to the country dance

You ride twenty miles for the big romance

She shows up in her brother's pants

What'd you expect from a girl in britches

Yo-di-o-di-o-i-ay, It's none of my misfortune

Yo-di-o-di-o-di-ay, Just thought you'd like to know

Don't marry no gal in britches

Yo-di-o-di-o

You'll never know which is which's

No-di-o-di-o

She'll put a halter through your nose

Have you cooking and washing clothes

While she goes chasing them buffaloes

Bet your boots, that's a gal in britches.

0.3.33 Burning Love

(words & music by Linde)

Lord Almighty,
I feel my temperature rising
Higher higher
It's burning through to my soul

Girl, girl, girl
You gonna set me on fire
My brain is flaming
I don't know which way to go

Your kisses lift me higher
Like the sweet song of a choir
You light my morning sky
With burning love

Ooh, ooh, ooh,
I feel my temperature rising
Help me, I'm flaming
I must be a hundred and nine
Burning, burning, burning
And nothing can cool me
I just might turn into smoke
But I feel fine

Cause your kisses lift me higher
Like a sweet song of a choir
And you light my morning sky
With burning love

It's coming closer
The flames are reaching my body
Please won't you help me
I feel like I'm slipping away
It's hard to breath
And my chest is a-heaving

Lord Almighty,
I'm burning a hole where I lay
Cause your kisses lift me higher
Like the sweet song of a choir
You light my morning sky
With burning love
With burning love
Ah, ah, burning love
I'm just a hunk, a hunk of burning love
Just a hunk, a hunk of burning love
Just a hunk, a hunk of burning love

Just a hunk, a hunk of burning love
Just a hunk, a hunk of burning love
Just a hunk, a hunk of burning love

0.3.34 By and By

(Traditional - arranged by Elvis Presley)

Well children by and by when the morning comes
All the saints of God together they come
We will tell the story how the Lord will come
And we'll understand him better by and by

Trials dark on every hand and we cannot understand
All the ways God will lead us
To the blessed promised land
He will guide us with his eye
And we'll follow till we die
And we'll understand him better by and by

Well children by and by when the morning comes
All the saints of God together they come
We will tell the story how the Lord will come
And we'll understand him better by and by

Temptation's hidden snares often take the sun away
And our hearts are made to bleed
For some thoughtless word or deed
And we wonder why the test when we try to do our best
But we'll understand it better by and by

Well children by and by when the morning comes
All the saints of God together they come
We will tell the story how the Lord will come
And we'll understand him better by and by

And we'll understand him better by and

0.4.1 Can't Help Falling in Love

(words & music by George Weiss - Hugo Peretti - Luigi Creatore)

Wise men say only fools rush in
but I can't help falling in love with you
Shall I stay
would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't help falling in love with you
for I can't help falling in love with you

0.4.2 Carny Town

(Words & music by Wise - Starr)

Aha-ha hurry, hurry step this way
Aha-ha hurry, hurry step this way
Now the show you're going to see is strictly high class
There'll be ten hoola dancers shaking their grass
So step right up and put your money down
This way to Carny Town

We got a man so skinny you can see his bones
We play on his ribs like a xylophone
With a pair of spoons we get a rockin' song
You'll hear it all, in Carny Town

Hurry, hurry, hurry, the house is almost full
We got a two headed cow and that's no bull
There's a man who swallows swords and he never gets hurt
He eats razor blades for dessert
He's just about the sharpest guy around
You'll see him here, in Carny Town

Aha-ha hurry, hurry step this way
Aha-ha hurry, hurry step this way
Aha-ha hurry, hurry step this way
Aha-ha hurry, hurry step this way
Aha-ha I say we're gonna win
I said hurry up

0.4.3 Catchin' On Fast

(Words & music by Giant - Baum - Kaye)

Won't you show me how to kiss
Put your lips on mine
Do you do it just like this
Tell me I'm doing fine
We got a good thing going now take your time
Come on and make it last.
Love may be new to you but Oooh, I'm catchin' on fast

Give, give, gimme all you've got to give
Love, love, love every moment you live
Now you've taught me all you know
Have I passed the test
Show me all you've got to show
Baby you're the best

But tell me I've learned quickly and I know each trick
I'm sure love's gonna last
Love maybe new to you but Oooh I'm catchin' on fast

0.4.4 C.C. Rider

0.4.5 Change of Habit

(Words & music by B. Kaye - B. Weisman)

If you're in old habits
Set in your old ways
Changes are a-comin'
For these are changing days
And if your head is in the sand
While things are goin' on
What you need, what you need,
What you need is a change of habit

Now if you're in the habit
To let your temper fly
When you talk with people
Who don't see eye to eye
And if you don't believe it
There's a newer world ahead
What you need, what you need,
What you need is a change of habit

A change of habit, a change of outlook
A change of heart, you'll be all right
The halls of darkness
Have doors that open
It's never too late
To see the light

So if you're in the habit
Of putting people down
Just because they're different
From the wrong side of town
Well, don't count on any medals son
They're pinning none on you
What you need, what you need,
What you need is a change of habit

0.4.6 Charro

(Words & music by Strange - Davis)

With eyes that hide the man within
You see behind the eyes of, other men
You've lived and died and come to life again
And now you stand alone at the crossroads of your mind
You've left your yesterdays behind..
But which road leads you to tomorrow ?
Charro...

You've turned your back on yesterday
Betrayed a man who swore he'd make you pay
For when you left you took his pride away
You know he'll never let you break away so easily
You'll have to fight, before you're free
But how much more time can you borrow ?
Charro...

Now in a single moment your past grows dim
One thought goes racing across your mind
You ride to meet the woman you stole from him
Oh no !...Charro don't go !...
Charro don't go ! !...

There's something hanging, in the wind
Your past is catching up and closing in
You've been halfway to hell and back again
And now you laugh in the devil's face
with your last breath...
You'll run a race with life and death...
But will you live to see tomorrow ?

Charro...

0.4.7 Chesay

(Words & music by Karger - Weisman - Wayne)

What's in the drink, chase the devil away
Magic I think so I just say Chesay
Chesay, Chesay bring you good luck night and day
Chesay, Chesay that's the gypsy way

Trouble is my middle name, though it's such a crying shame
Try and try there's nothing I can do
But I'm feeling kinda strange, feel like things are going to change
Time my lucky star was shining through
Chesay, Chesay bring you good luck night and day
Chesay, Chesay that's the gypsy way

Drink a cup of gypsy love just tip it up and then you just say Chesay
Swallow once then swallow twice, goes down so nice just say Chesay. Hey !

What's in the drink, chase the devil away
Magic I think so I just say Chesay
Chesay, Chesay bring you good luck night and day
Chesay, Chesay that's the gypsy way

Chesay, Chesay brings you good luck night and day
Chesay, Chesay that's the gypsy way
Chesay, Chesay brings you good luck night and day
Chesay, Chesay that's the gypsy way
Chesay

0.4.8 Cindy, Cindy

(Words & music by Kaye - Weisman - Fuller)

Wish I was an apple dangling from a tree
Every time you'd pass me by you'd take a bite of me
I wish I was a bluebird I'd never fly away
I'd sit up on your shoulder baby and sing to you all day

Come on home Cindy Cindy, Come on home Cindy Cindy
Come on home Cindy Cindy, Come on home to me

I wrote it in a letter, carved it on a tree
Told it to a honeycomb, told it to a bee
Told them that I love you, they all know its true
Say it till the cows come home until it gets to you

Come on home Cindy Cindy, Come on home Cindy Cindy
Come on home Cindy Cindy, Come on home to me

Need you in the morning to start the coffee pot
Need you in the afternoon to fan me when I'm hot
Need you in the evening when supper time is through
What I'm really tryin' to say is I can't get enough of you

Come on home Cindy Cindy, Come on home Cindy Cindy
Come on home Cindy Cindy, Come on home to me

If I were a musician I'd harp on just one thing
You should never play my harp the way you pluck a string
If only you would love me say it and tell me so
I need two charms about me baby to have the whole world know

Come on home Cindy Cindy, Come on home Cindy Cindy
Come on home Cindy Cindy, Come on home to me

Come on home Cindy Cindy, Come on home Cindy Cindy
Come on home Cindy Cindy, Come on home to me

0.4.9 City by Night

(Words & music by Giant - Baum - Kaye)

When shadows beckon on dim-lit avenues
Night people hear the call
From hidden alleys, secret rendezvous
They come out one and all

The city by night I'm wide awake
It never sleeps make no mistake

Whatever sets off the spark
A magic glow lights the dark
Then I'm intrigued by the sight
Of the city by night

Those crowded nightclubs
Those picturesque cafes
Are scenes no-one forgets
And I'm enchanted, music softly plays
By dancing silhouettes

The city by night I'm wide awake
It never sleeps make no mistake

The evening's full of surprise
It's magic opens my eyes
And I'm intrigued by the sight
Of the city by night

Yeah !

0.4.11 Clean Up Your Own Backyard

(Words & music by B. Strange - S. Davis)

Back porch preacher preaching at me
 Acting like he wrote the golden rules
 Shaking his fist and speeching at me
 Shouting from his soap box like a fool
 Come Sunday morning he's lying in bed
 With his eye all red, with the wine in his head
 Wishing he was dead when he oughta be
 Heading for Sunday school

Clean up your own backyard
 Oh don't you hand me none of your lines
 Clean up your own backyard
 You tend to your business, I'll tend to mine

Drugstore cowboy criticizing
 Acting like he's better than you and me
 Standing on the sidewalk supervising
 Telling everybody how they ought to be
 Come closing time 'most every night
 He locks up tight and out go the lights
 And he ducks out of sight and he cheats on his wife
 With his employee

Clean up your own backyard
 Oh don't you hand me none of your lines
 Clean up your own backyard
 You tend to your business, I'll tend to mine

Armchair quarterback's always moanin'
 Second guessing people all day long
 Pushing, fooling and hanging on in
 Always messing where they don't belong
 When you get right down to the nitty-gritty
 Isn't it a pity that in this big city
 Not a one a' little bitty man'll admit
 He could have been a little bit wrong

Clean up your own backyard
 Oh don't you hand me, don't you hand me none of your lines
 Clean up your own backyard
 You tend to your business, I'll tend to mine

Clean up your own backyard
 You tend to your business, I'll tend to mine

0.4.12 C'mon Everybody

(Words & music by Byers)

Come on everybody and snap your fingers now

Come on everybody clap your hands real loud

Come on everybody take a real deep breath

And repeat after me

I love my baby

I love my baby

Hey, hey, hey and my baby loves me

Come on everybody and whistle this tune right now

Come on everybody and stomp your feet real loud

Come on everybody take a real deep breath

And repeat after me

I love my baby

I love my baby

Hey, hey, hey and my baby loves me

Well there ain't nothing wrong with the long-haired music

Like Brahms, Beethoven and Bach

Well I was raised with a guitar in my hand

And I was born to rock

Well, come on everybody and turn your head to the left

Come on everybody and turn your head to the right

Come on everybody take a real deep breath

And repeat after me

I love my baby

I love my baby

Hey, hey, hey and my baby loves me

0.4.13 Come Along

(Words & music by Hess)

Come along, come along, there's a full moon shining bright
Come along, come along, we're gonna hit St. Louis tonight
Spend your money looking at the chorus line
Spend your money, win it on the number 9
Take your sweetheart even though she's never been
If she's worried tell her that you always win
Come along, come along, there's a full moon shining bright
Come along, come along, you're gonna win a fortune tonight

Hear the whistle, lady luck's about to go
Is she smiling, maybe yes or maybe no
Now's the time when nights are filled with sweet romance
Don't be bashful step on up and take a chance
Come along, come along, there's a full moon shining bright
Come along, come along, we're gonna hit St. Louis tonight

Come along, come along, we're gonna win a fortune tonight

0.4.14 Come What May (You Are Mine)

(Words & music by Franklyn Tableporter)

I am yours and you are mine, come what may
Love like ours remains divine, come what may
Even though we're miles apart
You're living in my lonely heart
At night the teardrops start and pour the long long day

I keep your picture near me since you went away
I plant a kiss upon your lips each night and day
Bear in mind and you will find a heart that is true
And I'll be here with you come what may

All right !

I keep your picture near me since you went away
I plant a kiss upon your lips each night and day
Bear in mind and you will find a heart that is true
And I'll be here with you come what may
And I'll be here with you come what may
And I'll be here with you come what may
Ah um bop a bop a um bop a bop a come what may

0.4.15 Confidence**(Words & music by Tepper - Bennett)**

When everyone thought the world was flat
 Columbus said "It's round"
 He went down in history
 And America was found

'Cause
 He had confidence
 A little thing called confidence
 There's no job too immense when you've got
 Confidence

With a "C" and an "O" and an "N" and an "F"
 And an "I" and a "D" and an "ENCE"
 Put 'em all together and what have you got

Confidence

You'll be surprised what you can do
 If you will only try

Remember the tortoise and the hare
 Who had that famous race
 The speedy hare wound up nowhere
 And slow poke took first place

'Cause
 He had confidence
 A little thing called confidence
 There's no job too immense when you've got
 Confidence

You'll be surprised what you can do
 If you will only try

How do you know that you can't ride a rainbow in the sky

You'll be surprised what you can do
 If you will only try

All you need is confidence
 A little thing called confidence
 There's no job too immense when you've got
 Confidence

With a "C" and an "O" and an "N" and an "F"
 And an "I" and a "D" and an "ENCE"
 Put 'em all together and what have you got

Confidence

0.4.16 Cotton Candy Land

(Words & music by Ruth Batchelor - Bob Roberts)

Sandman's comin', yes he's comin'
To sprinkle you with sand
He'll say "one, two, three"
And you'll be, In cotton candy land

Sandman's comin', yes he's comin'
He'll take you, by the hand
And you'll ride upon, a big white swan
In cotton candy land

You and the swan will float upon
A cloud of pink ice cream
Where every star is a candy bar
And the moon is a marshmallow dream

Sandman's comin', yes he's comin'
Take his magic hand
Now goodnight...now sleep tight
In cotton candy land

In cotton candy land...

0.4.17 Could I Fall in Love

(Words & music by Randy Starr)

Could I fall in love for the very first time
That's what I ask myself when you're lips touch mine
Could I fall in love on a night like tonight
That's what I'd like to know when I hold you tight

Now that we're alone (Now that we're alone)
Just a kiss apart (Just a kiss apart)
I have the answer from the feeling in my heart
Could I fall in love and forever be true
My heart tells me I could if I fell for you

0.4.18 Crawfish

(Words & music by Weis - Weisman)

Crawfish

Well I went to the bayou just last night

There was no moon but the stars were bright

Put a big long hook on a big long pole

And I pulled Mr. Crawfish out of his hole

Crawfish

See I got him, see the size

Stripped and cleaned before your eyes

Sweet meat look, fresh and ready to cook

Crawfish

Now take Mr. Crawfish in your hand

He's gonna look good in your frying pan

If you fry him crisp or you boil him right

He'll be sweeter than sugar when you take a bite

Crawfish

0.4.19 Cross My Heart and Hope to Die

(Words & music by Wayne - Weisman)

I can explain about last night
Though things didn't look just right
Please believe me there was nothing wrong
I thought about you baby all night long
Cross my heart, I hope to die
Well I wouldn't tell you no lie, mmm

Talk about a piece of rotten luck
You do a friend a favor and you wind up stuck
She couldn't hold a candle to you, no siree
Very hard to handle like a Model T
Cross my heart, I hope to die
Well I wouldn't tell you no lie

Please believe me when I say
Wild horses couldn't drag me away
From you 'cause I don't have to look too hard
To see what I've got in my own back yard
So please forgive me and forget
Don't say my alloy's all wet (?)
I miss those kisses from your honeycomb
This humble bumble bee just wants to fly back home
Cross my heart, I hope to die
Well I wouldn't tell you no lie

I wouldn't tell you no lie
No no no no no no
I wouldn't tell you no lie

0.4.20 Crying in the Chapel**(words & music by Arthur Glenn)**

You saw me crying in the chapel.
 The tears I shed were tears of joy
 I know the meaning of contentment
 Now I am happy with the Lord

Just a plain and simple chapel
 Where humble people go to pray
 I pray the Lord that I'll grow stronger
 As I live from day to day

I've searched and I've searched
 But I couldn't find
 No way on earth
 To gain peace of mind

Now I'm happy in the chapel
 Where people are of one accord
 We gather in the chapel
 Just to sing and praise the Lord

Ev'ry sinner looks for something
 That will put his heart at ease
 There is only one true answer
 He must get down on his knees

Meet your neighbor in the chapel
 Join with him in tears of joy
 You'll know the meaning of contentment
 Then you'll be happy with the Lord

You'll search and you'll search
 But you'll never find
 No way on earth
 To gain peace of mind

Take your troubles to the chapel
 Get down on your knees and pray
 Your burdens will be lighter
 And you'll surely find the way

0.5 D

0.5.1 (You're the) Devil in Disguise

(words & music by Giant - Baum - Kaye)

You look like an angel
Walk like an angel
Talk like an angel
But I got wise
You're the devil in disguise
Oh yes you are
The devil in disguise

You fooled me with your kisses
You cheated and you schemed
Heaven knows how you lied to me
You're not the way you seemed

You look like an angel
Walk like an angel
Talk like an angel
But I got wise

You're the devil in disguise
Oh yes you are
The devil in disguise

I thought that I was in heaven
But I was sure surprised
Heaven help me, I didn't see
The devil in your eyes

You look like an angel
Walk like an angel
Talk like an angel

But I got wise
You're the devil in disguise
Oh yes you are
The devil in disguise

You're the devil in disguise
Oh yes you are
The devil in disguise
Oh yes you are
The devil in disguise

0.5.2 Dainty Little Moonbeams**(Writer unknown)**

Girls in kimonos, shy little flowers
Smiling from beneath their parasols
Dainty little moonbeams, delicate as China
Gentle little oriental dolls

0.5.3 Danny

(Words & music by Wise - Weisman)

My name should be trouble
My name should be woe
For trouble and heartache
Is all that I know
But Danny, yes, Danny is my name

My life has been empty
My heart has been torn
It must have been rainy, oh yeah,
The night I was born
Oh Danny, oh Danny is my name

I'm so afraid of tomorrow
So tired of today
They say that love is the answer
But love never came my way

I'm writing a letter
To someone I know
So if you should find it
And if you're alone
Oh Danny, yes, Danny is my name

Oh Danny, yes, Danny is my name
Oh-oh-oh-oh

0.5.4 Danny Boy

(Words & music by Frederic E. Weatherly)

Oh Danny boy, the pipes, the pipes are calling
From glen to glen and down the mountain side
The summer's gone and all the roses dying
'Tis you, 'tis you must go and I must bye

But come ye back when summer's in the meadow
Or when the valley's hushed and white with snow
And I'll be here in sunshine or in shadow
Oh Danny boy, oh Danny boy I love you so

But if he come and all the roses dying
And I am dead, as dead I well may be
He'll come here and find the place where I am lying
And kneel and say an ava there for me

And I shall feel, oh soft you tread above me
And then my grave will richer, sweeter be
For you will bend and tell me that you love me
And I shall rest in peace until you come to me

0.5.5 Dark Moon

(Words & music by Ned Miller)

Dark moon, way up high up in the sky
 Oh, tell me why, oh tell me why
 You've lost your splendor
 Dark moon, what is the cause your life withdraws
 Is it because, is it because I've lost my love

Mortals have dreams of love's perfect schemes
 But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky
 Oh, tell me why, oh tell me why
 You've lost your splendor
 Dark moon, what is the cause your life withdraws
 Is it because, is it because I've lost my love

Mortals have dreams of love's perfect schemes

 Oh, tell me why, oh tell me why
 You've lost your splendor
 Dark moon, what is the cause your life withdraws
 Is it because, is it because I've lost my love
 What is the cause your light withdraws
 Is it because, is it because I've lost my love

Dark moon, way up high up in the sky
 Oh, tell me why, oh tell me why
 You've lost your splendor
 Dark moon, what is the cause your life withdraws
 Is it because, is it because I've lost my love

0.5.6 Datin'

(Words & music by Wise - Starr)

Datin' is a game that grown-ups play
Datin' means acting in a silly way
Datin' makes girls start wiggle walking
Datin' makes a guy start baby talking

Dizzy like children on a merry-go-round
Grown-ups are the biggest kids I've found
You'd think they belong in a baby carriage
They're doing things that lead to marriage
But don't you laugh at what they do, oh no
'Cause some day you'll be datin' too

Datin' makes a guy comb his hair just right
His girl can mess it up when they kiss good-night
Datin' makes you quarrel and say you'll break up
And just because it's so much fun to make up

Children can't wait to grow up but then
They're datin and they're acting like kids again
You'd think they belong in a baby carriage
They're doing things that lead to marriage
But don't you laugh at what they do, oh no
Some day you'll be datin' too

0.5.7 Didja' Ever

(words & music by Wayne - Edwards)

Didja' ever
 Didja' ever get
 Didja' ever get one
 Didja' ever get one of them
 Didja' ever get one of them days, boy
 Didja' ever get one of them days
 When nothin' is right from mornin' till night
 Didja' ever get one of them days
 Didja' ever get one of them days

Ya get up in the morning and turn the shower on
 You're gettin' pneumonia, the hot water is gone
 Freezin' sneezin'
 You wanna dry your back, a well
 Didja' ever get one of them days
 When there's no towel on the rack

Didja' ever
 Didja' ever get
 Didja' ever get one
 Didja' ever get one of them
 Didja' ever get one of them girls, boys
 Didja' ever get one of them girls
 Who's awful nice
 But cold as ice
 Didja' ever get one of them girls, yeah
 Didja' ever get one of them girls
 Yeah ! Girls, girls, girls, girls, girls, girls, girls, girls
 You're at a drive-in movie
 With a cute brunette
 A countin' on the kisses that you figure to get
 Closer, closer, then she hollers ho !
 Didja' ever get one of them girls
 Who just wants to watch the show
 Show, show, show, show, show, show, show, show

Didja' ever
 Didja' ever get
 Didja' ever get one
 Didja' ever get one of them
 Didja' ever get one of them days, boy
 Didja' ever get one of them days
 When nothin' is right
 From mornin' to night
 Didja' ever get one of them days, boy
 Didja' ever get one of them days
 You're on a Sunday picnic

And then it starts to pour
You run through poison ivy, scratch until you're sore
Ants come dancin', carry off the bread
Didja' ever get one of them days
When you should a-stayed in bed

Didja' ever
Didja' ever get
Didja' ever get one
Didja' ever get one of them

0.5.8 Dirty, Dirty Feeling

(Words & music by Leiber - Stoller)

I've got a dirty, dirty feelin'
Dirty feelin's goin' on
You know I almost hit the ceilin'
When I woke up and you were gone

I took you in when you were hungry
And now your cuttin' out on me
I'm gonna help you little darlin'
That ain't the way it's gonna be

I hear you're pretty good at runnin'
But pretty soon you'll slip and fall
That's when I'll drag you home with me girl
I'm gonna chain you to the wall

You know I'm lookin' for you baby
I ain't gonna take it layin' down
I heard that you were cookin' baby
Way on the other side of town

I've got a dirty, dirty feelin'
Dirty feelin's goin' on
You know I almost hit the ceilin'
When I woke up and you were gone

0.5.9 Dixieland Rock

(Words & music by Schroeder - Frank)

Well down in New Orleans at the Golden Goose
I grabbed a green-eyed dolly that was on the loose
Well I dig that music, well she said me too
I said pretty baby come on and let's do

The Dixieland rock
Well the Dixieland rock
Let your hair down Sugar, shake it free
And do the Dixieland rock with me

With the blue light shining on her swinging hips
She got the drummer so nervous that he lost his sticks
The cornet player hit a note that's flat
The tromboner hit him while the poor cat sat

The Dixieland rock
Well the Dixieland rock
Let your hair down Sugar, shake it free
And do the Dixieland rock with me

I was all pooped out and when the clock struck four
But she said no daddy can't leave the floor
She wore a clinging dress that fit so tight
She couldn't sit down so we danced all night

The Dixieland rock
Well the Dixieland rock
Let your hair down Sugar, shake it free
And do the Dixieland rock with me
Let your hair dance Sugar, shake it
And do the Dixieland rock with me

0.5.10 Do Not Disturb

(Words & music by Giant - Baum - Kaye)

Let's take the phone off the hook
Turn the lights way down low
Baby put down that book
Tell the maid to go

Do not disturb
Hang the sign on the door
Do not disturb
It's time to make love
And I can't wait anymore

I'll just pull down the blind
Now come over here
I've got one thing in mind
Let's get comfortable dear

Do not disturb
Hang the sign on the door
Do not disturb
It's time to make love
And I can't wait anymore

Everything's right tonight
Mmmm, it's great when we kiss
Now your arms hold me tight
Let's stay like this

Mmm mmm mm mmm mmmm mmmm
Mmm mmm mm mmm mmmm mmmm

0.5.11 Do the Clam

(Words & music by Wayne - Weisman - Fuller)

Hey everybody gather round
Listen to that bongo sound
Grab the first one in your reach
Now we're going to shake the beach

Do the Clam, do the Clam
Grab your barefoot baby by the hand
Turn and tease, hug and squeeze
Dig right in and do the Clam

You can get your heart to spin
On the outside looking in
Moon ain't gonna last all night
Well let's work up an appetite

Do the Clam, do the Clam
Grab your barefoot baby by the hand
Turn and tease, hug and squeeze
Dig right in and do the Clam

Everybody's got that beat
Well listen to those happy feet
Ain't you glad that you found out
What the Clam is all about

Do the Clam, do the Clam
Grab your barefoot baby by the hand
Turn and tease, hug and squeeze
Dig right in and do the Clam

Do the Clam, do the Clam
Grab your barefoot baby by the hand
Turn and tease, hug and squeeze
Dig right in and do the Clam
Dig right in and do the Clam

0.5.12 Do the Vega

(Words & music by Giant - Baum - Kaye)

Do the Vega take a chance and do the vega
If you dance it you'll have fun
The fever gets ya and then I'll bet ya
You'll shake like the sun of a gun

First you make the right connection
Choose the one whose your selection
Though you risk your reputation
You'll increase you're circulation

Do the Vega take a chance and do the vega
If you dance it you'll have fun
The fever gets ya and then I'll bet ya
You'll shake like the sun of a gun

Roll and keep you're shoulders busy
Like a wheel spin 'till you're dizzy
Kick your heels when you've a notion
Shake and shimmy that's the motion

Do the Vega take a chance and do the vega
If you dance it you'll have fun
The fever gets ya and then I'll bet ya
You'll shake like the sun of a gun

Do the Vega take a chance and do the vega
If you dance it you'll have fun
The fever gets ya and then I'll bet ya
You'll shake like the sun of a gun
Shake like the sun of a gun
Shake like the sun of a gun
Shake like the sun of a gun

0.5.13 Do You Know Who I Am

(Words & music by Russell)

Do you know who I am
Have you have any idea who I am
Yes it's been quite a while
And it's so good to see you again

It's so dark in this place
That I can't see your face
May believe Oh I see
Does he know who I am
And what once was between you and me

Do you know how I tried
Have you any idea how I tried
Not to keep you in sight
Do you know darling how much I cried

I remember you said
That you had to forget about me, and be free
Do you know who I am or have you forgot about me

Do you think there's a chance
You and I could start over again
Is there a prayer you still pray
Or has it just been too long and we're through
Well, what about you and him
Oh he's only a friend
Well I see there's still a chance for me

Well maybe some other time, in some other place
With our love in your heart and a smile on your face
You will know who I am
When that time comes you'll know who I am
You will know who I am
When that time comes you'll know who I am
You will know who I am
When that time comes you'll know who I am

0.5.14 Doin' the Best I Can

(words & music by Doc Pomus - Mort Shuman)

I gave my heart
I gave my love
Oh ho, my darling
I am true
Doin' the best
The best I can
But it's not good enough for you

I tried so hard
So hard to please
Oh ho, my darling
What more can I do
Doin' the best
The best I can
But it's not good enough for you

You know I was the kind who'd run
Any time you'd call
I guess I was the only one
Who didn't mind at all
I'll be a dreamer
I'll be a fool
Oh ho, my darling
My whole life through
Doin' the best
The best I can
But it's not good enough for you

You know I was the kind who'd run
Any time you'd call
I guess I was the only one
Who didn't mind at all
I'll be a dreamer
I'll be a fool
Oh ho, my darling
My whole life through
Doin' the best
The best I can
But it's not good enough for you
But it's not good enough for you

0.5.15 Dominic

(Words & music by Weisman - Wayne)

Dominic, Dominic why are you stallin'
Don't you hear love callin' to you
Moo, moo, move your little foot do

Dominic, Dominic pick one of them ticker
There's acres and acres to choose
Oh, oh, only a fool would refuse

I, I, If I had your trouble
Life would be double good sweet
There'd be no grass growin' under my feet

Listen Dominic, Dominic when will you hunger
You ain't gettin' younger my friend
Love, love, love 'em all right to the end

I, I, I can't understand you, leavin' them beauties forlorn
It's time to take the old bull by the horn
Come on Dominic, Dominic, they're itchin' and twitchin'
Better start pickin' some woo
Moo, moo, move your little foot do !

0.5.16 Doncha' Think It's Time

(Words & music by Otis - Dixon)

I've been yearning for a little romance
I wanna know when you gonna give me a chance
Kiss me honey, tell me your mine
Doncha' think it's time

I've been yearning for a sweet embrace
Rub my hair till I'm a total disgrace
Kiss me honey make my life divine
Doncha' think it's time

I don't wanna walk without you
Walkin' right by my side
It hurts me to see you talkin'
With the other guys

I get so warm when you touch my cheek
You thrill me so much that I can hardly speak
Love me honey tell me you're mine
Doncha' think it's time

I don't wanna walk without you
Walkin' right by my side
It hurts me to see you talkin'
With the other guys

I get so warm when you touch my cheek
You thrill me so much that I can hardly speak
Love me honey tell me you're mine
Doncha' think it's time
Doncha' think it's time
Doncha' think it's time
Doncha' think it's time

0.5.17 Don't

(words & music by Jerry Leiber - Mike Stoller)

Don't, don't, that's what you say
Each time that I hold you this way,
When I feel like this and I want to hold you,
baby, don't say don't.

Don't, don't leave my embrace
For here in my arms is your place
When the night grows cold and I want to hold you,
baby, don't say don't.

If you think that this is just a game
I'm playing
If you think that I don't mean
ev'ry word I'm saying
Don't, don't, don't, don't,
Don't feel that way
I'm your love and yours I will stay

This you can believe
I will never leave you
Heave knows I won't
Baby, don't say don't

0.5.18 Don't Ask Me Why

(Words & music by Wise - Weisman)

I'll go on loving you
Don't ask me why
Don't know what else to do
Don't ask me why

How sad my heart would be
If you should go
Though you're not good for me
I want you so

It's not the kind
Of love I dream about
But it's the kind
That I can't live without

You're all I'm longing for
Don't say good-bye
I need you more and more
Don't ask me why
I need you more and more
Don't ask me why

0.5.19 Don't Be Cruel

(words & music by Otis Blackwell - Elvis Presley)

You know I can be found,
sitting home all alone,
If you can't come around,
at least please telephone.
Don't be cruel to a heart that's true.

Baby, if I made you mad
for something I might have said,
Please, let's forget the past,
the future looks bright ahead,
Don't be cruel to a heart that's true.
I don't want no other love,
Baby it's just you I'm thinking of.

Don't stop thinking of me,
don't make me feel this way,
Come on over here and love me,
you know what I want you to say.
Don't be cruel to a heart that's true.
Why should we be apart?
I really love you baby, cross my heart.

Let's walk up to the preacher
and let us say I do,
Then you'll know you'll have me,
and I'll know that I'll have you,
Don't be cruel to a heart that's true.
I don't want no other love,
Baby it's just you I'm thinking of.

Don't be cruel to a heart that's true.
Don't be cruel to a heart that's true.
I don't want no other love,
Baby it's just you I'm thinking of.

0.5.20 Don't Cry Daddy

(words & music by Scott Davis)

Today I stumbled from my bed
With thunder crashing in my head
My pillow still wet
From last night tears
And as I think of giving up
A voice inside my coffee-cup
Kept crying but
And ringing in my ears

Don't cry daddy
Daddy, please don't cry
Daddy, you've still got me and little Tommy
Together we'll find a brand new mommy
Daddy, daddy, please laugh again
Daddy ride us on your back again
Oh, daddy, please don't cry

Why are children always first
To feel the pain and hurt the worst
It's true, but somehow
It just don't seem right
'Cause ev'ry time I cry I know
It hurts my little children so
I wonder will it be the same tonight

Don't cry daddy
Daddy, please don't cry
Daddy, you've still got me and little Tommy
Together we'll find a brand new mommy
Daddy, daddy, please laugh again
Daddy ride us on your back again
Oh, daddy, please don't cry
Oh, daddy, please don't cry

0.5.21 Don't Forbid Me

(Words & music by Charles Singleton)

Don't forbid me to hold you tight
Darling don't forbid me to hold you tight
Take me in your lovin' arms
'cause it's cold and I can keep you warm

Don't forbid me to talk sweet nothings
Don't forbid me to talk sweet talk
Take me in your arms baby please
'cause it's cold, it's cold and your lips might freeze

0.5.22 Don't Leave Me Now

(words & music by Aaron Schroeder - Ben Weisman)

Don't leave me now
Now that I need you
How blue and lonely I'd be
If you should say we're through

Don't break my heart
This heart that loves you
They'll just be nothing for me
If you should leave me now

What good is dreamin'
If I must dream all alone by myself
Without you darling
My arms would gather dust

Come to these arms
These arms that need you
Don't close your eyes to my plea
Don't leave me now

0.5.23 Don't Think Twice It's All Right**(Words & music by Bob Dylan)**

There ain't no use to sit and wonder why babe
 If you don't know by now
 There ain't no use to sit and wonder why babe
 If you don't know by now
 When the rooster crows at the break of dawn
 Well look out your window baby I'll be gone
 You're the reason I'm movin' on
 Yeah, don't think twice it's all right

I've headed down that long lonesome road, girl
 Where I'm bound I can't tell
 Goodbye is too good a word girl
 So I'll say Fare thee well
 I ain't sayin' you treated me unkind
 You could have done better but I, I don't mind
 You just kinda wasted my precious time
 Oo, Don't think twice it's all right

Take it on

When the rooster crows at the break of dawn
 Well look out your window baby I'll be gone
 You're the reason I'm movin' on
 Yeah don't think twice it's all right

There ain't no use to sit and wonder why babe
 It don't matter anyhow
 There ain't no use to sit and wonder why babe
 If you don't know by now

When the rooster crows at the break of dawn
 Well look out your window baby I'll be gone
 You're the reason I'm travelin' on
 Oh don't think twice it's all right

I'm headed down that long lonesome road, babe
 Where I'm bound I can't tell
 Goodbye is too good a word girl
 I'll just say Fare thee well
 I ain't sayin' you treated me unkind
 You could have done better but I, I don't mind
 You just sorta wasted my favorite time
 Oo, Don't think twice it's all right
 Wow

When the rooster crows at the break of dawn
 Well look out your window baby I'll be gone

You're the reason I'm travellin' on
Oh don't think twice it's all right

I've headed down that long lonesome road, girl
Where I'm bound I can't tell
Goodbye is too good a word girl
I'll just say Fare thee well
I ain't sayin' you treated me unkind
You could have done better but I don't mind
Yeah, you're the reason I'm travellin' on
Oh don't think twice it's all right

Take it on
Where I'm bound I can't tell
Goodbye is too good a word girl
So I'll say Fare thee well

0.5.24 Double Trouble

(Words & music by Pomus - Shuman)

Some guys fall in love with one girl, I gotta fall for two
There's just so much lovin' that one heart's supposed to do
So I go around with my heart draggin' on the ground
Doggin' me around, I'm the sorriest sight in town

I got double trouble, I got double trouble
I got double trouble twice as much as anybody else oh yeah !

I guess there's gotta be two dark clouds hangin' over me
My future looks a bumpy as a matchbox on the sea
Every time I think that I have finally got it made
Some losin' cards are played, I just can't make the grade

I got double trouble, I got double trouble
I got double trouble twice as much as anybody else oh yeah !

I got double trouble, I got double trouble
I got double trouble twice as much as anybody else oh yeah !

0.5.25 Down by the Riverside**(public domain)**

I'm gonna lay down my burden, down by the riverside,
Down by the riverside, down by the riverside
I'm gonna lay down my burden, down by the riverside,
I'm gonna study war no more

I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more

Well, I'm gonna put on my long white robe, (Where ?) down by the riverside (Oh)
Down by the riverside, down by the riverside
I'm gonna put on my long white robe, (Where ?) down by the riverside
I'm gonna study war no more

I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more

Well, I'm gonna lay down my sword and shield, (Where ?) down by the riverside
Down by the riverside, down by the riverside
I'm gonna lay down my sword and shield, (A-ha) down by the riverside
I'm gonna study war no more

I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more
I ain't a gonna study war no more, I ain't a gonna study war no more

0.5.26 Down by the Riverside and When the Saints Come Marching In

(Words & music by Giant - Baum - Kaye)

Let's snap our fingers clap our hands
Down by the riverside, down by the riverside, down by the riverside
Let's give 'em what the song demands
Down by the riverside, down by the riverside

We'll hear them playing keep that beat
Down by the riverside, down by the riverside, down by the riverside
Let's get together what a treat
Down by the riverside, down by the riverside

Strike up the band, start the parade
Don't let that grand old rhythm fade
Just play that drum, play that number
When the saints come marchin' in

Shake tambourines, play that cornet
Crank up that horn you won't forget
Your heart will hum to that number
When the saints come marchin' in

The cymbals clang, just pound that beat
Sounds like a hundred marching feet
It's fun to join in that number
When the saints come marchin' in

See banners wave, oh hear that ring
We all feel prouder than a king
'Cause everyone, everyone loves that number
When the saints come marchin' in

0.5.27 Down in the Alley

(Words & music by J. Stone & The Clovers)

Janie, Janie, Janie, Janie, Jane Jane
Janie, Janie, Janie, Janie, Jane Jane
Down in the alley, just you and me
We're going bowlin' till half past three
Just rockin' and reelin', we'll get that feelin'
Down in the alley, oh baby gee

I wake you now and dig you later
'cause you're a fine sweet potato
We'll have a ball and that ain't all
Down in the alley, just you and me

The clock is striking a mournful sound
This time of evening my love comes down
That's when I'm missin' your kind of kissin'
Down in the alley, that's where I'll be

Down in the alley, we sure have fun
We just get started 'bout half past one
So if you're 'round just come on down
Down in the alley and you will see

Janie, Janie, Janie, Janie, Jane Jane
Janie, Janie, Janie, Janie, Jane Jane
Janie, Janie, Janie, Janie, Jane Jane
Janie, Janie, Janie, Janie, Jane

0.5.28 Drums of the Islands

(Words & music by Polynesian Cultural Centre - Tepper - Bennett)

Drums of the islands you're beating in my heart
You're with me no matter where I roam
If ever I wander if ever we're apart
I know that you will lead me home

If I should journey across the deep blue sea
I'll never forget these coral shores
Drums of the islands I hear you calling me
And I'll return forever yours

I love each valley each grain of sand each hill
The flowers the music of the isles
These are the things I love and always will
Though I may roam ten thousand miles

0.6.1 (Such an) Easy Question

(words & music by Blackwell - Scott)

Do you or don't you love me
Such an easy question
Why can't I get an answer
Tell me, will you or won't you need me
Such an easy question
Why can't I get an answer

All you do is give a sigh
And beat around the bush
Can it be that you're too shy
To give yourself a little old push
Can you or can't you tell me yes
It's such an easy question
Why can't I get an answer

0.6.2 Early Mornin' Rain

(Words & music by Gordon Lightfoot)

In the early mornin' rain
With a dollar in my hand
And an aching in my heart
And my -pockets full of sand
I'm a long ways from home
And I missed my loved one so
In the early mornin' rain
With no place to go

Out on runway number nine
Big 707 set to go
Well I'm out here on the grass
Where the pavement never grows
Where the liquor tasted good
And the women all were fast
There she goes my friend
She's rolling out at last

Hear the mighty engines roar
See the silver wing on high
She's away and westward bound
For above the clouds she flies
Where the mornin' rain don't fall
And the sun always shines
She'll be flying over my home
In about three hours time

This ol' airport's got me down
It's no earthly good to me
'Cause I'm stuck here on the ground
Cold and drunk as I might be
Can't jump a jet plane
Like you can a freight train
So I best be on my way
In the early mornin' rain
So I best be on my way
In the early mornin' rain
So I best be on my way
In the early mornin' rain

0.6.3 Earth Angel

(Words & music by Jesse L. Kelvin)

Earth Angel, Earth Angel

Will you be mine

My darling dear

Love you all the time

I'm just a fool

A fool in love with you

Earth Angel, Earth Angel

The one I adore

Love you forever and ever more

I'm just a fool

A fool in love with you

I fell for you

And I knew

The vision of your lov-loveliness

I hoped and I prayed that someday

That I'd be the vision of your hap-happiness

Oh,Oh,

Earth Angel, Earth Angel

Please be mine

My darling dear

Love you all the time

I'm just a fool

A fool in love with you

0.6.4 Earth Boy

(Words & music by Tepper - Bennett)

Earth boy dream of angel
Angel she be sweet and make him have happy heart
In land of love
Angel dream of earth boy, earth boy who'll be true
And love her till sun grow cold in land of love

Angel walk on street
Earth boy walking too
All at once they meet
Oo-oo-oo dreams come true
Now that's part of story
Like two doves in land of love we will always be
Happy angel is you
Happy earth boy is me

Angel walk on street
Earth boy walking too
All at once they meet
Oo-oo-oo dreams come true
Now that's part of story
Like two doves in land of love we will always be
Happy angel is you
Happy earth boy is me

Earth boy dream of angel
Angel dream of earth boy
Earth boy dream of angel
Angel dream of earth boy
Earth boy dream of angel

0.6.6 Echoes of Love

(Words & music by Roberts - Bachelor)

Though you are gone, I still wear your ring
They're playing the song we used to sing
Echoes of love, echoes of love
Are coming to me out of the past

The letters you wrote I treasure them so
And I hear your voice wherever I go
Echoes of love, echoes of love
Are coming to me out of the past

In the rustle of a breeze ; in the patter of the rain
In the rushing of the seas, all I hear is your name
Come back my love and once you are near
Darling I know no more will I hear
Echoes of love, echoes of love
'cause you'll be with me right in my heart

Echoes of love, echoes of love
'cause you'll be with me right in my heart

0.6.7 Edge of Reality

(Words & music by Giant - Baum - Kaye)

I walk along a thin line darling
Dark shadows follow me
Here's where life's dream lies disillusioned
The edge of reality

Oh I can hear strange voices echo
Laughing with mockery
The border line of doom I'm facing
The edge of reality

On the edge of reality she sits there tormenting me
The girl with the nameless face
On the edge of reality where she overpowers me
With fears that I can't explain
She drove me to the point of madness
The brink of misery
If she's not real then I'm condemned to
The edge of reality

On the edge of reality she sits there tormenting me
The girl with the nameless face
On the edge of reality where she overpowers me
With fears that I can't explain
She drove me to the point of madness
The brink of misery
If she's not real then I'm condemned to
The edge of reality

Reality, reality, reality, reality,
Reality, reality, reality, reality

0.6.8 El Toro

(Words & music by Giant - Baum - Kaye)

There's a legend of a famous matador
Who went to meet El Toro
Though he fought as he had never done before
He could not beat, El Toro

The bull El Toro, brought him defeat and pain
And to his sorrow, the matador knew shame

They said time would never heal the many scars
Brought by the great, El Toro
And the bitterness that burned deep in his heart
Caused him to hate, El Toro

The bull El Toro, brought him defeat and pain
And to his sorrow, the matador knew shame

So one night, when no-one was on sight
The matador, went to finish the score
In the lonely fields, beneath the pale moonlight
He fought the bull...and they fought once more

When they found the matador and saw him dying
He'd never see tomorrow
Now they say that on the spot where he was lying
Still walks the proud El Toro

The bull El Toro, brought him defeat and pain
And to his sorrow, the matador knew shame....

0.7.1 (That's What You Get) For Lovin' Me

(Words & music by Gordon Lightfoot)

That's what you get for loving me
That's what you get for loving me
Everything we had is gone, you can see
That's what you get for loving me

Now don't you shed a tear for me
I ain't the love you thought I'd be
I've had a hundred just like you
But don't be blue I'll have a thousand before I'm through

That's what you get for loving me
That's what you get for loving me
Everything we had is gone, you can see
That's what you get for loving me

Now there you go, you're cryin' again
You should have known how things would end
But then some day when your poor heart is on the mend
I just might pass this way again

That's what you get for loving me
That's what you get for loving me
Everything we had is gone, you can see
That's what you get for loving me

That's what you get for loving me
That's what you get for loving me
Everything we had is gone, you can see
That's what you get for loving me

0.7.2 Faded Love

(words & music by **Bob Willis - John Willis**)

As I read the letters that you wrote to me
Well it's you, it's you that I'm thinking of
As I read the lines that to me were so sweet
I remember our faded love

I miss you darlin' more and more everyday
As heaven would miss the stars above
With every heartbeat, I still think of you
And remember our faded love

As I think of the past, all the pleasures that we had
As I watch the mating of the doves
It was in the springtime that you said goodbye
I remember our faded love

I miss you darlin' more and more everyday
As heaven would miss the stars above
With every heartbeat, I still think of you
And remember our faded love

0.7.3 Fairytale

(words & music by Anita and Bonnie Pointer)

I'll pack up all my things and walk away,
I don't want to hear another word you have to say
I've been waiting for so long
I just found out there's something wrong
And there's nothing what get better if I stay

There's no need to explain anymore
I tried my best to love you, now I'm walking out the door
You used me, you deceived me,
And you never seemed to need me
But I'll bet you won't forget me when I go

Seems I've been lost in a dream
Pretending that you care
But now I've opened up my eyes
And found it's all been just a great big fairytale

I've been lovin' you so long
Don't think I'd even know how to forget you
But now the way that things have been
I think I'm better off alone
Than to be with you

There's no need to explain anymore
I tried my best to love you, now I'm walking out the door
You used me, you deceived me,
And you never seemed to need me
But I'll bet you won't forget me when I go

Seems like I've been lost in a dream
Pretending you were mine
Someday you'll open up your eyes
And realize that a good man's hard to find

0.7.4 Fame and Fortune

(words & music by Fred Wise - Ben Weisman)

Fame and fortune
how empty they can be
But when I hold you in my arms
That's heaven to me
Who cares for fame and fortune
They're only passing things
But the touch of your lips on mine
Makes me feel like a king

Your kind of love
is a treasure I hold
It's so much greater
than silver or gold
I know that I have nothing
If you should go away
But to know that you love me
Brings fame and fortune my way

0.7.5 Farther Along

(Traditional - arranged by Elvis Presley)

(We'll understand it all by and by)
Tempted and tried we're oft' made to wonder
Why it should be thus all the day long
While there are others living about us
Never molested, though in the wrong

Farther along we'll know more about it
Farther along we'll understand why
Cheer up my brother live in the sunshine
We'll understand it all by and by

When death has come and taken our loved ones
Leaving our homes so lonely and drear
Then do we wonder how others prosper
Living so wicked year after year

Farther along we'll know more about it
Farther along we'll understand why
Cheer up my brother live in the sunshine
We'll understand it all by and by

0.7.6 Fever**(words & music by John Davenport - Eddie Coole)**

Never know how much I love you
 Never know how much I care
 When you put your arms around me
 I get a fever that's so hard to bear

You give me fever when you kiss me
 Fever when you hold me tight
 Fever in the morning
 Fever all through the night.

Ev'rybody's got the fever
 that is something you all know
 Fever isn't such a new thing
 Fever started long ago

Sun lights up the daytime
 Moon lights up the night
 I light up when you call my name
 And you know I'm gonna treat you right

You give me fever when you kiss me
 Fever when you hold me tight
 Fever in the morning
 Fever all through the night

Romeo loved Juliet
 Juliet she felt the same
 When he put his arms around her
 He said 'Julie, baby, you're my flame
 Thou giv-est fever when we kisseth
 Fever with the flaming youth
 Fever I'm afire
 Fever yea I burn for sooth'

Captain Smith and Pocahantas
 Had a very mad affair
 When her daddy tried to kill him
 She said 'Daddy, o, don't you dare
 He gives me fever with his kisses
 Fever when he holds me tight
 Fever, I'm his misses,
 Oh daddy, won't you treat him right'

Now you've listened to my story
 Here's the point that I have made
 Cats were born to give chicks fever
 Be it Fahrenheit or centigrade

They give you fever when you kiss them
Fever if you live and learn
Fever till you sizzle
What a lovely way to burn
What a lovely way to burn
What a lovely way to burn

0.7.7 Find Out What's Happening

(Words & music by J. Crutchfield)

Baby you know me well
You know I mean what I say
Before I say farewell
I'll give you just another day

You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah

Tell me what you're gonna do
You'd better make up your mind
It all depends on you
I'm leaving you behind

You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah

Baby you know it's true
We've been through thick and thin
But if you don't come through
You won't ever see me again

You'd better find out what's happening
Find out what's happening before long, Oh yeah
If you don't find out what's happening
You're gonna find out that I've gone now, Oh yeah
You'd better find, find, better find out
Better find out
Better find, better find out
Better find, better find out
If you don't find, you're gonna find out that I'm gone

0.7.8 Finders Keepers, Losers Weepers

(Words & music by D. Jones - O. Jones)

Finders, keepers, losers, weepers
I won't weep and I won't moan
'Cause I found you and your love so true
And I'm keeping you for my own

Heads I win or tails I lose
I bet my heart to win your love
The day you kissed me, good luck was with me
And I thank my lucky stars above

I'm not the kind to play for fun
I only play for keeps and I'm keeping all the love I won
Finders, keepers, losers, weepers
The loser has to pay the score
He lost you and I found you
And I'm keeping you for ever more

I'm not the kind to play for fun
I only play for keeps and I'm keeping all the love I won
Finders, keepers, losers, weepers
The loser has to pay the score
He lost you and I found you
And I'm keeping you for ever more
He lost you and I found you
And I'm keeping you for ever more
Yeah he lost you and I found you
And I'm keeping you for ever more
He lost you and I found you
And I'm keeping you for ever more

0.7.9 First in Line

(words & music by Schroeder - Weisman)

When they gave out eyes like diamonds
That would shame the stars that shine
My darlin' my darlin'
You were the first in line
When they gave out lips like honey
That hold a new thrill every time
My darlin' my darlin'
You were the first in line

There may be others
that know you longer
Who pledge their hearts to you
But there's no other
could love you stronger
Any stronger than I do
Don't refuse me, say you'll choose me
I'm yours, oh please be mine
My darlin' say I'm your darlin'
The first, and the last in line

0.7.10 Five Sleepy Heads

(Words & music by Sid Tepper - Roy C. Bennett)

There were five sleepyheads
All tucked into their beds
While I sang a lullaby
One got dream dust in her eye

There were four sleepyheads
Playing possum with me
Mr. Sandman came by
And then there were three

Moonbeams play peek-a-boo
Three away became two
And my song was almost done
When the land of Nod took one

Kissed the last one goodnight
Then I heard not a peep
There were five sleepyheads
Now they're all fast asleep

0.7.11 Flaming Star

(Words & music by Wayne - Edwards)

Ev'ry man, has a flaming star
A flaming star, over his shoulder
And when a man, sees his flaming star
He knows his time, his time has come

Flaming star, don't shine on me, flaming star
Flaming star, keep behind me, flaming star
There's a lot of livin' I've got to do
Give me time to make a few dreams come true
Flaming star

When I ride, I feel that flaming star
That flaming star, over my shoulder
And so I ride, front of that flaming star
Never lookin' around, never lookin' around

Flaming star, don't shine on me, flaming star
Flaming star, keep behind me, flaming star
There's a lot of livin' I've got to do
Give me time to make a few dreams come true
Flaming star

One fine day, I'll see that flaming star
That flaming star, over my shoulder
And when I see, that old flaming star
I'll know my time, my time has come

Flaming star, don't shine on me, flaming star
Flaming star, keep behind me, flaming star
There's a lot of livin' I've got to do
Give me time to make a few dreams come true
Flaming star

0.7.12 Follow That Dream

(Words & music by Fred Wise - Ben Weisman)

Follow that dream, I gotta follow that dream
Keep a-movin, move along, keep a moving
I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need

When your heart gets restless, time to move along
When your heart gets weary, time to sing a song
But when a dream is calling you,
There's just one thing that you can do

Well, you gotta follow that dream wherever that dream may lead
You gotta follow that dream to find the love you need

Keep a-movin, move along, keep a moving

Got to find me someone whose heart is free
Someone to look for my dream with me
And when I find her I may find out
Just what my dreams are all about

I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need

I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need

Keep a-movin, move along
Keep a-movin, move along
Keep a-movin, move along

0.7.13 Fool

(Words & music by Carl Sigman / James Last)

Fool, you didn't have to hurt her
Fool, you didn't have to lose her
Fool, you only had to love her
But now her love is gone

Fool, you could have made her want you
Fool, you could have made her love you
Fool, you only had to love her
But now her love is gone

Gone now, the love and laughter
See yourself the morning after
Can't you see her eyes are misty
As she said good-bye

Fool, you didn't have to hurt her
Fool, you didn't have to lose her
Fool, you only had to love her
But now your love is gone

Oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh
Fool, you only had to love her
But now her love is gone

Fool, you could have made her want you
Fool, you could have made her love you
Fool, you only had to love her
But now her love is gone

Fool, you didn't have to hurt her
Fool, you didn't have to lose her
Fool, you only had to love her

0.7.14 Fool, Fool, Fool

(Words & music by Nugetre)

Fool, fool, fool
That I was to fall for you.
Well, fool, fool, fool
That I was to fall for you.
Well, I know what a fool I was
To think that you could love me, too.

Well, well, when I first met you, baby,
Well, I knew I couldn't win,
But I just kept right on trying,
'Cause trying is no sin.

What a fool, fool, fool,
That I was to fall for you.
Well, I know what a fool I was
To think that you could love me, too.

Well, when I first met you, baby,
Well, I knew I couldn't win,
But I just kept right on trying,
'Cause trying is no sin.

What a fool that I was to fall for you.
Well, I know what a fool I was
To think that you could love me too.

0.7.15 Fools Fall in Love

(Words & music by Leiber - Stoller)

Fools fall in love in a hurry
Fools give their hearts much too soon
Just put in two bars of stardust
Just hang out one silly moon
Oh ! They've got their love torches burning
When they should be playing it cool
I used to laugh but now I'm the same
Take a look at a brand new fool

Fools fall in love just like schoolgirls
Blinded by rose colored dreams
They build their castles on wishes
With only rainbows for beams
Oh ! They're making plans for the future
When they should be right back in school
I used to laugh but now I'm the same
Take a look at a brand new fool
All right !

They've got their love torches burning
When they should be playing it cool
I used to laugh but now I'm the same
Take a look at a brand new fool
Take a look at a brand new fool

0.7.16 Fools Rush In

(Words & music by J. Mercer - R. Bloom)

Fools rush in, where angels fear to tread
And so I come to you my love
My heart above my head
Though I see the danger there
If there's a chance for me
Then I don't care, oh-oh-oh-oh

Fools rush in, where wise men never go
But wise men never fall in love
So how are they to know
When we met, I felt my life begin
So open up your heart and let
This fool rush in

And I don't care, oh-oh-oh-oh

Fools rush in, where wise men never go
But wise men never fall in love
So how are they to know
When we met, I felt my life begin
So open up your heart and let
This fool rush in

So open up your heart and let
This fool rush in

So open up your heart and let
This fool rush in

So open up your heart and let
This fool rush in

0.7.17 For Ol' Times Sake

(Words & music by Tony Joe White)

Before you go walk out on me
Take a look around tell me what you see
Here I stand like an open book
Is there something here you might have overlooked
'Cause it would be a shame if you should leave
And find that freedom ain't what you thought it would be

The years we had were not all bad
In fact I know the good outweighed the bad
Now you say that you've grown tired
You want to be by yourself a while
It would be a shame if you should go
And find that freedom was a long time ago

I know that you can't stand the chains that bind you
They just keep on drivin' us apart
You could go where I could never find you
But could you go far enough to get away from your heart

So one more time, for ol' times sake
Come and lay your head upon my chest
Please don't throw this moment away
We can forget the bad and take the best
If you don't have nothing left to say
Let me hold you one more time for ol' times sake

If you don't have nothing left to say
Let me hold you one more time for ol' times sake

0.7.18 For the Good Times

(words & music by Kris Kristofferson)

Don't look so sad, I know it's over
But life goes on and this old world will keep on turning
Let's just be glad we had some time to spend together
There's no need o watch the bridges that we're burning

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops fallin' soft against the window
And make believe you love me one more time

For the Good times
I'll get along, you'll find another
And I'll be here if you should find you ever need me
Don't say a word about tomorrow or forever
There'll be time enough for sadness when you leave me

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops fallin' soft against the window
And make believe you love me one more time

For the good times
For the good times

0.7.19 For the Good Times

0.7.20 For the Heart

(Words & music by Dennis Linde)

Had a dream about you baby, had a dream about me and you
Had a dream and woke up crying
Well I can roll but I just can't rock
And the time's going by, tick-tock
For the heart, I just can't love no-one but you

Well I'm high and dry and lonely, I'm as lonely as can be
And I stare out of my window
Well I can play but I just can't win
And the weather's looking dim
For the heart I just can't love no-one but you

For the heart
For the heart
For the heart I just can't love no-one but you

For the heart
For the heart
For the heart I just can't love no-one but you

Had a dream about you baby, had a dream about me and you
Had a dream and woke up crying
Well I can roll but I just can't rock
And the time's going by, tick-tock
For the heart, I just can't love no-one but you

For the heart
For the heart
For the heart I just can't love no-one but you

For the heart
For the heart
For the heart I just can't love no-one but you
Well, for the heart
For the heart
For the heart I just can't love no-one but you
Yes, for the heart
For the heart
For the heart I just can't love no-one but you

0.7.21 For the Millionth and the Last Time

(Words & music by Bennett - Tepper)

For the millionth and the last time
Darling let me hold you tight
One more kiss and then I promise
I will say my last goodnight

Though your lips are so inviting
And I know I'll wanna stay
Give me one more kiss to dream on
And I'll be on my way

It seems a million or so kisses ago
We said goodnight at your door
I didn't get far 'cause here we are
And I'm still begging for more

Whilst the millionth and the last time
Slowly disappears from sight
For the millionth and the last time
Let me kiss you good-night

It seems a million or so kisses ago
We said goodnight at your door
I didn't get far 'cause here we are
And I'm still begging for more

Whilst the millionth and the last time
Slowly disappears from sight
For the millionth and the last time
Let me kiss you good-night
Let me kiss you good-night
Let me kiss you good-night

0.7.22 Forget Me Never

(Words & music by Wise - Weisman) If I should go, forget me never
Please say that you'll remember me
I pray the dreams we share together
Will shine on in your memory

Each time a star falls out of heaven
It leaves the sky a deeper blue
So if we part, forget me never
And don't forget my love for you
And don't forget my love for you

(words & music by Giant - Lewis)

One thought of you,
my heart begins churning
I feel return
to a fountain of love
My lips and eyes,

To hold you here
in my fountain of love

Never be blue
should your world start sinking
Just come and drink
from my fountain of love
We'll build a new world off
on a high mountain
We'll live
on our fountain of love

0.7.25 Frankfort Special

(words & music by Wayne - Edwards)

Is this train the Frankfort Special
 Now ain't this outfit something special
 Well, we heard rumors from the bases
 Frankfort girls got pretty faces

Go, Special go. Blow whistle, blow
 Frankfort Special's got a special way to go
 Whao - oh - oh

Now when we get to our headquarters
 We'll be good boys and follow orders
 Now don't take girls from one another
 No ! No ! No ! No ! No !
 We'll treat a sailor like a brother

Go, Special go. Blow whistle, blow
 Frankfort Special's got a special way to go
 Whao - oh - oh
 Round wheels singin' on a long flat track
 Boiler bustin' to blow its stack
 Towns and villages flyin' by
 Farewell frauleins, don't you cry
 You'll soon get another G.I.

Come on, train, and get the lead out
 Well, one more day we gotta sweat out
 Frantic frauleins at the station
 They're ready for a celebration

Go, Special go. Blow whistle, blow
 Frankfort Special's got a special way to go

Go, Special go. Blow whistle, blow
 Frankfort Special's got a special way to go
 Whao - oh - oh

Come on, train, and get the lead out
 Well, one more day we gotta sweat out
 Frantic frauleins at the station
 They're ready for a celebration

Go, Special go. Blow whistle, blow

 Whao - oh - oh
 Whao - oh
 Whao - oh, whao - oh, whao - oh, whao - oh, whao - oh,
 Whao - oh, whao - oh, whao - oh

0.7.26 Frankie and Johnny

(Words & music by Gottlieb - Karger - Weisman)

Frankie and me we were lovers
Oh Lordy how we could love
Swore we'd be true to each other
Just as true as stars above
I was her man, she caught me doing her wrong.

My luck in poker was fading
When a new gal caught my eye
I gambled, I tried to change my luck
With a chick named Nellie Bly
I was Frankie's man but I was doing her wrong.

Yeah ! Frankie came looking to find me
Yes, she wasn't looking for fun
For in her sweet loving hand
She was totin' a 44 gun
To shoot her man if he was doin' her wrong

Well Frankie walked into the bar room
And right there in front of her eyes
There was her loving Johnny
Making love to that Nellie Bly
I was her man, she caught me doing her wrong.

Frankie, I beg, Please don't shoot me
Well they'll put you away in a cell
You know they'll put you where the cold wind blows
From the hottest corner in hell
I'm your man, I know I done you wrong.

Easy on the roll, real easy
Easy on the roll, real slow
Roll me over real gently
'Cause my wound hurts me so
Well I was her man
Well I done her wrong

Well Frankie told Johnny
Well this is the end of my song
I was her man, well I done her wrong
Well , hey, hey, hey, hey, hey
Done her wrong

0.7.28 From a Jack to a King

(Words & music by Miller)

From a jack to a king of loneliness to a wedding ring
I've played a ace and I won the queen
I walked away with your heart

From a jack to a king
With no regrets I stacked, I stacked the cards, I stacked the cards last night
And lady luck played her hand just right
You made me king of your heart

Oh for just a little while I thought that I might lose the game
Oh but just in time I saw that twinkle in your eyes
From a jack to a king of loneliness to a wedding, wedding, wedding ring
I played an ace and I won the queen
You made me king of your heart

For just a little while I thought that I might lose the game
Oh but just in time I saw, I saw that twinkle in your eyes
From a jack to a king from loneliness to a wedding, wedding, wedding ring
I played an ace and I won the queen
You made me king of your heart

0.7.29 Fun in Acapulco

(Words & music by Ben Weisman - Sid Wayne)

Acapulco, sleeping in the bay
Acapulco, wake up and greet the day
Time to tell the guitars and sleepy-eyed stars
To be on their way
It's such a beautiful morning, for a holiday

Hey now come on, you old sleepy head
See the sky turning red, and you're still in bed
It's fun in Acapulco

Acapulco, look here comes the sun
Acapulco, it's a day for fun
I can't wait till I meet your sweet señoritas
Kiss everyone
This is no time for siesta, this is time for fun

I can't wait till I meet your sweet señoritas
Kiss everyone
This is no time for siesta, this is time for fun
This is no time for siesta, this is time for fun

...this is no time for siesta...this is time for fun...

0.7.30 Funny How Time Slips Away

(words & music by Willy Nelson)

Well hello there,
my it's been a long long time
How am I doin',
oh well I guess I'm doin' fine
It's been so long now and it seems that
It was only yesterday
Mmm, ain't it funny how time slips away

How's your new love,
I hope that he's doin' fine
Heard you told him, yes baby
That you'd love him till the end of time
Well you know, that's the same thing
that you told me
Well it seems like just the other day
Mmm, ain't it funny how time slips away

Gotta go now,
guess I'll see you hanging round
Don't know when though, oh
Never know when I'll be back in town
But I remember what I told you
That in time your gonna pay

Well ain't it surprisin' how time slips away
Yeah, ain't it surprisin' how time slips away

0.8 G

0.8.1 G.I. Blues**(words & music by Sid Tepper - Roy Bennett)**

They give us a room
 with a view of the beautiful Rhine
 They give us a room
 with a view of the beautiful Rhine
 Gimme a muddy old creek
 in Texas any old time

I've got those hup, two, three, four
 occupation G.I. Blues
 From my G.I. hair to the heels of my G.I. shoes
 And if I don't go stateside soon
 I'm gonna blow my fuse

We get hasenpfeffer
 and black pumpnickel for chow
 We get hasenpfeffer
 and black pumpnickel for chow
 I'd blow my next month's pay
 for a slice of Texas cow

We'd like to be heroes,
 but all we do here is march
 We'd like to be heroes,
 but all we do here is march
 And they don't give the Purple Heart
 for a fallen arch

I've got those hup, two, three, four
 occupation G.I. Blues
 From my G.I. hair to the heels of my G.I. shoes
 And if I don't go stateside soon
 I'm gonna blow my fuse

The frauleins are pretty as flowers
 But we can't make a pass
 The frauleins are pretty as flowers
 But we can't make a pass
 Cause they're all wearin' signs saying :
 "Keepen sie off the grass"

I've got those hup, two, three, four
 occupation G.I. Blues
 From my G.I. hair to the heels of my G.I. shoes
 And if I don't go stateside soon
 I'm gonna blow my fuse

0.8.2 Gentle on My Mind

(Words & music by J. Hartford)

It's knowin' that your door is always open
And you path is free to walk
That makes me tend to keep my sleeping bag rolled up
And stashed behind your couch

It's knowin' I'm not shackled
By forgotten words and bonds
And the heat stains that have dried up on some lovin'
That keeps you in the back roads
By the rivers of my memory
It keeps you ever gentle on my mind

It's not clinging to the rocks and ivy
Planted on their columns mellowed by me
Or something that somebody said
Because they thought we'd fit together walking
It's just knowing that the world will not be cursin'
Or forgiving when I walk along some railroad track and find
That you're moving on the back roads
By the rivers of my memory and for hours
You're just gentle on my mind

Though the wheat fields and the clothes lines
And the junk yards and the highways come between us
And some other woman's cryin' to her mother
'Cause she turned and I was gone
I still might run in silence
Till' the join might stain my face
And the summer sun might burn me 'till I'm blind
But not to where I cannot see you
Walking in the back roads
By the rivers flowing gently on my mind

I dip my cup of soup from a gurgling,
cracking cauldron in some train yard
I'm barely runnin' cold how
Have a dirty hat pulled low across my face
Who cupped hands around the tin cans
I pretend to hold you to my breast and find
That you're wavin' from the back roads
By the rivers of my memory
Ever smiling never changes on my mind

0.8.3 Gently

(words & music by Wizell - Lisbona)

Gently your eyes met mine
Tender, trusting, true
Gently your hand took mine
Thrilled me through and through

Gently, oh so gently
Gentle as the dawn
Gently, oh so gently
Our true love was born

Gently your lips kissed mine
As we strolled along
Gently your heart touched mine
Young and warm and strong

Gently the hour is near
When true loves have to part
Gently we'll meet again
One more kiss, sweetheart

0.8.4 Girl Happy

(Words & music by Pomus - Meade)

Girl happy, yes I'm girl happy,
Girl happy, can't you see

Every girl I see looks good to me
What crazy way I were to be
I love a life of nothing but beautiful women
Well I'm Girl happy, yes I'm girl happy,
Girl happy, can't you see

Every time I see a pretty face
My heart just heads for outer space
I need a girl to make my life worth of living
Yes, I'm Girl happy, yes I'm girl happy,
Girl happy, can't you see

I've been like this since I was just a baby boy
First nurse that rocked my cradle made me jump to joy
Mama keep your daughter out of sight
I'm in a lovin' mood tonight
I love a life of nothing but beautiful women
Well I'm Girl happy, yes I'm girl happy,
Girl happy, can't you see

I've been like this since I was just a baby boy
First nurse that rocked my cradle made me jump to joy
Girl happy, well I'm girl happy,
Yes I'm girl happy, can't you see
Girl happy, said I'm girl happy,
Yes I'm girl happy, can't you see

0.8.5 Girl Next Door Went A'walking

(Words & music by Thomas Wayne)

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life

The girl next door went a'walking
She knew it wasn't right
She came home at half past ten
Late every night

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life

She didn't know love was so grand
She never took love second hand
But to my surprise
She thought that love was paradise

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life

The girl next door went a'walking
She knew it wasn't right
She came home at half past ten
Late every night

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life

She didn't know love was so grand
She never took love second hand
But to my surprise
She thought that love was paradise

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life

Now the two are married
Settled down for life

She walks by hand in hand
Late every night

The girl next door went a'walking
She found the boy she likes
She wanted to get married
Settle down for life
Settle down for life
Settle down for life
Settle down for life

0.8.6 Girl of Mine

(Words & music by L. Reed - B. Mason)

When your asleep beside me, I watch you lying there
Your hand upon the pillow and moonlight in your hair
I get the warmest feeling, so good I almost cry
I kiss your sleeping lips and say I'll love you 'till I die

Oh girl of mine you make my day
One sunny smile and all the clouds just roll away
Eyes deep as the sea seem to say to me
Our love will always be
So girl of mine turn out the light
And in my arms together we'll make sweet love tonight
Down life's golden road and you'll always know
I love you ... girl of mine

Sometimes I know I hurt you when things ain't goin' right
I walk away and leave you to face the lonely night
I wouldn't blame you darlin' if you walked out on me
But I return to find you there still waiting patiently

Oh girl of mine you make my day
One sunny smile and all the clouds just roll away
Eyes deep as the sea seem to say to me
Our love will always be
So girl of mine turn out the light
And in my arms together we'll make sweet love tonight
Down life's golden road and you'll always know
I love you ... girl of mine

0.8.7 Girls! Girls! Girls!**(words & music by Jerry Leiber - Mike Stoller)**

Girls, goin' swimming,
 Girl, in bikinis,
 A walkin' and wigglin' by, yay, yay, yay
 Girls, on the beaches,
 Girls, oh, what a peaches,
 So pretty, Lord I could cry
 I'm just a red blooded boy
 And I can't stop thinkin' about

Girls, sailin' sailboats,
 Girls, water skiin',
 They'll drive me out of my mind, yay, yay, yay
 Girls, big and brassy,
 Girls, small and sassy,
 Just give me one of each kind

I'm just a red blooded boy
 And I can't stop thinkin' about
 Girls! Girls! Girls! Girls!

And when I pick up a sandwich too much
 A crunchy crunchety
 A crunchety crunch
 I never ever get to finish my lunch
 Because there's always bound to be a bunch of

Girls, in tight sweaters,
 Girls, in short dresses,
 A walkin' and wigglin' by, yay, yay, yay
 Girls, out boatin'
 Girls, just a floatin'
 So pretty, Lord I could cry.

I'm just a red blooded boy
 And I can't stop thinkin' about
 Girls! Girls! Girls! Girls! Girls! Girls!

0.8.8 Give Me the Right

(words & music by Wise - Blagman)

Give me the right
To hold you tonight
The tears that I've cried over you
Give me the right

You can't say no
When I need you so
I want you back in my arms
Give me the right

If you looked deep in your heart
Like I looked into mine
You'll find that nothing has changed
Our love was there all the time

Why make me plead
For something you need
I want to bring back the thrill
Give me the right
Give me the right

0.8.9 Go East, Young Man

(Words & music by Giant - Baum - Kaye)

I'm gonna go where the desert sun is
Go where I know the fun is
Go where the harem girls dance
Go where there's love and romance

Out on the burning sands, in some caravan
I'll find adventure, while I can
To say the least, go on, go east young man

Go east young man, go east young man
You'll feel like a sheik, so rich and grand
With dancing girls at your command
Go eat and drink and feast, go east young man

I'm gonna go where the night's enchanted
Go where those dreams are granted
When paradise starts calling, into some tent I'm crawling

I hear those desert drums, and when nighttime comes
Then I'll make love the way I planned
To say the least, go on, go east young man

Go east young man, go east young man
You'll feel like a sheik, so rich and grand
With dancing girls at your command
Go eat and drink and feast, go east young man

Go eat and drink and feast, go east young man

0.8.10 Goin' Home

(Words & music by Byers)

This proud wild land where the wind blows free
Has always been a part of me
It's in my blood, I just can't get it out
For a hundred miles a man can see
And be about as wild as he wants to be
If he feels like shouting all he's gotta do is shout

Where the purple mountains reach up high
And look like they're gonna touch the sky
Where the canyon walls have stood for a million years
Where the days are hot, the nights are cold
The desert sand looks just like gold
These trails were carved in sweat and blood and tears

Where the painted desert as you pass by
Looks like a rainbow in the sky
The cactus blooms in the early morning sun
Where the nightwings sing and eagles fly
The clouds paint pictures in the sky
The coyotes howl tells you when the day is done

I'm coming home, this time I'm gonna stay
I'm coming home and I ain't never goin' away
My feet are itching to get back home
I've had the desert fever since I've been gone
I need some loving so bad that I can't see
When a woman looks a man in the eye
You know it takes a man to satisfy
Thinking about them girls is killing me

I'm going home, going home
Going home, I'm going home
Going home, going home
Going home

0.8.11 Golden Coins

(Words & music by Giant - Baum - Kaye)

Say you're mine, then ask me what you will
All your dreams, my darling I'll fulfill

Golden coins, I will bring to you
Silver trinkets and rubies too
In return dear I'm begging you
For the pleasures of love

I'll bring gifts, like you never saw
Priceless garments that you'll adore
Persian rugs to enhance your floor
For the pleasures of love

Darling, choose anything you please
Rich brocade, or woven tapestries
In exchange, I plead on my knees
For the pleasure of love

Golden coins, I'll place at your feet
Precious jewels to make life complete
All my treasures are yours my sweet

For the pleasures of love

0.8.12 Gonna Get Back Home Somehow

(words & music by Doc Pomus - Mort Shuman)

Hear that old train whistle
howling in the night
If that flyer's southbound
Everything will be all right

I'm leaving now, leaving now, leaving now,
I'm gonna get back home somehow

Don't nobody tell me
baby's been untrue
If she's been unfaithful
I don't know what I'll do

I'm leaving now, leaving now, leaving now
I'm gonna get back home somehow

Never thought that I could miss her so
I never thought I could , now I know

The sound of the old train whistle
Makes me want to cry
Reminds me of that lonely feeling
When I said goodbye

I'm leaving now, leaving now, leaving now
I'm gonna get back home somehow

0.8.13 Good Luck Charm

(words & music by Aaron Schroeder - Wally Gold)

Don't want a four leaf clover
Don't want an old horse shoe
Want your kiss 'cause I just can't miss
With a good luck charm like you

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm
a-hanging on my arm
To have, to have, to hold, to hold tonight

Don't want a silver dollar
Rabbit's foot on a string
The happiness in your warm caress
No rabbit's foot can bring

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm
a-hanging on my arm
To have, to have, to hold, to hold tonight

If I found a lucky penny
I'd toss it across the bay
Your love is worth all the gold on earth
No wonder that I say

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm
a-hanging on my arm
To have, to have, to hold, to hold tonight

0.8.14 Good Rockin' Tonight

(words & music by Roy Brown)

Well, I heard the news
there's good rockin' tonight.
Well, I heard the news
There's good rockin' tonight.

I'm gonna hold my baby
as tight as I can.
Tonight she'll know
I'm a mighty, mighty man.
I heard the news,
there's good rockin' tonight.

I say, well, meet me in a hurry
behind the barn,
Don't you be afraid, darling,
I'll do you no harm
I want you to bring
along my rockin' shoes,
'Cause tonight I'm gonna rock away
all my blues.
I heard the news,
there's good rockin' tonight.

Well, we're gonna rock. We're gonna rock.
Let's rock. Come on and rock.
We're gonna rock all our blues away.

Have you heard the news?
Everybody's rockin' tonight.
Have you heard the news?
Everybody's rockin' tonight.

I'm gonna hold my baby
as tight as I can,
Well, tonight she'll know
I'm a mighty, mighty man.
I heard the news,
There's good rockin' tonight.

Well, we're gonna rock, rock, rock,
Come on and rock, rock, rock,
Well, rock, rock, rock, rock,
Let's rock, rock, rock, rock,
We're gonna rock all our blues away.

0.8.15 Good Time Charlie's Got the Blues

(Words & music by Danny O'Keefe)

Everybody's gone away
Said they're movin to L.A.
There's not a soul I know around
Everybody's leavin' town

Some caught a freight, some caught a plane
Found the sunshine in the rain
They said this town's will waste their time
I guess they're right, it's wasting mine

Some gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the blues

You know my heart keeps tellin' me
You're not a kid at thirty-three
Play around you'll lose your wife
You play it too long you'll lose your life

Some gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the blues
Good time Charlie's got the blues

Some gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the blues
Good time Charlie's got the blues

0.8.16 Got a Lot o' Livin' to Do**(words & music by Aaron Schroeder - Ben Weisman)**

Oh yes I've got a lot o' living to do
 A whole lot o' loving to do
 Come on baby, to make a party takes two
 Oh yes I've got a lot o' living to do
 A whole lot o' loving to do
 And there's no one who I'd rather do it with-a than you

There's a moon that's big and bright in the milky way tonight
 But the way you act you never would know it's there
 So baby, time's a wasting
 A lot of kisses I ain't been tasting
 I don't know about you but I'm gonna get my share

Oh got a lot o' living to do
 A whole lot o' loving to do
 Come on baby, to make a party takes two
 Oh yes I've got a lot o' living to do
 A whole lot o' loving to do
 And there's no one who I'd rather do it with-a than you

There's a balmy little breeze
 That's whistling through the trees
 And it's telling you to pitch a little woo with me
 Why don't you take a listen
 You'll never know what you've been missing
 Cuddle up a little closer and be my little honey bee

Oh got a lot o' living to do
 A whole lot o' loving to do
 Come on baby, to make a party takes two
 Oh yes I've got a lot o' living to do
 A whole lot o' loving to do
 And there's no one who I'd rather do it with-a than you

You're the prettiest thing I've seen
 But you treat me so doggone mean
 Ain't you got no heart, I'm dying to hold you near
 Why do you keep me waiting
 Why don't you start co-operating
 And the things I say are things you want to hear

Oh got a lot o' living to do
 A whole lot o' loving to do
 Come on baby, to make a party takes two
 Oh yes I've got a lot o' living to do
 A whole lot o' loving to do
 And there's no one who I'd rather do it with-a than you

0.8.18 Green, Green Grass of Home

(words & music by Claude Putman, Jr.)

The old home town looks the same,
As I step down from the train,
And there to meet me is my mama and papa
Down the road I look and there runs Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Yes, they'll all be there to meet me,
All creatures smiling sweetly
It's good to touch the green, green grass of home

The old house is still standing,
Though the paint is cracked and dry
And there's an old oak tree that I used to play on
Down the lane I'll walk with my sweet Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Then I awake and look around me
Cold gray walls surround me
And I realize that I was only dreamin'
There's a guard and there's a sad old padre
Arm and arm we'll walk at daybreak
Again I'll touch the green, green grass of home

Yes, they'll all be there to meet me
In the shadow of that old oak tree
As they lay me beneath the green, green grass of home

0.8.20 Guitar Man**(Words & music by Hubbard)**

Well, I quit my job down at the car wash,
 Left my mama a goodbye note,
 By sundown I'd left Kingston,
 With my guitar under my coat,
 I hitchhiked all the way down to Memphis,
 Got a room at the YMCA,
 For the next three weeks I went huntin' them nights,
 Just lookin' for a place to play,
 Well, I thought my pickin' would set 'em on fire,
 But nobody wanted to hire a guitar man.

Well, I nearly 'bout starved to death down in Memphis,
 I run outta money and luck,
 So I bought me a ride down to Macon, Georgia,
 On a overloaded poultry truck,
 I thumbed on down to Panama City,
 Started pickin' out some o' them all night bars,
 Hopin' I could make myself a dollar,
 Makin' music on my guitar,
 I got the same old story at them all night piers,
 There ain't no room around here for a guitar man
 We don't need a guitar man, son

So I slept in the hobo jungles,
 Roamed a thousand miles of track,
 Till I found myself in Mobile Alabama,
 At a club they call Big Jack's,
 A little four-piece band was jammin',
 So I took my guitar and I sat in,
 I showed 'em what a band would sound like,
 With a swingin' little guitar man.
 Show 'em, son

If you ever take a trip down to the ocean,
 Find yourself down around Mobile,
 Make it on out to a club called Jack's,
 If you got a little time to kill,
 Just follow that crowd of people,
 You'll wind up out on his dance floor,
 Diggin' the finest little five-piece group,
 Up and down the Gulf of Mexico,
 Guess who's leadin' that five-piece band,
 Well, wouldn't ya know, it's that swingin' little guitar man.

The TV-special verse :

Well, I came a long way from the carwash,

Got to where I said I'd get
Now that I'm here I know for sure
I really ain't got there yet
Think I'll start all over
Swing my guitar over my back
I'm gonna get myself back on the track
I'll never, never ever look back
I'll never be more than what I am
Wouldn't you know
I'm a swinging little Guitar man

0.9.1 (Marie's the Name of) His Latest Flame

(words & music by Doc Pomus - Mort Shuman)

A very old friend came by today
'Cause he was telling everyone in town
About the love that he just found
And Marie's the name of his latest flame

Though I smiled the tears inside were a-burning
I wished him luck and then he said goodbye
He was gone but still his words kept returning
What else was there for me to do but cry

He talked and talked and I heard him say
That she had the longest blackest hair
The prettiest green eyes anywhere
And Marie's the name of his latest flame

Would you believe that yesterday
This girl was in my arms and swore to me
She'd be mine eternally
And Marie's the name of his latest flame

0.9.2 Hands Off

(Bowman/ McShann)

Keep your hands off of her

She don't belong to you

Keep your hands off of her

She don't belong to you

She's mine, o mine, no matter what I do

She's long, lean and lanky

Tadadadaaaaa

Hands off of her, she don't belong to you

She's mine, o mine, no matter what I do

0.9.3 Happy Ending

(Words & music by Ben Weisman - Sid Wayne)

Happy ending, happy ending
Give me a story with a, happy ending
When boy meets girl and then
They never part again
But live forever happily, like you and me

Our love story gets me so upset
Like Romeo, and Juliet
I'm not smart enough to figure why
Some folks enjoy, a real good cry

Happy ending, happy ending
Give me a story with a, happy ending
When boy meets girl and then
They never part again
But live forever happily, like you and me

Never thought that I would stand a chance
That you'd give me, a second glance
But I think that you can play the part
And give a guy, a happy heart

Happy ending, happy ending
Give me a story with a, happy ending
When boy meets girl and then
They never part again
But live forever happily, like you and me

When boy meets girl and then, they never part again
but live forever happily, like you and me

Like you and me, like you and me
Like you and me

0.9.4 Harbor Lights

(words & music by H. Williams - J. Kennedy)

I saw the harbor lights
They only told me we were parting
Those same old harbor lights
That once brought you to me.

I watched the harbor lights
How could I help it ?
Tears were starting.
Good-bye to golden nights
Beside the silvery seas.

I long to hold you dear,
And kiss you just once more.
But you were on the ship,
And I was on the shore.

Now I know lonely nights
For all the while my heart keeps praying
That someday harbor lights
Will bring you back to me.

0.9.5 Hard Headed Woman

(words & music by Claude Demetruiis)

Well a hard headed woman,
a soft hearted man
been the cause of trouble
ever since the world began.
Oh yeah, ever since the world began
a hard headed woman been
a thorn in the side of man.

Now Adam told to Eve,
"Listen here to me,
don't you let me catch you
messin' round that apple tree."
Oh yeah, ever since the world began
a hard headed woman been
a thorn in the side of man.

Now Samson told Delilah
loud and clear,
"Keep your cotton pickin' fingers
out my curly hair."
Oh yeah, ever since the world began
a hard headed woman been
a thorn in the side of man.

I heard about a king
who was doin' swell
till he started playing
with that evil Jezebel.
Oh yeah, ever since the world began
a hard headed woman been a thorn in the side of man.

I got a woman,
a head like a rock.
If she ever went away
I'd cry around the clock.
Oh yeah, ever since the world began
a hard headed woman been
a thorn in the side of man.

0.9.6 Hard Knocks

(Words & music by J. Byers)

Some kids born with a silver spoon
I guess that I was born a little too soon

Hard knocks, all I ever knew was hard knocks
And I'm telling you, I said you'd better beware
'Cause I've had my share

Some kids born as rich as a king
But I was born without a doggone thing

Hard knocks, all I ever knew was hard knocks
And I'm telling you, I said you'd better beware
'Cause I've had my share

I walked a million miles I bet
Tired and hungry and cold and wet
I've heard that lonesome whistle blow
From New York City down to Mexico
Some kids born fancy free
Nobody never gave nothing to me but

Hard knocks, all I ever knew was hard knocks
And I'm telling you, I said you'd better beware
'Cause I've had my share

I walked a million miles I bet
Tired and hungry and cold and wet
I've heard that lonesome whistle blow
From New York City down to Mexico
Some kids born fancy free
Nobody never gave nothing to me but

Hard knocks, all I ever knew was hard knocks
And I'm telling you, I said you'd better beware
'Cause I've had my share
I said you'd better beware
'Cause I've had my share
I said you'd better beware
'Cause I've had my share of hard knocks

0.9.7 Hard Luck

(Words & music by Weisman - Wayne)

Oh I'm really feeling mighty low
No, no, no, I got no place that I can go
So I've got some blues to sing
And oh, so much remembering, woe.....

Black cats, keep away from me
Take my advice, go shinning up a tree
I got hard luck, the hardest kind a luck you'll find
I ain't lyin', I've got the bluest kinda blues
Drivin' me right outta my mind

She's gone, said toodle-loo
Kissed her good-bye and my-my, my money too
I've got hard luck, the hardest kinda luck you've seen
I mean, the way I'm runnin' lately
My lucky number is thirteen

Where do I belong, everything I do is wrong, all wrong
Wrong as can be
Who's stacking all the decks, lady luck has got the hex on me
I'm on her knee da-da-da-da

Shove off, oh I'm warning you
This thing I caught, you know could be catchin' too
I've got hard luck, the hardest kinda luck there can be
Yes siree, I guess hard luck always chooses
Natural born losers like me
Oh ahhh !

0.9.8 Harem Holiday

(Words & music by Peter Andreoli - Vince Poncia Jr.)

Gonna travel, gonna travel wild and free
I'm gonna pack my bags because this great big world is calling me
Every pretty girl's gonna know I'm around
They're gonna know I'm in town on a harem holiday

Twenty women, twenty women by my side
I'm gonna kiss them all, because I've gotta keep 'em satisfied
Gonna have the best time money can buy
I'm gonna be flying high on a harem holiday

If Romeo had a harem holiday
You can bet that Juliet would have never been his girl forever

Gonna go back, gonna catch that midnight plane
Twenty dancing girls are waiting just to call my name
Gonna have a ball, I ain't gonna waste no time
I'm gonna make 'em all mine on a harem holiday

If Romeo had a harem holiday
You can bet that Juliet would have never been his girl forever

Gonna travel, gonna travel wild and free
I'm gonna pack my bags because this great big world is calling me
Every pretty girl's gonna know I'm around
They're gonna know I'm in town on a harem holiday

0.9.9 Have a Happy

(Words & music by Weisman - Kaye - Fuller)

Now once it was told to me
We're born with a magic key
It opens the door to miracles of spring

It takes you to wishing wells
To ice cream and carousels
And yet this magic key won't unlock a thing

Unless you have a happy, ya have a happy
Have a happy, warm smiling face
I start believin', in believin'
Let your address, be sunshine place

There's love and there's joy I'm told
Much more than your heart can hold
It's there like the ring you would grab
On a merry-go-round

The world isn't half as gray
With friends on a rainy day
But people keep away, when you wear a frown

Unless you have a happy, ya have a happy
Have a happy, warm smiling face
I start believin', in believin'
Let your address, be sunshine place

Let your address, be sunshine place
Let your address... be sunshine place

0.9.10 Have I Told You Lately That I Love You ?

(words & music by Scott Wiseman)

Have I told you lately that I love you ?
Could I tell you once again somehow ?
Have I told with all my heart and soul how I adore you ?
Well darling I'm telling you now

Have I told you lately when I'm sleeping
Every dream I dream is you somehow ?
Have I told you why the nights are long
When you're not with me ?
Well darling I'm telling you now

My heart would break in two if I should lose you
I'm no good without you anyhow
And have I told you lately that I love you
Well darling I'm telling you now

My heart would break in two if I should lose you
I'm no good without you anyhow
And have I told you lately that I love you
Well darling I'm telling you now

0.9.11 Hawaiian Sunset

(words & music by Sid Tepper - Roy Bennett)

Hawaiian sunset peeping from the sea
Smiles and says Aloha to his sweetheart Hawaii
The drowsy islands slumber one by one
Close their sleepy eyelids say goodnight to the sun

Then Hawaii like millions of times before
Blossoms in her lover's arms once more
Too soon the sunrise will wake her from her sleep
So until tomorrow, sleep Hawaii sleep.

0.9.12 Hawaiian Wedding Song

(words & music by King - Hoffman - Manning)

This is the moment
I've waited for
I can hear my heart singing
Soon bells will be ringing

This is the moment
Of sweet Aloha
I will love you longer than forever
Promise me that you will leave me never

Here and now dear,
All my love,
I vow dear
Promise me that you will leave me never
I will love you longer than forever

U-a, si-la
Pa-a ia me o-e
Ko a-lo-ha ma-ka-mea e i-po
Ka-'u ia e le-i a-e ne-i la

Now that we are one
Clouds won't hide the sun
Blue skies of Hawaii smile
On this, our wedding day
I do love you with all my heart

0.9.13 He Is My Everything

(words & music by Dallas Frazier)

I long to be His possession
Oh, He is my everything
I remember my days of darkness
Without sunshine or sight to lead the way
But a whisper of His voice softly calling
To the arms of my Maker to stay

He is my reason for living,
Oh He is the king of all kings
I long to be His possession,
Oh, He is my everything

After the lighting and thunder
After the last bell has rung
I want to bow down before Him
And hear Him say well done

He is my reason for living
Oh He is the king of all kings
I long to be His possession
Oh, He is my everything

0.9.14 He Knows Just What I Need

(Words & music by Mosie Lister)

My Jesus knows when I am Lonely
He knows each pain, He sees each care
He understands each lonely heartache
He understands because He cares

My Jesus knows just what I need
Oh yes ! He knows just what I need
He satisfies and every need supplies
Yes, He knows just what I need

My Jesus knows just what I need
Oh yes ! He knows just what I need
He satisfies and every need supplies
Yes, He knows just what I need

0.9.15 He Touched Me

(words & music by William J. Gaither)

Shackled by a heavy burden
Need the Lord again and shame
Then the hand of Jesus touched me
And now I am no longer the same

For He touched me, He touched me
He touched me and what a wonderful joy
What wonderful joy that foods my soul
Something happened and now I know
He touched me and made me whole

Oh since I met this blessed Savior
And since he cleaned and me me whole
Oh I never cease, never cease to praise Him
I'll shout it while eternity rolls

Oh He touched me, oh He touched me
And oh what a joy that floods my soul
Something happened and now I know
He touched me and made me whole

0.9.16 Heart of Rome

(Words & music by Stephens - Blaikley - Howard)

In a little while you're leavin'
Starting on the journey home
Soon I'll be alone, the one who loves you
La la la la, somewhere in the heart of Rome

I'll make a wish in every fountain
Say a prayer that you'll return
Minutes I'll be counting
May the fire of love still burn
I'll keep your picture by my pillow
And pretend I'm not alone
Make believe that you are with me
La la la la, in the heart of Rome

Suddenly the tears are falling
As we hear the whistle blow
Hold me very close before you leave me
La la la la, somewhere in the heart of Rome

I'll make a wish in every fountain
Say a prayer that you'll return
Minutes I'll be counting
May the fire of love still burn
I'll keep your picture by my pillow
And pretend I'm not alone
Make believe that you are with me
La la la la, in the heart of Rome

I'll make a wish in every fountain
Say a prayer that you'll return
Minutes I'll be counting
May the fire of love still burn
I'll keep your picture by my pillow
And pretend I'm not alone
Make believe that you are with me
La la la la, in the heart of Rome

0.9.17 Heartbreak Hotel

(words & music by Mae B. Axton - Tommy Durden - Elvis Presley)

Well, since my baby left me,
I found a new place to dwell.
It's down at the end of lonely street
at Heartbreak Hotel.

You make me so lonely baby,
I get so lonely,
I get so lonely I could die.

And although it's always crowded,
you still can find some room.
Where broken hearted lovers
do cry away their gloom.

You make me so lonely baby,
I get so lonely,
I get so lonely I could die.

Well, the Bell hop's tears keep flowin',
and the desk clerk's dressed in black.
Well they been so long on lonely street
They ain't ever gonna look back.

You make me so lonely baby,
I get so lonely,
I get so lonely I could die.

Hey now, if your baby leaves you,
and you got a tale to tell.
Just take a walk down lonely street
to Heartbreak Hotel.

0.9.18 Hearts of Stone

(words & music by Ray/Jackson)

Hearts made of stone will never brake
'Cause your love is never there, they just don't care
You can ask and plea, please, please, please work
And all your love is there to stay

These hearts of stone will cause you pain
Although you love there has stopped just the same
You can ask and plea, please, please, please work
And all your love is there to stay
But they'll say no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
You daddy know, I thought I knew hearts made of stone

Hearts made of stone will never brake
'Cause your love is never there, they just don't care
You can ask and plea, please, please, please work
And all your love is there to stay
Cause they'll say no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
You daddy know, I thought I knew hearts made of stone

0.9.19 He'll Have to Go

(Words & music by J. Allison - A. Allison)

Put your sweet lips a little closer to the phone
Just pretend that we're together all alone
Tell the man to turn the juke box way down low
You can tell your friend there with you, he'll have to go

You can't say the words I want to hear
When your with another man
If you love me, answer yes or no
Darling I will understand

Put your sweet lips a little closer to the phone
Just pretend that we're together all alone
Tell the man to turn the juke box way down low
You can tell your friend there with you, he'll have to go

You can't say the words I want to hear
When your with another man
If you love me, answer yes or no
Darling I will understand

Just put your sweet lips a little closer to the phone
Just pretend that we're together all alone
Tell the man to turn the juke box way down low
And you can tell your friend there with you, he'll have to go
Yes you can tell your friend there with you, he'll have to go

0.9.20 Help Me

(Words & music by Larry Gatlin)

Lord, Help me walk
another mile, just one more mile ;
I'm tired of walkin' all alone.

Lord, Help me smile
another smile, just one more smile ;
I know I just can't make it on my own.

I never thought I needed help before ;
I thought that I could do things by myself.
Now I know I just can't take it any more.
With a humble heart, on bended knee,
I'm beggin' You, please, Help Me.

Come down from Your golden
throne to me, to lowly me ;
I need to feel the touch of Your tender hand.

Remove the chains of darkness
and let me see, Lord let me see ;
Just where I fit into your master plan.

I never thought I needed help before ;
I thought that I could do things by myself.
Now I know I just can't take it any more.
With a humble heart, on bended knee,
I'm beggin' You, please, Help Me.

0.9.21 Help Me Make It Through the Night

(Words & music by Kris Kristofferson)

Take the ribbon from your hair
Shake it loose, let it fall
Lay it soft against my skin
Like the shadow on the wall

Come and lay down by my side
Till the early morning light
All I'm taking is your time
Help me make it through the night

I don't care what's right or wrong
I won't try to understand
Let the devil take tomorrow
'Cause tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't care what's right or wrong
I won't try to understand
Let the devil take tomorrow
'Cause tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't want to be alone
Help me make it through the night

0.9.22 Here Comes Santa Claus (Right Down Santa Claus Lane)

(Words & music by Autry - Haldeman)

Here comes Santa Claus, here comes Santa Claus,
Right down Santa Claus Lane.

Vixen, Blitzen, all his reindeer
Pulling on the reins.
Bells are ringing, children singing,
All is merry and bright.
Hang your stockings and say a prayer,
'Cause Santa Claus comes tonight.

Here comes Santa Claus, here comes Santa Claus,
Riding down Santa Claus Lane.

He's got a bag that's filled with toys
For boys and girls again.
Hear those sleigh bells jingle jangle,
What a beautiful sight.
Jump in bed and cover up your head,
Because Santa Claus comes tonight.

Here comes Santa Claus, here comes Santa Claus,
Riding down Santa Claus Lane.

He doesn't care if you're a rich or poor boy,
He loves you just the same.
Santa knows that we're God's children,
That makes everything right.
Fill your hearts with Christmas cheer,
'Cause Santa Claus comes tonight.

Well, here comes Santa Claus, here comes Santa Claus,
Riding down Santa Claus Lane.

He'll come around when the chimes ring out
It's Christmas morn again.
Peace on Earth will come to all
If we just follow the light
Let's give thanks to the Lord above,
'Cause Santa Claus comes tonight.

'Cause Santa Claus comes tonight.

0.9.23 I Asked the Lord (He's Only a Prayer Away)

(Words & music by Lange - Duncan)

I thank the Lord for everything
When things are going my way
He said to me I will comfort thee
And drive your cares away

He promised me I will walk thee
And drive your cares away

I did not ask for riches
He gave me wealth untold
The moon, the stars, the sun the sky
(Are there for you) to behold

I thank the lord for everything
And I count my blessings each day
He came to me when I needed Him
I only have to pray
And He'll come to you if you ask Him to
He's only a prayer away

0.9.24 He's Your Uncle, Not Your Dad**(features Ray Walker)****(Words & music by Wayne - Weisman)**

He's your uncle not your dad, he's the best friend you ever had
 So come on dig, dig, dig in until it hurts
 Just remember Pearl Harbor

(The Alamos and nothing could be worse)

He's your favorite relative and he needs a lot to live
 So just bring, bring, bring everything until you bleed

(And he'll send back what he don't need)

If your not in form ten-forty's your salvation
 By deprivation of temptation

(Dark and blondes I hear are not deductible)

Oh say can you see if there's anything left for me
 When he calls you as he may do
 Don't be frightened red white and blue
 Just be thankful you don't live in Leningrad
 He's your uncle, not your dad

If your honest you don't have to shake and shiver
 The food is lousy up the river

(It's give and take and he does all the taking)

Oh say can you see if there's anything left for me
 Life has two things you can't subtract

(Death and taxes to be exact)

So just pa-pa-patriotically declare
 He's your uncle, he's your uncle, not your dad

0.9.25 Hey Jude

(Words & music by John Lennon - Paul McCartney)

Hey Jude, don't be a fool
Take a sad song and make it better
The minute you let her into your heart
Then you can start to make it better

Hey Jude, don't let me down
Take a sad song and make it better
The minute you let her into your heart
Then you can start to make it better

Let it out and let in
Hey Jude begin
To making the world a little better
Don't you know that it's a fool
Who plays it cool
In making the world a little better

Hey Jude, don't let me down
Take a sad song and make it better
The minute you let her into your heart
Then you can start to make it better

Let it out and let in
Hey Jude begin
To making the world a little better
Don't you know that it's a fool
Who plays it cool
To taking the world upon your shoulder

Hey Jude, don't let me down
Take a sad song and make it better
The minute you let her into your heart
Then you can start to make it better

Na na na na na.....

 By the numbers there ain't much time
 We're gonna start an assembly line

Hey ! Hey ! Hey ! Hey !

You get the sandpaper, you get the pails
 You get the hammer baby, you get the nails
 You get the paint, you get the brush
 'Cause we're gonna give it the special touch

Hey ! Hey ! Hey ! Hey !
 Hey ! Hey ! Hey ! Hey !

We got a magic potion that will help us win
 I don't know how to spell it but dip right in
 Blako-oxy-tonic phosphate, it's the latest scoop
 But that's all right girls you can call it "Goop"

Hey ! Hey ! Hey ! Hey !
 Hey ! Hey ! Hey ! Hey !

Work the sandpaper, hammer that nail
 Tote that paintbrush and lift that pail
 Get a rhythm going, nice and easy
 Come on and use a little elbow greasy

Hey ! Hey ! Hey ! Hey !
 Hey ! Hey ! Hey ! Hey !

O.K. girls, we're all through
 I'm gonna tell you what we're gonna do
 We'll fall right down and have some fun
 And I'm gonna kiss you all one by one

 Hey ! Hey ! Hey ! Hey !
 Huh, Huh, Huh
 Hey ! Hey ! Hey ! Hey !
 Hey ! Hey ! Hey ! Hey !
 Huh, Huh, Huh
 Hey ! Hey ! Hey ! Hey !

0.9.29 His Hand in Mine

(Words & music by Mosie Lister)

You may ask me how I know my Lord is real (my Lord is real)
You may doubt the things I say and doubt the way I feel (the way I feel)
But I know he's real today he'll always be (he'll always be)
I can feel his hand in mine and that's enough for me

I will never walk alone he holds my hand (he holds my hand)
He will guide each step I take
And if I fall I know he'll understand
Till the day he tells me why he loves me so (he loves me so)
I can feel his hand in mine
That's all I need to know

I will never walk alone he holds my hand (he holds my hand)
He will guide each step I take
And if I fall I know he'll understand
Till the day he tells me why he loves me so (he loves me so)
I can feel his hand in mine
That's all I need to know

I can feel his hand in mine
That's all I need to know

0.9.30 Holly Leaves and Christmas Trees

(words & music by Red West - Glen Spreen)

Somewhere in, in the distant night
I hear Christmas bells
The gentle snow keeps falling down on people
Who are homeward bound
That's the it's always been
The circle really never ends
Christmas seems to come and go
From the place that I don't know
Holly leaves and Christmas trees
It's that time of year

Lights aglow and mistletoe
Don't mean a thing when you're not here
As I walk, walk this lonely street
The sound of snow beneath my feet
I'll think of how it used to be
Holly leaves and Christmas trees
Use to mean so much to me

0.9.31 Home Is Where the Heart Is

(Words & music by Edwards - David)

Home is where the heart is
And my heart is anywhere you are
Anywhere you are is home
I don't need a mansion on a hill
That overlooks the sea
Anywhere you're with me is home

Maybe I'm a rolling stone
Who won't amount to much
But everything that I hold dear
Is close enough to touch

For home is where the heart is
And my heart is anywhere you are
Anywhere you are is home

Maybe I'm a rolling stone
Who won't amount to much
But everything that I hold dear
Is close enough to touch

For home is where the heart is
And my heart is anywhere you are
Anywhere you are is home

Home, home, home, home, home

0.9.32 Hot Dog

(words & music Jerry Leiber - Mike Stoller)

Hot dog, you say you're really coming back
Hot dog, I'm waiting at the railway track
Hot dog, you say you're coming home for good
Hot dog, I'm going to keep knocking on wood
And baby, I can hardly wait
I'm gonna meet you at the gate, hot dog

I fell in love with you and then you went away
But now you're coming home to stay
Hot dog, soon everything will be all right
Hot dog, we're gonna have a ball tonight
I've got a pocketful of dimes
It's gonna be just like old times, hot dog

You went away and every day was misery
But now you're coming back to me
Hot dog, my heart is gonna go insane
Hot dog, when you come walking off the train
Oh how lonely I have been
But when that Santa Fe pulls in
Hot dog, baby, baby, hot dog

0.9.33 Hound Dog

(words & music by Jerry Leiber - Mike Stoller)

You ain't nothin' but a hound dog
cryin' all the time.

You ain't nothin' but a hound dog
cryin' all the time.

Well, you ain't never caught a rabbit
and you ain't no friend of mine.

When they said you was high classed,
well, that was just a lie.

When they said you was high classed,
well, that was just a lie.

You ain't never caught a rabbit
and you ain't no friend of mine.

0.9.34 House of Sand

(Words & music by Grant - Baum - Kaye)

Oh you can take a whole lot of sand
And build a castle on the beach
And though you mold it and you plan
Still you got nothing in your reach

One little slip and it tumbles down
One wrong step and it crumbles all around
Like a house without love, that's sure to fall apart
A house of sand is an empty work of art

You can build a tower of clay
But if you ask my advice
Well it is worthless as I say
I got no heart it's cold as ice

One little slip and it tumbles down
One wrong step and it crumbles all around
Like a house without love, that's sure to fall apart
A house of sand is an empty work of art

One little slip and it tumbles down
One wrong step and it crumbles all around
Like a house without love, that's sure to fall apart
A house of sand is an empty work of art
A house of sand is an empty work of art
A house of sand is an empty work of art

0.9.35 How Can You Lose What You Never Had

(Words & music by Weisman - Wayne)

How can you lose what you never had
I tell myself when I'm feeling sad

You don't have the right to cry
You believed your own lie
It's your fault because
You thought that she was yours
Think it over once, think it over twice
I wish I could take my own advice
I know I should be glad, why does it hurt so bad
How can you lose what you never had

You don't have the right to cry
You believed your own lie
It's your fault because
You thought that she was yours
Think it over once, think it over twice
I wish I could take my own advice
I know I should be glad, why does it hurt so bad
How can you lose what you never had
How can you lose what you never had

0.9.36 How Do You Think I Feel

(words & music by Walker - Pierce)

How do you think I feel ?
I know your love's not real
The girl I'm mad about is just a gadabout
How do you think I feel ?

How do you think we stand ?
I know you've made your plan
But you've included free
And that's too much for me
How do you think I feel ?

I won't be true again
I know that I can't win
So why should I pretend
That you still love me ?

0.9.37 How Great Thou Art

(Words & music by Stuart Hine)

Oh Lord my God when I in awesome wonder
Consider all the worlds thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed
When Christ shall come
With shout of acclamation
To take me home
What joy shall fill my heart
Then I shall bow in humble adoration
And there proclaim my God how great thou art
Then sings my soul my savior God to thee
How great thou art
How great thou art
Then sings my soul my savior God to thee
How great thou art how great thou art

0.9.38 How the Web Was Woven

(words & music by Westlake - Most)

How the web was woven
In my soul, don't you know
How the web was woven
Can't get loose, can't let go
Like the weave of a spider
Wound around my heart
I'm no longer free
At last I'm where you want me
Don't you know, that's where I want to be ?

Spinning 'round like a blue fly
Thoughts of you fill my head
And no matter, oh how I try
I can't sleep in my bed

I've been round for the last time
Oh, girl, what can I do ?
Oh the time the web was woven,
How I fell in love, fell in love with you

0.9.39 How Would You Like to Be ?

(Words & music by Ben Raleigh - Mark Barkan)

How would you like to be ?
A little circus clown
And you could wear a smile
Instead of a frown

How would you like to be ?
A little kangaroo
A-hoppin' up and down
And I could hop with you

Come on and smile a little, smile a little
hop a little, hop a little,
Smile a little, hop a little bit with me

Come on and smile a little, smile a little
hop a little, hop a little,
Smile a little, hop a little bit with me

Oh ho, ha ha, a-tra la la la la la
a ha, tra la la la la la

How would you like to be ?
A little buzzing bee
And instead of a tree
You could buzz around me

How would you like to be ?
A little mocking bird
And you can sing me songs
Like I never heard

Come on and buzz a little, buzz a little
Sing a little, sing a little
Buzz a little, sing a little bit with me

Buzz, buzz, buzz a little
Do re mi a little
Buzz a little, sing a little bit with me

Oh-ho ah-ha, tra la la la la la
Oh-ho, a-ha ,a-tra la la la la la

How would you like to be ?
A little baby bear
And you can hug me tight
Any time you care

How would you like to be ?
A little dancing doll
And you could dance with me
Everytime I call

Oh-ho, tra la la la la la la

oh-ho...ah-ah...tra la la la..la..la..la

0.9.40 How's the World Treating You ?

(words & music by Atkins - Bryant)

I've had nothing but sorrow
Since you said we were through
There's no hope for tomorrow
How's the world treating you ?
Every sweet thing that mattered
Has been broken in two
All my dreams have been shattered
How's the world treating you ?

Got no plans for next Sunday
Got no plans for today
Every day is blue Monday
Every day you're away

Every sweet thing that mattered
How's the world treating you ?
And I'm asking you darling
How's the world treating you ?

0.9.41 Hurt

(words & music by J.Crane - A. Jacobs)

I'm so hurt to think that you lied to me
I'm hurt way down deep inside of me
You said our love was true
And we'll never, never part
Now you've got someone new
And it breaks my heart

I'm hurt, much more than you'll ever know
Yes darling, I'm so hurt
Because I still love you so
Even though you hurt me
Like nobody else could ever do
I would never hurt, hurt you

0.10 I

0.10.1 I Beg of You

(words & music by Rose Marie McCoy - Kelly Owens)

I don't want my heart to be broken
Cause it's the only one I've got
So darling please be careful
You know I care a lot
Darling please don't break my heart
I beg of you

I don't want no tears a-falling
You know I hate to cry
But that's what's bound to happen
I you only say goodbye
Darling please don't say goodbye
I beg of you

Hold my hand and promise
That you'll always love me true
Make me know you'll love me
The same way I love you little girl

You got me at your mercy
Now that I'm in love with you
So please don't take advantage
Cause you know my love is true
Darling please please love me too
I beg of you

Hold my hand and promise
That you'll always love me true
Make me know you'll love me
The same way I love you little girl

You got me at your mercy
Now that I'm in love with you
So please don't take advantage
Cause you know my love is true
Darling please please love me too
I beg of you

0.10.2 I Believe

(Words & music by Erwin Drake - Irvin Graham - Jimmy Shirl - Al Stillman)

I believe for every drop of rain that falls

A flower grows

I believe that somewhere in the darkest night

A candle glows

I believe for everyone who goes astray, someone will come

To show the way

I believe, I believe

I believe above a storm the smallest prayer

Can still be heard

I believe that someone in the great somewhere

Hears every word

Everytime I hear a new born baby cry,

Or touch a leaf or see the sky

Then I know why, I believe

Everytime I hear a new born baby cry,

Or touch a leaf or see the sky

Then I know why, I believe

0.10.3 I Believe in the Man in the Sky

(Words & music by Richard Howard) The steps that lead to any church
Form a stairway to a star
They're part of God and should be trod
More often than they are

I believe in the man in the sky
I believe with his help I'll get by
My footsteps may falter
My eyes may grow dim
But he's my Gibraltar
I'm trusting in him

Though a sparrow is all I may be
On me he will still keep an eye
Yes I'm singing his praise
Till the end of my days
I believe in the man in the sky

Sparrow, sparrow am I
Keep an eye
Yes I'm singing his praise
Till the end of my days
I believe in the man in the sky

0.10.4 I Can Help

(words & music by Billy Swan) If you've got a problem, I don't care what it is
If you need a hand, I can assure you this
I can help, I've got two strong arms, I can help
It would sure do me good to do you good,
Let me help

It's a fact that people get lonely, ain't nothing new
But a woman like you baby, should never have the blues
Let me help, I've got two for me, let me help
It would sure do me good to do you good
Let me help

When I go to sleep at night, you're always a part of my dream
Holding me tight and telling me everything I want to hear
Don't forget me baby, all you gotta do is call
You know how I feel about you, if I can do anything at all
Let me help

If your child needs a daddy, I can help
It would sure do me good to do you good,
Let me help

0.10.5 I Can't Help It (If I'm Still in Love with You)

(words & music by Hank Williams)

Today I passed you on the street
And my heart was at your feet
I can't help it if I'm still in love with you

Somebody else stood by your side
And he looked so satisfied
I can't help it if I'm still in love with you

A memory from the past came slowly stealing
As I braced your arm and walked so close to you (yeah)
Oh heaven only knows how much I miss you
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you

0.10.6 I Can't Stop Loving You

(words & music by Don Gibson)

I can't stop loving you
So I've made up my mind
To live in memory
Of such an old lonesome time

I can't stop wanting you
It's useless to say
So I'll just live my life
In dreams of yesterday.

Those happy hours
That we once knew
Though long ago,
They still make me blue

They say that time
Heals a broken heart
But time has stood still
Since we've been apart

0.10.7 I Don't Care if the Sun Don't Shine**(words & music by M. David)**

Well, I don't care if the sun don't shine.
 I get my lovin' in the evening time
 When I'm with my baby.

Well, it ain't no fun with the sun around.
 I get going when the sun goes down
 And I'm with my baby.

Well, that's when we're gonna kiss and kiss and kiss and kiss,
 And we're gonna kiss some more.
 Who cares how many times we kiss,
 'Cause at a time like this, who keeps score ?

Well, I don't care if the sun don't shine
 I get my loving in the evening time
 When I meet my baby.

And it don't matter if it's sleet or snow,
 The drive-in's cozy when the lights are low
 And I'm with my baby.

Makes no difference if the rain comes down
 I don't notice when she's around.
 Oh boy, what a baby.

Well, that's when we're gonna kiss and kiss and kiss and kiss
 and
 We're gonna kiss some more.
 Well, one kiss from my baby doll
 Makes me hot-
 More more more more.

Well, I don't care if the sun don't shine
 I get my loving in the evening time
 When I'm with my baby.

Well, that's when we're gonna kiss and kiss and kiss and kiss
 and
 We're gonna kiss some more.
 Well, one kiss from my baby doll
 Makes me hot-
 More more more more.

Well, I don't care if the sun don't shine
 I get my loving in the evening time
 When I'm with my baby.

0.10.8 I Don't Wanna Be Tied

(Words & music by Giant - Baum - Kaye)

I want my share of love, it might as well be known
But I ain't thinking of one girl to love alone
That ain't the way it's gonna be, I'm on my own and I am free
And I've been satisfied, so I don't wanna be tied

Somebody's loving arms can sure be sweet I've found
But I want no-one's arms to ever hold me down
Once I get caught inside a net I'm gonna run I bet
I'm gonna run and hide, I don't wanna be tied

I've seen lovers who were matched, they thought that love could stay
Once they cared and got attached, it seems that love just slipped away
Don't want no claims on me,
don't want no chains that bind
As anyone could see
I say what's on my mind
Well there ain't nothing I conceal, I'm gonna play the field
The field of love is wide,

I don't wanna be tied
The field of love is wide,
I don't wanna be tied
The field of love is wide,
I don't wanna be tied
I said I don't, I don't wanna be, I don't wanna be tied

0.10.9 I Don't Want To

(Words & music by Tarre - Spielman)

I don't want to, I don't want to
I don't want to let you know how much I want you
Don't come near me, I don't trust you
I don't trust the way you thrill me when I touch you

I was happy free and easy, I could go around
And do the things that please me
I don't want to get tied down with a girl like you
I don't want to ... love you, but I do

I was happy free and easy, I could go around
And do the things that please me
I don't want to get tied down with a girl like you
I don't want to ... love you, but I do
I don't want to love you, but I do

0.10.10 I Feel So Bad

(words & music by Chuck Willis)

Feel so bad
Like a ball game on a rainy day
Feel so bad
Like a ball game on a rainy day
Yes' I got my rain check
Shake my head and walk away

Oooo-people that's the way I feel
Oooo-people that's the way I feel
Sometimes I think I want
Then again I think I don't
Sometimes I want to stay here
Then again I want to leave here
Then again I want to stay
Yes, I got my train fare
Pack my grip and ride away

Oooo-people that's the way I feel
Oooo-people that's the way I feel
Sometimes I think I want
Then again I think I don't

0.10.11 I Feel That I've Known You Forever

(words & music by Pomus - Jeffrys)

Your lips, your eyes, your soft sweet sights
I feel that I've known you forever
Your style, your touch, you're just too much
I feel that I've known you forever

I know that this never happened to me
Don't have to see anymore than I see
Your face so rare, beyond compare
I feel that I've known you forever
And ever and ever

0.10.12 I Forgot to Remember to Forget

(words & music by S. Kesler - C. Feathers)

I forgot to remember to forget her,
I can't seem to get her off my mind.
I thought I'd never miss her,
But I found out somehow
I think about her almost all the time.
The day she went away
I made myself a promise
That I'd soon forget we ever met.
But something sure is wrong,
'Cause I'm so blue and lonely.
I forgot to remember to forget.

The day she went away
I made myself a promise
That I'd soon forget we ever met,
Well, but something sure is wrong,
'Cause I'm so blue and lonely.
I forgot to remember to forget.

0.10.13 I Got a Feelin' in My Body**(Words & music by Dennis Linde)**

When Moses walked the children out of Egypt land
 Said now don't you worry, we're in the Lord's hands
 He's gonna walk beside us, the time is comin' near
 He's gonna wash away all our misery and our fear

I got a feelin' in my body
 This will be our lucky day
 We'll be releasing all our sorrow
 Leave it layin' along the way

When Daniel faced the lion there wasn't any doubt
 You got to be like Daniel and the Lord will help us out

I got a feelin' in my body
 This will be our lucky day
 We'll be releasing all our sorrow
 Leave it layin' along the way

Won't you lift your eyes up children
 Lift them to the sky
 Heaven stands before you, gates are open wide
 Shelter for the weary, comfort for the weak
 We'll leave the devil's evil, sweatin' on the street

I gotta, I gotta, I gotta
 I got a feelin' in my body
 This will be our lucky day
 We'll be releasing all our sorrow
 Leave it layin' along the way

Won't you lift your eyes up children
 Lift them to the sky
 Heaven stands before you, gates are open wide
 Shelter for the weary, comfort for the weak
 Leave the devils evil, sweatin' on the street

I gotta, I gotta, I gotta
 I got a feelin' in my body
 This will be our lucky day
 We'll be releasing all our sorrow
 Leave it layin' along the way

I wanna know, I wanna know, I wanna know right now, I wanna know
 Yeah. yeah, I got a feel
 I got a feelin' I got a feelin'

I got a feelin' in my body

This will be our lucky day
We'll be releasing all our sorrow
Leave it layin' along the way

0.10.14 I Got a Woman (I Got a Sweetie)

(words & music by Ray Charles)

Well, I've got a woman

Way cross town

She's good to me oh, yeah

Say, I've got a woman

Way cross town

She's good to me oh, yeah

She's here in the morning,

loving me

Yeah, she's a kind of friend to me

She says she love me early in the morning

Just for me

Oh, yeah you know she loves me

Oh, naturally

She's there to love me both day and night

No groans or fusses, treats me right

Never running in the street

Loving me alone

She knows a woman's place is around home at night

Well, she's my baby

And I'm her loving man

0.10.15 I Got Lucky

(Words & music by Fuller - Weisman - Wise)

Never found a four leaf clover to bring good luck to me
No rabbit's foot no lucky star no magic wishing tree
But I got lucky, yes I got lucky
When I found you, oh yeah !

Got no rainbow around my shoulder, no horseshoe on my door
But I got you to hold me tight and who could ask for more
Oh I got lucky, yes I got lucky
When I found you,

I always walk around with all my fingers crossed
I'm afraid the love I found just might get lost
So won't you tell me that you love me, hurry up and name the day
And then I'll know that my good luck is really here to stay
Oh I got lucky, yes I got lucky
When I found you

I always walk around with all my fingers crossed
I'm afraid the love I found just might get lost
So won't you tell me that you love me, hurry up and name the day
And then I'll know that my good luck is really here to stay
Oh I got lucky, yes I got lucky
When I found you
Oh I got lucky, yes I got lucky
When I found you

0.10.16 I Got Stung

(words & music by Aaron Schroeder - David Hill)

Holy smoke
A land sakes alive !
I never thought this could happen to me

Mm, yeah ! Mm, yeah !

I got stung by a sweet honey bee
Oh, what a feeling come over me
It started in my eyes
Crept up to my head
Flew to my heart
Till I was stung dead
I'm done, uh-uh
I got stung !

Mm, yeah ! Mm, yeah !

She had all that I wanted and more
And I've seen honey bees before
Started buzzin' in my ear
Buzzin' in my brain
Got stung all over
But I feel no pain
I'm done, uh-uh
I got stung !

Now, don't think I'm complainin'
I'm might pleased we met
'Cause you gimme just one little peck
On the back of my neck
And I break out in a cold cold sweat
If I live to a hundred and two
I won't let nobody sting me but you
I'll be buzzin' 'round your hive
Ev'ry day at five
And I'm never gonna leave once I arrive
'Cause I'm done
Uh-uh, I got stung !

0.10.17 I Gotta Know

(words & music by Paul Evans - Matt Williams)

Get up in the mornin' feelin' might weak
A tossin' and a turnin' well, I had ain't no sleep
Oh baby, what road's our love taking?
To romance or heartbreaking'
Won't you say which way you're gonna go
I gotta know, gotta know, gotta know

Nine and nine make fourteen, four and four make nine
The clock is strikin' thirteen I think I lost my mind
You know it's gettin' aggravatin'
How long can I keep waitin'
Tell me if you love me yes or no,
I gotta know, gotta know, gotta know

Oh, how much I need you
Have pity on this heart of mine
Well, if you need and want me too,
I'll be your one and only till the end of time

Saw the fortune teller, had my fortune read
She sent me to the doctor, who sent me straight to bed
He said I'm lonesome and I'm lovesick
I've got my mind on lipstick
Will you kiss away my cares and woe?
I gotta know, gotta know, gotta know

0.10.18 I Just Can't Help Believin'

(words & music by B.J. Thomas)

I just can't help believin'
When she smiles up soft and gentle
With a trace of misty morning
And the promise of tomorrow in her eyes

I just can't help believin'
When she's lying close beside me
And my heart beats with the rhythm of her sighs
This time the girl is gonna stay
This time the girl is gonna stay
For more than just a day

Oh, I just can't help believin'
When she slips her hand in my hand
And it feels so small and helpless
As my fingers fold around it like a glove

I just can't help believin'
When she's whispering her magic
And her tears are shining honey sweet with love
This time the girl is gonna stay
This time the girl is gonna stay
For more than just a day
For more than just a day

0.10.19 I Just Can't Make It by Myself

(Words & music by Clara Ward)

I need Jesus to guide me every day
As I'm travellin' along this rough and narrow way
Though afflictions fill my soul
I'm determined to make the goal
I've gotta have Jesus 'cause I just can't make it by myself

Every day I pray (pray) pray (pray)
Pray (pray) pray (pray)
I pray (pray) pray (pray)
Pray pray pray
Pray and ask the Lord Jesus
Don't leave me by myself

Every mornin' through the years I pray
You know I've got to have Jesus
I just can't it by myself
By myself

0.10.20 I Love Only One Girl

(Words & music by Sid Tepper - Roy C. Bennett)

Oh, I love only one girl, the one I got my arms around
I love only one girl, one in every town

In Paris there is Mimi, and when the moon is bright
I love to take her walking, along the Seine each night
I kiss her on the left, then I kiss her on the right

Oh, I love only one girl, the one I got my arms around
I love only one girl, one in every town

I'm proud of my Brunhilda, in Frankfurt on the Rhine
Oh she's a lot of woman and all of her is mine
Oh she can lift a Steinway as easy as a stein

Oh, I love only one girl, the one I got my arms around
I love only one girl, one in every town

In Naples there's Maria how she can cook and flirt
You can't beat her lasagna, I eat until I hurt
And then she tops it off with "amore" for dessert

Oh, I love only one girl, the one I got my arms around
I love only one girl, one in every town

Oh I love only one girl, the one I got my arms around
I love only one girl, one in every town

I love only one girl...I love only one girl
I love only one girl...I love only one..girl..

She's the girl for me...

0.10.21 I Love You Because

(words & music by L. Payne)

I love you because you understand dear
Every single thing I try to do.
You're always there to lend a helping hand, dear.
I love you most of all because you're you.

No matter what the world may say about me,
I know your love will always see me through.
I love you for the way you never doubt me.
But most of all I love you 'cause you're you.

I love you because, because my heart is lighter
honey everytime, everytime I'm walking by your side
and I love you, yes I love you because the future is a little bit brighter
and the door, the door of my happiness, you open wide

No matter what may be the style or season,
I know your heart will always be true.
I love you for a hundred thousand reasons,
But most of all I love you 'cause you're you.

0.10.22 I Met Her Today

(Words & music by Robertson - Blair)

I told you that some day
If you kept on being untrue
Somebody else would come along
And release me from you

You'll be glad to know now
Your fickle heart
Can have its own way
For it finally happened
I've met her today

I used to think I just couldn't live
A day without you
In spite of the thousand doubts and tears
That you put me through
All at once I don't care as much for you
I'm sorry to say
For now there's another
I met her today

How I treasured each smile, each kiss
You gave to me now and then
Well, you needn't be kind to me now
Oh no, not ever again

Just when the last bit of pride in me was gone
Someone heard me pray
And sent me my angel
I met her today
I met her today

0.10.23 I Miss You

(Words & music by Don H. Sumner)

Still I recall all the good times together
The love we shared, the fun and the laughter
How I wish you could feel what my heart says tonight dear
I miss you and I wish you were here

Dreams that I had they lay broken in sorrow
The plans I made the hopes for tomorrow
If I could I would tell you I'm lonesome tonight dear
Oh I miss you and I wish you were here

All through the night I will see memories passing
The way you looked the sound of your laughing
How I long for the touch of your hand holding mine dear
Oh I miss you and I wish you were here

Lord, I miss you and I wish you were here

0.10.24 I Need Somebody to Lean On

(Words & music by Pomus - Shuman)

I need somebody to lean on
I need somebody to tell my troubles to
No use denying, I'm close to cryin'
But what good, tell me what good would my crying do

I need somebody to help me
Help me forget all those worries on my mind
And when I'm lonely, if someone would only
Want to be sweet and kind

I need somebody, won't that somebody
Please, please listen to my plea
Need that somebody, won't that somebody
Come running to me

I need somebody to lean on
I'm tired of being unhappy and so blue
If she came I would hold her 'cause I need that shoulder
To lean on, yes I really do
I need somebody, and maybe that somebody is you
Mmmmmmm

0.10.25 I Need You So

(Words & music by Ivory Joe Hunter)

I need you so
To keep me happy
If I can't have you
I cannot go on

I need your arms
Around me tightly
Yes, I miss them nightly
When you're not at home

When the day is done
I miss you so
I lie and wait
To hear you knock on the door

When you leave me
I try not to worry
Come back in a hurry
'Cause I need you so

When the day is done
I miss you so
I lie and wait
To hear you knock on the door

When you leave me
I try not to worry
Come back in a hurry
'Cause I need you so

0.10.26 I Need Your Love Tonight

(words & music by Sid Wayne - Bix Reichner)

Oh, oh, I love you so
Uh, uh, can't let you go
Ooh, ooh, don't tell me no
I need your love tonight

Oh, gee, the way you kiss
Sweedee, too good to miss
Wow-whee, want more of this
I need your love tonight

I've been waiting just for tonight
To do some lovin' and hold you tight
Don't tell me baby you gotta go
I got the hifi high and the lights down low

Hey, now, hear what I say
Oh, wow, you better stay
Pow, pow, don't run away
I need your love tonight

0.10.27 I Really Don't Want to Know

(Words & music by Howard Barnes - Don Robertson)

Oh how many arms have held you
And hated to let you go
How many, oh how many, I wonder
But I really don't want, I don't wanna know

Oh how many lips have kissed you
And set, set your soul aglow, yes they did
How many, oh how many, I wonder, yes I do
But I really don't want to know

So always make, make me wonder
And always make, make me guess
And even, you know even if I ask you
Oh darling oh don't you, don't confess

Just let it, let it remain your secret
Oh for darling, darling I love you so
No wonder, yeah no wonder, I wonder
Mmm, 'cause I really don't want, I don't wanna know

0.10.28 I Shall Be Released

(Bob Dylan)

I see my light I see my light come shining
From the west down to the east
Any day now, any day now I shall be released
I see my light come shining
From the west down to the east
Any day now, any day now I shall be released

0.10.29 I Shall Not Be Moved

(Words & music by Homer Morris)

Well Lordy I shall not be, I shall not be moved
I shall not be, I shall not be moved
Just like a tree that's growin' in the meadow (down by the water)
I shall not be moved

I'm on my way to glory land and I shall not be moved
On my way to glory land I will not be moved
I'm like a tree that's planted by the water
I shall not be moved

I shall not be, I shall not be moved
I shall not be, I shall not be moved
Just like a tree that's planted by the water
I shall not be moved

I shall not be, I shall not be moved
I shall not be, I shall not be moved
Just like a tree that's planted by the water
I shall not be moved

Well I'm on my way to glory land and I shall not be moved
On my way to glory land I shall not be moved
I'm like a tree that's planted by the water
I shall not be moved

Oh well
I shall not be, I shall not be moved
I shall not be, I shall not be moved
Just like a tree that's planted by the water
I shall not be moved

On this rock of ages, I shall not be moved
On this rock of ages, I shall not be moved
Just like a tree that's planted by the water
I shall not be moved

Glory, glory, glory Hallelujah, I shall not be moved
Glory Hallelujah, I shall not be moved
Just like a tree that's planted by the water
I shall not be moved

0.10.30 I Slipped, I Stumbled, I Fell

(words & music by Wise - Weisman)

I look at you and wham, I'm head over heels
I guess that love is a banana peel
I feel so bad and yet I'm feeling so well
I slipped, I stumbled, I fell

One crazy kiss and bam, I head for the skies
I guess that love is like a cake of ice
You skate along but then you can never tell
I slipped, I stumbled, I fell

I never thought I'd get tricked
By you sweet talking lies
You've got a bag of tricks
And when you get busy
I got dazzled and dizzy
I fell like a ton of bricks

My knees are weak, my head is spinning around
I guess that love has turned me upside down
Thought I'd get hurt, but gee, it's turning out well
I slipped, I stumbled, I fell

0.10.31 I Think I'm Gonna Like It Here**(Words & music by Don Robertson - Hal Blair)**

No-one's in a hurry
 No-one seems to worry
 Why they're all so happy is very clear
 Every day siesta, every night fiesta
 I think I'm gonna like it here

All this lovely scenery
 There's more to it than greenery
 I know a chance for romance is always near
 Mission bells are ringing, everybody's singing
 I think I'm gonna like it hear

The sound of laughter from every doorway
 Sweet music floating across the square
 It seems to say things are going better
 Your troubles like bubbles will soon disappear in the air

Down to my last peso, but I'm not afraid to say so
 I feel just like a brave, Spanish cavalier
 I don't care where we go, so lead on" mi amigo"
 I think I'm gonna like it here

Melodias.....lapieras

Your troubles like bubbles will soon disappear in the air

Down to my last peso, but I'm not afraid to say so
 I feel just like a brave, Spanish cavalier
 I don't care where we go, so lead on" mi amigo"
 I think I'm gonna like it here

I think I'm gonna like it here
 I think I'm gonna like it here

I think I'm gonna like it here.

0.10.32 I Understand Just How You Feel

(Words & Music Pat Best)

Do you remember the love we had for each other
I was your faithful...

I miss you so
Please believe me when I tell you
I just can't stand to see you go, you know
Please understand just how I feel
Your love for me might not reveal
And if you know this time it's real
We understood (?)

I miss you so
Please believe me when I tell you
I just can't stand to see you go, you know
Please understand just how I feel
Come back to me, my love is real
And you will know this timeless feel
Will understand

Will understand

0.10.33 I Want to Be Free

(words & music by Jerry Leiber - Mike Stoller)

There's no joy in my heart,
only sorrow
And I'm sad
as a man can be
I sit alone in the darkness
of my lonely room
And this room
is a prison to me

I look at window
and what to I see
I see a bird
way up in the tree
I want to be free free
Free - ee - ee - ee
I want to be free
like the bird in the tree

What good are my eyes,
they can't see you
And my arms,
they can't hold so tight
I have two lips
that are yearning,
but they're no good to me
Cause I know I can't kiss you tonight

I look at window
and what to I see
I see a bird
way up in the tree
I want to be free free
Free - ee - ee - ee
I want to be free
like the bird in the tree
I want to be free
like the bird in the tree

0.10.34 I Want You With Me

(words & music by Harris)

When I was little, my mama said to me
"One day you'll find a love to last eternally"
I want you with me everywhere I go
So please don't leave me baby, I love you so

I'll be the ruler of this whole wide world
If you will only say you'll be my girl
I want you with me in everything I do
You know I need you baby, I'm in love with you

There is no mountain that I can't climb
You find the mountain, child, and I'll find the time
I want you with me, with me night and day
Well, you can make me happy baby, don't you go away

I'll swim an ocean with a raging foam
If I know that you'll be there when I come back home
I want you with me, you know I love you so
Well, I want you with me baby, I'll never let you go
Well, I want you with me baby, I'll never let you go

0.10.35 I Want You, I Need You, I Love You

(words & music by Ira Kosloff - Maurice Mysels)

Hold me close, hold me tight
Make me thrill with delight
Let me know where I stand from the start
I want you, I need you, I love you
With all my heart

Ev'ry time that you're near
All my cares disappear
Darling, you're all that I'm living for
I want you, I need you, I love you
More and more

I thought I could live without romance
Before you came to me
But now I know that
I will go on loving you eternally

Won't you please be my own ?
Never leave me alone
'Cause I die ev'ry time we're apart
I want you, I need you, I love you
With all my heart

0.10.36 I Was Born About Ten Thousand Years Ago

(Adapted by Elvis Presley)

I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so

I was born about ten thousand years ago
There ain't nothing in this world that I don't know
I saved king David's life and he offered me a wife
I said now you're talking business have a chair

Yeah, I was born about ten thousand years ago
Ain't nothing in this world that I don't know
Saw Peter, Paul and Moses playing ring around the roses
I'll lick the guy that says it isn't so

I was born about ten thousand years ago
Ain't nothing in this world that I don't know
I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so

I was there when old Noah built the ark
And I crawled in the window after dark
I saw Jonah eat the whale and dance with the lion's tale
And I crossed over Canaan on a log

I was born about ten thousand years ago
Ain't nothing in this world that I don't know
I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so

0.10.37 I Was the One

(words & music by Schroeder - Demetruis - Blair - Peppers)

I was the one who taught her to kiss
The way that she kisses you now.
And you know the way she touches your cheek,
Well, I taught her how.

I was the one who taught her to cry
When she wants you under her spell.
The sight of her tears drives you out of your mind,
I taught her so well.

And then one day
I had my love as perfect as could be.
She lived, she loved, she laughed, she cried,
And it was all for me.

I'll never know who taught her to lie.
Now that it's over and done,
Who learned the lesson when she broke my heart?
I was the one.

And then one day
I had my love as perfect as could be.
She lived, she loved, she laughed, she cried,
And it was all for me.

I'll never know who taught her to lie.
Now that it's over and done,
Who learned the lesson when she broke my heart?
I was the one.

0.10.38 I Washed My Hands in Muddy Water

(words & music by Joe Babcock)

I was born in Macon Georgia
They kept my daddy over in Macon jail
He told me if you keep your hands clean
You won't hear them bloodhounds on your trail

Well I fell in with bad companions
Robbed a man, oh up in Tennessee
They caught me way up in Nashville
They locked me up and threw away the key

I washed my hands in muddy water
Washed my hands, but they didn't come clean
Tried to do what my daddy told me
But I must have washed my hands in a muddy stream

Well I asked the judge now when's my time up
He said son, oh you know we won't forget
If you try just to keep your hands clean
We might just make a good man of you yet

Oh I couldn't wait to get my time up
I broke out, broke out of Nashville jail
I just crossed the state-line of Georgia
Well I can hear those bloodhounds on my trail

I washed my hands in muddy water
Washed my hands, but they didn't come clean
Tried to do what my daddy told me
But I must have washed my hands in a muddy stream

0.10.39 I Will Be Home Again

(Words & music by Lou Singer - Benny Benjamin)

I will be home again
Don't worry dear
I'll be home again
So won't you dry the tear
The promise in your eyes
Will see me through
There'll be brighter skies
When I come back to you

A-a-ah sweetheart
The love you're giving
Thrills my hungry heart
You make my life worth the living
Although we are apart
I will be home again
We'll start anew
Darling until then
Our dreams will have to do

A-a-ah sweetheart
The love you're giving
Thrills my hungry heart
You make my life worth the living
Although we are apart
I will be home again
We'll start anew
Darling until then
Our dreams will have to do

0.10.40 I Will Be True

(Words & music by Ivory Joe Hunter)

I will be true
No matter what they may say
I will be true
Although you're far far away
Each night I pray
All day I'll say a silent prayer
That when I open my door
I'll find you there
Somehow I feel
That someday we'll meet again
Don't ask me how
It's something I can't explain
Until the day
I give up all hope of you
Assure yourself this I'll do
I will be true

Oh oh mmmmmmm
That someday we'll meet again
Don't ask me how
It's something I can't explain
Until the day
I give up all hope of you
Assure yourself this I'll do
I will be true

0.10.41 I, John

(words & music by William J. Gaither)

Oh well, I, John, he saw might numbers
A way up in the middle of the air
I, John he saw might numbers
Way in the middle of the air
Got to mighty move, John, you saw mighty numbers
Way up in the middle of the air

Well there were three gates in the east
And there were three gates in the west
Three gates in the north
Three gates in the south
And that makes twelve gates to the city all square wide

John, you saw might numbers way up in the middle of the air
Well John declared that he saw a man
He held twelve bright stars in his right hand
Well his eyes flashed fire like the burning sun
Old John got scared and he wanted to run
Well he wanted to run but his feet wouldn't go
Cause he felt the gospel cutting like a two-edged sword
And he heard a voice that said John, you take a look
And read what you see and then you write it in a book

And he saw twelve angels in the east
And there were twelve angels in the west
Twelve angels in the north,
Twelve angels in the south
That's a total of forty-eight angels to the city, four squared wide

0.10.42 If Every Day Was Like Christmas

(words & music by Red West)

I hear the bells
Saying Christmas is near
They ring out to tell the world
That this is the season of cheer

I hear a choir
Singing sweetly somewhere
And a glow fills my heart
I'm at peace with the world
As the sound of their singing fills the air

Oh why can't every day be like Christmas
Why can't that feeling go on endlessly
For if everyday could be just like Christmas
What a wonderful world this would be

I hear a child
Telling Santa what to bring
And the smile upon his tiny face
Is worth more to me than anything

0.10.43 If I Can Dream

(words & music by Brown)

There must be lights burning brighter somewhere
Got to be birds flying higher in a sky more blue
If I can dream of a better land
Where all my brothers walk hand in hand
Tell me why, oh why, oh why can't my dream come true

There must be peace and understanding sometime
Strong winds of promise that will blow away
All the doubt and fear
If I can dream of a warmer sun
Where hope keeps shining on everyone
Tell me why, oh why, oh why won't that sun appear

We're lost in a cloud
With too much rain
We're trapped in a world
That's troubled with pain
But as long as a man
Has the strength to dream
He can redeem his soul and fly

Deep in my heart there's a trembling question
Still I am sure that the answer gonna come somehow
Out there in the dark, there's a beckoning candle
And while I can think, while I can talk
While I can stand, while I can walk
While I can dream, please let my dream
Come true, right now
Let it come true right now
Oh yeah

0.10.44 If I Get Home on Christmas Day

(words & music by Tony Macaulay)

If I get home on Christmas day
I won't need soft words to say
I'll miss you and I can stay a while
You'll see it in my eyes and when I smile

If I get home before midnight
While you're still sleeping tight
I'll take you in my arms and there you'll stay
If I get home on Christmas day

Writing letters everyday
Never really seem to say
The way I feel deep in this heart of mine
Thought I'm half a world away
If we're patient and we pray
Know I'll get my chance with you this time

If I get home on Christmas day
I won't need soft words to say
I'll miss you and I can stay a while
You'll see it in my eyes and when I smile

If I get home before midnight
While you're still sleeping tight
I'll take you in my arms and there you'll stay
If I get home on Christmas day
I'll take you in my arms and there you'll stay
If I get home on Christmas day

0.10.45 If I Loved You

(words & music by Rodgers/Hammerstein)

If I loved you
Words wouldn't come in an easy way
Round in circles I'd go
Only to tell you
But afraid and shy
I let my golden chances pass me by

Soon you'll leave me
Ought (?) you would go in a misty day
Never, never let you know
I love you eternally

0.10.46 If I Were You

(Words & music by Nelson)

The sandman comes to my house late each night
But it's way in the morning before he turns out my life
It's times like this my darling I can see
If I were you I'd know that I love me

The great snowman I've been called by all
But it looks like this time I'm gonna fall
It's times like this my darling I can see
Oooh If I were you I'd know that I love me

Wind and rain and storm closin' in on me
I've walked the streets alone with my self sympathy
Can you hear me saying hopefully
Oooh If I were you I'd know that I love me

Wind and rain and storm closin' in on me
I've walked the streets alone with my self sympathy
Can you hear me saying hopefully
If I were you I'd know that I love me
Oooh If I were you I'd know that I love me
If I were you I'd know that I love me

0.10.47 If I'm a Fool (For Loving You)

(Words & music by Stan Kesler)

If I'm a fool for loving you then that's just what I want to be
They're saying I am just your clown and any fool could see
That you're just having fun and you're not in love with me
The things they're saying may be true, but there's something they can't see
If I'm a fool for loving you then that's just what I want to be

If I'm a dreamer, let me dream. If I'm your clown I'll steal the show
If things are not the way they seem, please don't ever let me know
If I am blind it's because I just don't want to see
If I'm a fool for loving you then that's just what I want to be

If I'm a dreamer, let me dream. If I'm your clown I'll steal the show
If things are not the way they seem, please don't ever let me know
If I am blind it's because I just don't want to see
If I'm a fool for loving you then that's just what I want to be
If I'm a fool for loving you then that's just what I want to be
If I'm a fool for loving you

0.10.48 If That Isn't Love

(Words & music by Dottie Rambo)

He left the splendor of heaven
Knowing His destiny
Was the lonely hill of Golgotha
There to lay down His life for me

And if that isn't love
Then the ocean is dry
There's no stars in the sky
And the little sparrows can't fly
Yeah if that isn't love
Then heaven's a myth
There's no feeling like this
If that isn't love

Even in death He remembered
The thief hanging by His side
Then he spoke of love and compassion
And He took him to paradise

And if that isn't love
Then the ocean is dry
There's no stars in the sky
And the little sparrows can't fly
Yeah if that isn't love
Then heaven's a myth
There's no feeling like this
If that isn't love It's got to be love

0.10.49 If the Lord Wasn't Walking by My Side**(Words & music by Henry Slaughter)**

I don't know just what I'd do
 If the Lord wasn't walking by my side
 When I was drifting (when I was drifting on the sea of a despair)
 and I was wandering (I was wandering if Jehovah's up there)
 When Jesus found me, (Jesus found me in my sinful life)
 he heard me praying (he heard me praying on my knees at night)
 Now I'm singing (Now I'm singing this happy song)
 because I'm happy (because I'm happy as I go along)
 And I don't know (I don't know) just what I'd do
 If the Lord wasn't walking by my side
 What would I do, (What would I do when a tear fills my eyes)
 what would I do (What would I do when it's my time to die)
 Well I'd be lonely, discouraged
 Burdened on the way
 If the Lord wasn't walking by my side every day

I'd be so friendless (I'd be friendless all alone and blue)
 and I'd be helpless (I'd be helpless, wouldn't know what to do)
 And I don't know (I don't know) just what I'd do
 If the Lord wasn't walking by my side

(What would I do) What would I do when the tears fill my eyes
 (What would I do) What would I do when it's my time to die
 (I'd be lonely, discouraged, burdened on the way)
 If the Lord wasn't walking by my side every day

I'd be so friendless, (I'd be friendless all alone and blue)
 I'd be so helpless (I'd be helpless, wouldn't know what to do)
 And I don't know (I don't know) just what I'd do
 If the Lord wasn't walking by my side every day

If the Lord (wasn't walking) wasn't walking by my side
 (wasn't walking by my side)

0.10.50 If We Never Meet Again

(Words & music by Albert E. Brumley)

Soon we'll come to the end of life's journey
And perhaps never meet anymore
Till we gather in heaven's bright city
Far away on that beautiful shore

If we never meet again this side of heaven
As we struggle through this world and its strife
There's another meeting place somewhere in heaven
By the side of the river of life

Where the charming roses bloom forever
And where separations come no more
If we never meet again this side of heaven
I will meet you on that beautiful shore

0.10.51 If You Don't Come Back]

(Words & music by Mark James)

(Woke up early in the morning)

(What did the poor boy find)

Well the car was gone and you were gone

And I almost lost my mind.

If you don't come back (If you don't come back)

Yeah ! if you don't come back today (If you don't come back today)

You can call up the people at the crazy house

And take this crazy man away

(He threw himself off a gas stone wall)

(He tore his clothes out the door)

I ran out on the street in my stockinged feet

Tell the police I've been robbed

If you don't come back (If you don't come back)

Mmm if you don't come back today (If you don't come back today)

Well you can call up the people at the crazy house

And take this crazy man away

Mrs. Brown's been talking about me

To the people across the street

She said (said (I cooked that boy a pot full of stew,

But the poor thing just won't eat.)

If you don't come back (If you don't come back)

Yeah ! If you don't come back today (If you don't come back today)

You can call up the people at the crazy house

And take this crazy man away

0.10.52 If You Love Me (Let Me Know)

(Words & music by J. Rostill)

You came when I was happy in your sunshine
I grew to love you more each passing day
Before too long I'd filled my world around you
Yeah and I prayed you loved enough of me to stay

If you love me let me know
If you don't let me go
I can't take another minute of the day without you near
If you love me let it be
If you don't set me free
Take the chains away that keep me loving you

The arms that open wide to hold me closer
The hands that run their fingers through my hair
The smile that says hello it's good to see you
Any time I turn around and find you there

It's this and so much more that makes me love you
What else can I do to make you see
You know you'll have whatever's mine to give you
Yeah but a love affair for one it can never be

If you love me let me know
If you don't let me go
I can't take another minute of the day without you near
If you love me let it be
If you don't set me free
Take the chains away that keep me loving you

Take the chains away that keep me loving you

0.10.53 If You Talk in Your Sleep

(Words & music by Red West - Johnny Christopher)

I know you're a lonely woman and I love you
But someone else is waiting and he owns you
If he should ever wake up, make sure that your story is straight love
If you talk in your sleep don't mention my name
And if you walk in your sleep forget where you came

Walking every night here in the shadows
So afraid that sometime he may follow
There's always the chance he'll find us
I don't need to remind you
If you talk in your sleep don't mention my name
If you walk in your sleep forget where you came

Love is so much sweeter when it's borrowed
I'll feel a little easier tomorrow
Don't give our secret away, be careful what you say
If you talk in your sleep don't mention my name
If you walk in your sleep forget where you came

Forget where you came, now
Forget where you came
Don't mention my name
Don't mention my name
Forget where you came

0.10.54 If You Think I Don't Need You

(Words & music by West - Cooper)

If you think I don't need you
Then take a look in my eyes
Maybe these ain't raindrops
Falling out of the sky
Since you been gone
I've been so alone
If you think I don't need you
Then baby you're wrong

If you think I don't love you
What could I do to prove to you baby
My love is true
I sing the same old song
Since you've been gone
If you think I don't love you
Then baby you're wrong

My life ain't been the same since you left me
I ain't had a wink of sleep in seven days
I don't know what to do I'm going crazy
I just walk the floor at night and call your name

If you think I don't do right
I'll change my ways
I'll do like you want me to, I'll be your slave
Since you been gone
I've been so alone
If you think I don't need you
Well baby you're wrong

If you think I don't do right
I'll change my ways
I'll do like you want me to, I'll be your slave
Since you been gone
I've been so alone
If you think I don't need you
Well baby you're wrong
Well baby you're wrong
Well baby you're wrong

0.10.55 I'll Be Back

(Words & music by Wayne / Weisman)

All right

Well I'll be back, Yeah ! I'll be back
Like a homesick train on a one-way track
I got to travel and hit the gravel
But I'll be back, Yeah ! I'll be back

Yeah ! I'll return, I shall return
Don't cool those lips, we're gonna see 'em burn
'Cause I'll be missin' your kinda kissin'
But I'll be back, Yeah, I'll be back

Yeah ! There ain't nobody tell me stay or go, oh no
And no-one tells the four winds where to blow-ow-ow
I'll be back, I'm comin' back
Don't throw away that welcome mat
The door I'm hopin' will still be open a teeny weenie crack
To your shack
So keep that love light burnin', I'll be back

Yeah ! There ain't nobody tell me stay or go, oh no
And no-one tells the four winds where to blow-ow-ow
I'll be back, I'm comin' back
Don't throw away that welcome mat
The door I'm hopin' will still be open a teeny weenie crack
To your shack
So keep that love light burnin', I'll be back
Yeah, I'll be back

0.10.56 I'll Be Home for Christmas

(Words & music by Al Kent - Don Gannon)

I'll be home for Christmas,
You can plan on me.
Please have snow and mistletoe
And presents for the tree.

Christmas Eve will find me
Where the love light leads.
I'll be home for Christmas, oh yes
If only in my dreams.

0.10.57 I'll Be Home on Christmas Day

(words & music by Michael Jarrett)

On the hills of Georgia
Across the plains of Tennessee
I've seen and I've done most everything
That a man can do or see
But if I could only borrow one dream from your sleep
I'd be on that train tomorrow
I'll be home on Christmas day

And so many times before
She left that candle burning
Oh, too many tears fell
My soul fills with yearning
If I had sense at all
I'd just be on my way
Be on that train tomorrow
Be home on Christmas day

Everytime I think about her
All the love I left behind
Memories still linger in my troubled mind
I could set aside my pride
And I'd be on my way
I'd catch that train tomorrow
And be home on Christmas day

If I had any sense at all
I'd just be on my way
I'd catch that train tomorrow
I'd be home on Christmas day
I said I'd catch that train tomorrow
I'd be home on Christmas day

0.10.58 I'll Be There

(Words & music by Bobby Darin)

I'll be there when all your dreams are broken
To answer your unspoken prayer, oh....
When the little things you're doin', ooh, don't turn out right
Don't you worry darlin' I'll be there

There whenever you need to know that there is someone who cares, oh yeah !
So if your new love isn't your true love
Don't you worry darlin', I'll be there

There whenever you need to know that there is someone who cares, oh yeah !
So if your new love isn't your true love
Don't you worry darlin', I'll be there
Don't you worry darlin', I'll be there
Don't you worry darlin', I'll be there

0.10.59 I'll Hold You in My Heart (Till I Can Hold You in My Arms)

(Words & music by T. Dilbeck)

I said I'd hold, I said I'd hold,
I said I'd hold you in my heart 'till I can hold you in my arms
Like you've never been held before
Well I'll think of you each day and then I'll dream the night away
Oh, 'till you are in my arms once more

The stars up in the sky, you know they know the reason why
I feel so blue 'cause I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me

You know the stars up in the sky, you know they know the reason why
I feel so blue 'cause I'm away, I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me

The stars up in the sky you know they know the reason why...
I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you
I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms
Oh darling please wait for me

The stars up in the sky, you know they know the reason why
I, I feel so blue 'cause I'm away, I'm away from you
Yeah, I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me

0.10.60 I'll Never Fall in Love Again

(Words & music by Jimmy Currie - Lonnie Donegan)

I've been in love so many times
I thought I knew the score
Now you've treated me so wrong
I can't take any more

And it looks like I'm never gonna fall in love again
Fall in love, I'm never gonna fall in love
I mean it, I mean it, fall in love again

I gave my heart so easily, cast aside my pride
When I saw you in his arms baby
I broke up and cried

And it looks like I'm never gonna fall in love again
That's what I'm sayin' Fall in love, No, I'm never gonna fall in love
Please don't make me fall in love again

That's why I, no, I'm never gonna fall in love
Please don't make me, don't make me, fall in love again

0.10.61 I'll Never Know

(Words & music by Karger / Wayne / Weisman)

How many stars are in the sky, I'll never know

What fire lights a firefly, I'll never know

What happens to this heart of mine each time you hold my hand

Sometimes the things we love the most

We never understand

I never thought these eyes would see an angel's glow

What miracle brought you to me, I'll never know

What happens to this heart of mine each time you hold my hand

Sometimes the things we love the most

We never understand

I never thought these eyes would see an angel's glow

What miracle brought you to me, I'll never know

What miracle brought you to me, I'll never know

0.10.62 I'll Never Let You Go (Little Darlin')

(words & music by J. Wakely)

I'll never let you go, little darlin'.
I'm so sorry 'cause I made you cry.
I'll never let you go, 'cause I love you.
So please don't ever say good-bye.

The stars would tumble down beside me,
The moon would hang its head and cry.
My arms would never hold another baby doll
If we should ever say good-bye.

Well, I'll never let you go,
Because I love you, pretty baby.
I'm so sorry 'cause I made you cry.
I made you cry.
Yeah, I'll never let you go,
'Cause I love you, little baby.
So please don't ever say good-bye.

0.10.63 I'll Never Stand in Your Way

(words & music by Heath - Rose)

If you found someone new who means more than me to you.

I'd never stand in your way

If you feel we must part, don't let pity rule your heart

I'll never stand in your way

I love you much too much to ever lose you

But what is to be will be and I'll obey

I'll be blue when you go but I'll never let it show.

I'd never stand in your way

I loved you much too much to ever lose you

But what is to be will be and I'll obey

I'll be blue when you go but I'll never let it show

I'd never stand in your way

0.10.64 I'll Remember You

(words & music by Lee) I'll remember you
Long after this endless summer has gone
I'll be lonely oh so lonely
Living only to remember you

I'll remember too
Your voice as soft as the warm summer breeze
Your sweet laughter, mornings after
Ever after, I'll remember you

To your arms someday I'll return to stay
Till then I will remember too
Every bright start we made wishes upon
Love me always, promise always
Oooh, you'll remember too

I'll remember you

0.10.65 I'll Take Love

(Words & music by Fuller / Barkon)

Some people think that pot of gold
Is all they ever want to hold
But there's a treasure, I think more of
Measure for measure .. I'll take love

Some people think that their success
Is all they need for happiness
But there's a pleasure, I think more of
Measure for measure .. I'll take love

Pound for pound oh yeah and
Ounce for ounce love is all that really counts
So let them have their wealth and fame
Eat caviar and drink champagne
You're all the treasure I'm dreaming of
Measure for measure .. I'll take love

Pound for pound oh yeah and
Ounce for ounce love is all that really counts
So let them have their wealth and fame
Eat caviar and drink champagne
You're all the treasure I'm dreaming of
Measure for measure .. I'll take love
I'll take love, I'll take love
I'll take love, I'll take love

0.10.66 I'll Take You Home Again Kathleen

(words & music by Westendorf)

I'll take you home again Kathleen
Across the ocean wild and wide
To where your heart has ever been
Since first you were my bonny bride
The roses all have left your cheek
I watch them fade away and die
Your voice is soft when ere you speak
And tears bedim your lovely eyes
Oh, I will take you home Kathleen
To where your heart shall feel no pain
And when the fields are soft and green
I will take you to your home Kathleen

0.10.67 I'm Beginning to Forget You

(Words & music by W. Phelps)

I'm beginning to forget you
That old heartache is gone
I'm beginning to sleep at night
No more crying 'till dawn
I can hear your name mentioned
And it brings no misery
I'm beginnin to forget you
Like you forgot me

I'm beginning to smile again
After crying for so long
I can hear the tune we loved so well
And it's just another song
I'm so happy that it's over
I'm so thankful to be free
I'm beginnin to forget you
Like you forgot me

0.10.68 I'm Coming Home

(words & music by Rich)

Well it's so very hard to have
To leave the one you love
And you get more lonely
With each passing day
It's so lonely just sitting
And dreaming of
That girl thousand miles away

Yes, it's still lonely having
Just her picture here with me
And I know I just can't stand it anymore
I'm gonna leave right now
and go back where I ought to be
Goin' home to the girl that I adore

Well it's so very hard to have
To leave the one you love
And you get more lonely
With each passing day
It's so lonely just sitting
And dreaming of
That girl thousand miles away

Well, every time I hear
her sweet voice on the telephone
Then I know I just can't stand it another day
I'm gonna call right back
And tell her that I'm coming home and stay
Call her back and say I'm comin' home and stay
Call her back and say I'm comin' home and stay

0.10.69 I'm Countin' on You

(words & music by Don Robertson)

All the words that I let her know

Still could not say

How much I need you so in every way

I hope you will guide me

As only you can do

Hold my hands down beside me

I'm counting on you

I'm counting on you dear

From the dawn of each day

To always come through dear

In your kind lovin' way

If you knew just how deeply

I feel things you do

Then you know how completely

I'm counting on you

I'm counting on you dear

Around the dawn of each day

To always come true, dear

In your kind lovin' way

If you knew just how deeply

I feel things you do

Then you know how completely

I'm counting on you

0.10.70 I'm Falling in Love Tonight

(Word and music by Don Robertson) I'm falling in love, tonight
Somehow, I know
The beautiful world tonight
Is sharing, it's glow

When love let me down before
I said I was through
But I'm falling in love tonight
With you

'till you walked by
I laughed and played the game
One last kiss, then goodbye
And out went the flame

But somehow, you've changed me dear
This time, it's true
I'm falling in love tonight
With you

0.10.71 I'm Gonna Sit Right Down and Cry (Over You)

(words & music J. Thomas - H. Biggs)

I'm gonna sit right down and cry over you
I'm gonna sit right down and cry over you
And if you say good-bye
If you ever even try

I'm gonna sit right down and cry over you
I'm gonna love you more and more every day
I'm gonna love you more and more in every way
And if you say good-bye
If you ever even try

I'm gonna sit right down and cry over you
I'm gonna tell my mama tell my papa too
So they'll know exactly what I'm gonna do
And if you say good-bye
Say if you ever even try

 La la la la la la la la la la la
 La la la la la la la la la la la
 La la la la la la la la la la la

 You'd have taken the time to show me
 I wouldn't be lonely

Where will I go, who will I have to lie beside me
 Is it something that's inside me
 I'm so lonely

Tried so hard each time, each time I just can't make it
 Feelin' fast vibrations and I just can't take it
 Living from day to day, chasing the dream
 I'm, I'm leavin

La la la la la la la la la la la

0.10.74 I'm Left, You're Right, She's Gone (My Baby's gone)

(words & music by S. Kesler - W. Taylor)

Well, you're right, I'm left, she's gone.
You're right, and I'm left all alone.
Well, you tried to tell me so,
But how was I to know
That she was not the one for me ?

You told me all along,
You're right, our love was so wrong.
But now I changed my mind,
Because she broke the ties that bind,
And I know that she never cared for me.

Well, I thought I knew just what she'd do,
I guess I'm not so smart.
Oh, you tried to tell me along she'd only break my heart.
I'm left, you're right, she's gone.
You're right, and I'm left all alone.

Well, she's gone I know not where,
But now I just don't care.
For now I'm falling for you.

If you'll forgive me now,
I'll make it up somehow.
So happy we will be,
In a home just for three,
And I'll soon forget her,
Now I know.

Well, I thought I knew just what she'd do,
I guess I'm not so smart.
You tried to tell me all along,
She'd only break my heart.

Well, you're right, I'm left, she's gone.
You're right, and I'm left all alone.
Well, she's gone, I know not where,
But now I just don't care,
For now I've fallen for you.

0.10.75 I'm Movin' On

(Words & music by H. Snow)

That big eight-wheeler runnin' down the track
Means your true lovin' daddy ain't a comin' back
'Cause he's movin' on, he's rollin' on
You were flyin' to high for my little ol' sky
So I'm movin' on

But some day baby when you've had you play
Your gonna want your daddy but your daddy will say
Keep movin' on, keep rollin' on
You were flyin' to high for my little ol' sky
So I'm movin' on. Move on baby.

Mr. Farmer won't you please listen to me
'Cause I gotta pretty momma in Tennessee
Keep rollin' on, keep movin' on,
Please listen to me let this rattler free
And keep movin' on
Move on ol' son, move on

Well I told you baby from time to time
But you just wouldn't listen or pay me no mind
And now I'm movin' on, I'm rollin' on
I'm through with you, too bad you're blue
But I'm movin' on
Move on baby, move on
I said move on, I said move on,
I said move on, I said move on,
Well I'm through with you, too bad you're blue
I said move on, I said move on
I said move on, I said move on

0.10.76 I'm Not the Marrying Kind

(Words & music by David - Edwards)

Show me a girl with a dimple on her cheek
Butter melts in her mouth
When she opens it to speak
Show me a girl who is acting so refined
And I'll show you a girl with one thing on her mind

So I say "You know what?" She says "What?"
I say "What? Oh I'm not the marrying kind
For you've got what it takes
And it takes what you've got
But I'm not the marrying kind
Don't kiss me, don't claw me
Don't pet me, don't paw me
And I won't leave my freedom behind"

So I say "You know what?" She says "What?"
I say "What? Oh I'm not the marrying kind.
You know what?" She says "What?"
"Thanks a lot, but I'm not the marrying kind
Don't kiss me, don't claw me
Don't pet me, don't paw me
And I won't leave my freedom behind"

So I say "You know what?" She says "What?"
I say "What? Oh I'm not the marrying kind
I'm not, I'm not, I'm not, I'm not
Now you've got what I'm not
I'm not the marrying kind
Oh I'm not the marrying kind
Oh I'm not the marrying kind

0.10.77 I'm So Lonesome I Could Cry

(words & music by Williams)

Hear that lonesome winter bird
He sounds too blue to fly
The midnight train is whining low
I'm so lonesome I could cry

Did you ever see a robin weep
When leaves began to die
That means he's lost the will to live
I'm so lonesome I could cry

The silence of a falling star
Lights up a purple sky
And as I wonder where you are
I'm so lonesome I could cry
I'm so lonesome I could cry

0.10.78 I'm With a Crowd But So Alone

(Words & music by Ernest Tubb - Carl Story)

I'm with a crowd but oh so alone
I still have the picture you sent me
And you signed it with love you recall
And the one of me that you wanted
Is now hanging face to the wall
At night I'm never alone
I'm afraid that I'll weaken and phone
And I'm afraid that you will be gone
I'm with a crowd but oh so alone

0.10.79 I'm Yours

(words & music by Robertson - Blair)

My love I offer you now
My heart and all it can give
For just as long as I live I'm yours
No arms but yours dear will do
My lips will always be true
My eyes can only see you, I'm yours

And as the years roll along
Your joy and tears I'll gladly share
And when things go wrong dear
Just hold out your hand and I'll be there
With every beat of my heart
With every breath that I take
Now and forever, sweetheart, I'm yours

0.10.80 In My Father's House (Are Many Mansions)

(Arranged and adapted by Elvis Presley)

In my father's house are many mansions
If it were not true he would have told me so
He has gone away to live in that bright city
He's preparing me a mansion there I know

Jesus died upon the cross to bear my sorrow
Freely died that souls like you might have new life
But I know that soon there'll come a bright tomorrow
When the world will all be free from sin and strife

(Do not shun the saviors love, from up in glory)
(Or you won't be there to sing the gospel story)
In my father's house are many mansions
If you're true then to this land you'll surely go

0.10.81 In My Way

(Words & music by Wise - Weisman)

I may not be here tomorrow
But I'm close beside you today
So lie to me a little, say you love me a lot
And I'll be true to you in my way

Love never goes on forever
At least that's what wise men all say
So smile when you kiss me, tomorrow you may cry
But I'll be true to you in my way
Yes I'll be true to you in my way

0.10.82 In the Garden

(Words & music by C.A. Miles)

I come to the garden alone
While the dew is still on the roses
And the voice I hear falling on my ear
The song of God discloses

And He walks with me
And He talks with me
And He tells me I am his own
And the joy we share as we tarry there
None other has ever known

He speaks and the sound of His voice
Is so sweet the birds hush their singing
And the melody that He gave to me
Within my heart is ringing

And He walks with me
And He talks with me
And He tells me I am his own
And the joy we share as we tarry there
None other has ever known

0.10.83 In the Ghetto

(words & music by Scott Davis)

As the snow flies
On a cold and gray Chicago mornin'
A poor little baby child is born
In the ghetto
And his mama cries
'cause if there's one thing that she don't need
it's another hungry mouth to feed
In the ghetto

People, don't you understand
the child needs a helping hand
or he'll grow to be an angry young man some day
Take a look at you and me,
are we too blind to see,
do we simply turn our heads
and look the other way

Well the world turns
and a hungry little boy with a runny nose
plays in the street as the cold wind blows
In the ghetto

And his hunger burns
so he starts to roam the streets at night
and he learns how to steal
and he learns how to fight
In the ghetto

Then one night in desperation
a young man breaks away
He buys a gun, steals a car,
tries to run, but he don't get far
And his mama cries

As a crowd gathers 'round an angry young man
face down on the street with a gun in his hand
In the ghetto

As her young man dies,
on a cold and gray Chicago mornin',
another little baby child is born
In the ghetto

0.10.84 In Your Arms

(words & music by Aaron Schroeder - Wally Gold)

Oh, the way I feel tonight
You better wrap me up good and tight
In your arms
In your arms

Just like a bee in a honeycomb
I'm gonna make myself right at home
In your arms
In your arms

Well, it don't take much to keep me satisfied
Just a little bit of lovin' that's bonafide
In your arms keep me tangled up all the time
Like a kitten with a ball of twine

Yeah baby, that's where I want to stay
For the rest of my natural days
In your arms
In your arms

0.10.85 Indescribably Blue

(words & music by Darrell Glenn)

Our friends all ask me
The last time I saw you
And I smile and tell them
It's been a day or two

There's no way to explain it
The way that I miss you
And my love, you have left me
Indescribably blue

I talk to your picture
My fav'rite one of you
I wish that you were here with me
But what good will it do

Having no way to tell you
The pain that I've been through
Oh, my love, you have left me
Indescribably blue
Yes, my love, you have left me
Indescribably blue

0.10.86 Inherit the Wind

(Words & music by Eddie Rabbitt)

Baby don't fall in love with me
I'll only bring you grief
Baby, don't set your heart on me
I'll only have to leave

'Cause the north wind flows through my veins
Like my dad there's a dream in my brain
In the morning I'll have to leave again
That's how it is when you inherit the wind
Inherit the wind

Daddy, he was a traveling man
I hardly knew his face
Momma, she cried for him at night
He never stayed in one place

'Cause the north wind flows through my veins
Like my dad there's a dream in my brain
In the morning I'll have to leave again
That's how it is when you inherit the wind
Inherit the wind

Oh I can't give you the love you need
I just won't be here that long
But if you still want me here tonight
I'll love you till the break of dawn

'Cause the north wind flows through my veins
Like my dad there's a dream in my brain
In the morning I'll have to leave again
That's how it is when you inherit the wind
Inherit the wind
Inherit the wind, inherit the wind

0.10.87 Is It So Strange

(Words & music by Faron Young) Oh, if you tell a lie
You know that I'll forgive you
Though you say our love is just a game
And when you hear my name
You'll say I'm from a strange world
But is it so strange to be in love with you

Is it so strange
That I love you more than all the world
Is it so strange
I have no eyes for any other girl

Oh won't you take me back
And say that you still love me
To waste a love like ours would be a sin
Let us kiss again
Let me hold you near
And take me from this strange world
That I'm living in

0.10.88 Island of Love

(words & music by Sid Tepper - Roy Bennett)

Kauai, island of love
Lovely princess of the islands
Kauai, island of love
Listen, can't you hear her calling

Aloha welcome my love
Her palmtrees gently do the hula
While her slaves, the waves
Rush in to kiss her shores

Heaven is another name for
Kauai, island of love

0.10.89 It Ain't No Big Thing But It's Growing

(Words & music by Merrit - Joy - Hall)

Your losing interest in me and it's showin'
It ain't no big thing but it's growin'
The pain of heartbreak I've just started knowin'
Well, it ain't no big thing but it's growin'

Every day the hurt grows bigger than before
But I'll pretend I don't know this
But If I can hold you one day more
You've got the look of someone who's goin'
You're gonna leave me and it's showin'
A little tear I can feel start to flow
It ain't no big thing but it's growin'

Well every day the hurt grows bigger than before
But I'll pretend I don't know this
Well, if I can hold you one day more
You've got the look of someone who's goin'
Well, you're gonna leave me and it's showin'
A little tear I can feel start to flow
Well it ain't no big thing but it's growing
No, it ain't no big thing but it's growing

0.10.90 It Feels So Right

(words & music by Fred Wise - Ben Weisman)

Step in these arms, where you belong
It feels so right, so right
How can it be wrong?

There's something in the way you kiss
That makes me want to hold you tight
I know that nothing can't be wrong
that feels so right.

Each time we touch, you thrill me so
It means so much, so much
I can't let you go

This isn't only for tonight
We're gonna love our whole life long
'Cause baby, if it feels so right
How can it be wrong?

0.10.91 It Hurts Me

(words & music by Byers - Daniels)

It hurts me to see him treat you the way he does
It hurts me to see sit and cry
When I know I could be so true
If I had someone like you
It hurts me to see those tears in your eyes

The whole town is talking, they're callin' you a fool
For listening to his same old lies
And when I know I could be so true
If I had someone like you
It hurts me to see the way he makes you cry

You love him too much, you're too blind to see
He's only playing a game
But he's never loved you
He never will
And darling, don't you know he will never change

Oh, I know he never will set you free
Because he's just that kind of guy
But if you ever tell him you're through
I'll be waiting for you
Waiting to hold you so tight
Waiting to kiss you goodnight
Yes, darling, if I had someone like you

0.10.92 It Is No Secret (What God Can Do)

(Words & music by Stuart Hamblin)

The chimes of time ring out the news,
Another day is through.
Someone slipped and fell.
Was that someone you ?

You may have longed for added strength,
Your courage to renew.
Do not be disheartened,
For I have news for you.

It is no secret what God can do.
What He's done for others, He'll do for you.
With arms wide open, He'll pardon you.
It is no secret what God can do.

There is no night for in His light
You never walk alone.
Always feel at home,
Wherever you may go.

There is no power can conquer you
While God is on your side.
Take Him at His promise,
Don't run away and hide.

It is no secret what God can do.
What He's done for others, He'll do for you.
With arms wide open, He'll pardon you.
It is no secret what God can do.

0.10.93 It Keeps Right on A-hurtin'

(Words & music by J. Tillotson)

I cry myself to sleep each night
Wishing I could hold you tight
Life seems so empty since you went away
And the pillow where you lay your head
Now holds my empty dreams instead
And it keeps right on a-hurtin'
Since you're gone

It keeps right on a'hurtin every minute of the day
Every hour you're away I feel so lonely
And I can't help it, I don't think I can go on
And it keeps right on a-hurtin' since you're gone

They say a man ain't supposed to cry
But when I see you passing by
My heart breaks down and cries a million tears
The pillow where you lay your head
Now holds my empty dreams instead
And it keeps right on a-hurtin' since you're gone

It keeps right on a'hurtin every minute of the day
Every hour you're away I feel so lonely
And I can't help it, I don't think I can go on
And it keeps right on a-hurtin' since you're gone
Yes, it keeps right on a-hurtin' since you're gone

0.10.94 It Won't Be Long

(Words & music by Wayne - Weisman)

The shooting stars are coming out of your eyes
They point the way, the way to paradise
I got a funny feeling, I can't be wrong
It won't be long until the sparks will fly
It won't be long

I hear a buzz, buzz around in my brain
But what it does, is bound to drive me insane
At a time like this I must be strong
It won't be long till the sky falls down
It won't be long

Love has taught me plenty, I'm still learning more
Anything worth having is worth the waiting for
Here I go, I'm on a one way trip
Look out below because I'm about to flip
I tell you when these lips get to that kiss

It won't be long until we're out of this world
It won't be long

Love has taught me plenty, I'm still learning more
Anything worth having is worth the waiting for
Here I go, I'm on a one way trip
Look out below because I'm about to flip
I tell you when these lips get to that kiss
It won't be long, it won't be long until we're out of this world
It won't be long
It won't be long, it won't be long until we're out of this world
It won't be long

0.10.95 It Won't Seem Like Christmas

(words & music by J.A. Balthrop)

Oh, it won't seem like Christmas, oh, without you
Far too many miles are between
But if I get the one thing I'm waiting for
Well then I'll see you tonight in my dreams

Seems a long time since we've been together
It was just about to this time of the year
Looks like it's gonna be snowy weather
How I wish that you could be here

But it won't seem like Christmas, oh, without you
Far too many miles are between
But if I get the one thing that I'm wishing for
Then I'll see you tonight in my dreams

In the distance I hear sleigh bells ringing
The holly is so pretty this year
And the carol that somebody's singing
Reminds me of our Christmas last year

0.10.96 It Wouldn't Be the Same without You

(words & music by Wakely/Rose)

I could wander the byway, rewander too
But it wouldn't be the same without you
Those familiar old places would just make me blue
'Cause it wouldn't be the same without you

I wasted my love on a careless romance
But I'd do it again, if I had the chance
I could start my life over with somebody new
But it wouldn't be the same without you

I wasted my love on a careless romance
But I'd do it again, if I had the chance
I could start my life over with somebody new
But it wouldn't be the same without you

0.10.97 Ito Eats

(words & music by Sid Tepper - Roy Bennett)

Ito eat like teeth are out of style
Ito eat like teeth are out of style
Ito eating all the while
Eat Ito eat all the night and the day
Eat Ito eat all the night and the day

Ito is an eating boy
He never get enough from fish and poi
He eat everything he don't care what
He even eat the shell from the coconut
Eat Ito eat all the night and the day
Eat Ito eat all the night and the day

Hey, Ito little faster
Ito little slower

Ito eat like teeth are out of style
Ito eat like teeth are out of style
When you say that stranger smile
Oh, oh, oh, oh, oh

0.10.98 It's a Matter of Time

(Words & music by Clive Westlake)

It's a matter of time before I go back there
A matter of time before I go home

I have been way from her now for a long time
And I've lived a life I thought that it should be
It's a long, long way from now to maybe sometime
And the waiting round is really killing me

It's a matter of time before I go back there
A matter of time oh Lord, before I go home
It's a long way I know and the goin' ain't easy
She'll see me again it's a matter of time

I think I'll take a train right early in the morning
Just to see how far I get along the way
But the trains don't run too often only sometimes
So I guess I'd better wait another day

It's a matter of time before I go back there
A matter of time before I go home
It's a long way I know and the goin' ain't easy
She'll see me again, it's just a matter of time
She'll see me I know it's a matter of time

0.10.99 It's a Sin

(words & music by Rose - Turner)

It's a sin, my darling
How I love you
Because I know
Our love could never be

It's a sin
To keep this memory of you
When silence proves
That you've forgotten me

The dreams I built for us
Has tumbled
Each promise broken
Like my heart

It's a sin, my darling
How I love you
So much in love
And yet so far apart

I'm sure you're happy with another
Who shares the love I cannot win
Why pretend that I can live without you
When deep inside I know that it's a sin

0.10.100 It's a Wonderful World

(Words & music by Tepper - Bennett)

Young as a circus parade, it's a wonderful world
Pretty as pink lemonade, it's a wonderful world
Life is a carnival, live it for all your worth
You are the star of the greatest show on earth

This big wide world is a clown with his nose painted red
A rainbow colored balloon's dancing high overhead
It's everyone's oyster, step up get your pearl
It's a wonderful, wonderful, wonderful, wonderful world

This big wide world is a clown with his nose painted red
A rainbow colored balloon's dancing high overhead
It's everyone's oyster, step up get your pearl
It's a wonderful, wonderful, wonderful, wonderful world
It's a wonderful, wonderful, wonderful, wonderful world

0.10.101 It's Carnival Time

(Words & music by Weisman - Wayne)

Come on kids from eight to eighty
Hey there mister bring your lady
There's a big show on the inside
It's carnival time

Popcorn, peanuts and cotton candy
Pink lemonade that's dan-dan-dandy
Be a big shot for a dollar
It's carnival time

Roustabouts are roustabout'n
And there's happy shouts, children shoutin
If you've got doubts quit your doubtin'
There's thrills, it's spice
It's cheap at half the price
So don't be bashful, buy a ticket
Get the habit never kick it
Hit the band there, don't just stand there
It's carnival time

Roustabouts are roustabout'n
And there's happy shouts, children shoutin
If you've got doubts quit your doubtin'
There's thrills, it's spice
It's cheap at half the price
So don't be bashful, buy a ticket
Get the habit never kick it
Hit the band there, don't just stand there
It's carnival time
It's carnival time

0.10.102 It's Diff'rent Now

(Words & music by Clive Westlake)

Look at you and tell myself
How wonderful you are
You're so different now
To me you're much more wonderful, more wonderful by far
Yes, you're different now
There's more to love than holding hands and stealing kisses
No-one else around
There's the good times and the bad
There's the ups and downs we've had
But it's different now I'm so glad I still have you

Ah

There's always something new to see
I look at you, you look at me
And we're so different now
Love gets better every day 'n in some peculiar way
It's always different now
If we ever say goodbye, you'd be lost
And so would I, what's the difference now between us
Love just for a day, and a love that's here to stay
That's the difference now, the difference now

Ah

0.10.103 It's Easy for You

(Words & music by A. Lloyd-Webber - T. Rice)

You may not mind that it's over
But I've a different point of view
Even though I am shattered
It's easy for you

You don't have to face the music
You don't have to face the crowd
Just go back where you came from
You ain't even proud

I had a wife and I had children
I threw them all away
And now you tell me, you dare to tell me
I should go back to them
What do you think I should say

I found it hard to leave them
Saddest thing I ever had to do
My problems haven't started
And it's easy for you

I had a wife and I had children
I threw them all away
And now you tell me, you dare to tell me
I should go back to them
What do you think, what on earth do you think I should say

If you ever tire of the good life
Call me in a year or two
I've got no choice, I'll forgive you
'Cause it's easy for you

You only have to call me, it's easy for you
You only have to call me, it's easy for you

0.10.104 It's Impossible

(Words & music by Wayne - Manzanero)

It's impossible to tell the sun to leave the sky,
It's just impossible.
It's impossible to ask a baby not to cry,
It's just impossible.
Can I hold you closer to me
And not feel you going through me,
But the second that I never think of you ?
Oh, how impossible.

Can the ocean keep from rushing to the shore ?
It's just impossible.
If I had you could I ever ask for more ?
It's just impossible.
And tomorrow, should you ask me for the world
Somehow I'd get it, I would sell my very soul
And not regret it for to live without your love
Is just impossible

Can the ocean keep from rushing to the shore ?
It's just impossible.
If I had you could I ever ask for more ?
It's just impossible.
And tomorrow, should you ask me for the world
Somehow I'd get it, I would sell my very soul
And not regret it for to live without your love
Is just impossible
Oh impossible,
Impossible.
Impossible

0.10.105 It's Midnight

(Words & music by Wheeler - Chesnut)

Maybe it's too late. Sometimes I even hate myself for loving you
Trying to be strong then nighttime comes along and I start loving you
Wanting you. Where is all my selfcontrol I'm burning way down in my soul
And needing you, and wishing I could be the man, I try to
Hating me for wanting you to be with you knowing you don't love me like you used to
But it's midnight, Ohh and I miss you

It's getting late and I know that's when I am weak
Funny how things have a way of looking so much brighter in the day light
I ought to go to bed to try and straighten out my head and just forget you
Oh but it's midnight yes and I miss you

It's getting late and I know that's when I am weak
Funny how things have a way of looking so much brighter in the day light
I ought to go to bed to try and straighten out my head and just forget you
Oh but it's midnight yes and I miss you

It's midnight and I miss you

0.10.106 It's No Fun Being Lonely

(Words & Music Red West)

It's no fun being lonely

...

Morning must come

Knowing, knowing there's no one for me

.....

Knowing, knowing there's no one waiting for me

(note : For the correct lyrics call Red West :-)

0.10.107 It's Now or Never

(words & music by Aaron Schroeder - Wally Gold)

It's now or never,
come hold me tight
Kiss me my darling,
be mine tonight
Tomorrow will be too late,
it's now or never
My love won't wait.

When I first saw you
with your smile so tender
My heart was captured,
my soul surrendered
I'd spend a lifetime
waiting for the right time
Now that your near
the time is here at last.

It's now or never,
come hold me tight
Kiss me my darling,
be mine tonight
Tomorrow will be too late,
it's now or never
My love won't wait.

Just like a willow,
we would cry an ocean
If we lost true love
and sweet devotion
Your lips excite me,
let your arms invite me
For who knows when
we'll meet again this way

It's now or never,
come hold me tight
Kiss me my darling,
be mine tonight
Tomorrow will be too late,
it's now or never
My love won't wait.

0.10.108 It's Only Love

(Words & music by James - Tyrell)

I see the the sunlight in her hair
I feel the warm smile that she wears
She has no recipe for love
But I just can't get enough

From the distance of my mind
Clock that's ringing says it's time
Wake up to my destiny
It's time to face reality

It's only love that I feel inside
But I'll get by somehow
It's only love, there must be something else for me girl

I tell myself that it's not real
There's nothing left for me to feel
I'll just be going on my way
Tomorrow brings another day

Only love that I feel inside
But I've got to be strong
My mind's made up, it's only love

But I know I'll get by, take my heart and my pride
And just throw it aside
It's only love

It's only love, it's only love, it's only love
It's only love
It's only love

0.10.109 It's Over

(words & music by Rodgers)

If time were not a moving thing
And I could make it stay
This hour of love we share
Would always be
There'd be no coming day
To shine a morning light
And make us realize our night is over

When you walk away from me
There is no place to put my hand
Except to shade my eyes against the sun
That rises over the land
I watch you walk away
Somehow I have to let you go
Cause it's over

If you knew just how I really feel
You might return and yet
There are so many times
That people have to love and then forget
Oh there might have been a way somehow
I have to force myself to say
It's over

So I turn my back,
Turn my collar to the wind
Move along in silence
Trying not to think at all
I set my feet before me
Walk the silent street before me
Now it's over

If time were not a moving thing
And I could make you stay
This hour of love we share
Would always be
There'd be no coming day
To shine a morning light
And make us realize our night is over

It's over

0.10.110 It's a Sin to Tell a Lie

(words & music by Mayhew)

... When you say I Love You
It's a sin to tell a lie
Millions of hearts have been broken
Just because these words were spoken
Like you (?)

So be sure it is true when you say I Love You
It's a sin to tell a lie

Be sure it's truly when I tell you I love you honey
Because when you ... know it's a sin to tell a bloody lie
You know a whole lots of folk's hearts were already been broken
Just over a whole lotta foolish words that have been spoken

I love you, yes I do, I love you
If you break my heart I'll (shit)
So be sure it's true when you say I love you
It's a sin to tell a lie

0.10.111 It's Still Here

(Words & music by Ivory Joe Hunter)

The day you said we'd never part
You turned around and broke my heart
You had the nerve to tell me I would soon forget
Now you've been gone away one year
And I have not forgotten dear
The love I had for you so long
Is still here
Wow-oh

It's here, still here
Because my heart cannot believe
We're really through
And though you said we'd never part
You turned around and broke my heart
The love I had for you so long
Is still here

It's here, still here
Because my heart cannot believe
We're really through
Now you've been gone away one year
And I have not forgotten dear
The love I had for you so long
Is still here
Wow-oh

It's here, it's here, still here
Because my heart cannot believe
We're really through
And though you said we'd never part
You turned around and broke my heart
The love I had for you so long
Is still here
Wow-ow

It's here, still here
Because my heart cannot believe
We're really through
And though you said we'd never part
You turned around and broke my heart
The love I had for you so long
Is still here
Oh yeah

0.10.112 It's Your Baby, You Rock It

(words & music by Shiri Milete - Nora Fowler)

You offered me a penny for my thoughts
And I told you then that woman won't stay caught
But you turned and loved her anyway
She broke your heart and all I've got to say

It's your baby, you rock it
It's your heartache, you bought it
You made the bed your sleeping in
And I'm tired of hearing about it friend
It's your baby you, rock it

Well you cried upon my shoulder like a baby
I'm sorry 'bout your troubles and your lady
But she done you like she done me
And I've used up all my sympathy
It's your baby you, rock it

It's your baby, you rock it
It's your heartache, you bought it
You made the bed your sleeping in
And I'm tired of hearing about it friend
It's your baby you, rock it

0.10.113 I've Been Blue

(Words & Music : Red West)

(You) Where, o where are you
Tell me where are you
Where are the nights we spent together
Where is your promise
that you will leave me never
I've been blue the whole day through
Where o where are you

0.10.114 I've Got a Thing About You Baby

(words & music by Tony Joe White)

I've got something to tell you
That I think you ought to know
That my eyes are on you baby
Since a long time ago
And now I fin'ly got the nerve
And I'm gonna make my move
Now don't you try to turn me off
Cause it's gonna be hard to do

I've got a thing about you baby
Ain't nothing I can do
I've got a thing about you baby
A thing about lovin' you

Ain't it just like a woman
When she knows she's got a man
She'll wring you out and turn you 'bout
In the palm of her hand
And then she starts to thinkin'
Then maybe she's put you in a blind
She'll give you just a little lovin'
It'll drive you out of your mind

I've got a thing about you baby
Ain't nothing you can do
I've got a thing about you baby
A thing about lovin' you

0.10.115 I've Got Confidence

(words & music by **Andrea Crouch**)

When trouble is in my way
I can't tell the night from day
I toss from side to side
Like a ship on a raging tide
I don't worry and I don't fret
God has never failed me yet
Troubles comin' from time to time
But that's all right, 'cause I'm not the worrying kind

Because I, I've got confidence,
God is gonna see me through
No matter what the case may be
I know He's gonna fix it for me

Job was so sick so long
Till the flesh fell from his bones
His wife, cattle and children,
Everything that he had was gone
But Job he never dispaired
He knew that God still cared
Sleepless days and sleepless nights
Job said honey that's all right

'Cause I've got confidence
God is gonna see me through
No matter what the case may be
I know He's gonna fix it for me

Some folks wonder how I smile
Even though I'm going to trial
How can I have song
Everything is going wrong
I don't worry and I don't fret
God has never failed me yet

Trouble's coming from time to time
That's all right, I'm not the worrying kind
'Cause I've got confidence.....

0.10.116 I've Got to Find My Baby

(Words & music by J. Byers)

I've got to find my baby
I wonder where can she be
Has anybody seen her
Send her back to me

She left me here all alone
And I ain't had no lovin'
Since my baby's been gone
My baby's gone

I've gotta find my baby
I gotta hold her tight and tell her I love her
Tell her everything's all right
So I'll keep searching
All night long
'Cause I ain't had no lovin'
Since my baby's been gone
My baby's gone

I've gotta find my baby
I've gotta find my baby
Gotta find my baby

0.10.117 I've Lost You**(words & music by Howard - Blaikly)**

Lying by your side I watch you sleeping
 And in your face the sweetness of a child
 Murmuring the dreams you won't recapture
 Though it will haunt the corners of you mind

I've Lost though you're near me
 And your body's still this kind
 I've lost you on a journey,
 But I can't remember where or when

Who can tell when summer turns to autumn
 And who can point the moment love grows cold
 Softly without pain the joy is over
 Though why it's gone will neither of us know

Oh, I've lost you yes, I've lost you
 I can't reach you anymore
 We ought to talk it over now
 But reason can't stand in for feeling, oh

Six o'clock the baby will be crying
 And you will stumble, sleeping to the door
 In the chill and solemn gray of morning
 We play the parts that we have learned to well

Oh I've lost you, oh, I've lost you
 Oh, You won't admit it so
 I've lost you on a journey,
 But I can't remember where or when no more

Oh, I've lost you yes, I've lost you
 I can't reach you anymore
 We ought to talk it over now
 But reason can't stand in for feeling, oh

Oh, I've lost you yes, I've lost you
 I can't reach you anymore
 We ought to talk it over now
 But reason can't stand in for feeling, oh

0.11.1 Jailhouse Rock

(words & music by Jerry Leiber - Mike Stoller)

The warden threw a party in the county jail.
 The prison band was there and they began to wail.
 The band was jumpin' and the joint began to swing.
 You should've heard those knocked out jailbirds sing.
 Let's rock, everybody, let's rock.
 Everybody in the whole cell block
 was dancin' to the Jailhouse Rock.

Spider Murphy played the tenor saxophone,
 Little Joe was blowin' on the slide trombone.
 The drummer boy from Illinois went crash, boom, bang,
 the whole rhythm section was the Purple Gang.
 Let's rock, everybody, let's rock.
 Everybody in the whole cell block
 was dancin' to the Jailhouse Rock.

Number forty-seven said to number three :
 "You're the cutest jailbird I ever did see.
 I sure would be delighted with your company,
 come on and do the Jailhouse Rock with me."
 Let's rock, everybody, let's rock.
 Everybody in the whole cell block
 was dancin' to the Jailhouse Rock.

The sad sack was a sittin' on a block of stone
 way over in the corner weepin' all alone.
 The warden said, "Hey, buddy, don't you be no square.
 If you can't find a partner use a wooden chair."
 Let's rock, everybody, let's rock.
 Everybody in the whole cell block
 was dancin' to the Jailhouse Rock.

Shifty Henry said to Bugs, "For Heaven's sake,
 no one's lookin', now's our chance to make a break."
 Bugsy turned to Shifty and he said, "Nix nix,
 I wanna stick around a while and get my kicks."
 Let's rock, everybody, let's rock.
 Everybody in the whole cell block
 was dancin' to the Jailhouse Rock.

0.11.2 Jesus Walked That Lonesome Valley**(Trad.)**

You've got to walk that lonesome valley
Well you gotta go by yourself
Well there ain't nobody else gonna go there for you
You gotta go there by yourself

Now mother walked that lonesome valley
Now mother walked, she walked it by herself
Well there ain't nobody else could ever walk it for her
She had to walk it, she had to walk it by herself

You've got to walk that lonesome valley
Well you gotta go by yourself
Well there ain't nobody else gonna go there for you
You gotta go there by yourself

Now father walked that lonesome valley
Now father walked it, he walked it by himself
Nobody else could walk it for him
Well he had to walk it, he had to walk it by himself

You've got to walk that lonesome valley
Well you gotta go by yourself
Well there ain't nobody else gonna go there for you
You gotta go there by yourself

Now John was a baptist
He was some folk say he was a Jew
He wrote that holy holy bible
The bible tells you, it plainly tells you
That he was, that he was a preacher too

You've got to walk that lonesome valley
Well you gotta go by yourself
Well there ain't nobody else gonna go there for you
You gotta go there by yourself

You've got to walk that lonesome valley
Well you gotta go by yourself
Well there ain't nobody else gonna go there for you
You gotta go there by yourself

0.11.3 Johnny B. Good

(words & music by Chuck Berry)

Deep down in Louisiana close to New Orleans
Way back up in the woods among the evergreens
Stood a log cabin made of earth and wood
Where lived a country boy named Johnny B. Good
Who never learned to read or write at all
But he could play the guitar just like ringing a bell

Go, go, go Johnny go, go, go Johnny, go go
Go Johnny go, go, go Johnny go go
Johnny B. Good

His mama told him "someday you will be a man
And you will be the leader of a big band
Many people coming from miles around
To hear your playing music when the sun goes down
Maybe someday you will be in lights saying Johnny B. Good"

0.11.4 Joshua Fit the Battle

(Arranged and adapted by Elvis Presley)

Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

God knows that
Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

Good morning sister Mary
Good morning brother John
Well I wanna stop and talk with you
Wanna tell you how I come along

I know you've heard about Joshua
He was the son of Nun
He never stopped his work until
Until the work was done

God knows that
Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

You may talk about your men of Gideon
You may brag about your men of Saul
There's none like good old Joshua
At the battle of Jericho

Up to the walls of Jericho
He marched with spear in hand
Go blow them ram horns, Joshua cried
'Cause the battle is in my hands

God knows that
Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

You may talk about your men of Gideon
You may brag about your king of Saul
There none like Joshua
At the battle of Jericho

They tell me, great God that Joshua's spear
Was well nigh twelve feet long
And upon his hip was a double edged sword
And his mouth was a gospel horn

Yet bold and brave he stood
Salvation in his hand
Go blow them ram horns Joshua cried
'Cause the devil can't do you no harm

Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

Up to the walls of Jericho
He marched with spear in hand
Go blow them ram horns, Joshua cried
'Cause the battle is in my hands

Then the lamb ram sheep horns began to blow
The trumpets began to sound
Old Joshua shouted glory
And the walls came tumblin' down

God knows that
Joshua fit the battle of Jericho
Jericho Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

Down, down, down, down, down
Tumblin' down

0.11.5 Judy

(words & music by Redell)

They say you found somebody new
Whose love will always be true
I don't know what it is to be alone
That's why I dread to know you're gone

Oh Judy, don't let our sweet love
Wither and die like flowers in the fall
Oh Judy, don't you know it's you
I love most of all

Oh, please come back I promise always to be true
Oh Judy, there'll never be anyone else dear but you

Oh, please come back I promise always to be true
Oh Judy, there'll never be anyone else dear but you

0.11.6 Just a Little Bit

(Words & music by Thornton - Brown - Bass - Washington)

I do't want much
Just want a little bit
Don't want it all
Just a little bit
Give me an eeny weeny bit
A teeny weeny bit of your love

Turn your lamps down low
Slip me a kiss
Turn your lights down low
I won't let you resist
I want an eeny weeny bit
A teeny weeny bit of your love

Early in the mornin'
Well just a little bit
Around midnight
Just a little bit
I want an eeny weeny bit
A teeny weeny bit of your love

Walk with me
Just a little bit
I said talk to me
Just a little bit
I want an eeny weeny bit
A teeny weeny bit of your love

I want you to remember
To say that you'll be mine
Say you'll never leave me
Till the end of time
I want an eeny weeny bit
A teeny weeny bit of your love
I want an eeny weeny bit
A teeny weeny bit of your love

0.11.7 Just a Little Talk With Jesus

(Words & music by Clevant Derricks)

I once was lost in sin but Jesus took me in
Well then a little light from heaven healed my soul
Well, he bathed my heart in love, and wrote my name above
Well just a little talk with my Jesus gonna it right

We'll just have a little talk with Jesus
We're gonna tell Him all about our troubles
He will hear our fainted cry
He will answer by and by
Oh well, when you feel a little prayer wheel turning
And you will know a little fire is burnin'
You will find a little talk with Jesus makes it right

You may have doubts and fears
Your eye be filled with tears
Oh well my Jesus is a friend who watches day and night
Well he wrote my name above, and he bathed my heart in love
Oh well just a little talk with my Jesus gonna make it right

Let us have a little talk with my Jesus
Please let us tell Him all about our troubles
He will hear our faintest cry
He will answer by and by
Now when you feel a little prayer wheel turning
You'll know just a little fire is burnin'
And have a little talk with my Jesus gonna makes it right

Well you may have doubts and fears
Your eye be filled with tears
Oh well now my Jesus is a friend who watches day and night
Well you go to Him in prayer
He answers my every prayer
Oh well just a little talk with my Jesus gonna makes it right
Now let us have a little talk with my Jesus
Tell Him all about our troubles
He will hear our faintest cry
And I know he's gonna answer by and by
Now when you feel a little prayer wheel turning
You'll know a little fire is burnin'
And have a little talk with my Jesus gonna makes it right
Make it right

0.11.8 Just Because

(words & music by B. Shelton - J. Shelton - S. Robin)

Well, well, well,
Just because you think you're so pretty,
And just because your momma thinks you're hot,
Well, just because you think you've got something
That no other girl has got,
You've caused me to spend all my money.
You laughed and called me old Santa Claus.
Well, I'm telling you,
Baby, I'm through with you.
Because, well well, just because.

Well, well, well,
There'll come a time when you'll be lonesome
And there'll come a time when you'll be blue.
Well, there'll come a time when old Santa
He won't pay your bills for you.

You've caused me to lose all my women
And now, now you say we are through.
Well, I'm telling you
Baby, I was through with you
A long long time ago.

Well, just because you think you're so pretty
And just because your mama thinks you're the hottest thing in town
Well, just because you think you've got something
That nobody else has got,
You've caused me to spend all of my money.
Honey, you laughed and called me your old Santa Claus.
Well, I'm telling you I'm through with you
Because, well well, just because.

0.11.9 Just Call Me Lonesome

(Words & music by Rex Griffin)

Why must I love a heartless woman
Who never knows the harm she's done
Though love is blind I should have known
Just call me lonesome from now on

I climb the stairs up to my room
But no-one greets me in my gloom
The silence tells me she is gone
Just call me lonesome from now on

These walls will hide me when I cry
I hope that heaven lets me die
What good is life when hope has gone
Just call me lonesome from now on

Just call me lonesome from now on

0.11.10 Just for Old Time Sake

(words & music by Sid Tepper - Roy Bennett)

Just for old time sake

Won't you give my heart a break

Let's get together again

Let's relive the time

I was yours and you were mine

Life was so wonderful then

I know, I know the day I let you go

I made my greatest mistake

If you loved me then

You could love me once again

Won't you try just for old time sake

0.11.11 Just Pretend

(words & music by Flett - Fletcher)

Just pretend, I'm holding you
And whispering things soft and low
And think of me, how it's gonna be,
Just pretend I didn't go
When I walked away, I heard you say
If you need me, you know what to do
I knew it then, I'd be back again
Just pretend I'm right there with you

And I'll come flying to you, oh yes
All the crying is true
Oh, I will hold you and love you again
But until then, well just pretend

Oh, it's funny but I can't recall the things
We said or why you're crying
But now I know it was wrong to go
I belong here by your side

0.11.12 Just Tell Her Jim Said Hello

(Words & music by Leiber - Stoller)

She's sitting right over there
I'd know that face anywhere
I'd run up and embrace her
But I'm ashamed to face her
Just tell her Jim said hello

I'd like to pour out my heart
But I don't know where to start
I'd like to tell her
What I'm really feeling but
Just tell her Jim said hello

Just tell her Jim said hello
Just tell her Jim and she'll know

Don't tell her I'm feeling blue
That's just between me and you
Don't say I'm thinking of her
Don't tell her I still love her
Just tell her Jim said hello

Just tell her Jim said hello
Just tell her Jim said hello
Just tell her Jim said hello

0.12.1 Kentucky Rain

((words & music by Eddie Rabbit - Dick Heard))

Seven lonely days
And a dozen towns ago
I reached out one night
And you were gone
Don't know why you'd run,
What you're running to or from
All I know is I want to bring you home

So I'm walking in the rain,
Thumbing for a ride
On this lonely Kentucky backroad
I've loved you much too long
And my love's too strong
To let you go, never knowing
What went wrong

Kentucky rain keeps pouring down
And up ahead's another town
That I'll go walking thru
With the rain in my shoes,
Searchin for you
In the cold Kentucky rain,
In the cold Kentucky rain

Showed your photograph
To some old gray bearded man
Sitting on a bench
Outside a gen'ral store
They said "Yes, she's been here"
But their memory wasn't clear
Was it yesterday,
No, wait the day before

So I fin'ly got a ride
With a preacher man who asked
"Where you bound on such a dark afternoon?"
As we drove on thru the rain
As he listened I explained
And he left me with a prayer
That I'd find you

0.12.2 King Creole

(words & music by Jerry Leiber - Mike Stoller)

There's a man in New Orleans
Who plays rock and roll
He's a guitar man
With a great big soul
He lays down a beat
Like a ton of coal
He goes by the name of King Creole

You know he's gone, gone, gone
Jumpin' like a catfish on a pole
You know he's gone, gone, gone
Hip shaking King Creole

When the king starts to do it
It's as good as done
He holds his guitar
like a tommy gun
He starts to growl
From way down his throat
He bends a string
And "that's all she wrote"

Well, he sings a song about a crowded hole
He sings a song about a jelly roll
He sings a song about meat and greens
He wails some blues about New Orleans

Well, he plays something evil
Then he plays something sweet
No matter what he plays
You got to get up on your feet

When he gets the rockin' fever
baby, heaven sakes
He don't stop playin'
'Till his guitar breaks

0.12.3 King of the Whole Wide World

((Words & music by Batchelor - Roberts)

A poor man wants the oyster
A rich man wants the pearl
But the man who can sing when he hasn't got a thing
He's the king of the whole wide world

Come on let's sing, sing brother sing
'Cos the man who can sing when he hasn't got a thing
He's the king of the whole wide world

The rich man wants the princess
The poor man just wants a girl
But the man who can sing when he hasn't got a thing
He's the king of the whole wide world

Come on let's sing, sing brother sing
'Cos the man who can sing when he hasn't got a thing
He's the king of the whole wide world

A poor man wants to be a rich man
A rich man wants to be a king
But the man who can sing when he hasn't got a thing
He's the king of the whole wide world

Come on let's sing, sing brother sing
'Cos the man who can sing when he hasn't got a thing
He's the king of the whole wide world

Come on let's sing, sing brother sing
'Cos the man who can sing when he hasn't got a thing
He's the king of the whole wide world
Of the whole wide world
Of the whole wide world

0.12.4 Kismet

((Words & music by Sid Tepper - Roy C. Bennett))

When you meet by chance, it's not by chance
It's kismet
When two hearts stand still, it's destiny's will
It's kismet

The wheel of fortune spins, round and around it goes
Who will the arrow point to, only kismet knows
Until you came by, kismet and I, were strangers
But now that you're here, it's suddenly clear we've met

This is my lucky day, love's in the cards I'd say
Thanks to kismet, kismet, kismet

Until you came by, kismet and I were strangers
But now that you're here, it's suddenly clear we've met
This is my lucky day, love's in the cards I'd say
Thanks to kismet, kismet, kismet

0.12.5 Kiss Me Quick

((words & music by Doc Pomus - Mort Shuman))

Kiss me quick, while we still have this feeling
Hold me close and never let me go
'Cause tomorrows can be so uncertain
Love can fly and leave just hurting
Kiss me quick because I love you so

Kiss me quick and make my heart go crazy
Sigh that sigh and whisper oh so low
Tell me that tonight will last forever
Say that you will leave me never
Kiss me quick because I love you so

Let the band keep playing while we are swaying
Let's keep on praying that we'll never stop

Kiss me quick just can't stand this waiting
'Cause your lips are lips I long to know
Oh that kiss will open heaven's door
And we'll stay there forevermore
Kiss me quick because I love you so

0.12.6 Kissin' Cousins**((Words & music by Wise - Starr))**

Well I've got a gal, she's as cute as she can be
 She's a distant cousin but she's not too distant with me

We'll kiss all night
 I'll squeeze her tight
 But we're kissin' cousins 'n that's what makes it all right
 All right, all right, all right

Oh I've got a girl and she taught me how to live
 She can give a lot and she's got a lot to give

We'll kiss all night
 I'll squeeze her tight
 But we're kissin' cousins 'n that's what makes it all right
 All right, all right, all right

Yes we're all cousins, that's what I believe
 Because we're children of Adam and Eve
 I got a girl and she wants a lot of love
 That's the kind of trouble I need plenty of

We'll kiss all night
 I'll squeeze her tight
 But we're kissin' cousins 'n that'll make it all right
 All right, all right, all right
 We'll be kissin' cousins that'll make it all right
 All right, all right, all right

Yes we're all cousins, that's what I believe
 Because we're children of Adam and Eve
 I got a girl and she wants a lot of love
 That's the kind of trouble I need plenty of

We'll kiss all night
 I'll squeeze her tight
 But we'll be kissin' cousins 'n that'll make it all right
 All right, all right, all right
 We'll be kissin' cousins that'll make it all right
 All right, all right, all right
 We'll be kissin' cousins that's what makes it all right
 All right, all right, all right

0.12.7 Kissin' Cousins (number 2)

((Words & music by Giant - Baum - Kaye))

Cousins, kissin' cousins

Kissin's allowed 'cos we're proud to be cousins

What's a little teasin', huggin' and a-squeezin'

Between us cousins.

Oh it's so great to be one big family

And we show it, yes we show it

You see, we never feud, we're a happy brood

Folks all know it, yes they know it

Cousins, kissin' cousins

Honey we dress and we mess

We're just cousins,

Cousins, kissin' cousins

Cousins, kissin' cousins

0.12.8 Known Only to Him

((Words & music by Stuart Hamblen))

Known only to him are the great hidden secrets
I'll fear not the darkness when my flame shall dim
I know not what the future holds
But I know who holds the future
It's a secret known only to Him

In this world of fear and doubt
On my knees I ask the question
Why a lonely, heavy cross I must bear
Then he tells me in my prayer
It's because I am trustworthy
He gives me strength far more than my share

Known only to him are the great hidden secrets
I'll fear not the darkness when my flame shall dim
I know not what the future holds
But I know who holds the future
It's a secret known only to Him

0.12.9 Ku-u-i-po

((words & music by Perretii - Creatore - Weiss))

Ku-u-i-po I love you more today
More today than yesterday
But I love you less today
Less than I will tomorrow

See the sweet Hawaiian rose
See it blossom see it grow
That's the story of our love
Ever since we said hello

As the years go passing by
We'll recall our wedding day
I will be there by your side
You will always hear me say

Ku-u-i-po, you're my Hawaiian sweetheart

0.13 L

0.13.1 (It's a) Long Lonely Highway

((words & music by Pomus - Shuman))

It's a long lonely highway when you're travellin' all alone
And it's a mean old world when you got no-one to call your own
And you pass through towns too small to even have a name, oh yes
But you gotta keep on goin', on that road to nowhere
Gotta keep on goin', though there's no-one to care
Just keep movin' down the line

It's a long lonely highway without her by my side
And it's a trail full of teardrops that keep on being cried
My heart's so heavy it's a low down dirty shame oh yes
You gotta keep on goin', on that road to nowhere
Gotta keep on goin', though there's no-one to care
Just keep movin' down the line

I gotta rock for my pillow 'neath a weeping willow
And the cool grass for my bed
My drinking water's muddy so don't you tell me buddy
That I wouldn't be better off dead
It's a long lonely highway gettin' longer all the time
And if she don't come and get me
Well, I'm gonna lose my mind
So if you read about me tell her she's the one to blame, oh yes
You gotta keep on goin', on that road to nowhere
Gotta keep on goin', though there's no-one to care
Just keep movin' down the line
Movin' down the line
Movin' down the line

0.13.2 Lady Madonna

(Words & music by Lennon - McCartney)

See how they run

Lady Madonna, children at your feet

Wonder how you manage to make ends meet

Saturday morning arrives without a suitcase

Sunday morning creep in like a nun

Friday's child forget to tie his suitcase

See how they run

Lady Madonna, children at your feet

Wonder if you're having fun making ends meet

0.13.3 Lawdy Miss Clawdy

(Words & music by Lloyd Price)

Well lawdy, lawdy, lawdy miss clawdy
Girl you sure look good to me
But please don't excite me baby
I know it can't be me

Well as a girl you want my money
Yeah but you just won't treat me right
You like to ball every morning
Don't come home till late at night

Oh gonna tell, tell my mama
Lord, I swear girl what you been to me
I'm gonna tell everybody that I'm down in misery

So bye, bye, bye, baby
Girl, I won't be comin' no more
Goodbye little darlin' down the road I'll go
So, bye, bye, bye baby
Girl, I won't be comin' no more
Goodbye little darlin' down the road I'll go

0.13.4 Lead Me, Guide Me

(words & music by Doris Akers)

Lead me oh Lord, won't you lead me
I am tired and I need Thy strength and power
To guide me over my darkest hour
For just open my eyes that I may see
Lead me oh Lord, won't you lead me

Lead me, guide me along the way
For if you lead me I cannot stray
Or just open my eyes that I may see
Lead me oh Lord, won't you lead me
I am lost if you take your hand from me
I am blind without try light to see

Lord just always let me Thy servant be
Lead me oh Lord, won't you lead me
Lead me, guide me along the way
For if you lead me I cannot stray

Lord just open my eyes that I may see
Lead me oh Lord, won't you lead me

0.13.5 Let It Be Me

(words & music by Curtis - Delanoë - Becaud)

God bless the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me

Each time we meet love,
I find complete love
Without your sweet love
Tell me, what would life be ?

So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me

0.13.6 Let Me

(Words & music by Vera Matson - Elvis Presley)

Whenever I dance with the girl I love
My head goes round and round
When she's close to me
I can't stay on the ground

Whenever I dance with the girl I love
I never have a care
All night I'm so light
I walk right on the air

Oh let me, oh honey let me
Let me do what you know I love to do
Please take another chance and let me
Let me have another dance with you

Whenever I feel those pretty arms
Reaching round about
That feeling goes to my toes
And all the lights go out, go out, go out

Whenever I see those eyes of blue
Smiling up so shy
I'm in such a spin I take right off and fly

So let me, oh honey let me
Let me do what you know I love to do
Please take another chance and let me
Let me have another dance with you

So let me dance in the arms I love
Thrill me through and through
I'm so drunk with love
That all I see is you

I never hear the music play
I never see the crowd
Only you and me
Dancing on a cloud

Oh let me, oh honey let me
Let me do what you know I love to do
Please take another chance and let me
Let me have, another dance, with you

0.13.7 Let Me Be There

(Words & music by J. Rostill)

Wherever you go
Wherever you may wonder in your life
Well surely you know, I always wanna be there
Holding your hand
And standing by to catch you when you fall
Seeing you through, in everything you do

I said let me be there in your morning
Let me be there in your night
Let me change whatever's wrong and make it right
Let me take you to that wonderland that only two can share
All I ask you, is let me be there

Watching you grow
And going through the changes in your life
That's how I know, I always wanna to be there
Whenever you feel you need a friend to lean on
Here I am
Whenever you call, you know I'll be there

I said let me be there in your morning
Let me be there in your night
Let me change whatever's wrong and make it right
Let me take you to that wonderland that only two can share
All I ask you, is let me be there

Let me be there in your morning
Let me be there in your night
Let me change whatever's wrong and make it right
Let me take you to that wonderland that only two can share
All I ask you, is let me be there

All I ask you is let me be there

I said let me be there in your morning
Let me be there in your night
Let me change whatever's wrong and make it right
Let me take you to that wonderland that only two can share
All I ask you, is let me be there
All I ask you is let me be there

0.13.8 Let Us Pray

(Words & music by B. Kaye - B. Weisman)

Come praise the Lord for He is good
Mmm come join in love and brotherhood
We'll hear the word and bring our gifts of bread and wine

So let us pray together, pray together
Pray with the one mighty voice (heavenly voice)
And let us sing together, sing together
Pray and we'll rejoice (we'll rejoice)

When strangers reach out for your hand (for your hand)
Respond to them and understand (heaven obeyed to understand)
We'll rise as one to calm the storm outside the gate (calm the storm)
With faith in Him we'll never leave (never leave)

So let us pray together, pray together
Pray with the one mighty voice (heavenly voice)
And let us sing together, sing together
Pray and we'll rejoice (we'll rejoice)

(We'll rejoice)
The love of God is on our side (love is, love is on our side)
We have the strength to move the tide (we'll move the tide)
The world will say so, there'll be peace and love for all (love for all)
And we must give our brothers love

So let us pray together, pray together
Pray with the one mighty voice (heavenly voice)
And let us sing together, sing together
Pray and we'll rejoice (we'll rejoice)

Love for all, love for all to the Lord
We'll rejoice love for all to the Lord
We'll rejoice love for all to the Lord
We'll rejoice for the Lord

0.13.9 Let Yourself Go

(Words & music by Joy Byers)

Well baby I'm gonna teach you what love's all about tonight
Trust me honey everything's gonna be all right
You gotta do like I do there ain't nothing to it
Listen to me baby anybody can do it
All you gotta do is just let yourself go

Now don't be afraid just relax and take it real slow
Cool it baby you ain't got no place to go
Just put your arms around me real tight
Enjoy yourself baby don't fight
All you gotta do is just let yourself go

All you need is just a little rehearsal
The first thing that you know
You'll be ready for the grand finale
So come on baby let's go
Let's go, let's go' let's go
Let's go

Take a real deep breath and put your warm red lips on mine
Just do like I tell you, everything's gonna be just fine
Kiss me nice and easy, take your time
Baby I'm the only one here in line
All you gotta do is just let yourself go
Let yourself go right now Yeh ! let yourself go
Let yourself go right now Yeh ! let yourself go
Yeh ! let yourself go

All you gotta do is just let yourself go

0.13.10 Let's Be Friends

(Words & music by Arnold - Morrow - Martin)

Don't be afraid, you and I were made the same little one
And I know what it's like when you feel left out of the game little one
But if you take this helping hand that I lift
Then we can smile together, let's be friends

The world that you see may seem to be a mystery to you
The night may be dark but hope very hard and dreams can come true
You live in silence but for once let's pretend
We're talking here together, let's be friends

You're not alone, I've always known that we'd get along
And someone I know says life is good and He can't be wrong
There's fun and laughter just waiting round the bend
Let's find them now together, let's be friends

Let's find them now together, let's be friends

0.13.11 Let's Forget About the Stars

(Words & music by Owens)

If you let the stars keep telling you
Who to love and not to love
You may never find contentment for your heart
You could go unloved forever and darling that means never
Surrender to love, let's forget about the stars

You say that stars have promised you true love ten thousand times
But here you are with a broken heart and mind
I can tell you want to love me from the beating in your heart
Surrender to love, let's forget about the stars

Let's forget about the stars, come follow me my dove
To a world just like the world that you've been dreaming of
Let's not wait too long for something might go wrong
Surrender to love, let's forget about the stars
Let's forget about the stars
Let's forget about the stars
Let's forget about the stars

0.13.12 Life

(words & music by Milete)

Somewhere out in empty space,
long before the human race,
Something stirred,
A vast and timeless source began,
Intelligence was born and then,
there was the world,
Powers filled the universe,
matter formed and broke the curse,
Of nothingness,
Love became an ageless soul,
nature reached her highest goal,
And breathed the breath of life,
Everlasting life.

Well creatures come from out of sight,
Daylight came from in the night,
and all was good,
Life became a masterplan,
Love produced the perfect man,
that understood,
The image of the makers word,
worshipped him with all he had,
But then one day,
From in the depths an evil seed,
grew and manufactured greed,
That changed the way of life,
Everlasting life,

Oh the loving power looked and saw,
Inside the heart of man a flaw,
began to grow,
Well, the fires of hell began to burn,
and so he sent his chosen son,
To let us know,
That love had surely made us all,
and hate would surely make us fall,
So from the cross,
Well he showed the world that dreadful day,
That love could be the only way,
or all is lost of life,
Everlasting life,
For life is love,
And love is life.

0.13.13 Like a Baby

(Words & music by Jesse Stone)

You gave me love to enjoy
Like a bright shiny toy to a baby
No matter what you would do
I depended on you like a baby

One thing I know I love you
Yes I loved you like a baby
It was a fool that you took
And I think 'cause you look like a baby

To lover's ways I was blind
'Cause I just had a mind like a baby
You're just a flirt
And I had to be her guide like a baby

I need you so, I need you so
The day I found I am alive
Then I broke down and cried like a baby
Well it was then I could see
You were playing with me like a baby
Well you can bet that some day
I'll forget just like a baby

0.13.14 Little Cabin on the Hill

(words & music by **Bill Monroe - Lester Flatt**)

Tonight I'm alone without you my dear
It seems that there's a longing for you still
Oh but I just keep it there so I won't be alone
In our little cabin on the hill

Oh someone has taken you from me
And left me here all alone
To listen to the rain beat on our window pane
In our little cabin on the hill

0.13.15 Little Darlin'

(Words & music by M. Williams)

Little darlin', little darlin'

Oh where, are you, oo oo oo oo

Walla walla chipa mocka mogga

Oh my lover, oh just for you, only you

My darling, I need you

Darling I need you to call my own

To hold your life, your little foot, your hand

I knew someone would understand that

Hold my hand

My dear, I would run

To find without you

Oo oo oo oo oo

Oh, oo oo oo

That my love was just for you, 'n only you

0.13.16 Little Egypt

(Words & music by Leiber - Stoller)

I went and bought myself a ticket and I sat down in the very first row
They pulled the curtain but then when they turned the spotlight way down low
Little Egypt came out a-struttin' wearin' nothin' but a button and a bow
Singing, ying-ying, ying-ying, ying-ying, ying-ying

She had a ruby on her tummy and a diamond big as Texas on her toe
She let her hair down and she did the hoochie-coochie real slow
When she did her special number on the zebra skin I thought she'd stop the show
Singing, ying-ying, ying-ying, ying-ying, ying-ying

She did her triple somersault and when she hit the ground
She winked at the audience and then she turned around
She had a picture of a cowboy tatoood on her spine
Said, Phoenix, Arizona 1949

Yeh, let me tell you people Little Egypt doesn't dance there anymore
She's too busy mopping and a-takin' care of shopping at the store
'Cos we've got seven kids and all day long they crawl around the floor
Singing ying-ying, ying-ying, ying-ying, ying-ying

0.13.17 Little Sister

(words & music by Doc Pomus - Mort Shuman)

Well, I dated your big sister
And took her to a show
I went for some candy
Along came Jim Dandy
And they snuck right out of the door

Ev'ry time I see your sister
Well she's got somebody new
She's mean and she's evil
Like that old Boll Weevil
Guess I'll try my luck with you

Well, I used to pull your pigtails
And pinch your turned-up nose
But you been a growin'
And baby, it's been showin'
From your head down to your toes

Little sister, don't you
Little sister, don't you
Little sister, don't you kiss me once or twice
Then say it's very nice
And then you run

Little sister, don't you
Do what your big sister done

0.13.18 Lonely Man

(Words & music by Benjamin - Marcus)

It's a lonely man
Who wanders all around
It's a lonely man
Who roams from town to town
Searchin', always searchin'
For something he can't find
Hopin', always hopin'
That some day fate will be kind

It's a lonely man
Who travels all alone
When he has no one
That he can call his own

Always so unhappy
Taking shelter where he can
Here I am
Come meet a lonely, lonely man

Always so unhappy
Taking shelter where he can
Here I am
Come meet a lonely, lonely man

Here I am
Come meet a lonely, lonely man

0.13.19 Lonesome Cowboy

(Words & music by Sid Tepper - Roy C. Bennett)

I am just a lonesome cowboy
And I'm travelling all alone
I ain't even got a nickel
To call my baby on the phone

Just beyond the mountain lies a city
And I hear it calling me
Saddle up and ride you lonesome cowboy
Here is where you'll find your destiny
In my dreams the lights shine bright and pretty
Near to me and yet so far
Will I always be a lonesome cowboy
Am I only reaching for a star

Ride. Ride, ride, ride along cowboy
Sing, sing, sing, sing a song cowboy

Will I ever leave this lonesome valley
Really see the lights that shine
Gotta find what lies beyond the mountain
Gotta rope and tie that dream of mine

I am just a lonesome cowboy
And I'm travelling all alone
If you don't call me baby
Then I'm never coming home

0.13.20 Long Black Limousine

(Words & music by V. Stovall - B. George)

There's a long line of mourners
Driving down our little street
Their fancy cars are such a sight to see, oh yea
They're all rich friends who knew you in the scene
And now they've finally brought you
Brought you home to me

When you left you know you told me
That some day you'd be returnin'
In a fancy car, all the town to see, oh yea,
Well now everyone is watching you
You finally had your dream, yea
You're ridin' in a long black limousine

You know the papers told of how you lost your life, oh yea
The party, the party and the fatal crash that night
Well the race along the highway, oh the curve you didn't see
When you're riding in that long black limousine

Through tear filled eyes I watch as you pass by oh yea
A chauffeur, a chauffeur at the wheel dressed up so fine
Well I never, I never, never, never
Oh my heart, all my dreams yea, they're with you
In that long black limousine

Yea, yea, they're with you in that long black limousine

Yea, yea, they're with you in that long black limousine

0.13.21 Long Legged Girl (With a Short Dress on)

(Words & music by McFarland - Scott)

All right

I've been thumbin' rides travellin' light

Walked the streets till past midnight

Trampin' roads, trails and lanes

Scaling cliffs fields and plains

Searchin' till the early dawn

For that long legged girl with the short dress on

Riding trucks, bikes and skis

Sailing lakes and brooks and seas

Driving wagons, cars and jeeps

Walking stilts in ten foot leaps

Searchin' till the early dawn

For that long legged girl with the short dress on

And everywhere I go she's been and gone

She's fine, it's just too bad she's the travellin' kind

So fine, I just can't rest till I make her mine

I've been from Maine to Tennessee, Mexico from Wahniki

Rain or shine, sleet or snow

Searchin' high, searchin' low

Everything depends upon

That long legged girl with the short dress on

She's fine, it's just too bad she's the travellin' kind

So fine, I just can't rest till I make her mine

I've been from Maine to Tennessee, Mexico from Wahniki

Rain or shine, sleet or snow

Searchin' high, searchin' low

Everything depends upon

That long legged girl with the short dress on

The long legged girl with the short dress on

0.13.22 Long tall Sally

(words & music by Johnson - Penniman - Blackwell)

Gonna tell Aunt Mary 'bout Uncle John
He says he has the blues but
He has a lotta fun
Oh baby, yes baby, whoo-oo-oo-oo baby
Havin' some fun tonight yeah well !

Long tall Sally has a lot on the ball
And nobody cares if she's long and tall
Oh baby, yes baby, whoo-oo-oo-oo baby,
I'm having me some fun tonight

Well, I saw uncle John
With long tall Sally
He saw Aunt Mary comin'
And he ducked back in the alley
Oh baby, yes baby, whoo-oo-oo-oo baby
I'm havin' some fun tonight

We've gonna have some fun tonight
Gonna have some fun tonight
We're gonna have some fun tonight
Everything will be all right
We're gonna have some fun
Gonna have some fun tonight

0.13.23 Look Out Broadway

(Words & music by Wise - Starr)

We never got discouraged, we never had a doubt
'Cos sooner or later talent must win out
Look out Broadway, we're comin' fast
Now we're gonna see our names in lights at last
No more hot dogs at Sloppy Joe's
We're gonna dine on steak and wine at Del Monaco's
Rich or poor it's great to have dough
That's one thing we know
Lots of fun, lots of laughs
Signing cheques and contracts and autographs
We're up for N-E-W Y-O-R-K
Look out, look out Broadway

I wanna see all the hustle and bustle
Maybe I can get a date with Lilian Russell
I want to go out with Diamond Jim
Yeh, if he gives you a diamond what will you give to him
Blow the trumpets and beat on the drum
Big time here we come
No more cheap hotels and one night stands
We'll knock Tin Pan Alley flat on its pans
They'll see that we've got class with a capital K
Look out, look out Broadway
Look out !

0.13.24 Love Coming Down

(Words & music by Jerry Chesnut)

I remember how your eyes used to light up
Over promises that I made
But for the first time in my life
I know now how it feels to be afraid
I don't know what I'd do if you go away
This would sure be one lonely old town
For a man's so busy going up in the world
That he couldn't see love coming down
Love coming down

I remember all the times you told me
Love's all that matters to you
And looking back now, wondering how I believed
I had things more important to do
I can see how I must have looked to you
Like some fool on a merry-go-round
And that a man's so busy going up in the world
That he couldn't see love going down
Love going down

Can't you see how everything I've learned
Would just be wasted if you leave me
If you just give one more try
I swear I'll always be here when you need me
If you can find it in your heart to forgive me
I'll try to keep both my feet on the ground
But if a man's so busy going up in the world
That he couldn't see love coming down
Love coming down

0.13.25 Love Letters

(words & music by Heyman - Young)

Love letters straight from your heart
Keep us so near while apart
I'm not alone in the night
When I can have all the love you write

I memorize ev'ry line
I kiss the name that you sign
And darlin, then I read again right from the start
Love letters straight from your heart

0.13.26 Love Me

(words & music Jerry Leiber - Mike Stoller)

Treat me like a fool,
Treat me mean and cruel,
But love me.

Wring my faithful heart,
Tear it all apart,
But love me.

If you ever go,
Darling, I'll be oh so lonely
I'll be sad and blue,
Crying over you, dear only.

I would beg and steal
Just to feel your heart
Beatin' close to mine

Well, if you ever go,
Darling, I'll be oh so lonely
I'll be sad and blue,
Crying over you, dear only.

I would beg and steal
Just to feel your heart
Beatin' close to mine

Well, if you ever go,
Darling, I'll be oh so lonely
Beggin' on knees,
All I ask is please, please love me
Oh yeah

0.13.27 Love Me Tender

(words & music by Vera Matson - Elvis Presley)

Love me tender,
love me sweet,
never let me go.
You have made my life complete,
and I love you so.

Love me tender,
love me true,
all my dreams fulfilled.
For my darlin' I love you,
and I always will.

Love me tender,
love me long,
take me to your heart.
For it's there that I belong,
and we'll never part.

Love me tender,
love me dear,
tell me you are mine.
I'll be yours through all the years,
till the end of time.

(When at last my dreams come true
Darling this I know
Happiness will follow you
Everywhere you go).

0.13.28 Love Me Tonight

(Words & music by Don Robertson)

May this tenderness cling
When the fire of Spring
Is a memory
May you still be my own
When a hundred years have flown

But if it can't be
Give this moment to me
While our dream is bright
Put your sweet arms around me
And love me tonight

Love me tonight
Let me feel your lips on mine
And though I pray
Forever and a day I'll be
Possessing you

I'll confess to you
If I knew that our love would be gone
With the stars in the dawn's grey light
I'd still hold you close and whisper
Love me tonight

0.13.29 Love Me, Love the Life I Lead

(Words & music by MaCauley - Greenaway)

I am not a wise man neither am I a fool
But what I am the way the good Lord made me
Though I need you more than you may ever understand
I can't wear a face that will betray me

Oh, If you're gonna love me, love the life I lead
Need the things I need, don't try to change me
If you're gonna take me, take me for what I am
I can't be another man, I can't be free
'Cos The life I lead is the life I lead

Money in my pocket never seems to last too long
I've gambled on the way and drowned my sorrows
Though God knows I can't pretend it's better on my own
I can't promise you a new tomorrow

Oh, If you're gonna love me, love the life I lead
Need the things I need, don't try to change me
If you're gonna take me, take me for what I am
I can't be another man, I can't be free
'Cos The life I lead is the life I lead

0.13.30 Love Song of the Year

(Words & music by Christian)

I used to laugh when I should cry
I used to let these feelings pass me by
But now that I believe them
I got no-one to leave them to me
You see I traded love for what I thought must be free

So I confess my loneliness
And I guess I've lost the best of the year
That I have lost it through my fingers like a golden breath of air
If I cared I wouldn't be singing this love song of the year

I know the time cannot erase the days
Love is past and I've gone away
From now on I'll make it very clear
Cos' I don't want to write
Another love song of the year

It's a lonely song and not too clear
But to me it's very dear
I guess this song can only be
My feelings went out in the sea of love
To me this has got to be the love song of the year

I know the time cannot erase the days
Love is past and I've gone away
From now on I'll make it very clear
Cos' I don't want to write
Another love song of the year

I used to laugh I used to cry
I used to laugh, these feelings passed me by
From now on I'll make it very clear cos' I don't want to write
Another love song of the year

0.13.31 Lover Doll

(Words & music by Wayne - Silver)

Lover doll, oh lover doll
Lover doll, lover doll
You're the cutest lover doll
That I ever did ever see
Let me tell you lover doll
You were meant, just meant for me

On the first time that I saw you
How I fell for your cuddly charms
Lover doll I'm crazy for you
Let me rock you in my arms

I'm so glad I found you
Never thought dollies came full grown
I'm gonna tie a ribbon around you
Wrap you up and take you home

I would never treat you badly
Like a cast away broken toy
Lover doll I love you madly
Let me be your lover boy

I'm so glad I found you
Never thought dollies came full grown
I'm gonna tie a ribbon around you
Wrap you up and take you home

I would never treat you badly
Like a cast away broken toy
Lover doll I love you madly
Let me be your lover boy

Lover doll, lover doll
Lover doll, lover doll
Lover doll, lover doll
Let me be your lover boy

Lover doll, lover doll
Lover doll, lover doll
Lover doll, lover doll
Let me be your lover boy
Let me be your lover boy
Let me be your lover boy

0.13.32 Lovin' Arms

(words & music by Tom Jans)

If you could see me now
The one who said that he would rather roam
The one who said he'd rather be alone
If you could only see me now

If I could hold you now
Just for a moment, if I could really make you mine
Just for a while turn back the hands of time
If I could only hold you now

'Cause I've been too long in the wind
Too long in the rain
Takin' any comfort that I can
Looking back and longing for the freedom of my chains
And lying in your lovin' arms again

If you could hear me now
Singin' somewhere in the lonely night
Dreaming of the arms that hold me tight
If you could only hear me now

'Cause I've been too long in the wind
Too long in the rain
Takin' any comfort that I can
Looking back and longing for the freedom of my chains
And lying in your lovin' arms again

I can almost feel your lovin' arms again.

0.13.33 Loving You

(words & music by Jerry Leiber - Mike Stoller)

I will spend my whole life through
loving you, loving you.
Winter, summer, spring-time, too,
loving you, loving you.
Makes no difference where I go or what I do.
You know that I'll always be loving you.

If I'm seen with someone new,
don't be blue, don't be blue.
I'll be faithful I'll be true ;
always true, true to you.
There is only one for me, and you know who.
You know that I'll always be loving you.

0.14.2 Make Me Know It

(Words & music by Otis Blackwell)

You say that you love me
And swear it to be true
But if you care to come over here
And make me know it do
Come on now, make me know it
Then go ahead and show it
But if you care to come over here
And make me know it do

You say you've got kisses
And swear that they're brand new
I think that's fine if you ain't lyin'
But make me know it do
Come on now, make me know it
Then go ahead and show it
I think that's fine if you ain't lyin'
But make me know it do

You won't have no trouble proving it to me
Come right along you'll find me
Helpful as can be

You say you wanna hold me
And stick to me like glue
Well hearing's deceiving
And seeing's believing
Make me know it do
Come on now, make me know it
Well go ahead and show it
I say hearing's deceiving
Seeing's believing
Make me know it do

You won't have no trouble proving it to me
Come right along you'll find me
Helpful as can be

You say you wanna hold me
And stick to me like glue
Well hearing's deceiving
And seeing's believing
Make me know it do
Come on now, make me know it
Well go ahead and show it
I say hearing's deceiving
Seeing's believing
Make me know it do

Oh make me know it
Then go ahead and show it
Make me know it
Then go ahead and show it

0.14.3 Make the World Go Away

(words & music by Hank Cochran)

Make the world go away
Get it off my shoulder
Say the things we used to say
And make the world, make it go away

Do you remember when you loved me
Before the world took you away
Well if you do, then forgive me
And make the world, make it go away

Make the world go away
Get it off my shoulder
Say the things we used to say
And make the world, make it go away

Now I'm sorry if I hurt you
Let me make it up to you day by day
And if you will please forgive me
And make the world, make it go away

Make the world go away
Get it off my shoulder
Say the things we used to say
And make the world, make it go away

0.14.4 Mama

(Words & music by O'Curran - Brooks)

An angel sent from above, is Mama
And everyone fell in love, with Mama
Mama's so sweet, Mama's so nice
If there is trouble take Mama's advice

There's no-one I hold so dear, as Mama
I always want to be near...

Mama....

0.14.5 Mama Liked the Roses

(Words & music by J. Christopher)

Oh, mama liked the roses she grew them in the yard
But Winter always came around and made the growing way too hard
Oh, mama liked the roses and when she had the time
She'd decorate the living room, for all us kids to see
When I hear the Sunday bells ringing in the morning
I remember crying when she used to sing
Oh, mama liked the roses but most of all she cared
About the way we learned to live
And if we said our prayers

You know I kept the family bible
With a rose that she saved inside
It was pressed between the pages
Like it had found a place to hide

Oh, mama liked the roses in such a special way
We bring them every Mother's Day
And put them on her grave
Oh, mama liked the roses Mmmm
Mama liked the roses

0.14.6 Mansion over the Hilltop

(Words & music by Ira Stamphill)

I'm satisfied with just a cottage below
A little silver and a little gold
But in that city where the ransomed will shine
I want a gold one that's silver lined

I've got a mansion just over the hilltop
In that bright land where we'll never grow old
And some day yonder we will never more wander
But walk on streets that are purest gold

Don't think me poor or deserted or lonely
I'm not discouraged I'm heaven bound
I'm but a pilgrim in search of the city
I want a mansion, a harp and a crown

I've got a mansion just over the hilltop
In that bright land where we'll never grow old
And some day yonder we will never more wander
But walk on streets that are purest gold

0.14.7 Marguerita

(Words & music by Don Robertson)

Who makes my heart beat like thunder ?
Who makes my temperature rise ?
Who makes me tremble with wonderful rapture
With one burning glance, from her eyes

Marguerita...

Once I was free as a gypsy
A creature too wild to tame
Then suddenly I saw, Marguerita
And I was caught, like a moth in the flame

Marguerita...is her name

Marguerita...

Her lips have made me her prisoner
A slave to her every command
She captivates me, and intoxicates me
With one little touch of her hand

Marguerita....

Sweet...Marguerita...sweet,sweet Marguerita....

0.14.8 Mary in the Morning

(words & music by Cymbal - Rashkow)

Nothing's quite as pretty as Mary in the morning
When through the sleepy haze I see her lying there
Soft as the rain that falls on summerflowers
Warm as the sunlight shining on her head

When I awake and see her there so close beside me
I want to take her in my arms,
The ache is there so deep inside me

Nothing's quite as pretty as Mary in the morning
Chasing the rainbow in her dreams so far away
And when she turns to touch me I kiss her fingers so softly
And then my Mary wake to love and love again

And Mary's there in summer days or stormy weather
She doesn't care how right or wrong the love we share,
We share together

Nothing's quite as pretty as Mary in the evening
Kissed by the shade of night and starlight in her hair
And as we walk, I hold her close beside me
All our tomorrows for a lifetime we will share

0.14.9 Mary Lou Brown

(Words & Music Red West)

I'll hold you tight in the moonlight tonight
I love you Mary Lou Brown
Twinkeling stars told the milky white way
That I marry Mary Lou Brown
And I will tell all the world
Of my young Southern girl,
See her tonight beyond moonlight
So I can hold Mary tight
I'll bring my guitar to the moonlight tonight
I love you Mary Lou Brown
Imagine your heart floating right up the sigh (?)
I love you Mary Lou Brown
Down by the green river side with my arms open wide
I'll wait for her, only for her
Mary Lou Brown's mine tonight
Mary Lou Brown's mine tonight

0.14.10 Maybellene

(Words & music by Chuck Berry)

Maybellene, why can't you be true ?
Oh Maybellene, why can't you be true ?
You've started back doing the things you used to do.

As I was motivatin' over the hill
I saw Maybellene in a coup de ville.
A Cadillac a-rollin' on the open road,
Nothin' will outrun my V8 Ford.
The cadillac doin' 'bout ninety-five,
She's bumper to bumper rollin' side by side.

Maybellene, why can't you be true ?
Oh Maybellene, why can't you be true ?
You've started back doing the things you used to do.

The cadillac moved to a hundred and four
got hot and wouldn't do no more
It got cloudy and started to rain
Tooted my horn in the passing lane
The rain water blowin all under my hood
I knew that was doin' my motor no good

Maybellene, why can't you be true ?
Oh Maybellene, why can't you be true ?
You've started back doing the things you used to do.

Maybellene, why can't you be true ?
Oh Maybellene, why can't you be true ?
You've started back doing the things you used to do.

The motor cooled down, the heat went down
And that's when I heard that highway sound.
The Cadillac a-sittin' like a ton of lead
A hundred and ten a half a mile ahead.
The Cadillac lookin' like it's sittin' still
And I caught Mabelene at the top of the hill.

Maybellene, why can't you be true ?
Oh Maybellene, why can't you be true ?
You've started back doing the things you used to do.
You've started back doing the things you used to do.

0.14.11 Mean Woman Blues

(words & music by Claude DeMetrius)

I got a woman,
Mean as she can be
I got a woman,
Mean as she can be
Sometimes I think
She's almost mean as me

A black cat up and died of fright
'Cause she crossed his path last night
Oh, I got a woman
Mean as she can be
Sometimes I think
She's almost mean as me

She kiss so hard, she bruise my lips
Hurts so good, my heart just flips
Oh, I got a woman
Mean as she can be
Sometimes I think
She's almost mean as me

The strangest gal I ever had
Never happy 'less she's mad
Oh, I got a woman
Mean as she can be
Sometimes I think
She's almost mean as me

She makes love without a smile
Ooh, hot dog that drives me wild
Oh, I got a woman
Mean as she can be
Sometimes I think
She's almost mean as me

0.14.12 Memories

(words & music by **Bill Strange - Scott Davis**)

Memories, pressed between the pages of my mind
Memories, sweetened thru the ages just like wine

Quiet thought come floating down
And settle softly to the ground
Like golden autumn leaves around my feet
I touched them and they burst apart with sweet memories,
Sweet memories

Of holding hands and red bouquets
And twilight trimmed in purple haze
And laughing eyes and simple ways
And quiet nights and gentle days with you

Memories, pressed between the pages of my mind
Memories, sweetened thru the ages just like wine,
Memories, memories, sweet memories

0.14.13 Memphis Tennessee

(Words & music by Chuck Berry)

Long distance information give me Memphis, Tennessee
Help me find the party trying to get in touch with me
She could not leave her number but I know who placed the call
My uncle took the message and he wrote it on the wall

Help me information to get in touch with my Marie
She's the only one who'd phone me here from Memphis, Tennessee
Her home is on the southside, high upon a ridge
Just a half a mile from the Mississippi bridge

Help me information more than that I cannot add
Only that I miss her and all the fun we had
But we were pulled apart because her mom did not agree
Tore apart our happy home in Memphis, Tennessee

The last time I saw Marie she was waving me goodbye
With hurry home drops on her cheek that trickled from her eye
Marie is only six years old, Information please
Try to put me through to her in Memphis, Tennessee

While you're standing beneath the mistletoe

I said, merry, merry, merry, merry Christmas baby
You sure did treat me nice
Yes, you did, yes, you did
Yes, you did, yes, you did
I said merry, merry Christmas baby
Sure did treat me nice
Gave me diamond ring for Christmas
Now I'm puttin' it through Al's mike

0.14.16 Milkcow Blues Boogie**(words & music by K. Arnold)**

Well, I woke up this morning,
 And I looked out the door.
 I can tell that old milk cow
 By the way she lowed.

Hold it fellows, that don't move me.
 Let's get real, real gone for a change.

Well, I woke up this morning
 And I looked out the door
 I can tell that that old milk cow
 I can tell the way she lowed.

Well, if you've seen my milk cow,
 Please ride her on home.
 I ain't had no milk or butter
 Since that cow's been gone.

Well, I tried to treat you right,
 Day by day.
 Get out your little prayer book
 Get down on your knees and pray.
 For you're gonna need,
 You're gonna need your loving daddy's help someday.
 Well, then you're gonna be sorry
 For treating me this way.

Well, believe me, don't that sun look good going down?
 Well, believe me, don't that sun look good going down?
 Well, don't that old moon look lonesome
 When your baby's not around.

Well, I tried everything to get along with you.
 I'm gonna tell you what I'm going do.
 I'm gonna quit my crying, I'm gonna leave you alone.
 If you don't believe I'm leaving, you can count the days I'm gone.
 I'm gonna leave.
 You're gonna need your loving daddy's help someday.
 Well, you're gonna be sorry
 You treated me this way.

0.14.17 Milky White Way

(Arranged and adapted by Elvis Presley)

Yes I'm gonna walk on the milky white way
Oh Lord some of these days
I'm gonna walk that milky white way
Some of these days well well well well
I'm gonna walk up and take my stand
Gonna join that Christian band
I'm gonna walk on that milky white way
Oh Lord, some of these days

I'm gonna tell my mother howdy, howdy,
Howdy when I get home
Yes, I'm gonna tell my mother howdy,
When I get home well well well well
I'm gonna shake my mother's hand
I will shake her hands that day
That's when we walk on the milky white way
On some of these days

I'm gonna meet god the father and god the son
Yes, I'm gonna meet god the father and god the son
Well well well well
I'm gonna sit down and tell Him my troubles
About the world that I just came from
That's when we walk on the milky white way
Oh Lord, on some of these days

0.14.18 Mine

(Words & music by Tepper - Bennett)

That beats for only you
Mine is a love that always will be true
For ever more, beyond the end of time

For ever more, beyond the end of time
I will be your love, promise you'll be mine

0.14.19 Miracle of the Rosary

(Words & music by L. Deanson)

Oh blessed mother we pray to thee
Thanks for the miracle of your rosary
Only you can hold back
Your holy son's hand
Long enough for the whole world to understand

Hail, Mary full of grace
The Lord is with thee
Blessed are thou among women
And blessed is the fruit of thy womb, Jesus
Oh holy Mary dear mother of God
Please pray for us sinners
Now and at the hour of our death
And give thanks once again
For the miracle of your rosary

0.14.20 Mirage

(Words & music by Giant - Baum - Kaye)

Is your love darling just a mirage ?
From the distance, you call to me like an oasis
Though your kisses, keep drawing me near
Is your love a mirage that will disappear ?

Like a man in the desert, I'm lost
Is this dream just a trick of my imagination
Though I thirst for your lips, night and day
Is your love a mirage that will fade away ?

How I pray, heaven answered my prayer
When I reach out for you, You'll be there
In the search for my love will be through
Like a dream a mirage, will come true
How I pray, heaven answered my prayer
When I reach out for you, You'll be there
In the search for my love will be through
Like a dream a mirage, will come true

A mirage, a mirage, a mirage

0.14.21 Mona Lisa

(Words & music by J. Livingston - R. Evans)

Mona Lisa, Mona Lisa, man have named you
You're so like the lady with the mystic smile
Is it only 'cause you're lonely man have blamed you
For that Mona Lisa strangeness in your smile
Do you smile to tempt a lover Mona Lisa
Or is it your way to hide a broken heart

Many dreams have been brought to your doorstep
They just lie there and they die there
Are you warm, are you real Mona Lisa
Or just a cold and lonely lovely work of art

La la la la.....

For that Mona Lisa strangeness in your smile
Do you smile to tempt a lover Mona Lisa
Or is it your way to hide a broken heart

Many dreams have been brought to your doorstep
They just lie there and they die there
Are you warm, are you real Mona Lisa
Or just a cold and lonely lovely work of art

0.14.22 Money Honey

(words & music by J. Stone)

You know, the landlord rang my front door bell.
I let it ring for a long, long spell.
I went to the window,
I peeped through the blind,
And asked him to tell me what's on his mind.
He said,

Money, honey.
Money, honey.
Money, honey, if you want to get along with me.

Well, I screamed and I hollered,
I was so hard-pressed.
I called the woman that I loved the best.
I finally got my baby about half past three,
She said I'd like to know what you want with me.
I said,

Money, honey.
Money, honey.
Money, honey,
If you want to get along with me.

Well, I said tell me baby, what's wrong with you ?
From this day on our romance is through
I said, tell me baby, face to face
How could another man take my place ?
She said,

Money, honey.
Money, honey.
Money, honey,
If you want to get a long with me.

Well, I've learned my lesson and now I know
The sun may shine and the winds may blow.
The women may come and the women may go,
But before I say I love you so,
I want

Money, honey.
Money, honey.
Money, honey,
If you want to get along with me.

0.14.23 Moody Blue

(words & music by Mark James - Elvis Presley)

Well, it's hard to be a gambler
Bettin' on the number
That changes ev'ry time
Well, you think you're gonna win
Think she's givin' in
A stranger's all you find
Yeah, it's hard to figure out
What she's all about
That she's a woman through and through
She's a complicated lady, so color my baby moody blue,

Oh, Moody blue
Tell me am I gettin' through
I keep hangin' on
Try to learn the song
But I never do
Oh, Moody blue,
Tell me who I'm talkin' to
You're like the night and day
And it's hard to say
Which one is you.

Well, when Monday comes she's Tuesday,
When Tuesday comes she's Wednesday,
Into another day again
Her personality unwinds
Just like a ball of twine
On a spool that never ends
Just when I think I know her well
Her emotions reveal,
She's not the person that
I though I knew
She's a complicated lady, so color my baby moody blue,

Oh, Moody blue
Tell me am I gettin' through
I keep hangin' on
Try to learn the song
But I never do
Oh, Moody blue,
Tell me who I'm talkin' to
You're like the night and day
And it's hard to say
Which one is you.

0.14.24 Moonlight Swim

(words & music by Sylvia Dee- Ben Weisman)

Let's go on a moonlight swim
Far away from the crowd
All alone upon the beach
Our lips and our arms
Close within each other's reach
Will be on a moonlight swim

Let's go on a moonlight swim
To the raft we can race
After just a little while
I'll sit and pretend
That you're on a desert isle
With me on a moonlight swim

Though the air is cold
With kisses oh so sweet
I'll keep you warm
So very warm from head to you feet

Let's go on a moonlight swim
We're in love and above
There's a crazy balloon
That sits winking down
And inviting us to come on in
On a moonlight swim

0.14.25 Mr. Songman

(Words & music by Donnie Summer)

Here's another dime for you, Mr. Songman
Sing the loneliness of broken dreams away, if you can
Yes it's only me and you, Mr. Songman
Take away the night sing away my hurt, Mr. Songman

In your ivory covered house, safe behind your walls of glass
You keep staring back at me like a memory from the past
Won't you sing me away to a summer night
Let me hold you in my arms again
I know memory's not re-living
But at least it's not the end

Here's another dime for you Mr. Songman
Sing the loneliness of broken dreams away, if you can
Yes it's only me and you, Mr. Songman
Won't you take away the night, sing away my hurt, Mr. Songman

Won't you sing me away to a summer night
Let me hold her in my arms again
Take away the night sing away my hurt, Mr. Songman

0.14.26 My Babe

(words & music by Dixon)

Well, my babe don't stand no cheating, my babe
Well, my babe don't stand no cheating, my babe
You know, my babe don't stand no cheating
She don't, she don't, she don't, oh, God
My babe, I know she loves me, my babe

Well, my babe, I know she loves me, my babe
Well, my babe, I know she loves me, my babe
Well, my babe, I know she loves me
She don't do nothing but kiss and love me
My babe, I know she loves me, my babe

0.14.27 My Baby Left Me

(words & music by Arthur Crudup)

Yes my baby left me,
never said a word.
Was it something I done,
something that she heard ?

My baby left me,
my baby left me.
My baby even left me,
never said a word.

Now I stand at my window,
wring my hands and cry.
I hate to lose that woman,
hate to say goodbye.

You know she left me,
yes, she left me.
My baby even left me,
never said a word.

Baby, one of these mornings,
Lord, it won't be long,
You'll look for me and,
Baby, and daddy he'll be gone.

You know you left me,
you know you left me.
My baby even left me,
never said a word.

Now, I stand at my window,
wring my hands and moan.
All I know is that
the one I love is gone.

My baby left me,
you know she left me.
My baby even left me,
never said a word.

0.14.28 My Boy

(words & music by **Claude Francois - Jean Pierre Bourtayre - Bill Martin - Phil Coulter**)

You're sleeping son, I know
But, really, this can't wait
I wanted to explain
Before it gets too late
For your mother and me
Love has finally died
This is no happy home
But God knows how I've tried

Because you're all I have, my boy
You are my life, my pride, my joy
And if I stay, I stay because of you, my boy

I know it's hard to understand
Why did we ever start ?
We're more like strangers now
Each acting out a part
I have laughed, I have cried
I have lost every game
Taken all I can take
But I'll stay just the same

Because you're all I have, my boy
You are my life, my pride, my joy
And if I stay, I stay because of you, my boy
Sleep on, you haven't heard a word

Perhaps it's just as well
Why spoil your little dreams
Why put you through the hell
Life is no fairytale
As one day you will know
But now you're just a child
I'll stay her and watch you grow

Because you're all I have, my boy
You are my life, my pride, my joy
And if I stay, I stay because of you, my boy

0.14.29 My Desert Serenade

(Words & music by Stan Gelber)

Come here my serenade, my desert serenade
A lover's melody, to bring you close to me
It's a tender lullaby, born of golden sand and sky
The song is new, and it's calling you

Tonight beside the desert palms
Come let me take you in my arms

Come here my serenade, my desert serenade
Wherever lovers dwell, it weaves it's magic spell
Soon a thousand dreams will start,
And romance will fill your heart
My lips conceal, love that's warm and real

Give me a chance to hold you near
You'll see a brand new world appear
So come and hear, my desert serenade, my desert serenade,
My desert serenade

0.14.30 My Happiness

(Words & music by Peterson - Bergantine)

Evening shadows make me blue
When each weary day is through
How I long to be with you
My happiness

Every day I reminisce
Dreaming of your tender kiss
Always thinking how I miss
My happiness

A million years it seems
Have gone by since we shared our dreams
But I'll hold you again
There'll be no blue memories then

Whether skies are grey or blue
Any place on earth will do
Just as long as I'm with you
My happiness

A million years it seems
Have gone by since we shared our dreams
But I'll hold you again
There'll be no blue memories then

Whether skies are grey or blue
Any place on earth will do
Just as long as I'm with you
My happiness

0.14.31 My Heart Cries for You

(Words & music by Sigman - Faith)

If you're in Arizona, I'll follow you
If you're in Albuquerque, I'll be there too
We'll have a little chance to start a-new
Because my love is endless for you

My heart cries for you
Sighs for you, dies for you
My arms long for you
Please come back to me
An unimportant quarrel
Is what we had

We have to learn to live with the good and bad
Come together da da da la dum....
This loneliness is driving me mad

My heart cries for you
Sighs for you, dies for you
My arms long for you
Please come back to me

My heart cries for you
Sighs for you, dies for you
My arms long for you
Please come back to me
Please come back, come back, come back to me

0.14.32 My Little Friend

(Words & music by Shirl Milete)

My warped and worried mind resortd
To wandering off to ponder things I never talk about
A pretty girl I used to know but wouldn't know if we met face to face
And defying every logic known
I wish all the time machine could take me back again
To the wonder of my first love, the old folks tease me 'bout
Referring to her only as my little friend

Somewhere far away and maybe not so far away
The child has grown into a woman of the world
I assume just knowing that she knew so much of life at such a tender age
I learned from her the whispered things the big boys at the pool hall talk about
The thrill and disappointment, fear and shame that first love brings
But oh, how I thought I loved my little friend

The fragrance of the green grass mingled with the scent of love and warming earth
The moonlight night I kissed and cried and swore I'd never touch another girl
But time moved fast and I moved on and I loved others time and time again
But with each time I thought of her and always gave a little more
Assembled love and remembrance for my little friend
Oh-oh-oh assembled love and remembrance for my little friend
Oh-oh-oh assembled love and remembrance for my little friend
Oh-oh-oh assembled love and remembrance for my little friend

0.14.33 My Way

(words & music by Anka - Francois - Revaux)

And now the end is near
So I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm certain

I've lived a life that's full
I've traveled each and every highway
And more, much more than this
I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exception

I planned each charted course
Each careful step along the byway
Oh, and more, much more than this
I did it my way

Yes, there were times, I'm sure you know
When I bit off more than I could chew
But through it all when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way

I've loved, I've laughed and cried
I've had my fails, my share of losing
And now as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
Oh, no, no not me
I did it my way

For what is a man, what has he got
If not himself, then he has not
To say the words he truly feels
And not the words he would reveal
The record shows I took the blows
And did it my way
The record shows I took the blows
And did it my way

0.14.34 My Wish Came True

(Words & music by Hunter)

My wish came true
When I met you
I've searched and searched
My whole life through

There's just one thing
Dear before we start
Don't say you care
Then break my heart

When you speak of love
Please be sincere
For if you play with love
It can bring tears my dear

My wish came true
To my surprise
When you stood there before my eyes

And when my heart
Started beating fast
T'was then I knew
I found true love at last

0.14.35 Mystery Train

(words & music by H. Parker - S. Philips)

Train I ride, sixteen coaches long
Train I ride, sixteen coaches long
Well that long black train got my baby and gone

Train train, comin' 'round, 'round the bend
Train train, comin' 'round the bend
Well it took my baby, but it never will again (no, not again)

Train train, comin' down, down the line
Train train, comin' down the line
Well it's bringin' my baby, 'cause she's mine all, all mine
(She's mine, all, all mine)

0.15 N

0.15.1 Never Again

(Words & music by Billy Edd Wheeler - Jerry Chesnut)

I hope I never ever love anyone this much again
I can't take it anymore, I've been hurt before
Never ever quite like this time

What will become of me when you're no longer here
If I can't stop loving you, what am I to do
You'll be free but where will I be

Now that I'm used to love, how can I stand alone
Now that love has come and gone, like the ending of a song
A song my lonely heart keeps singing

Where do I go from here, will I get over you
If so, next time I'll be smart, I'll know before I start
A heart that don't care, don't get broken

I hope I never ever love anyone this much again
Never ever, never again
Never again

0.15.2 Never Been to Spain

(words & music by Hoyt Axton)

Well I've never been to Spain
But I kinda like the music
Say the ladies are insane there
And they sure know how to use it
The don't abuse it
Never gonna lose it
I can't refuse it

Well, I've never been to England
But I kind of like the Beatles
So I headed for Las Vegas
Only made it out to Needles
Can you feel it
Must be weary
Oh so good... oh feel so good

Well I've never been to heaven
But I've been in Oklahoma
Well, they tell me I was born there
But I really don't remember
In Oklahoma or Arizona
What does it matter
What does it matter

0.15.3 Never Ending

(Words & music by Kaye - Springer)

Walk down to the beach at sunset
Look as far as you can see
You will find that endless ocean
And that's how my love will always be

I bring you never ending, never ending
never ending, never ending
never ending, never ending love

Look up at the sky at midnight
Gaze up on the starlit view
Just as heaven has no boundaries
Neither does my love for you

I bring you never ending, never ending
never ending, never ending
never ending, never ending love
Never ending love
Never ending love
Never ending love
Never ending love

0.15.4 Never Say Yes

(Words & music by Pomus - Shuman)

Look out now I'm runnin' wild
There ain't no holding back this child
I guess you'd say I'm a son of a gun
Livin' just for a life of fun
Here's the secret of my success
Never say yes. No, no, never say yes

Life has taught me one big lesson
Always keep the girlies guessin'
Tell 'em that you love them so
You hate to leave but you gotta go
That's the secret of my success
Never say yes. No, no, never say yes

It's the oldest scheme in the world
And you gotta know how to play it
Tell her yes in so many ways
And never ever say it
That's how I keep goin' on
Here today tomorrow gone
That's the kind of life for me
Being free like I want to be
Here's the secret of my success
Never say yes. No, no, never say yes

It's the oldest scheme in the world
And you gotta know how to play it
Tell her yes in so many ways
And never ever say it
That's how I keep goin' on
Here today tomorrow gone
That's the kind of life for me
Being free like I want to be
Here's the secret of my success
Never say yes. No, no, never say yes
No, no, never say yes

0.15.5 New Orleans

(Words & music by Tepper - Bennett)

You'll never know
What heaven means
Until you've been down to New Orleans
You ain't been livin' till you cuddle and coo
With some black-eyed baby by de old bayou

You've never seen
You've never seen those Cupid doll queens
Like they got 'em in New Orleans
And, ooh, they love you like no-one can
It makes you awful glad that you were born a man.

If-if-if you ain't been there
Then you ain't been nowhere
The livin's lazy and the lovin's fine
If you feel low down
So help me Hannah
You should lose the blues in Loui-si-i-si-ana.

Get the lead
Get the lead out of your jeans
And hot foot it down, hot foot down to where ?
New Orleans
Louisiana baby tells you stay awhile
Live it up, love it up, southern style
Way down in New New Orleans.

0.15.6 Night Life

(Words & music by Giant - Baum - Kaye)

Oh the neons are a gleamin' and the gamblers are a dreamin'
Oh it's night life, yeh! night life
The chips are a spillin' and it's time to make a killin'
Oh it's night life, yeh! night life
Oh the pockets are a-burnin' and the money flies
With dice roll a-turnin' and you'll hit snakes eyes
You can't be a quitter when you're caught up in the glitter of
Night life night life

There're long legged women who will take you for a trimmin' yes it's night life
Oh night life.
Their lips taste like honey but they're out to spend your money
Yes it's night life. Oh yeh!
Just roll that seven and you'll hear them shriek
When seven come eleven it's a lucky streak
You can't beat the drama, the excitement and the glamour
Of the night life, I said that night life

So place your bet, come on make your play
Though you may regret it at the break of day
I said you can't be a quitter when you're caught up in the glitter of
Night life night life
Yeh! that night life, good ol' night life
Night life, yes, yes, night life, oh night life

0.15.7 Night Rider

(words & music by Doc Pomus - Mort Shuman)

Night rider, night rider
You may think that it's the breeze
Whispering through the lonely trees
But it's only him a'flying round the bend
As the day comes to that end

Night rider, night rider
He came riding to town
As the sun was going down
Saw my baby and he smiled her heart away
Now what will I do today

Cautioned my baby to stay at home
Not to leave mama's side
She laughed when I told her take care, take care
Or you'll share in his midnight ride

Night rider, night rider
Since he stole around the side
I ain't had no peace of mind
Night rider, won't you let my baby be
Come on, send her back to me

0.15.8 No More

(words & music by Don Robertson - Hal Blair)

No more do I see the starlight caress your hair
No more feel the tender kisses we used to share
I close my eyes and clearly my heart remembers
A thousand good-byes could never put out the embers

Darling I love you so and my heart forever
Will belong to the memory of the love that we knew before
Please come back to my arms, we belong together
Come to me let's be sweethearts again and then let us part no more.

No more do I feel the touch of your hand on mine
No more see the lovelight making your dark eyes shine
Oh how I wish I never had caused you sorrow
But don't ever say for us there is no tomorrow

Darling I love you so and my heart forever
Will belong to the memory of the love that we knew before
Please come back to my arms, we belong together
Come to me let's be sweethearts again and then let us part no more.

0.15.9 (There's) No Room to Rhumba in a Sports Car

(Words & music by Fred Wise - Dick Manning)

This was gonna be the night tonight
I was gonna get to hold you tight
But I guess we didn't plan it right
I never stood a chance, we couldn't dance

Cause there's , no room to rhumba in a sports car
You can't move forward or back
There's no room to do what the beat tells you to
Without throwing your spine outta wack

When a little kiss I want to steal
I hit my head against the steering wheel
Now I know the way a pretzel feels
All I can do is shout...Hey let me out !!

Cause there's , no room to rhumba in a sports car
You can't move forward or back
There's no room to do what the beat tells you to
Without throwing your spine outta wack

What a way to waste a day with you
Nothing happens that can tell the truth
Let's go out and find a telephone booth
Yeah that's a better place, I like more space

Cause there's , no room to rhumba in a sports car
You can't move forward or back
There's no room to do what the beat tells you to
Without throwing your spine outta wack

0.15.10 Nothingville

(Words & music by Strange - Davis)

Nothingville

Only just a two-bit town

Where nothing's real

They treat me like a country clown

Nothingville

I ain't gonna keep-a-hangin' round'

The doors keep slammin' in my face

People keep puttin' me in my place

It's a rat's race at a snail's pace

Nothingville...Nothingville

Nothingville.....

0.16 O

0.16.1 O Come, All Ye Faithful

(Traditional, arranged by Elvis Presley)

O come, all ye faithful
Joyful and triumphant
O come ye, o come ye to Bethlehem
Come and behold him
Born the king of angels
O come let us adore Him
O come let us adore Him
O come let us adore Him
Christ the Lord

Sing choirs of angels
Sing in exaltation
Oh sing all ye rivals
Of heaven above
Glory to God, Glory in the highest
O come let us adore Him
O come let us adore Him
O come let us adore Him
Christ the Lord

0.16.2 O Little Town of Bethlehem

(arranged Elvis Presley)

Oh little town of Bethlehem, how still we see thee lie
Above thy deep and dreamless sleep the silent stars go by
Yet in thy dark streets shineth, the everlasting light
The hopes and fears of all the years are met in thee tonight.

For Christ is born of Mary, and gathered all above
While mortals sleep the angels keep their watch of wondering love
Oh morning stars together, proclaim thy holy birth.
And praises sing to God the king, and peace to men on earth.

Oh little town of Bethlehem, how still we see thee lie
Above thy deep and dreamless sleep the silent stars go by
Yet in thy dark streets shineth, the everlasting light
The hopes and fears of all the years are met in thee tonight.

0.16.3 Oh How I Love Jesus

(traditional)

Ohh oh oh oh
When I am disgraced
And I feel the gloom
God sends His angel
To see Him my broom
Joy bells are ringing
I'm satisfied
I know, I know that Jesus is mine
Oh, how I love Jesus
Oh, how I love Jesus
Oh, how I love Jesus
To know that Jesus is mine

Oh, how I love Jesus
Oh, how I love Jesus
Oh, how I love Jesus
To know that Jesus is mine

0.16.4 Old MacDonald**(Words & music by Randy Starr)**

Old Macdonald had a farm, ee-i-ee-i-o
 And on that farm he had some chicks, ee-i-ee-i-o
 With a cluck, cluck here, a cluck, cluck there
 Loud as they could be
 And when those chicks got out of line
 Chicken fricasse
 With a cluck, cluck here, a cluck, cluck there
 Loud as they could be
 And when those chicks got out of line
 Chicken fricasse

Well, Old Macdonald had a farm, ee-i-ee-i-o
 And on that farm he had some cows, ee-i-ee-i-o
 With a moo, moo here, a moo, moo there
 Cattle everywhere
 And when those cows got out of line
 Hamburger, medium rare
 With a moo, moo here, a moo, moo there
 Cattle everywhere
 And when those cows got out of line
 Hamburger, medium rare

Ohh, Well, Old Macdonald had a farm, ee-i-ee-i-o
 And on that farm he had some pigs, ee-i-ee-i-o
 With an oink, oink here, an oink, oink there
 Pigs everywhere in sight
 And when those pigs got out of line
 Pork and beans at night
 With an oink, oink here, an oink, oink there
 Pigs everywhere in sight
 And when those pigs got out of line
 Pork and beans at night

Well I'm goona have a farm one day, ee-i-e-i-o
 And I'll do things McDonalds way, ee-i-e-i-o
 With a cluck, cluck here, a cluck, cluck there
 A moo, moo here, a moo, moo there
 An oink, oink here, an oink, oink there
 And I can promise you
 If those animals ever get out of line
 We'll have a mulligan stew
 How about you ?

0.16.5 Old Shep

(words & music by Foley - Westpar)

When I was a lad
And old Shep was a pup
Over hills and meadows we'd stray
Just a boy and his dog
We were both full of fun
We grew up together that way

I remember the time at the old swimmin' hold
When I would have drowned beyond doubt
But old Shep was right there
To the rescue he came
He jumped in and then pulled me out

As the years fast did roll
Old Shep he grew old
His eyes were fast growing dim
And one day the doctor looked at me and said
I can do no more for him Jim

With hands that were trembling
I picked up my gun
And aimed it at Shep's faithful head
I just couldn't do it
I wanted to run
I wish they would shoot me instead

He came to my side
And looked up at me
And laid his old head on my knee
I had struck the best friend that a man ever had
I cried so I scarcely could see

Old Shep he has gone
Where the good doggies go
And no more with old Shep will I roam
But if dogs have a heaven
There's one thing I know
Old Shep has a wonderful home

0.16.6 On a Snowy Christmas Night

(words & music by Stanley J. Gelber)

Midnight's prayers so softly whispered in
A Cathedral's candle light
Bring the message of the holidays
On a snowy Christmas night

Holly reeds and hidden mistletoe
Symbols of the seasons might
Joyful faces everywhere you go
On a snowy Christmas night

Give thanks for all you've been blessed with
And hold your loved ones tight
For you know the Lord's been good to you
On a snowy Christmas night

Mother Nature wears a bridal gown
For the world is dressed in white
There's a silent glow that fills the earth
On a snowy Christmas night

For you know the Lord's been good to you
On a snowy Christmas night

0.16.7 Once Is Enough

(Words & music by **Tepper - Bennett**) All you got is one life

Living once can be rough
But if you live every day all the way
Once is enough

You can own just one suit
Worn and torn at the cuff
But if you're livin' the life that you love
Once is enough

What's the good of reaching ninety
If you waste eighty-nine
You got one life so live it
If you don't it's a crime

Life's a playful puppy
You can grab by the scruff
And if you live every sec' what the heck
Once is enough

Never wait until tomorrow
What if it never comes
Life is a seven layer
Don't you settle for crumbs

Life's a playful puppy
You can grab by the scruff
And if you live every sec' what the heck
Once is enough
And if you live every sec' what the heck
Once is enough
And if you live every sec' what the heck
Once is enough

0.16.8 One Boy Two Little Girls

(Words & music by Giant - Baum - Kaye)

One boy, two little girls
Three hearts yearning for love
Although it's hard to explain
I know it may sound insane
But this one boy loves two little girls
Folks say three is a crowd
To each boy, one girl's allowed
But right now I'm having such fun
I just can't give up either one
'Cos this one boy loves two little girls.

There will come a time, I'll have to settle down
But until that time I love two girls hanging around
Now one day I must decide which one I'll choose for my bride
But till we three must part
I've twice as much love in my heart
'Cos this one boy loves two little girls

0.16.9 One Broken Heart for Sale

(words & music by Otis Blackwell - Winfield Scott)

Who wants to buy a heart
One broken lover's heart
One broken heart for sale

Well, excuse me if you see me crying like a baby
Since she rejected me
There's nothing left to save me

Hey Cupid, where are you?
My heart is growing sadder
That girl rejected me
Just when I thought I had her

She would not listen to the things my heart was saying
She turned and walked away
And told me I was playing

Some guys have all the luck
And my heart hasn't any
I think I'll paint a sign
For sale for a penny

0.16.10 One Night

(words & music by D. Bartholomew - P. King)

One night with you
Is what I'm now praying for
The things that we two could plan
Would make my dreams come true

Just call my name
And I'll be right by your side
I want your sweet helping hand
My loves too strong to hide

Always lived, very quiet life
I ain't never did no wrong
Now I know that life without you
Has been too lonely too long

One night with you
Is what I'm now praying for
The things that we two could plan
Would make my dreams come true

Always lived, very quiet life
I ain't never did no wrong
Now I know that life without you
Has been too lonely too long

One night with you
Is what I'm now praying for
The things that we two could plan
Would make my dreams come true

0.16.11 One Night of Sin

(Words & music by Bartholomew - King)

One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still

Don't call my name
It makes me feel so ashamed
I lost my sweet helping hand
I got myself to blame

Always lived, very quiet life
Ain't never did no wrong
But now I know that very quiet life
Has cost me nothing but harm

One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still

Always lived, very quiet life
Ain't never did no wrong
But now I know that very quiet life
Has cost me nothing but harm

One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still

0.16.12 One Track Heart

(Words & music by Giant - Baum - Kaye)

Just like an old grandfather's clock that won't stop running
Like an old racehorse that just wont ever quit
There'll be no end to loving you
Nothing can stop me once I start
'Cos I'm a one track mind and a one track heart

Well I'm as stubborn as a mule I just won't let up
Like an old bloodhound Ill hang around your trail
There'll be no end to loving you
Don't try to stop me if you're smart
'Cos I'm a one track mind and a one track heart

Oooo- eeeee there'll be no turning back
Oooo- eeeee I'm gonna stay on your track
Just like a choo-choo train that's gotta keep a-chugging
You'll find that I'm the kind who sticks to what I do
There'll be no end to loving you, baby we'll never be apart
'Cos I'm a one track mind and a one track heart

Oooo- eeeee there'll be no turning back
Oooo- eeeee I'm gonna stay on your track
Just like a choo-choo train that's gotta keep a-chugging
You'll find that I'm the kind who sticks to what I do
There'll be no end to loving you, baby we'll never be apart
'Cos I'm a one track mind and a one track heart

0.16.13 One-sided Love Affair

(words & music by Bill Campbell)

If you want to be loved,
Baby, you've got to love me, too.
If you want to be loved,
Baby, you've got to love me, too.
Oh yeah, 'cause I ain't for no one-sided love affair.

If you wanna be kissed,
Well, you've gotta kiss me, too.
Oh yeah, if you wanna be kissed,
Well, you gotta kiss me, too.
'Cause I ain't for no one-sided love affair.

Well, fair exchange bears no robbery,
And the whole world will know that it's true.
Understanding solves all problems, baby,
That's why I'm telling you

If you wanna be hugged,
Well, you gotta hug me, too.
Oh yeah, if you wanna be hugged,
Well, you've gotta hug me, too.
Yeah, 'cause I ain't for no one-sided love affair.

If you know you can't take it,
Baby, why try to give it?
If you know you can't take it,
Then baby, why try to give it?
'Cause I ain't for no one-sided love affair.

Well, fair exchange bears no robbery,
And the whole world will know that it's true.
Understanding solves all problems, baby,
That's why I'm telling you

If you wanna be hugged,
Well, you gotta hug me, too.
Oh yeah, if you wanna be hugged,
Baby, you gotta hug me, too.
'Cause I ain't for no one-sided love affair.

'Cause I ain't for no one-sided love affair.
'Cause I ain't for no one-sided love affair.

0.16.14 Only Believe

(Words & music by Rader)

Lordy only believe, only believe
All things are possible
If you'll only believe
My Lordy, only believe, yes only believe
All things are possible
If you'll only believe

I met God one morning my soul feeling bad
Heart heavy laden I felt fire doubt ahead
Well He lifted all my burdens, yeh ! right now I'm feeling glad
All things are possible
If you'll only believe

I believe, yeh ! I believe,
All things are possible
If you'll only believe

0.16.15 Only the Strong Survive**(Words & music by Gamble - Huff - Butler)**

I remember my first love affair
 Somehow or another the whole darn thing went wrong
 My mamma had some great advice
 So I thought I'd put it into words of this song
 I can still hear her sayin' it

Boy, Oh, I see you're sittin' out there all alone
 Cryin' your eyes out 'cos the woman that you love has gone
 Oh, there's gonna be, there's gonna be a whole lot of trouble in your life
 Oh, so listen to me get up off your knees 'cos only the strong survive
 That's what she said, only the strong survive
 Only the strong survive,
 Oh you've got to be strong, you'd better hold on
 Don't go all around with your head hung down
 Well I wouldn't let that little girl
 No, I wouldn't let her know that she made me feel like a clown
 There's a whole lot a girls lookin' for a good man like you
 Oh but you'll never meet 'em if you give up now and say that your life is through
 Yes she said : Only the strong survive, only the strong survive,
 You've got to be a man, you've got to take a stand

Only the strong survive, only the strong survive,
 Oh, you've got to be strong, you'd better hold on
 'Cos only the strong survive
 Only the strong survive, only the strong survive,
 Well, you've got to be a man, you've got to take a stand
 Only the strong survive, only the strong survive

0.17.1 (There Will Be) Peace in the Valley (for Me)

(Words & music by Thomas A. Dorsey)

Oh well, I'm tired and so weary
But I must go alone
Till the lord comes and calls, calls me away, oh yes
Well the morning's so bright
And the lamp is alight
And the night, night is as black as the sea, oh yes

There will be peace in the valley for me, some day
There will be peace in the valley for me, oh Lord I pray
There'll be no sadness, no sorrow
No trouble, trouble I see
There will be peace in the valley for me, for me

Well the bear will be gentle
And the wolves will be tame
And the lion shall lay down by the lamb, oh yes
And the beasts from the wild
Shall be lit by a child
And I'll be changed, changed from this creature that I am, oh yes

There will be peace in the valley for me, some day
There will be peace in the valley for me, oh Lord I pray
There'll be no sadness, no sorrow
No trouble, trouble I see
There will be peace in the valley for me, for me

0.17.2 Padre

(Words & music by LaRue - Webster - Romans)

The day that we wed
You blessed us and said
May heaven bestow you grace
There in that holy place
We shared our first embrace

Our cottage was small but richer than all
The palaces of the king
All day the birds would sing
Our hearts were filled with spring

Padre, padre
What happened to our love's so cruel
Padre, oh padre
In my grief I turn to you

Then he came along
And sang her his song
And won her with honey lies
He of the fiery eyes
Now it's not her that cries

So I will pray
The hours away
And weary my heart has grown
Wondering where love has flown
Counting my beads alone

Padre, oh padre
Please tell me how such things can be
Padre, oh padre
Pray for my love and me

0.17.3 Paradise, Hawaiian Style

(Words & music by **Bill Giant - B. Baum - F. Kaye**)

Hawaii, U.S.A., Hawaii..U.S.A..

We're flyin', comin' your way

Aloha, Hawaii U.S.A.

Gee it's great, to be in that fiftieth state

The land of enchanted dreams

What an isle, where it's heaven tropical style

Where love weaves a spell, it seems

Hawaii, U.S.A., Hawaii..U.S.A..

We're flyin', comin' your way

Aloha, Hawaii U.S.A.

Gee what fun, just to swim and surf in the sun

While the trade winds caress the sea

What a sight, those exotic scenes of delight

Are waiting for you and me

Hawaii, U.S.A....Hawaii...U.S.A...Hawaii..U.S.A....

0.17.4 Paralyzed

(Words & music by Otis Blackwell - Elvis Presley)

When you looked into my eyes
I stood there like I was hyp-notised
You sent a feeling to my spine
A feeling warm and smooth and fine
But all I could do were stand there paralyzed
When we kissed, ooh what a thrill
You took my hand and, ooh baby, what a chill
I felt like grabbin' you real tight
Squeeze and squeeze with all my might
But all I could do were stand there paralyzed

Oh yeah lucky me, I'm singing ev'ry day
Ever since that day you came my way
You made my life for me just one big happy game
I'm gay ev'ry morning
At night I'm still the same
Do you remember that wonderful time
You held my hand and swore that you'll be mine
In front of preacher you said
"I do" I couldn't say a word for thinking of you
All I could do was stand there paralyzed

0.17.5 Party

(words & music by Jessie Mae Robinson)

I feel it in my leg,
I feel it in my shoe
Tell me pretty baby
If you think you feel it too
Let's have a party
Let's have a party
Send to the store
And let's buy some more
And let's have a party tonight

Some people like to rock
Some people like to roll
But movin' and a groovin'
Gonna satisfy my soul

I've never kissed a bear
I've never kissed a goon
But I can shake a chicken
In the middle of the room

Now Honky Tonky Joe
Is knockin' at the door
Bring him in and fill him up
And set him on the floor

0.17.6 Patch it up

(words & music by **Eddie Rabbit - Rory Bourke**)

We've got to patch it up baby
Before we fall apart at the seams
We've got to patch it up baby
In the time we travel in our dreams
Let's go back and test it again
One more ride is all I ask
Get that feelin', that old feelin', it is here

We can patch it up baby,
We can patch it up baby,
We can patch it up baby,
Patch it up with all our dreams
We can patch it up baby,
Sweep out all the trouble of our heart
We've got to patch it up baby,
Before our difference pulls us apart

Let's go where the good luck lies
Let us give it one more try
Do you feel it ? That old feelin' ?
Do you feel it ?

0.17.7 Petunia the Gardener's Daughter

(Words & music by Sid Tepper - Roy Bennett)

I've gotta gal, oh what a pal
The apple of my eye
With something rare, a peach of a pear
But her dad won't let us meet and I could die

I love Petunia the gardener's daughter
Oooh how that gal can kiss
Her eyes are blue as bluebells
Each cheek a rose to see
How I dance when she plants her two lips on me
I'm as daffy as a daffodil
I long to kiss her all the time
Tonight I'll steal into her garden
And make Petunia's two lips mine

(I've got a beau, I love him so
The apple of my eye
With something rare, a peach of a pear
But my dad won't let us meet and I could die)

And we could die

I love Petunia the gardener's daughter
Oooh how that gal can kiss
(My eyes are blue as bluebells
Each cheek a rose to see)
How I dance when she plants her two lips on me

(He's as daffy as a daffodil
He loves to kiss me all the time)
Tonight I'll steal into her garden
And make Petunia's two lips mine

She makes other girls look just like weeds
(I'm gonna be his clinging vine)
Tonight I'll steal into her garden
And make Petunia's two lips
(My ever loving two lips)
Make Petunia's two lips mine

0.17.8 Pieces of My Life

(words & music by Troy Seals)

A water glass full of whiskey
And women that I never knew too well
Lord, the things I've seen and done
Most of which I'd be ashamed to tell

I don't know how it started
But that's what makes a man a man, I guess
Now I'm holdin' on to nothing'
Tryin' to forget the rest

I'm lookin' back on my life
To see if I can find the pieces
I know that some were stolen
And some just blew away
Well, I found the bad parts
Found all the sad parts
But I guess I threw the best part away

Lord, the pieces of my life,
They're everywhere, they're everywhere
And the one I think I miss most of all
Is you and you know who

0.17.9 Plantation Rock

(Words & music by Giant - Baum - Kaye)

Now come along with me
We'll do the plantation rock
It's easy as can be
You'll wanna dance round the clock
Well it became a sensation
Rockin' on the plantation
Dancin' in the fields down to each dock
Now do the plantation rock

So come on bend your knees
Twist with ease side to side
Like the swaying trees keep in rhythm
Now have some pep double step
Shake right there like a rockin' chair
And stay with them

Well now you're right at home
Doin' the plantation rock
Just do it as you were shown
You'll wanna dance round the clock

Well just like on the plantation
Folks all over the nation
Started rockin' on each street and block
Gonna do the plantation rock
Do the plantation rock
Do the plantation rock
Do the plantation rock

0.17.10 Playing for Keeps

(words & music by Kesler)

I'm playin' for keeps
This time it's real
And I want you to know
Exactly how I feel
I'm playin' for keeps
I'm sure this time
And I won't be happy
Until I know you're mine

There have been others
That could love me true
But no one else can thrill me like you do
I'm playin' for keeps
Oh love me too
Oh, don't make me sorry
That I fell in love with you

There have been others
That could love me true
But no one else can thrill me like you do
I'm playin' for keeps
Oh love me too
Oh, don't make me sorry
That I fell in love with you

0.17.11 Please Don't Drag That String Around

(Words & music by Blackwell - Scott)

You like to keep me dangling on a string
'Cause you know without you my life don't mean a thing

So I beg you
Please don't drag that string around, oh no
Well, what if it should break
Oh, tell me, what would I do then
Keep that string up off the ground
Oh, yeah, remember my heart is tied to the other end

Yes, I'm your puppet, my heart is in your hand
One twist of the wrist and I jump to your command

So I beg you
Please don't drag that string around, oh no
Well, what if it should break
What would I do then
Baby, keep that string up off the ground
Oh, yeah, remember my heart is tied to the other end

I feel inside me, as sure as anything
One day I'll mean more to you than a puppet on a string

So I beg you
Please don't drag that string around, oh no
Well, what if it should break
Oh, tell me, what would I do then
Keep that string up off the ground
Oh, yeah, remember my heart is tied to the other end

You were born just to be in my arms
In my arms

Your lips were made just to be kissed by me
Kissed by me

You are my world, that's all I know
I love you so, I won't let go

Please don't stop loving me
Darling you'll always be mine alone
Mine alone

0.17.14 Pocketful of Rainbows

(words & music by Wise - Weisman)

I don't worry
Whenever skies are gray above
Got a pocketful of rainbows
Got a heart full of love

Mister Heartache
I've found a way to make him leave
Got a pocketful of rainbows
Got a star up in my sleeve

Kiss me extra tender
Hold me extra tight
'Cause I'm savin' your sweetness
For a lonely night, aye
Aye, aye, aye, aye, aye, aye, aye, aye

No more teardrops
Now that I've found a love so true
I got a pocketful of rainbows
Got an armful of you

Kiss me extra tender
Hold me extra tight
'Cause I'm savin' your sweetness
For a lonely night, aye
Aye, aye, aye, aye, aye, aye, aye, aye

No more heartaches
Now that I've found a love so true
Got a pocketful of rainbows
And an armful of you

Rainbows...
Rainbows...

0.17.15 Poison Ivy League

(Words & music by Giant - Baum - Kaye)

Hail to thee old ivy league
Poison ivy league
The ra-ra boys are sitting round the table tonight
The ra-ra boys have lots of plans in view
They're gonna have panty raids
And make their own lemonade
They'll live it up just like the big boys do

Poison ivy league, boys in that ivy league
Give me an itch, those sons of the rich
That poison ivy league

The ra-ra boys will go to bed so early tonight
Before exams they need a lot of rest
They gotta make good for dad
They gotta make good so bad
They'll even pay someone to take that test

Poison ivy league, boys in that ivy league
How can they flunk, they're so full of bunk
That poison ivy league

The ra-ra boys are being groomed for business some day
For better things to college they were sent
And you can bet they'll be the head of the company
As long as dear old daddy's president

Poison ivy league, boys in that ivy league
So loaded with cash, they give me a rash
That poison ivy league

So let it be told
I won't touch them with a ten foot pole
That poison Ivy league

0.17.16 Polk Salad Annie**(words & music by Tony Joe White)**

Some of you all never been down South too much...
 I' gonna tell you a little story, so you'll understand where I'm talking about
 Down there we have a plant that grows out in the woods and the fields,
 and it looks something like a turnip green.
 Everybody calls it Polk salad. Now that's Polk salad.
 Used to know a girl that lived down there and
 she'd go out in the evenings to pick a mess of it...
 Carry it home and cook it for supper, 'cause that's about all they had to eat,
 But they did all right.

Down in Louisiana
 Where the alligators grow so mean
 Lived a girl that I swear to the world
 Made the alligators look tame

Polk salad Annie
 'Gators got your granny
 Everybody said it was a shame
 For the mama was working on the chain-gang
 What a mean, vicious woman

Everyday before supertime
 She'd go down by the truck patch
 And pick her a mess of Polk salad
 And carry it home in a tote sack

Polk salad Annie
 'Gators got you granny
 Everybody said it was a shame
 'Cause the mama was working on the chain-gang
 Whoo, how wretched, dispiteful, straight-razor totin' woman,
 Lord have mercy.

Sock a little Polk salad to him
 Yeah, you know what, yeah, yeah

But daddy was a lazy and a no-count
 Claimed he had a bad back
 All her brothers were fit for
 Was stealing watermelons out of my truck

For once Polk salad Annie
 'Gators got your granny
 Everybody said it was a shame
 For the mama was working on the chain-gang

Sock a little Polk salad to him

You know what meets a meal mention
You sock a little
Hey, hey, hey, yeah, yeah
Chic a bon, chic a bon, chic a bon bon bon bon
Chic a bon, chic a bon, chic a bon bon bon bon
Sock a little Polk salad to him
You know what meets a meal mention
Sock a little Polk salad to him
You know what meets a meal mention
Chinc, chinc, chinc, chin, ling, ling ling

0.17.17 Poor Boy

(words & music by Vera Matson - Elvis Presley)

They call me poor boy, poor boy, poor boy
But I ain't lonesome and I ain't blue
'Cause I could never be a poor boy
As long as I've got a dolly like you

Ain't got a crust, ain't got a cent
Can't buy a jug, can't pay the rent
I got a heartfull of dreams
And a lot of memories
And that's enough for me

Can't buy a house, can't buy a lot
Ain't got a bean, I ain't got a pot
But what I got is a heartfull of
Love and memories
And that's enough for me

Don't have a pig, don't have a cow
I don't have a horse to pull a plow
But what I got is a heartfull of
Love and memories
And that's enough for me

0.17.18 Power of My Love

(Words & music by B. Giant - B. Baum - F. Kaye)

Oh break it, burn it, drag it all around
Twist it, turn it, you can't tear it down
Cos' every minute, every hour you'll be shaken
By the strength and mighty power of my love

Crush it, kick it, you can never win
I know baby you can't lick it
I'll make you give in
Every minute, every hour you'll be shaken
By the strength and mighty power of my love

Baby I want you, you'll never get away
My love will haunt you yes haunt you night and day
Touch it, pound it, what good does it do
There's just no stoppin' the way I feel for you
Cos' every minute, every hour you'll be shaken
By the strength and mighty power of my love

Yeh, yeh, baby I want you, you'll never get away
My love will haunt you yes haunt you night and day
Touch it, pound it, what good does it do
There's just no stoppin' the way I feel for you
Cos' every minute, every hour you'll be shaken
By the strength and mighty power of my love

I said every minute, every hour you'll be shaken
By the strength and mighty power of my love

Every minute, every hour you'll be shaken
By the strength and mighty power of my love

0.17.19 Promised Land

(Words & music by Chuck Berry) I left my home in Norfolk Virginia
California on my mind
I straddled that Greyhound
And rode into Raleigh
And on across Caroline

We had motor trouble that turn into a struggle
Halfway across Alabam'
And that hound broke down and left us all stranded
In downtown Birmingham

Right away I brought me a through train ticket
Ridin' across Mississippi clean
And I was on that midnight flyer out of Birmingham
Smoking into New Orleans

Somebody help me get out of Louisiana
Just to help me get to Houston Town
There are people there who care a little about me
And they won't let the poor boy down

Sure as you're born brought me a silk suit
Put luggage in my hand
And I woke up high over Alberquerque
On a jet to the promised land

Working on a T-bone steak a la carte
Flying over to the golden state
Ah when the pilot told us in thirteen minutes
He would set us at the terminal gate

Swing low chariot come down easy
Taxi to the terminal zone
Cut your engines and cool your wings
And let me make it to the telephone

Los Angeles give me Norfolk Virginia
Tidewater four ten o nine
Tell the folks back home this is the promised land calling
And the poor boy is on the line

Working on a T-bone steak a la carte
Flying over to the golden state
Ah when the pilot told us in thirteen minutes
He would set us at the terminal gate

Swing low chariot come down easy
Taxi to the terminal zone

Cut your engines and cool your wings
And let me make it to the telephone

Los Angeles give me Norfolk Virginia
Tidewater four ten o nine
Tell the folks back home this is the promised land calling
And the poor boy is on the line

0.17.20 Proud Mary

(words & music by John Fogerty)

Left a good job in the city
Workin' for the man every night and day
Haven't ever lost one minute of sleeping
Worried about the way things might have been

Been a lot of places down in Memphis
Iumped a lot of babes down in New Orleans
Had a lot of shots at good times in the city
Till I hitched a ride on a river bout queen

A big wheel keeps on turnin'
Proud Mary keeps on burnin', rollin', rollin'
Rollin' on a river
Rollin, rollin, rollin on a river

If you come down to the river
I betcha you're gonna find some people who live
You don't have to worry
'Cause you have no money
People along the river are happy to give

I said a big wheel keeps on turnin'
Proud Mary keeps on burnin', rollin', rollin'
Rollin' on a river
Rollin', rollin', rollin' on a river

0.17.21 Puppet on a String

(Words & music by Tepper - Bennett)

Every time you look at me
I,m as helpless as can be
I become a puppet on a string
You can do 'most anything to me

All you do is touch my hand
And your wish is my command
I become a puppet on a string
You can do 'most anything to me

If you really love me
Darling please be kind
I offer you the truest love
That you will ever find

Take my heart and please be fair
Handle it with loving care
For I'm just a puppet on a string
You can do 'most anything to me

If you really love me
Darling please be kind
I offer you the truest love
That you will ever find

Take my heart and please be fair
Handle it with loving care
For I'm just a puppet on a string
You can do 'most anything to me
You can do 'most anything to me

0.17.22 Put the Blame on Me

(words & music by Twomey - Wise - Blagman)

If they say we were doin' wrong
If they say we were out too long
Well, you can say
My arms were just too strong
Put the blame, put the blame on me

Felt so good when I held you tight
Couldn't stop when we kissed goodnight
So if they tell us we don't have the right
Put the blame, put the blame on me

What I feel is deep inside
This is real and I won't hide
Go ahead, use my name
I'll be proud to take the blame

You just did what I made you do
You love me and I love you
So if the way they talk can bother you
Put the blame, put the blame on me

0.17.23 Put Your Hand in the Hand**(Words & music by G. Maclellan)**

Put your hand in the hand of the man
 Who stilled the water
 Put your hand in the hand of the man
 Who calmed the sea
 Take a look at yourself
 And you can look at others differently
 Put your hand in the hand of the man
 From Galilee

My momma taught me how to pray
 Before I reached the age of seven
 When I'm down on my knees
 That's when I'm closest to heaven
 Daddy lived his life, two kids and a wife
 Well you do what you must do
 But he showed me enough of what it takes
 To get me through, oh yeh !

Put your hand in the hand of the man
 Who stilled the water
 Put your hand in the hand of the man
 Who calmed the sea
 Take a look at yourself
 And you can look at others differently
 Put your hand in the hand of the man
 From Galilee
 Oh yeh !

Put your hand in the hand of the man
 Who stilled the water
 Put your hand in the hand of the man
 Who calmed the sea
 Take a look at yourself
 And you can look at others differently
 Put your hand in the hand of the man
 From Galilee
 Oh yeh !

Put your hand in the hand of the man
 Who stilled the water
 Put your hand in the hand of the man
 Who calmed the sea
 Take a look at yourself
 And you can look at others differently
 Put your hand in the hand of the man
 From Galilee
 Oh yeh !

Put your hand in the hand of the man from Galilee
Put your hand in the hand of the man from Galilee, Oh yeh !

0.19.1 Rags to Riches

(Words & music by Adler - Ross)

I know I'd go from rags to riches
If you would only say you cared
And though my pockets may be empty
I'd be a millionaire

My clothes may still be torn and tattered
But in my heart I'd be a king
Your love is all that ever mattered
It's everything

So open your arms and you'll open the door
To all the treasure that I'm living for
Hold me and kiss me and tell me you're mine evermore

Must I forever stay a beggar
Whose golden dreams will not come true
Or will I go from rags to riches
My fate is up to you

0.19.2 Raised on Rock

(Words & music by Mark James)

I remember as a child I used to hear
Music that they played Lord with a feel'
Some call it folk, some call it soul
People let me tell you it was rock and roll

I was raised on rock, I got rhythm in my soul
Every day when I got home I turned on my radio

Listening to the music that my idols made
I knew every single record the DJ's played
A honky tonk a Hound Dog, a Johnny B. Goode
Chain Gang, Love Is Strange, Knock On Wood

I was raised on rock, I got rhythm in my soul
I was born to love the beat I was made for rock and roll

I thought it was a fad, thought that it would pass
But the younger generation knew it would last
Time's gone by, the beat goes on
But every time I hear it Lord it takes me home

I was raised on rock, I got rhythm in my soul
Every day when I got home I turned on my radio

Mother played recordings of Beethoven's Fifth
Mozart's sonatas down the classical Liszt
My papa loved to listen to his country songs
While I was in the back room rockin' on

I was raised on rock, I got rhythm in my soul
I was born to love the beat I was made for rock and roll

I was raised on rock, I got rhythm in my soul
I was born to love the beat I was made for rock and roll
I was raised on rock, I got rhythm in my soul

0.19.3 Reach Out to Jesus

(words & music by Ralph Carmichael)

Is your burden heavy as you bear it all alone ?
Does the road you travel, harbor dangers yet unknown ?
Are you growin' weary in the struggle of it all ?
Jesus will help you with all his name you call

He's always there hearing every prayer, faithful and true
Walking by our side, in his love we hide all the day through
When you get discouraged just remember what to do
Reach out to Jesus, he's reaching out to you

Is the life you're living filled with sorrow and despair ?
Does the future press you with its worry and its scare ?
Are you tired and jealous, have you almost your way ?
Jesus will help you, just talk to him today

0.19.4 Ready Teddy

(words & music by Blackwell - Marascaleo)

Ready set go man go
I got a gal that I love so

I'm rea-dy rea-dy rea-dy teddy
I'm rea-dy rea-dy rea-dy teddy
I'm rea-dy rea-dy rea-dy teddy
Rea-dy rea-dy rea-dy to
Rock'n'roll

Going down to the corner
Pick up my sweetie pie
She's my rock'n'roll baby
She's the apple of my eye, 'cause

Flat top cats and the dungaree dolls
Are headed for the gym to the sock hop ball
The joint is really jumping
The cats are going wild
The music really sends me
I dig that crazy style 'cause

Gonna kick off my shoes
Roll up my faded jeans
Grab my rock'n'roll baby
Pour on the steam
I shuffle to the left
I shuffle to the right
I'm gonna rock'n'roll
Till the early early night 'cause

0.19.5 Reconsider Baby

(Words & music by Lowell Fulson)

Well so long
Oh how I hate to see you go
Yes so long
Oh how I hate to see you go
Well the way that I will miss you
I guess you'll never know

We've been together so long
To have to separate this way
We've been together so long
To have to separate this way
Well I'm gonna let you go ahead on baby
But let you come back home some day

Play the blues boys, play the blues
One more time

You said you once had loved me
But now I guess you've changed your mind
You said you once had loved me
But now I guess you've changed your mind
Why don't you reconsider baby
Give yourself just a little more time

0.19.6 Relax

(Words & music by Tepper - Bennett)

Relax, kick your shoes off baby
Relax, here we are alone
Relax, if the phone rings, let it
Just forget it, we're not at home

Cut loose, let your hair down honey
Unwind, turn the lights down low
Relax, let's uncork the stopper
Come to papa, come on let's go

Defrost, your charms
There's only the two of us here
Come in my arms
And make yourself comfortable dear

Relax, let's get cozy baby
Come on, let your concrete crack
Cut loose, when the knock's invited
Don't you fight it, come on relax

Defrost, your charms
There's only the two of us here
Come in my arms
And make yourself comfortable dear

Relax, let's get cozy baby
Come on, let your concrete crack
Cut loose, life is worth the livin'
When you're givin', come on relax

Relax.....mmmmm....let loose...mmmm...defrost....mmmmm...

0.19.7 Release Me

(words & music by Stevenson - Miller)

Oh please release me, let me go
For I just don't love you anymore
To waste our lives would be a sin
Release me and let me love again

I have found a new love dear
And I will always want her near
Her lips are warm while yours are cold
Oh release me, my darling let me go

Please release me, let me go
For I just don't love you anymore
To waste our lives would be a sin
Release me and let me love again

Let me go, oh release me, my darling
Let me go

0.19.8 Return to Sender

(words & music by Otis Blackwell - Winfield Scott)

I gave a letter to the postman,
he put it his sack.
Bright in early next morning,
he brought my letter back.

She wrote upon it :
Return to sender, address unknown.
No such number, no such zone.
We had a quarrel, a lover's spat
I write I'm sorry but my letter keeps coming back.

So then I dropped it in the mailbox
And sent it special D.
Bright in early next morning
it came right back to me.

She wrote upon it :
Return to sender, address unknown.
No such number, no such zone.

This time I'm gonna take it myself
and put it right in her hand.
And if it comes back the very next day
then I'll understand the writing on it

Return to sender, address unknown.
No such person, no such zone.

0.19.9 Riding the Rainbow

(Words & music by Weisman - Wise)

I'm riding the rainbow, hitting the highway to happiness
Oh yes, I'm looking to find someone whose meant to be mine

I'm living to love
and loving to live
I've got a heart
I'm longing to give
I'm riding the rainbow, I'll follow that star to where you are

I'm riding the rainbow, heading for heaven and happiness
I guess somebody somewhere, someday will teach me to care

But being alone,
don't bother me
I'm free to have fun
It's fun to be free

I'm riding the rainbow, I'll follow that star
I'm riding the rainbow to where you are

0.19.10 Rip It Up

(words & music by Blackwell - Marascaleo)

'Cause it's Saturday nite and I just got paid
Fool about my money don't try to save
My heart says go, go
Have a time 'cause it's Saturday nite
And I'm feelin' fine

I'm gonna rip it up
I'm gonna rock it up
I'm gonna shake it up
I'm gonna ball it up
I'm gonna rip it up
And ball tonite

I got a date and I won't be late
Pick her up in my '88'
Shag it on down to the union hall
When the music starts jumpin'
I'll have a ball

Along about 10 I'll be flying high
Rocking on out into the sky
I don't care if I spend my gold
'Cause tonite I'm gonna be one happy soul

0.19.11 Rock-a-hula Baby

(words & music by Fred Wise - Ben Weisman - Dolores Fuller)

The way she moves her hips to her fingertips
I feel I'm heaven bound
And when she starts to sway, I've gotta say
She really move the grass around

Rock-a-hula baby
Rock-a-hula baby
Got a hula lulu from Honolulu
That rock-a-hula baby of mine

Although I love to kiss my little hula miss
I never get the chance
I wanna hold her tight all through the night
But all she wants to do is dance

I bet that she could teach the palms along the beach
To sway when breezes blow
And birds up in the sky could learn to fly
By watchin' how my baby can go

0.19.12 Roustabout

(Words & music by Giant - Baum - Kaye)

I'm just a roustabout
Shifted from town to town
No job can hold me down, I'm just a knock-around guy
There's a lot of space beneath that sky
Till I find my place there's no doubt...
I'll be a rovin' roustabout

Call me the carefree kind
I wander with the breeze
My mind and heart's at ease
Doing what pleases me best
Gotta keep-a movin' east or west
Till I find my place there's no doubt
I'll be a rovin' roustabout

And even if a pretty girl, should catch my eye
I'll give her a quick "hello", and a fast goodbye

I'll go the way I want
Driftin' just like the sand
Doin' what job I can
Changing my plans as I choose
Long as I keep happy I can't lose
Till I find my place there's no doubt
I'll be a rovin' roustabout

I'll be a rovin' roustabout...I'll be a rovin' roustabout

I'll be a rovin' roustabout..rovin', rovin' roustabout....

0.19.13 Rubberneckin'

(Words & music by Jones - Warren)

Stop, look and listen baby that's my philosophy
If your rubberneckin' baby well that's all right with me
Stop, look and listen baby that's my philosophy
It's called rubberneckin' baby but that's all right with me
Some people say I'm wasting time yeh, but they don't really know
I like what I see I see what I like yeh, it gives me such a glow

First thing in the morning, last thing at night
I look, stare everywhere and see everything inside
Stop, look and listen baby that's my philosophy
If your rubberneckin' baby well that's all right with me
Stop, look and listen baby that's my philosophy
It's called rubberneckin' baby but that's all right with me
Some people say I'm wasting time yeh, but they don't really know
I like what I see I see what I like yeh, it gives me such a glow

Sittin' on the back porch all by myself
Along came Mary Jane with somebody else
Well, stop, look and listen baby that's my philosophy
It's called rubberneckin' baby but that's all right with me

Some people say I'm wasting time yeh, but I don't really care
I like what I see, I see what I like yeh, it gives me such a glow

Sittin' on the back porch all by myself
Along came Mary Jane with somebody else
Well, stop, look and listen baby that's my philosophy
It's called rubberneckin' baby but that's all right with me
Stop, look and listen baby that's my philosophy
Stop, look and listen baby that's my philosophy
Stop, look and listen baby that's my philosophy
Stop

0.19.14 Run On**(Traditional - arranged by Elvis Presley)**

Well you may run on for a long time
 Run on for a long time,
 Run on for a long time
 Let me tell you God almighty gonna cut you down

Go tell that long tongued liar, oh well well
 Go tell that midnight rider, oh well well
 Tell the gambler, rambler, back-biter
 Tell them God almighty gonna cut them down

Stop God almighty let me tell you the news
 My head's been wet with the midnight dews
 Coming down on my bended knees
 Talking to the man from Galilee
 My God spoke and he spoke so sweet
 I thought I heard the shuffle of angel's feet
 He put one hand upon my head
 Great God almighty let me tell you what he said

Go tell that long tongued liar, oh well well
 Go tell that midnight rider, oh well well
 Tell the gambler, rambler, back-biter
 Tell them God almighty gonna cut them down

Run on for a long time,
 Run on for a long time,
 Let me tell you God almighty gonna cut you down

You may throw your rock and hide your hand
 Working in the dark against your fellow man
 As sure as God made the day and the night
 What you do in the dark will be brought to the light
 You may run and hide, slip and slide
 Trying to take the mote from your neighbour's eyes
 As sure as God made the rich and poor
 You gonna reap just what you sow

Run on for a long time,
 Run on for a long time
 Let me tell you God almighty gonna cut you down
 Go tell that long tongued liar, oh well well
 Go tell that midnight rider, oh well well
 Tell the gambler, rambler, back-biter
 Tell them God almighty gonna cut them down

Some people go to church just to sit in the fire
 Trying to make a date with the neighbour's wife

Brother let me tell you as sure as you're born
You better leave that woman alone
Because one of these days mark my word
You think that brother is going to work
And you'll sneak up and knock on that door
That's all brother you'll knock no more

Run on for a long time,
Run on for a long time
Let me tell you God almighty gonna cut you down
Go tell that long tongued liar, oh well well
Go tell that midnight rider, oh well well
Tell the gambler, rambler, back-biter
Tell them God almighty gonna cut them down

0.19.15 Runaway

(words & music by Del Shannon)

As I walk along I wonder
What went wrong with our love
Love that was so strong

And as I still walk by
I think off the times we had together
While our hearts were young

I'm a-walking in the rain
Hear it falling,
And I feel the pain
Wishing you were here by me
To end this misery

And I wonder
Why
You went away
Yes, I wonder, where you will stay
My little runaway,
Run, run, run, run, runaway

0.20.1 San Antonio Rose

(Words & Music : Bob Wills)

... remember alone in my heart
Call back my love of San Antonio
Just pretend like tales fall apart
Think once again of my love, my own
A few words not known my heart I belong...
I don't know... of my rose in San Antonio
Growing all this tender lala heart
Call back my love in San Antonio
It's so sweet and tender like peddles fall apart....
Rose in San Antonio... know my rose in San Antonio

(note : Sorry... but I couldn't make more of it)

0.20.2 Sand Castles

(Words & music by David Hess - Herb Goldberg)

At night
When the sky is still
When the south wind blows
And the air is warm
There's a world that's born

And for every child on the beach that day
Stands a castle tall and proud
And the warm wind crawls through the castle walls
And the nightfolk wake as the warm wind calls

At night
When the sky is still
When the south wind blows
And the air is warm
There's a world that's born

Then the fiddler crab plays his violin
On the back of a dancing whale
While the mermaid sing to the shell they bring
And the dragon leads with his sweeping tail

At night
When the sky is still
When the south wind blows
And the air is warm
There's a world that's born

For the rosy dawn
Brings the children on to the beach that's bright and new
And the nightfolk know as the castles grow
They will play once more as the children do

At night
When the sky is still
When the south wind blows
And the air is warm
There's a world that's born

A world that's born
There's a world that's born
A world that's born

0.20.3 Santa Bring My Baby Back to Me

(Words & music by Jerry Leiber - Mike Stoller)

I don't need a lot of presents
To make my Christmas bright
I just need my baby's arms
Wound around me tight
Oh oh santa hear my plea
Santa bring my baby back to me

The Christmas tree is ready
The candles all aglow
But with my baby far away
What good is mistletoe
Oh oh Santa, hear my plea
Santa bring my baby back to me

Please make these reindeer hurry
Well their time is drawing near
It sure won't seem like Christmas
Until my baby's here
Fill my sock with candy
And a bright and shiny toy
You wanna make me happy and fill my heart with joy
Then Santa, hear my plea
Santa bring my baby back to me

Please make these reindeer hurry
Well their time is drawing near
It sure won't seem like Christmas
Until my baby's here
Fill my sock with candy
And a bright and shiny toy
You wanna make me happy and fill my heart with joy
Then Santa, hear my plea
Santa bring my baby back to me

Then Santa, hear my plea
Santa bring my baby back to me

(Words & music by Leiber - Stoller)

Well, it's Christmas time pretty baby
And the snow is falling on the ground
Well, it's Christmas time pretty baby
And the snow is falling down
Well you be a real good little girl
Santa Claus is back in town
Got no sleigh with reindeer
No sack on my back
You're gonna see me comin' in a big black caddilac
Oh, it's Christmas time pretty baby
And the snow is falling on the ground
Well you be a real good little baby
Santa Claus is back in town

Hang up your pretty stockings
And turn off the light
Santa Claus is comin' down your chimney tonight
Oh, it's Christmas time pretty baby
And the snow is falling on the ground
Well you be a real good little baby
Santa Claus is back in town

0.20.6 Saved**(Words & music by Leiber - Stoller)**

I wanna soothe my my heart, I wanna ease my mind
 I wanna move my shoes and see what I can find
 I wanna stand up tall and open up my eyes
 I wanna reach out my hand until I touch the skies
 I was a poor lost lamb in a deep dark hole
 But now I've found that light I'm gonna save my soul
 I used to drink, I used to smoke
 I used to smoke, drink and dance the hoochy-coo
 I used to smoke and drink, smoke and drink and dance the hoochy-coo
 Oh yeh ! And now I'm standing on this corner praying for me and you

I-I-I That's why I'm saved I'm saved
 People let me tell you 'bout kingdom come
 You know I'm saved I'm saved
 Well I can preach until you're deaf and dumb
 I'm in that soul saving army beating on that big bass drum

I used to cuss, I used to fuss
 I used to fuss, cuss, worry all night long
 I used to cuss and fuss, cuss and fuss,
 Cuss and fuss and worry all night long
 Well now I'm standing on this corner, I know right from wrong

I-I-I That's why I'm saved I'm saved
 People let me tell you 'bout kingdom come
 You know I'm saved I'm saved
 Well I can preach until you're deaf and dumb
 I'm in that soul saving army beating on that big bass drum

I used to lie, I used to cheat
 I used to lie, cheat, steal from people's feet
 I used to lie and cheat, lie and cheat and steal from people's feet
 Well now I'm steppin' on to glory salvation in my beat

Because I'm saved, I'm saved
 People let me tell you 'bout kingdom come
 I am saved I'm saved
 Well I can preach until you're deaf and dumb
 I'm in that soul saving army beating on that big bass drum

I'm in that soul saving army beating on that big bass drum
 Oh yeh ! Because I'm saved, I'm saved
 People let me tell you 'bout kingdom come
 You know I'm saved I'm saved
 Well I can preach until you're deaf and dumb
 I'm saved, I'm saved I'm saved

0.20.7 Scratch My Back

(Words & music by Giant - Baum - Kaye)

One good turn deserves another
Be my love, I'll be your lover
It's all part of nature's laws
If you'll scratch my back then I'll scratch yours.

If you'll scratch my back then I'll scratch your back
Like two peas in a pack, let's get rid of our itch together, Hmm

Joy they say is in the giving
Come on give, make life worth living
Your welfare is my concern
Do a favour for me, I'll do one in return

If you'll scratch my back then I'll scratch your back
Like two peas in a pack, let's get rid of our itch together, Hmm

Scratch me now a little lower
What a feeling do it slower
That's it, Hmm you're getting hot
Well I gotta admit, you just hit the spot

If you'll scratch my back then I'll scratch your back
Like two peas in a pack, let's get rid of our itch together, Hmm

If you'll scratch my back then I'll scratch your back

0.20.8 See See Rider

(arr. by Elvis Presley)

I said see, see, see rider
Oh, see what you have done
I said see, see, see rider
Oh, see what you have done
Oh girl, you made me love you
Now, now, now your lovin' man has gone

hear what I say

Well, I'm going away, baby
And I won't be back to fall
Well, I'm going away baby
And I won't be back to fall
And if I find me a good girl
I won't, I won't be back at all

Hear what I say, I said

See see rider,
Oh see what you have done
Yeah, yeah, yeah

0.20.9 Seeing Is Believing

(words & music by West - Spreen)

Every time I see the sun rise
Or a mountain that's so high
Just by seeing is believing
I don't need to question why
When I see a mighty ocean
That rushes to the shore

If I ever had cause to doubt Him
I don't doubt Him anymore
Oh seeing, seeing, seeing is believing
And I see him everywhere
In the mountains, in the valley
Yes I know my God is there
Oh, in time I look above me
See the stars that fill the sky
How could there be any question
Only God can reach that high

0.20.10 Sentimental Me

(words & music by Cassin - Morehead)

Sentimental me
Guess I'll always will be
So in love with you

Living just to give

Reaching for the moon
Wishing on the stars
On my honeymoon
I want to be where you are

Darling can't you see
It was meant to be
I'm in love with you
Say you love me too
Sentimental me

Darling can't you see
It was meant to be
I'm in love with you
No-one else will do

0.20.11 Separate Ways

(Words & music by West - Mainegra)

I see a change is coming to our lives
It's not the same as it used to be
And it's not too late to realise our mistake
We're just not right for each other

Love has slipped away left us only friends
We almost seem like strangers
All that's left between us are the memories we shared
Of times we thought we cared for each other

There's nothing left to do but go our separate ways
And pick up all the pieces left behind us
And maybe someday, somewhere along the way
Another love will find us

Some day when she's older, maybe she will understand
Why her mom and dad are not together
The tears that she will cry when I have to say goodbye
Will tear at my heart forever

There's nothing left to do but go our separate ways
And pick up all the pieces left behind us
And maybe someday, somewhere along the way
Another love will find us

0.20.12 Shake a Hand

(words & music by Joe Morris)

Just leave it to me
Don't ever be ashamed
Just give me a chance
I'll take care of everything

Your troubles I'll share
Let me know and I'll be there
I'll stay close to you
Anyplace and anywhere

Shake a hand, shake a hand
Shake a hand if you can

Be truthful to me,
I'll be truthful to you
I'm in love with you so
Till I don't know what to do

So, let's call it a day
I said all I have to say
Except don't forget to pray
And shake a hand ev'ry day

Shake a hand, shake a hand,
Shake a hand if you can

0.20.13 Shake That Tambourine

(Words & music by Giant - Baum - Kaye)

Shake... the little tambourine
Shake a-ring a jing -jing a-ling
Shake, shake my little dancin' queen
Shake that tambourine, that tambourine

I can hear them dancing, in the marketplace
Swishin' and a-swirlin', in their' silks and lace
Bracelets keep a-clinking, on their' tiny feet
And with their tambourines they keep the beat

Rings on their fingers, bells on their toes
They make music, wherever they go
Pound that little drum now, tap on it with your thumb

Shake, shake the little tambourine
Shake a-ring a-jing-a-ling-a-ling
Shake,shake my little dancin' queen
That tambourine, that tambourine

I heard their talent, open palace doors
Every night they're dancin', on those marble floors
Kings may bow before them, but they'll be my own
Then they'll shake their thing for me alone

Rings on their fingers, bells on their toes
They make music, wherever they go
Pound that little drum now, tap on it with your thumb

Shake, shake the little tambourine
Shake a-ring a-jing-a-ling-a-ling
Shake,shake my little dancin' queen
That tambourine, that tambourine

 Get out of that bed, wash your face and hands
 Well get in that kitchen

 I said shake rattle and roll
 I said shake, rattle and roll
 I said shake rattle and roll
 Well you won't do right
 To save your doggone soul

Shake rattle and roll

I'm like the one-eyed cat peeping in a seafood store
 I'm like the one-eyed cat peeping in a seafood store
 Well I can look at you tell you ain't no child no more

 I believe you're doing me wrong and now I know
 'Cause the harder I work the faster my money goes

Well I said shake, rattle and roll

 Well you won't do right
 To save your doggone soul

Play it again !

I went over the hill, way down underneath
 I went over the hill, way down underneath
 You make me roll my eyes
 And then you make me grit my teeth

Well I said shake, rattle and roll
 I said shake rattle and roll
 I said shake, rattle and roll
 I said shake rattle and roll
 Well you won't do right
 To save your doggone soul

I'm like a Mississippi bullfrog sittin' on a hollow stump
 I'm like a Mississippi bullfrog sittin' on a hollow stump
 I've got so many women I don't know which way to jump

I said flip flop and fly I don't care if I die
 I said flip flop and fly I don't care if I die
 I won't ever leave .. Don't ever say goodbye

0.20.16 She Thinks I Still Care

(Words & music by S. Duffy - D. L. Lipscomb)

Oh just because I asked a friend about her
Just because I spoke her name somewhere
Just because I rang her number by mistake today
You know she thinks I, I still care

And just because I haunt the same old places
With a memory I will linger everywhere
Just because I'm not the happy guy I used to be
Lord, you know, she thinks I still care

Well, if she's happy thinking I still need her
Yeh, let that silly notion bring her cheer
Oh how could she ever be so foolish
Tell me where did she get, lord such an idea

Yeh, oh lord

Just because I asked a friend about her
And you know, just because I spoke her name somewhere
Just because, lord I saw her and went to pieces
Lord, you know, she thinks I, lord, still care

You know, she thinks I, I still care

Lord, she thinks I still care
Oh no she thinks I still care

0.20.17 She Wears My Ring

(Words & music by Boudleaux & Felice Bryant)

She wears my ring to show the world that she belongs to me
She wears my ring to show the world she's mine eternally
With loving care I placed it on her finger
To show my love for all the world to see

This tiny ring is a token of tender emotion
An endless pool of love that's as deep as the ocean
She swears to wear it with eternal devotion
That's why I sing, because she wears my ring

She swears to wear it with eternal devotion
That's why I sing, because she wears my ring

This tiny ring is a token of tender emotion
An endless pool of love that's as deep as the ocean
She swears to wear it with eternal devotion
That's why I sing, because she wears my ring
That's why I sing, because she wears my ring

0.20.18 She's a Machine

(Words & music by Joy Byers)

Well she's a..

Earth quakin', hip shakin', soul breakin', love makin'

Machine...hey hey !!

She's a mad stalkin', smooth talkin', slow walkin' cat

You know what I mean..hey hey !!

She'll wrap those arms around you

Like a grizzly bear

She'll kiss you every fifteen minutes

And lets you up for air

Cause she's a earth quakin', hip shakin'

Soul breakin', love makin', machine

All right !!

Well she's a

Wild movin', smooth groovin', clock tickin', love makin'

Machine...hey hey !!

She's a real breezin', rough squeezin', hell teasin' cat

You know what I mean...hey hey !!

She'll leer and make you like it

Sweet as she can be

She'll make you blow your mind before

You count to one-two-three

Cause she's a earth quakin', hip shakin'

Soul breakin', love makin', machine

0.20.19 She's Not You

(words & music by Jerry Leiber - Mike Stoller - Doc Pomus)

Her hair is soft and her eyes are oh so blue
She's all the things a girl should be,
but she's not you.

She knows just how to make me laugh when I feel blue
She's ev'rything a man could want,
but she's not you.

And when we're dancing
It almost feels the same
I've got to stop myself from
Whisp'ring your name

She even kisses me like you used to do.
And it's just breaking my heart
'cause she's not you.

0.20.20 Shoppin' Around

(words & music by Sid Tepper - Roy Bennett - Aaron Schroeder)

You got the huggin'est arms
The thrillin'est eyes
You're just my style
And you're just the right size
Gonna stop
Uh, shoppin' around
I'm gonna stop
Shoppin' around 'cause I found the girlie I'm lookin' for
Oh, the very first time
You touched my lips
Took my little red book
And tore it to bits
Ain't gonna be
Searchin' no more
I'm gonna stop
Shoppin' around 'cause I found the girlie I'm lookin' for
Ain't no other dolly I'm wantin' to hold
Hey, hey, baby
I really am sold on you
Ooh, ooh, such a pretty little package
I never did see
Gonna wrap you up and take you home with me
I'm thrilled like never before
I'm gonna stop
Shoppin' around 'cause I found the girlie I'm lookin' for
Ain't no other dolly I'm wantin' to hold
Hey, hey, baby
I really am sold on you
Ooh, ooh, such a pretty little package
I never did see
Gonna wrap you up and take you home with me
I'm thrilled like never before
I'm gonna stop
Shoppin' around 'cause I found the girlie I'm lookin' for
I'm gonna stop
Uh shoppin' around
I'm gonna stop
Uh shoppin' around
I'm gonna stop
Shoppin' around

(Words & music by Giant - Baum - Kaye)

Everybody listen to me
Put a smile on your face
There's no reason to be gloomy
This world's a wonderful place
So when I say again happy
Shout it out
Yeh, get happy now shout it out
Well there is no doubt you've a lot to shout about
Give a yell life is swell shout it out

Hey there little girl don't be sad
There's such good times to be had
Count your blessings one by one
Life's a ball, after all have some fun

I said c'mon get happy, shout it out
Yeh, get happy now shout it out
Well there is no doubt you've a lot to shout about
Give a yell life is swell shout it out

Now there's good feeling you can taste
While there's music life's no waste
While there's great things happening
There's no end to the joy life can bring

I said c'mon get happy, shout it out
Yeh, get happy now shout it out
Well there is no doubt you've a lot to shout about
Give a yell life is swell shout it out

As long as there's somebody you can love
As long as bright stars shine above
You've got no reason to be blue
Think what it means when all your dreams come true

I said c'mon get happy, shout it out
Yeh, get happy now shout it out
Well there is no doubt you've a lot to shout about
Give a yell life is swell shout it out

I said now there is no doubt you've a lot to shout about

Give a yell life is swell shout it out

0.20.22 Show Me Thy Ways, O Lord**(Words & Music Hazel Shade)**

Show me Thy ways, O Lord
Show me Thy ways, O Lord
Help me love when I'm hated
Spread joy unabated
Show me Thy ways, O Lord

Jesus was more than just a man from Galilee
Christ the son of God, he died for you and me
They scorched him and walked him upon in delight (?)
Still Jesus loved them, forgave and he cried

Show me Thy ways, O Lord
Show me Thy ways, O Lord
Help me love when I'm hated
Spread joy unabated
Show me Thy ways, O Lord

Show me Thy ways, O Lord
Help me love when I'm hated
Spread joy unabated
Show me Thy ways, O Lord

0.20.23 Silent Night

(Words & music by Mohr - Gruber)

Silent night, holy night.
All is calm, all is bright.
'Round yon virgin mother and child.
Holy infant so tender and mild.
Sleep in heavenly peace,
Sleep in heavenly peace.

Silent night, holy night.
Shepherds quake at the sight.
Glorious strains from Heaven afar
Heavenly Hosts sing alleluia.
Christ the Saviour is born,
Christ the Saviour is born.

0.20.24 Silver Bells

(words & music by Ray Evans - Jay Livingston)

Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas day

City sidewalks, busy sidewalks
Dressed in holiday style
In the air there's a feeling of Christmas
Children laughing, people passing
Meeting smile after smile
And on every street corner you'll hear

Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas day

Strings of streetlights, even stoplights
Blink a bright red and green
As the shoppers rush home with their treasures
Hear the snow crunch, see the kids bunch
This is Santa's big scene
And above all this bustle you'll hear

Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas day

0.20.25 Sing You Children

(Words & music by Nelson - Burch)

Oh Jonah he was desperate in the belly of the whale
Well Jonah had a plan, he knew he couldn't fail

He raised his head on high
And looking for the sky
And he sang his song so pretty
The whale told him goodbye

You got to sing you children sing
Sing you children sing
I only know one thing, hey ! hey ! hey !
Sing you children sing, everybody
Sing you children sing
Sing your troubles away

Well Moses said good Lord
Open up these waters for me
So I can get your children
Across the salty sea

Well the Lord parted the waters
And singing hand in hand
Moses and the children
Walked over to the promised land

You got to sing you children sing
Sing you children sing
I only know one thing, hey ! hey ! hey !
Sing you children sing, everybody
Sing you children sing
Sing your troubles away

Oh Joshua had a plan
At the walls of Jericho
He'd march around those walls
And on his horn he'd blow

That horn would play a tune
And sing a happy song
When Joshua got through
Those walls came tumbling down

You got to sing you children sing
Sing you children sing
I only know one thing, hey ! hey ! hey !
Sing you children sing, everybody
Sing you children sing

Sing your troubles away
You got to sing your troubles away
Sing your troubles away
Sing your troubles away
Sing your troubles away
Sing your troubles away

0.20.26 Singing Tree

(Words & music by Owens - Solberg)

You're the one who beckoned the wind
And fanned the flame when our love began
So don't pretend you don't know me
Our names are carved on you, singing tree

Oh singing tree
Sing to me
Call your friend
The roving wind
Maybe he can find my love
And bring her back, singing tree

Your leaves have turned from green to blue
Sometimes I think you loved her too
But since she left and our love died
You stand petrified, singing tree

Oh sing to me
Singing tree
Call your friend
The roving wind
Maybe he can find my love
And bring her back, singing tree

Oh sing to me
Singing tree
Call your friend
The roving wind
Maybe he can find my love

0.20.27 Slicin' Sand

(words & music by Sid Tepper - Roy Bennett) Take off your shoes, put down
your hair

Turn on the music and we'll get somewhere

Dance, dance, dance, til nose gets tan

We're gonna have us a ball on the beach

a-slicin' sand

Hug me a heap, swing me a lot

We got a lot of ocean if it gets too hot

O-o-o, o-o-o, baby, take my hand

We'll have some real rockin' fun in the sun

a-slicin' sand

Come baby, come, let's dig some holes

You'll find it's heaven with sand on you soles

Yeah !

Slide through to the left, slide to the right

Slash down the middle baby hold me tight

O-o-o, o-o-o, baby, hold my hand

We'll have some real rockin' fun in the sun

slicin' sand

0.20.28 Slowly but Surely

(Words & music by Wayne - Weisman)

Slowly but surely I'm gonna wear you down
Slowly but surely I'm gonna bring you round
To my way of thinking, my way of kissing, my way of lovin'
Slowly but surely, I'm gonna make you mine

I ain't gonna rush ya', I'll let you meditate
Though I wanna crush ya' my arms will have to wait
I'll just take it easy, so nice and easy, real cool really
Slowly but surely, I'm gonna make you mine

Oh yeah! Mm-mm, I've got a feelin' I'm not wasting my time
Oh yeah! When you get the message it's going to be fine
Slowly but surely, the table's gonna turn
Slowly but surely, your lips are gonna burn
For what you've been missin' is my kind of kissin', my kind of lovin'
Slowly but surely, I'm gonna make you mine

Oh yeah! Mm-mm, I've got a feelin' I'm not wasting my time
Oh yeah! When you get the message it's going to be fine
Slowly but surely, the table's gonna turn
Slowly but surely, your lips are gonna burn
For what you've been missin' is my kind of kissin', my kind of lovin'
Slowly but surely, I'm gonna make you mine
I'm gonna make you mine
I'm gonna make you mine

0.20.29 Smokey Mountain Boy

(Words & music by Rosenblatt - Milrose)

I'm just a Smokey mountain boy
Come back to the hills I love
Where the tops of pine all bend in the wind
And the deep blue sky above

The closer and closer I get to home
The more excited I am
Those were the mornings I'd roll out of bed
Start the day off with a hot corn bread
Smothered in huckleberry jam

I'm just a Smokey mountain boy
Come back to the hills I love
Where the tops of pine all bend in the wind
And the deep blue sky above

I can almost hear the hounds running through the woods
Close on the trail of the hare
How I long to be with them following the hounds
a-huntin' again
Gettin' me a big old grizzly bear

I'm just a Smokey mountain boy
Come back to the hills I love
Where the tops of pine all bend in the wind
And the deep blue sky above

I traveled around and met lots of girls
No matter how many I see
I left some pretty ones behind
I know back home is where I'll find
The girl whose love is meant for me

I'm just a Smokey mountain boy
Come back to the hills I love
Where the tops of pine all bend in the wind
And the deep blue sky above

0.20.30 Smorgasbord

(Words & music by Tepper - Bennett)

Some like their women short, some like them tall
I'll take them any size 'cause I love them all

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Mmm
Some take just apple pie, some take just cake
I'll take the dish I please, please the dish I take

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Mmm
Some like just southern belles, they got a one track mind
I go for all the belles except the wedding kind

I'm just wild about smorgasbord
I got a cravin' for smorgasbord
A little kiss here, a little kiss there
That's smorgasbord

Some like their women short, some like them tall
I'll take them any size 'cause I love them all, Mmm
Some take just apple pie, some take just cake
I'll take the dish I please, please the dish I take

0.20.31 Snowbird

(words & music by Gene MacLellan)

Beneath this snowy mantle cold and clean
The unborn grass lies waiting
for its coat to turn to green
The snowbird sings a song he always sings
And speaks to me of flowers
that will bloom again in spring

When I was young my heart was young then too
Anything that it would tell me,
that's the thing that I would do
But now I feel such emptiness within
For the thing that I want most in life
Is the thing I can't win

Spread your tiny wings and fly away
And take the snow back with you
Where it came from on that day
The one I love forever is untrue
And if I could you know
that I would fly away with you

The breeze along the river seems to say
That she'll only break my heart again
should I decide to stay
So little snowbird take me with you when you go
To that land of gentle breezes
where the peaceful waters flow

0.20.32 So Close, Yet So Far (from Paradise)

(Words & music by Joy Byers)

So close, yet so far from paradise
I hold, you in my arms, in paradise
Is mine, then you slip away
Like a child at play, and here am I
So close, yet so far from paradise

When you, are close to me, it's paradise
We kiss, oh my love, paradise
Is mine, then suddenly you're gone from me
Like a floating star, I see, and here am I
So close, yet so far from paradise

I reach out for you, but each time I do
I always find you gone
I know love is new, I'll take care of you
In my arms is where you belong

Just, a step away, are we from paradise
Take my hand, come away, to paradise
My love, I want you close to me
I need you desperately, oh here am I
Waiting for you
Here am I
Praying for you
Here am I, so close, yet so far from paradise

0.20.33 So Glad You're Mine

(words & music by Arthur Crudup)

My baby's long and tall,
She's like a cannonball.
Say, everytime she loves me,
Lordly, you can hear me squall.
She cried, Ooo-wee.
I believe I'll change my mind.
She said, "I'm so glad I'm living".
I cried, "I'm so glad you're mine".

My baby knows just how
To treat me right.
Gives me plenty loving
Morning, noon, and night.
She cried, Ooo-wee.
I believe I'll change my mind.
She said, "I'm so glad I'm living".
I cried, "I'm so glad you're mine".

When my baby does what she does to me,
I climb the highest mountain,
Dive in the deepest sea.
She cried, Ooo-wee.
I believe I'll change my mind.
She said, "I'm so glad I'm living".
I cried, "I'm so glad you're mine".

My baby's lips are red
And sweet like wine,
And when she kisses me,
I get high every time.
She cried, Oo-wee.
I believe I'll change my mind.
She said, "I'm so glad I'm living".
I cried, "I'm so glad you're mine".

0.20.34 So High

(Traditional - arranged by Elvis Presley)

Well, He's so high (so high you can't get over Him)
So wide (so wide you can't get around Him)
So low (so low you can't get under him)
Great God Almighty (you must come in at the door)

Oh well, He's high (so high you can't get over Him)
He's wide (so wide you can't get around Him)
So low (so low you can't get under him)
The mighty lamb (you must come in at the door)

Well I went down in the valley
You know I did over there ever stay
My soul got happy in the valley
You know I stayed right there all day

Well, He's high (so high you can't get over Him)
And he's wide (so wide you can't get around Him)
I know he's so low (so low you can't get under him)
The mighty lamb (you must come in at the door)

Well I ain't been to heaven but I'm, I'm told
The streets the streets are pearls
You know the mighty mighty
Mighty gates are gold

And He's high (so high you can't get over Him)
So wide (so wide you can't get around Him)
He's so low (so low you can't get under him)
The mighty lamb (you must come in at the door)

Well, He's high (so high you can't get over Him)
And he's wide (so wide you can't get around Him)
I know he's so low (so low you can't get under him)
The mighty lamb (you must come in at the door)

0.20.36 Soldier Boy

(Words & music by David Jones - Theodore Williams)

Soldier boy why feel blue
Don't you believe that she will be true
It's written in the book
That she was meant for only you

Soldier boy tell me why do you cry
When you return she'll rush to your side
It's written in the book
That she was meant for only you

So prove your love is true
She'll be there to say "I do"
And if you go o'er sea or land
She'll make you understand

While you're gone oh try to believe
Her love for you is really for real
It's written in the book
That she was meant for only you

So prove your love is true
She'll be there to say "I do"
And if you go o'er sea or land
She'll make you understand

While you're gone oh try to believe
Her love for you is really for real
It's written in the book
That she was meant for only you

0.20.37 Solitaire

(Words & music by Neil Sedaka - Justin Cody)

There was a man, a lonely man
Who lost his love, thru his indifference
A heart that cared that went unshared
Until it died within his silence

And solitaire is the only game in town
And every road that takes him, takes him down
While life goes on around him everywhere
He's playing solitaire

And keeping to himself, begins to deal
And still the king of hearts is well concealed
Another losing games comes to an end
And deals them out again

A little hope goes up in smoke
Just how it goes, goes without saying
There was a man, a lonely man
Who would command the hand he's playing

And solitaire is the only game in town
And every road that takes him, takes him down
While life goes on around him everywhere
He's playing solitaire

And keeping to himself, begins to deal
And still the king of hearts is well concealed
Another losing games comes to an end
And deals them out again

And solitaire is the only game in town
And every road that takes him, takes him down
While life goes on around him everywhere
He's playing solitaire

0.20.38 Somebody Bigger Than You and I

(Words & music by Lange - Heath - Burke)

Who made the mountains, who made the trees
Who made the rivers flow to the sea
And who sends the rain when the earth is dry
Somebody bigger than you and I

Who made the flowers to bloom in the spring
Who made the song for the robins to sing
And who hung the moon and the stars in the sky
Somebody bigger than you and I

He lights the way when the road is long
He keeps you company
And with His love to guide you
He walks beside you
Just like He walks with me

When we're filled with despair
Who gives me courage to go from there
And who gives me faith that will never die
Somebody bigger than you and I

0.20.39 Something

(words & music by George Harrison)

Something in the way she moves
Attracts me like no other lover
Something in the way she moves me
I don't want to leave her now
You know I believe and how

Somewhere in her smile she knows
All I gotta do is think of her
Something in her style that shows me
I don't want to leave her now
You know I believe and how

You're asking me will our love grow
I don't know, I don't know
You stick around and it may show
I don't know, I don't know

Something in the way she moves
Attracts me like no other lover
Something in the way she moves me
I don't want to leave her now
You know I believe and how

You're asking me will our love grow
I don't know, I don't know
You stick around and it may show
I don't know, I don't know

Something in the way she moves
All I gotta do is think of her
Something in her style that shows me
I don't want to leave her now
You know I believe and how

0.20.40 Something Blue

(words & music by Evans - Byron)

Something old, the time goes by
Something new, these tears I cry
Something borrowed were those lips my lips knew
And that's why I'm something blue

Something old, the vows we made
Something new, the price I paid
Something borrowed, love was tried but not true
Now my life is something blue

I guess that I had better smile
Walking behind you down the aisle
I feel I'm walking to my doom
I'm really not the best man in this room

Something old, the dreams we planned
Something new, his wedding band
Something borrowed was the heart I gave you
You returned it torn in two

Something old, the dreams we planned
Something new, his wedding band
Something borrowed was the heart I gave you
You returned it torn in two

And that's why,
And that's why I'm something blue

0.20.41 Song of the Shrimp

(Words & music by Bennett - Tepper)

I saw three shrimp in the water, two were old and gray
I swam a little bit closer and .. I heard the third one say

Goodbye mama shrimp, papa shake my hand
Here come the shrimper for to take me to Louisian'
Here come the shrimper for to take me to Louisian'

He showed his mama and papa, the shrimp newspaper he read
An invitation to all the shrimp and this is what it said
Free ride, New Orleans, stay in grand hotel
Big Creole gal who help you come out of your shell
Big Creole gal who help you come out of your shell

If I should live to be ninety, I will never forget
The little shrimp and the song he sang as he jumped into the net

Goodbye mama shrimp, papa shake my hand
Here come the shrimper for to take me to Louisian'
Here come the shrimper for to take me to Louisian'

Here come the shrimper for to take me to Louisian'
Here come the shrimper for to take me to Louisian'
Here come the shrimper for to take me to Louisian'

0.20.42 Sound Advice

(Words & music by Baum - Giant)

Some folks tell you what to do
They think they know more than you
They insist that they're givin' sound advice
But as sure as you're livin'
It ain't sound, it ain't nice
It just doesn't sound like sound advice

Some folks like to be the boss
They get up on their high horse
Oh they say that you're gettin, sound advice
There one thing I'm bettin'
It ain't wise, it ain't nice
You won't like the sound of their advice

Sound advice we're given
Just as sure as your as you're livin'
If your smart you'll think twice
When they start to sound off with advice

Sound advice we're given
Just as sure as your as you're livin'
If your smart you'll think twice
When they start to sound off with advice
Don't listen to their sound advice

0.20.43 Spanish Eyes

(Words & music by **B. Kaempfert - C. Singleton - E. Snyder**)

Blue Spanish eyes teardrops are falling from your Spanish eyes
Please please don't cry, this is just adios and not good-bye
Soon I'll return, bringing you all the love your heart can hold
Please say "Si Si" say you and your Spanish eyes will wait for me

Soon I'll return, bringing you all the love your heart can hold
Please say "Si Si" say you and your Spanish eyes will wait for me
Say you and your Spanish eyes will wait for me

0.20.44 Speedway

(Words & music by Glazer - Schlaks)

Take a ton of bolt and steel
A whole lotta sweat, a set of wheels
On the Speedway
The flag is down, pistons pound
Plenty of engines ripping around .. on the Speedway

Go for the money and lead the pack
Push the throttle and burn the track
Curl and swirl like you doin' a dance
Speedway's comin' and now's your chance
On the Speedway, on the Speedway, on the Speedway

Stoke that pedal down to the floor
As much as you give, crowd wants more
More, more, more, more, more on the Speedway
On the Speedway

Take a spin, hit the brakes
A young little girl .. shivers and shakes
On the Speedway
Clear the way, comin' through
Kiss from your baby just pushin' you
On the Speedway

Go for the money and lead the pack
Push the throttle and burn the track
Curl and swirl like you doin' a dance
Speedway's comin' and now's your chance
On the Speedway, on the Speedway, on the Speedway

Stoke that pedal down to the floor
As much as you give, crowd wants more
More, more, more, more, more on the Speedway
On the Speedway
On the Speedway, on the Speedway, on the Speedway
On the Speedway, on the Speedway, on the Speedway
On the Speedway, on the Speedway

0.20.45 Spinout

(Words & music by Wayne - Weisman - Fuller)

When her motor's warm, and she's purrin' sweet
Buddy let me warn ya', you're on a one-way street
She'll crowd ya' close, spin your wheels
Then you're gonna know how it feels
To spinout...spinout

Better watch those curves, never let her steer
If she can shake your nerves..boy
She can strip your gears
She'll get your heart, goin' fast
Then she'll let you run out of gas
So spinout...spinout

The road to love is full of, danger signs
Too many guys were lost
Who crossed those double lines

Doncha know she's out to prove, she can really score
Never saw parts move, boy
Like that before
To flag you down, that's her goal
Scoot before you lose control
And spinout...spinout !!

0.20.46 Spring Fever

(Words & music by Giant - Baum - Kaye)

A little bird, he told me so
He said come on, get on the go
Open your eyes the sky is full of butterflies
The blossoms on the trees stir up the honey bees
Spring makes my fever right

Spring fever, Spring is here at last
Spring fever, my heart's beating fast
Get up, get out spring is everywhere

Well if you feel the wanderlust
Just grab a car or hop a bus
In every town there's excitement to be found
So much is happening
Don't miss the joy of spring
The world's in love just look around

Spring fever comes to everyone
Spring fever, it's time for fun
Get up, get out spring is everywhere

Spring fever, it's Spring fever time
Spring fever, watch that fever climb
Get up, get out spring is everywhere

Spring is everywhere

0.20.47 Stand by Me

(Traditional - arranged by Elvis Presley)

When the storms of life are raging

Stand by me

When the storms of life are raging

Stand by me

When the world is tossing me

Like a ship out on the sea

Thou who rulest when wanted

Stand by me

When I'm growing old and feeble

Stand by me

When I'm growing old and feeble

Stand by me

When I do the best I can

And my friends misunderstand

Thou who never lost a battle

Stand by me

Thou who never lost a battle

Stand by me

Startin' tonight
Have a ball do it all startin' tonight

Grab your partner by the hand,
Spread a blanket on the sand
Three a.m. go for a swim
Clothes and all jump right in
Tonight, startin' tonight
Let out the stops, call the cops, it's all right

'Course when the cops have come and gone
You'll just keep carrying on
Don't you worry if you land in jail
We'll forward your mail if you can't make bail
Tonight, startin' tonight
Have a ball do it all startin' tonight
Anything goes, everything goes, startin' tonight
Startin' tonight.

0.20.49 Starting Today

(words & music by Robertson)

Starting today

I'm teaching my heart

Not to ache anymore

Just 'cause we're apart

No more will I dream

Of your sweet loving ways

Gonna learn to forget you

Starting today

And when memories haunt me

And the tears starts to flow

I'll just think of the sorrow

You caused me to know

No more for the past

To return will I pray

Gonna live for tomorrow

Starting today

Starting today

0.20.50 Stay Away

(Words & music by Tepper - Bennett)

Ten thousand miles even though I roam
I can hear the call of the hills of home
The canyons high and the valleys low
Echo "How can you stay away"

My dreams are there where the eagle flies
Where the mountain tops seem to touch the sky
The winding streams and the winds that blow
Ask me "How can you stay away"

Far too long have I stayed apart
From this land that I love and divide my heart
Now, now I know I must go
Where the hills say "Don't stay away"
Where the hills say "Don't stay away"

0.20.51 Stay Away Joe

(Words & music by Weisman - Wayne)

Ho jump down, spin around, let's have a party
Look who's back, Stay Away Joe
Chock taw, chick a Shaw, gonna drink me hearty
Welcome back, Stay Away Joe

Stay Away Joe they call me
Stay Away Joe oh yeah !
But if you need me call me
Hoop and a holler and I'll be there
Ho !

Who keeps turnin' up like a bad penny
Take one guess, Stay Away Joe
Always findin' trouble a-plenty
Oh my yes, I reckon you know

Stay Away Joe they call me
Stay Away Joe oh yeah !
But if you need me call me
Hoop and a holler and I'll be there
Ho !
Ho !

When two lips are right for the pickin'
Who crops up
I love them and leave them screamin' 'n kickin'
Giddy up look at him look at him go

Stay Away Joe they call me
Stay Away Joe oh yeah !
But if you need me call me
Hoop and a holler and I'll be there
Ho !
Hey !

0.20.52 Steadfast, Loyal and True

(Words & music by Leiber - Stoller)

Farewell, Royal High School,
We'll remember you.
Dear alma mater,
We're steadfast, loyal, and true.

As we go onward
In the lives we lead.
Your light will guide us,
Your motto is our creed.

We will look back fondly
At your ivy walls,
Recalling precious moments
Within your hallowed halls.

Farewell, Royal High School,
We'll remember you.
Dear alma mater,
We're steadfast, loyal, and true.

0.20.53 Steamroller Blues

(words & music by Taylor)

I'm a steamroller baby
I'm 'bout to roll all over you
I'm a steamroller baby
I'm 'bout to roll all over you
I'm gonna inject your soul
With sweet rock'n'roll, poor heaven

I'm a cement mixer
A churning urn of burning funk
I'm a cement mixer
A churning urn of burning funk
A hefty hunk, steaming junk

I'm a steamroller baby
I'm 'bout to roll over you
I'm a steamroller baby
I'm 'bout to roll over you
I'm gonna inject your soul
With some sweet rock'n'roll
And shoot you full of rhythm and blues

I'm a napalm-bomb
Guaranteed to blow your mind
I'm a napalm-bomb
Guaranteed to blow your mind
If I can't have your love now baby
There won't be nothing left behind

0.20.54 Steppin' Out of line

(words & music by Wise - Weisman - Fuller)

Listen, little lady,
You're steppin' out of line
What's your hurry baby,
You got a lot of time
That's not love you feel,
It's only make believe
Watch out, you'll break the heart
You're wearing on you sleeve

Cheating with your kisses
You think you know it all
Old worry gonna get you,
You're riding for a fall
Better slow it down,
I see a danger sign,
'Cause the way you're steppin' around
You're steppin' out of line
You're steppin' out of line

0.20.55 Stop Where You Are

(Words & music by Grant - Baum - Kaye)

Stop where you are
Don't move an inch
Don't come any closer now baby
You'll be in a pinch
Don't start what you can't finish
I warn you what's in store
If it's love you're looking to get
You're gonna get what you're looking for

Stop where you are
You'd better freeze
Don't pull the fire now baby
Don't be a tease
Don't start what you can't finish
I told you once before
If it's love you're looking to get
You're gonna get what you're looking for

Don't you know, you're walking on dangerous ground
Listen babe when I make love
I just don't fool around, no I don't
I just don't play around

Stop where you are
Just take it slow
Once I put my hands on you baby
I won't let you go
Don't start what you can't finish
One kiss and I want more
If it's love you're looking to get
You're gonna get what you're looking for

Stop where you are
Don't move an inch
Stop where you are
You're gonna be in a pinch
Stop where you are
You're gonna get what you're looking for

0.20.56 Stop, Look and Listen

(Words & music by Joy Byers)

When I was a little bitty boy
Sittin' on my papa's knee
I still remember every word my papa said to me
Now boy if you ever meet
A pretty woman walking down the street

You'd better
Stop real still, look both ways
Listen or you'll get in trouble

When you see her go struttin' by
Giving you that evil eye
And she's got a kind of dreamy look
Just enough to get you shook
Now boy don't you lose your head
You pay attention what your papa said

You'd better
Stop real still, look both ways
Listen or you'll get in trouble

All right !

She'll drive you crazy with the way she walks
She'll drive you crazy with the way she talks
And you'll think you're gonna lose your mind
'Cause that pretty woman looks so fine
And the very first thing you'll know
You'll be tellin' her you love her so

You'd better stop real still

0.20.57 Stranger in My Own Home Town

(Words & music by Percy Mayfield)

I'm like a stranger
Like a stranger in my own home town
I'm like a stranger
Like a stranger in my own home town

My so called friends stopped being friendly
Oh but you can't keep a good man down
Oh no, can't get him down

I came home with good intentions
About 5 or 6 years ago
I came home with good intentions
About 5 or 6 years ago

But my home town won't accept me
Just don't feel welcome here no more

My home town won't accept me
Just don't feel welcome here no more

I came home with good intentions
About 5 or 6 years ago, yes I did
I came home with good intentions
About 5 or 6 years ago
But my home town won't accept me
Just don't feel welcome here no more
I'm like a stranger, like a stranger in my own home town
Yeah, I'm like a stranger, like a stranger in my own home town
My so called friends stopped being friendly
Oh but you can't keep a good man down

I came home with good intentions
About 5 or 6 years ago, yes I did
I came home with good intentions
About 5 or 6 years ago
My so called friends stopped being friendly
Oh but you can't keep a good man down

I'm like a stranger, like a stranger in my own home town
I'm like a stranger, like a stranger in my own home town
My so called friends stopped being friendly
Oh but you can't keep a good man down

0.20.58 Stranger in the Crowd

(words & music by Winfield Scott)

I've been standing on a corner
Since a quarter after seven
I was down to my last cigarette
And the clock in the window
At a quarter to eleven

I was watching all the people
Passing by me going places
Just the loneliest guy in the town
Looking for a friendly smile
But all I see were faces

And then, just like the taste of milk and honey
I found the stranger I've been looking for
Like a wave, my cup of love was overflowing
I knew the stranger in the crowd
And I would be stranger no more

The love that comes on the corner
At a quarter to eleven
I thought you were too good to be true
All my life I had believed
That angels only live in heaven
But now, we share the taste of milk and honey
Each day is sweeter than the day before

My cup runned overflowing
because the stranger in the crowd
And I would be stranger no more

Deep inside, my cup of love was overflowing
I found the stranger I've been looking for
Like a wave, my cup of love was overflowing
I knew the stranger in the crowd
And I would be stranger no more

0.20.59 Stuck on You

(words & music by Aaron Schroeder - J. Leslie McFarland)

You can shake an apple off an apple tree
Shake-a, shake- sugar,
But you'll never shake me
Uh-uh-uh
No-sir-ee, uh, uh
I'm gonna stick like glue,
Stick because I'm
Stuck on you

Gonna run my fingers thru your long black hair
Squeeze you tighter than a grizzly bear
Uh-uh-uh,
Yes-sir-ee, uh, uh
I'm gonna stick like glue
Stick, because I'm
Stuck on you

Hide in the kitchen, hide in the hall
Ain't gonna do you no good at all
'Cause once I catch ya and the kissin' starts
A team o' wild horses couldn't tear us apart

Try to take a tiger from his daddy's side
That's how love is gonna keep us tied
Uh-uh-uh
Yes-sir-ee, uh,uh
I'm gonna stick like glue
Stick, because I'm
Stuck on you

0.20.60 Such a Night

(Words & music by Lincoln Chase)

It was a night oo-oo what a night
It was it really was such a night
The moon was bright oh how so bright
It was it really was such a night
The night was alight with stars above
Oo-oo when she kissed me
I had to fall in love

Oh it was a kiss oo-oo what a kiss
It was it really was such a kiss
Oh how she could kiss oh what a kiss
It was it really was such a kiss
Just the thought of her lips
Sets me afire
I reminisce and I'm filled with desire
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Oh, what a night oo-oo what a night
It was it really was such a night
Came the dawn and my heart and her love
And the night was gone
But I'll never forget the kiss
The kiss in the moonlight
Oo-oo such a kiss, such a night

It was a night oo-oo what a night
It was it really was such a night
Came the dawn and my heart and her love
And the night was gone
But I'll never forget the kiss
The kiss in the moonlight
How well I remember, I'll always remember

That night oo-oo what a night
It was it really was such a night
When we kissed I had to fall in love
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Oh that night oo-oo what a night
It was it really was such a night
When we kissed I had to fall in love
Well she's gone, gone, gone
Yes she's gone, gone, gone
Came the dawn, dawn, dawn
And my love was gone

But before that dawn
Yes before that dawn and before that dawn
Oo-oo, oo-oo, oo-oo, oo-oo, oo-oo
Such a night

0.20.61 Summer Kisses, Winter Tears

(Words & music by Wise - Weisman - Lloyd)

Summer kisses, Winter tears
That was what she gave to me
Never thought that I'd travel all alone
The trail of memories

Happy hours, lonely years
But I guess I can't complain
For I still recall the Summer sun
Through all the Winter rain

The fire of love, the fire of love
Can burn from afar
And nothing can light the dark of the night
Like a falling star
Summer kisses, Winter tears
Like the stars they fade away
Leaving me to spend my lonely nights
With dreams of yesterday

The fire of love, the fire of love
Can burn from afar
And nothing can light the dark of the night
Like a falling star
Summer kisses, Winter tears
Like the stars they fade away
Leaving me to spend my lonely nights
With dreams of yesterday

Leaving me to spend my lonely nights
With dreams of yesterday
Summer kisses, Winter tears

0.20.62 Suppose

(Words & music by Dee - Goehring)

Suppose no rose would ever grow again
Suppose no brook would ever flow again
Suppose no star should ever glow again
Suppose you didn't love me

Suppose there were no bees or butterflies
Suppose no bird should ever cross the skies
Suppose the sun should never never rise
Suppose you didn't love me

It's impossible to imagine a world without a star
But imagining no you is more impossible, by far
Suppose the Springtime never should arrive
Suppose the tall green trees should not survive
Suppose I had no wish to be alive
Suppose you didn't love me

It's impossible to imagine a world without a star
But imagining no you is more impossible, by far
Suppose the Springtime never should arrive
Suppose the tall green trees should not survive
Suppose I had no wish to be alive
Suppose you didn't love me
Suppose you didn't love me

0.20.63 Surrender

(words & music by Doc Pomus - Mort Shuman - E. De Curtus)

When we kiss my heart's on fire
Burning with a strange desire
And I know, each time I kiss you
That your heart's on fire too

So, my darling, please surrender
All your love so warm and tender
Let me hold you in my arms, dear
While the moon shines bright above

All the stars will tell the story
Of our love and all its glory
Let us take this night of magic
And make it a night of love

Won't you please surrender to me
Your lips, your arms, your heart, dear
Be mine forever
Be mine tonight

0.20.64 Susan When She Tried

(words & music by Don Reid)

I got over Charlotte Thompson, Goldie Johnson,
Lord they done me wrong
I took it hard with Peggy Harper
She hurt me bad, but not for long
There's just one I remember
Makes me feel funny down inside
I'd trade 'em all for just one hour
Of Susan when she tried

No there's never been a woman
Who could make me weak inside
And give me what I needed
Like Susan when she tried

It gets worse in the summer
When the nights are hot and long
And it's bad in December
When they play those Christmas songs
So if you ask me and I don't tell you
Bet your sweet bottom dollar I lied
'Cause there's never been one better
Than Susan when she tried

0.20.65 Suspicion

(words & music by Doc Pomus - Mort Shuman)

Ev'rytime you kiss me
I'm still not certain that you love me
Ev'ry time you hold me
I'm still not certain that you care
Though you keep on saying
you really, really, really love me
do you speak the same words
To someone else when I'm not there

Suspicion torments my heart
Suspicion keeps us apart
Suspicion why torture me

Ev'rytime you call me
and tell me we should meet tomorrow
I can't help but think that
you're meeting someone else tonight
Why should our romance just
keep on causing me such sorrow ?
Why am I so doubtful
whenever you're out of sight ?

Darling, if you love me,
I beg you wait a little longer
Wait until I drive all
these foolish fears out of my mind
How I hope and pray that
our love will keep on growing stronger
Maybe I'm suspicious
'cause true love is so hard to find

0.20.66 Suspicious Minds

(words & music by Mark James)

We're caught in a trap
I can't walk out
Because I love you too much baby

Why can't you see
What you're doing to me
When you don't believe a word I say ?

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes ?

Here we go again
Asking where I've been
You can't see these tears are real
I'm crying

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

Oh let our love survive
Or dry the tears from your eyes
Let's don't let a good thing die

When honey, you know
I've never lied to you
Mmm yeah, yeah

0.20.67 Sweet Angeline

(Words & music by Arnold - Martin - Morrow)

Sweet Angeline I loved you much more than poets say in rhyme
Just for one short time

Sweet Angeline remember though we've not seen the summer through
I lived only for you
I'm only human and I realize it's no use trying to disguise
My love for you Angeline has ended
So let's be thankful now not sad
For the little love we've had

Sweet Angeline remember though we've not seen the summer through
I lived only for you
I'm only human and I realize it's no use trying to disguise
My love for you Angeline has ended
So let's be thankful now not sad
For the little love we've had

0.20.68 Sweet Caroline

(words & music by Neil Diamond)

Where it began, I can't begin to know when
But then I know it's growing strong
Oh, wasn't the spring, whooo
And spring became the summer
Who'd believe you'd come along

Hands, touching hands, reaching out
Touching me, touching you
Oh, sweet Caroline
Good times never seem so good
I've been inclined to believe it never would

And now I, I look at the night, whooo
And it don't seem so lonely
We fill it up with only two, oh
And when I hurt
Hurting runs off my shoulder
How can I hurt when holding you

Oh, one, touching one, reaching out
Touching me, touching you
Oh, sweet Caroline
Good times never seem so good
Oh I've been inclined to believe it never would

Ohhh, sweet Caroline, good times never seem so good

0.20.69 Sweet Lealani

(words & music by Harry Owens)

Sweet Lealani, heavenly flower
Nature passionate roses kissed with dew
And then she placed them in a valley (?)
It was the start of you

Sweet Lealani, heavenly flower
I dream a paradise for two
You are my paradise completed
You are my dream come true

0.20.70 Swing Down Sweet Chariot**(Arranged and adapted by Elvis Presley)**

Why don't you swing down sweet chariot
 Stop and let me ride
 Swing down chariot
 Stop and let me ride
 Rock me lord, rock me lord
 Calm and easy
 Well I've got a home on the other side

Why don't you swing down sweet chariot
 Stop and let me ride
 Swing down chariot
 Stop and let me ride
 Rock me lord, rock me lord
 Calm and easy
 Well I've got a home on the other side

Well, well, well, well, well, well

Ezekial went down in the middle of a field
 He saw an angel workin' on a chariot wheel
 Wasn't so particular 'bout the chariot wheel
 Just wanted to see how a chariot feel

Why don't you swing down sweet chariot
 Stop and let me ride
 Swing down chariot
 Stop and let me ride
 Rock me lord, rock me lord
 Calm and easy
 Well I've got a home on the other side

Well, well, well Ezekial went down and he got on board
 Chariot went a bumpin' on down the road
 Zeke wasn't so particular 'bout the bumpin' of the road
 Just wanted to lay down his heavy load

Why don't you swing down sweet chariot
 Stop and let me ride
 Swing down chariot
 Stop and let me ride
 Rock me lord, rock me lord
 Calm and easy
 Well I've got a home on the other side

Well I got a father in the promised land
 Ain't no more stoppin' till I shake his hand
 Rock me lord, rock me lord

Calm and easy
I've got a home on the other side

Why don't you swing down sweet chariot
Stop and let me ride
Swing down chariot
Stop and let me ride
Rock me lord, rock me lord
Calm and easy
Well I've got a home on the other side

0.20.71 Sylvia

(Words & music by G. Stephens - L. Reed)

These long lonely evenings
Here I am on the phone
Wondering if she will call
She said she would write me
'Cause she knows I'm alone
But I hear nothing at all

I'm waiting for a word of love from Sylvia.
You think she'd never heard of love my Sylvia,
But when I'm with her Lord, I forgive her
'Cause she's more than the whole world to me
There's nothing like a word of love from Sylvia
The only one I'm thinking of is Sylvia
Feeling so sad now, I'll be so glad now
If I just had my Sylvia with me

That old weepin' willow
Seems to whisper her name
Why did she go away
The tears on my pillow
They're not hard to explain
There's nothing else I can say

I'm waiting for a word of love from Sylvia.
You think she'd never heard of love my Sylvia,
But when I'm with her Lord, I forgive her
'Cause she's more than the whole world to me
There's nothing in the world like Sylvia
The only one I'm thinking of is Sylvia
Feeling so sad now, I'll be so glad now
If I just had my Sylvia with me

0.21.1 Take Good Care of Her

(Words & music by Warren - Kent)

Take good care of her, take good care of her
I suppose I ought to say congratulations
For you won the only girl I ever loved
But I hurt too much to face the situation
Just take good care of her, take good care of her

Just to be around her was my greatest pleasure
She was everything my future held in store
So remember when you take my only treasure
Just take good care of her, take good care of her

I must accept it, she loves you more than me
So with my broken heart I'll bow out gracefully
Please don't send me any wedding invitation
For I couldn't bear to see her there with you
If she's happy, that will be my consolation
Just take good care of her, take good care of her

Take good care of her, take good care of her

0.21.2 Take Me to the Fair

(Words & music by Sid Tepper - Roy C. Bennett)

Take me to the fair
Take me to the fair, don't know anywhere
I would rather be

Let's, go to the fair
We'll walk hand in hand, through Tomorrow Land
Only you and me

chorus
I wanna see everything, do everything
While we're doin' it all
I'll buy the peanuts and popcorn
We'll have us a ball

You can spend my pay
Crush me in the crowds, I'll be in the clouds
Honey I don't care

Take me there by sleigh
Go, let's get a bite, anywhere you like
But take me to the fair

I wanna see everything, do everything
While we're doin' it all
I'll buy the peanuts and popcorn
We'll have us a ball

Take me there by sleigh
Go, let's have a bite, anywhere you like
But take me to the fair

Take me to the fair, Take me to the fair
Take me to the fair

0.21.3 Take My Hand, Precious Lord

(Words & music by Thomas A. Dorsey)

Precious Lord, take my hand
Lead me on, let me stand
I'm tired, I'm weak, I'm lone
Through the storm, through the night
Lead me on to the light
Take my hand precious Lord, lead me home

When my way grows drear precious Lord linger near
When my light is almost gone
Hear my cry, hear my call
Hold my hand lest I fall
Take my hand precious Lord, lead me home

When the darkness appears and the night draws near
And the day is past and gone
At the river I stand
Guide my feet, hold my hand
Take my hand precious Lord, lead me home

Precious Lord, take my hand
Lead me on, let me stand
I'm tired, I'm weak, I'm lone
Through the storm, through the night
Lead me on to the light
Take my hand precious Lord, lead me home

0.21.4 Talk About the Good Times**(Words & music by Jerry Reed Hubbard)**

Well I remember when I was as children
 The time the people used to treat the neighbor like a fellow man
 And all their singin' and big prayer meetin's
 When a man was proud to walk up and shake his neighbors hand

Oh you talk about the good times,
 Talk about the good times
 Oh if you ever needed help a friend was there
 Some good neighbor
 Help lift your burden
 Mmm, and the simple joys of life a friend would share

Times are harder and the people are changin'
 Now most folks couldn't tell you who their neighbors are
 All their guns are loaded, the front doors are bolted
 Ain't this ol' world takin' hate and fear just a little too far

Oh you talk about the good times,
 Talk about the good times
 I wish I could go back to the days I'm speakin of
 When a friend would meet you
 And a smile would greet you
 What this ol' world needs now is a little old fashioned love

My granddaddy God rest his soul now
 Well we had a big long talk together the day he died
 Said son this world is full of hate and venom
 An' I can't wait to leave this ol' place and rest on the other side

Oh you talk about the good times, talk about the good times
 Talk about the good times
 I'm gonna see all the friends I knew in the good ol' days
 We'll have a big hand shakin'
 An' sit and talk together
 Sit down by the river Jordan and sing our blues away

Oh you talk about the good times, talk about the good times
 Talk about the good times
 I'm gonna see all the friends I knew in the good ol' days
 We'll have a big hand shakin'
 An' sit and talk together
 Sit down by the river Jordan and sing our blues away

Oh you talk about the good times, talk about the good times
 Talk about the good times
 I'm gonna see all the friends I knew in the good ol' days
 We'll have a big hand shakin'

An' sit and talk together
Sit down by the river Jordan and sing our blues away

0.21.5 Teddy Bear

(words & music by Mann-Low)

Baby let me be,
your lovin' Teddy Bear
Put a chain around my neck,
and lead me anywhere
Oh let me be
Your teddy bear.

I don't wanna be a tiger
Cause tigers play too rough
I don't wanna be a lion
'Cause lions ain't the kind
you love enough.
Just wanna be, your Teddy Bear
Put a chain around my neck
and lead me anywhere
Oh let me be
Your teddy bear.

Baby let me be, around you every night
Run your fingers through my hair,
And cuddle me real tight

0.21.6 Tell Me Why

(Words & music by Titus Turner)

Every time I look at someone new
Tell me why I think of you
Then you sometimes ask me by
You're playing with love
Darling tell me why

You left me all alone
To cry over you
My heart is torn and broken
There's nothing left to do

In my prayers, I'll mention you
When you're gone I feel so blue
Why can't I have all of you
Oh, somebody, please tell me why

0.21.7 Tender Feeling

(Words & music by Giant - Baum - Kaye)

I can't conceal the tender feeling
Now that you are close to me
I look at you with tender feeling
And can't help kiss you tenderly

I offer you a true devotion
All life through my love I vow
For this is real, this sweet emotion
This tender feeling I have now

Somehow I knew from the moment our lips first met
You'd be the girl I could never forget
No other love could be appealing
I loved you right from the start
And with each kiss I'll keep revealing
The tender feeling in my heart

0.21.8 Tennessee Waltz

(words & music by Stewart - King)

I lost my little darling
The night they were playing
The beautiful Tennessee Waltz

I remember the night of the Tennessee Waltz
Only you know how much I have lost

I lost my little darling
The night they were playing
The beautiful Tennessee Waltz

I remember the night of the Tennessee Waltz
Only you know how much I have lost

0.21.9 Thanks to the Rolling Sea

(Words & music by Batchelor - Roberts)

Thanks to the rolling, rolling, rolling, thanks to the rolling sea
Thanks to the rolling, rolling, rolling, thanks to the rolling sea
Fish on the table and fish on the fire, fried fish hanging on the tree
Everything here that your heart desires, thanks to the rolling sea
Thanks to the rolling sea

Living is good and living is fine, we're happy as can be
We owe all this to the salty brine, thanks to the rolling sea
Thanks to the rolling sea

We work all day but our hearts are gay, and while we work we sing
The mighty sea is good to us and we've got everything
Abalone steaks and tuna fish cakes, taste so heavenly
We know who we owe it to, thanks to the rolling sea
Thanks to the rolling, rolling, rolling, thanks to the rolling sea
Thanks to the rolling, rolling, rolling, thanks to the rolling sea
Thanks to the rolling, rolling, rolling, thanks to the rolling sea
Thanks to the rolling, rolling, rolling, thanks to the rolling sea

0.21.10 That's All Right, Mama

(words & music by Arthur Crudup)

Well, that's all right, mama
That's all right for you
That's all right mama, just anyway you do
Well, that's all right, that's all right.
That's all right now mama, anyway you do

Mama she done told me,
Papa done told me too
'Son, that gal your foolin' with,
She ain't no good for you'
But, that's all right, that's all right.
That's all right now mama, anyway you do

I'm leaving town, baby
I'm leaving town for sure
Well, then you won't be bothered with
Me hanging 'round your door
Well, that's all right, that's all right.
That's all right now mama, anyway you do

0.21.11 That's Someone You Never Forget

(words & music by West - Presley)

The way she held your hand,
The little things you planned
Her memory is with you yet
That's someone you never forget

When she is far away
You'll think of her each day
And you know she'll wait for you
That's someone you never forget

Others may pass your way
And let you think their love is true
But you know that they'll never replace
The one that waits for you

0.21.12 That's when your heartaches begin

(words & music by W. Raskin - G. Brown- F. Fisher)

If you find your sweetheart
in the arms of a friend
That's when your heartaches begin
When dreams of a lifetime
must come to an end
That's when your heartaches begin

Love is a thing
you never can share
If you bring a friend
into your love affair
That's the end of your sweetheart,
that's the end of your friend
That's when your heartaches begin

0.21.13 The Bullfighter Was a Lady

(Words & music by Sid Tepper - Roy C. Bennett)

Pedro the bull was a killer
King of the bullfighter ringer
He'd wipe up the floor with each brave matador
And have matador stew for his dinner

He heard the crowd shouting "Olé"
But he met his master that day

The bullfighter was a lady
And it was true love at first sight
Her red cape was waving but Pedro was shaking (or shaving ?)
He wanted to date her that night

Olé

Pedro the bull he was smitten
First time the love bug had bitten
He once was a mad bull, a wild and a bad bull
But now he was mild as a kitten

The people were starting to hiss
But Pedro just wanted to kiss

The bullfighter was a lady
And Pedro he liked what he saw
He floated on air with a rose in his hair
As he waltzed with that sweet matador

His fate was a bad one, his tale is a sad one
It's hanging right over her door

Olé !

0.21.14 The Fair's Moving On

(Words & music by Fletcher - Flett)

All the rides are over and done
It's late and no prizes are left to be won
The rides are closed, it's the end of the day
The horses are moving away
Yes the fair's moving on
And I'll soon be gone
Remember the love that we've known
Yes the fair's moving on
But I won't leave you long
It's the last time you'll be on your own

The music has ended, the carousel's still
The horses in boxes with the big Ferris wheel
The canvass and glitter are safely on board
The trailers will soon hit the road

Yes the fair's moving on
And I'll soon be gone
Remember the love that we had
Yes the fair's moving on
But I won't leave you long
I'm coming back so please don't be sad

At dawn I'll be gone but I'll soon return
Till then the fair's moving on
Till then the fair's moving on
Till then the fair's moving on
Till then the fair's moving on

0.21.15 The First Noel

(Traditional, arranged by Elvis Presley)

The first Noel the angels did sing
Was to certain poor shepherds
In fields as they lay
In fields fields where they lay keeping their sheep
On a cold winter's night that was so deep

Noel, Noel, Noel, Noel
Born is the king of Israel

And to the Earth it gave great light
And so it continued both day and night
Noel, Noel, Noel, Noel
Born is the king of Israel
Noel, Noel, Noel, Noel
Born is the king of Israel

0.21.16 The First Time Ever I Saw Your Face

(Words & music by Ewan MacColl)

The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and stars were the gifts you gave
To the dark and the empty skies my love
To the dark and the empty skies

The first time ever I kissed your mouth
I felt the earth move in my hands
Like a trembling heart of a captive bird
That was there at my command my love
That was there at my command

Hoa hoa hoa oh oh oh oh oh oh
Woh oh oh oh hoa hoa hoa
Oh hoa hoa hoa hoa hoa hoa
That was there at my command my love
That was there at my command

The first time ever I kissed your mouth
I felt the earth move in my hands
Like a trembling heart of a captive bird
That was there at my command my love
That was there at my command

Hoa hoa hoa oh oh oh oh oh oh
Woh oh oh oh hoa hoa hoa
Oh hoa hoa hoa hoa hoa hoa
That was there at my command my love
That was there at my command

0.21.17 The Fool

(words & music by Naomi Ford)

Gather round me buddy, raise your glasses high
And drink to a fool, a crazy fool
Who told his baby goodbye
Too late he found he loved her so much he wants to die

So drink to a fool, a crazy fool
Who told his baby goodbye
He needs her, he needs her so
He wonders why he let her go

She's found, she's found, she's found
A new love buddy, he's a lucky guy
So drink to a fool, a crazy fool
Who told his baby goodbye

0.21.18 The Girl I Never Loved

(Words & music by Randy Starr)

The girl I never loved
Will never know I cared
And all my dreams of her
Are dreams I'll never share
For I want her and I need her
And I know it might have been
But it ended long before it could begin

The kiss I never got
Somebody else will take
The plans I never made
Somebody else will make
Oh I'm lonely, I'm so lonely
'Cause it's her I'm thinking of
But she'll always be the girl I never loved
Never loved, never loved

0.21.19 The Girl of My Best Friend

(words & music by Beverly Ross - Sam Bobrick)

The way she walks,
The way she talks
How long can I pretend
Oh I can't help I'm in love
With the girl of my best friend

Her lovely hair,
Her skin so fair
I could go on and never end
Oh, I can't help I'm in love
With the girl of my best friend

I want to tell her
How I love her so
And hold her in my arms, but then
What if she got real mad and told him so
I could never face either one again

The way they kiss
Their happiness
Will my ache-in' ever end
Or will I always be in love
With the girl of my best friend ?

Never end,
Will it ever end ?
Please let it end

0.21.20 The Impossible Dream

(words & music by Leigh/Darion)

To dream the impossible dream
To fight the unbeatable foe
To bear the unbearable sorrow
To run where the brave dare not go

To write the unwritable wrong
To be better far than you are
To try when your arms are too weary
To reach the unreachable star

This is my quest, to follow that star
No matter how hopeless,
No matter how far
To fight for the right
Without question or pause
To be willing to march into hell
For a heavenly cause

And I know if I'll only be true
To this glorious quest
That my heart will be peaceful and calm
When I'm laid to my rest

And the world would be better for this
That one man scorned and covered with scars
Still strove with his last ounce of courage
To reach the unreachable star

0.21.21 The Lady Loves Me**(Duet with Ann-Margaret)****(Words & music by Tepper - Bennett)** She loves me, she loves me not

She loves me, she loves me not

She loves me, she loves me, she loves me

The lady loves me and it shows

In spite of the way she turns up her nose

I'm her ideal, her hearts desire

Under that ice she's burning like fire

She'd like to cuddle up to me

She's playing hard to get

The lady loves me, but she doesn't know it yet

The gentleman has savoir-faire

As much as an elephant or a bear

I'd like to take him for a spin

Back to the zoo to visit his kin

He's got about as much appeal as a soggy cigarette

The lady loathes him but he doesn't know it yet

The lady's got a crush on me

The gentleman's crazy obviously

The lady's dying to be kissed

The gentleman needs a psychiatrist

I'd rather kiss a rattlesnake

Or play Russian roulette

The lady loves me, but she doesn't know it yet

She's falling fast she's on the skids

Both of his heads are flipping their lids

Tonight she'll hold me in her arms

I'd rather be holding hydrogen bombs

Will someone tell this Romeo

I'm not his Juliet

The lady loves me, but she doesn't know it yet

She wants me

Like poison ivy

Needs me

Like a hole in the head

Everyone can see she's got it bad

He's mad !

The gentleman is an egotist

I'm simply aware I'm hard to resist

He's one man I could learn to hate

How's about having dinner at eight

I'd rather dine with Frankenstein

In a moonlight tete-a-tete

The lady loves me, but she doesn't know it yet

Oh yes she loves me
Dig that shrinking violet
Oh she really loves me
Here's one gal you'll never get
She lo- lo- loves me
Would you like to make a bet
I said the lady loves me
The gentleman's all wet

0.21.22 The Last Farewell

(Words & music by Roger Whittaker - R.A. Webster)

There's a ship lies rigged and ready in the harbor
Tomorrow for old England she sails
Far away from your land of endless sunshine
To my land full of rainy skies and gales
And I shall be aboard that ship tomorrow
Though my heart is full of tears at this farewell

For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell
For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell

I've heard there's a wicked war a-blazing
And the taste of war I know so very well
Even now I see the foreign flag a-raising
Their guns on fire as we sail into hell
I have no fear of death, it brings no sorrow
But how bitter will be this last farewell

For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell
For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell

Though death and darkness gather all about me
My ship be torn apart upon the seas
I shall smell again the fragrance of these islands
And the heaving waves that brought me once to thee
And should I return home safe again to England
I shall watch the English mist roll through the dale

For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell
For you are beautiful, I have loved you dearly
More dearly than the spoken word can tell

0.21.23 The Lord's Prayer

(traditional)

Our Father, Who Art in Heaven
Hallowed be, Thy Name
Thy Kingdom come, Thy will be Done
On earth, as it is, in Heaven

Give us this day, our daily bread
And forgive us our debts, as we forgive our debtors
And lead us not into temptation, but deliver us from evil
For Thine is the Kingdom, and the Power, and the Glory forever
Amen

0.21.24 The Love Machine

(Words & music by Nelson - Burch - Taylor)

Step right up to the love machine
You may get lucky when you zap a dream
Let the wheel go round, round and round
You may win that girl you've never found

She may be Suzy or Maybelline
She could be Cathy or Angeline
Let the wheel go round, round and round
Try your luck right now on the love machine

We're just a bunch of salty sailors
One thing on our mind
Takin' a chance on this machine
Maybe love we'll find
She maybe tall she maybe short
She may be wide
But Lady Luck stop that wheel
On 38-24-35
Step up, whose next in line
This love machine don't waste no time

Let the wheel go round, round and round
What will your fortune be on the love machine
All right

We're just a bunch of salty sailors
One thing on our mind
Takin' a chance on this machine
Maybe love we'll find
She maybe tall she maybe short
She may be wide
But Lady Luck stop that wheel
On 38-24-35
Step up, whose next in line
This love machine don't waste no time

Let the wheel go round and round and round
And round and round and round and round
What will your fortune be on the love machine

What will your fortune be on the love machine

0.21.25 The Meanest Girl in Town

(Words & music by J. Byers)

She'll tell you that she loves you, make you feel just like a kid
She'll cry to you and lie to you, she'll do 'most anything
She'll get right up next to you and the first thing that you know
You'll be telling her you're sorry because she hurt you so
I said she's evil the most evil girl I've found
There ain't no doubt about it, she's the meanest girl in town

She'll invite you over to her house at half past nine
You'll wear a suit, you'll wear a tie and you'll give your shoes a shine
You'll take a real deep breath and knock on her front door
Her little sister will tell you "She don't live here anymore"
I said she's evil the most evil girl I've found
There ain't no doubt about it, she's the meanest girl in town

And there ain't no doubt about it, she's the meanest girl in town

She'll put her arms around you and squeeze with all her might
She'll breathe a sigh and pucker her lips and pull your arms real tight
Your heart will pound like thunder, you'll melt in her embrace
But when you go to kiss her well she'll laugh right in your face
Because she's evil the most evil girl I've found
There ain't no doubt about it, she's the meanest girl in town

0.21.26 The Next Step is Love

(words & music by Evans - Parnes)

Yesterday, I slipped away
The sun is welcoming the evening shadows
On a perfect day and the next step is love
The next step is love

We walked barefoot through the misty meadows
Laughing at each other in the rain
Made some faces at some people in the park
Didn't bother to explain
Fun, fun, look at us run
Going nowhere special really fast
But we've yet to taste the icing on the cake
That we've been baking with the past

And the next step is love
So what are we waiting for?
The next step is love
Girl, it's for sure

Love will be a place to run to
From the world they've built to you and me
We'll be closer than we've ever been
Though looking back it's so hard to believe
Hang it all out or bring it all in
The best we've picked upon the way tonight
Changes are coming but together
We can make it through somehow

Yes the next step is love

0.21.27 The Sound of Your Cry

(Words & music by Giant - Baum - Kaye)

The clock by the bed is ticking too loud in the quiet night
I lie in the darkness thinking I must go before it's light
Before you open up your eyes and you beg me to stay
I'll leave 'cause I can't stand to see you hurt this way
Sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry

Though I knew the time was coming and our love would end somehow
I just couldn't bear to tell you exactly just when or how
I know we can't go on, that it was wrong to start
But if you wake up crying now, you know you'll break my heart
Sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry

Sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry

Ohhhh, Sleep my love as I kiss you, kiss you, kiss you goodbye
Then I won't hear the sound of your cry

Ohhhh, Sleep my love as I kiss you

0.21.28 The Twelfth of Never

(Words & music by Livingstone - Webster)

You ask how much I need you
Must I explain
I need you oh my darling
Like roses need rain

You ask how long I'll love you
I'll tell you true
Until the twelfth of never I'll still be loving you

Hold me close
Never let me go
Hold me close
Melt my heart like April snow

I'll love you 'till the blue bells forget to bloom
I'll love you 'till the clover has lost its perfume
I'll love you 'till the poets run out of rhyme

Oh, until the twelfth of never
And that's a long long time
Until the twelfth of never
And that's a long long time

0.21.29 The Walls Have Ears

(Words & music by Bennett - Tepper)

The walls have ears, ears that hear each little sound you make
Every time you stamp through a lamp and every cup and dish you break

But they can't hear a kiss or two arms that hold you tight
So come on baby, don't fight tonight

The walls have ears, better think before you fling that shoe
If you part my hair with a chair, they'll spread the news to Timbuktu

But they can't hear a kiss or two arms that hold you tight
So come on baby, don't fight tonight

Jets can fly, fast and high, rockets can go even faster
But they can't catch or even match sound traveling through plaster

The walls have ears, ears that hear each little sound you make
Every time you stamp through a lamp and every cup and dish you break

But they can't hear a kiss or two arms that hold you tight
So come on baby, don't fight tonight
Just in tonight
Don't fight tonight

0.21.30 (Words & music by Galloway - Minnigerode - Pomeroy)**Gentleman songsters off on a spree**

Doomed from here to eternity

Lord have mercy on such as we

Baa Baa Baa

0.21.31 The Wonder of You

(words & music by Baker Knight)

When no-one else can understand me
When everything I do is wrong
You give me hope and consolation
You give me strength to carry on

And you're always there to lend a hand
In everything I do
That's the wonder
The wonder of you

And when you smile the world is brighter
You touch my hand and I'm a king
Your kiss to me is worth a fortune
Your love for me is everything

I'll guess I'll never know the reason why
You love me like you do
That's the wonder
The wonder of you

0.21.32 The Wonderful World of Christmas

(words & music by Charles Tobias - Al Frisch)

The wonderful world of Christmas
Is a wonderful world to behold
The wonderful world of Christmas
Was made for the young and the old

Smile and good cheer of each neighbor
And children with cheeks all aglow
So warm is this Christmassy feeling
With the tree tops all locked up with snow

Listen to those wondrous bells
And you'll hear them say
Open up your hearts to all on this holy day
The wonderful world of Christmas
Is a joy from the moment it starts
The wonderful world of Christmas
Shall remain everyday in our hearts

0.21.33 The Yellow Rose of Texas / The Eyes of Texas

(Words & music by Wise - Starr / Lance - Sinclair)

Oh the yellow rose of Texas is the only girl I love
Her eyes are even bluer than Texas skies above
Her heart's as big as Texas and wherever I may go
I'll remember her forever because I love her so

There are so many roses that bloom along the way
But my heart's in Amarillo and that's where it will stay
With the yellow rose of Texas so I'd better get there fast
'Cause I know I was her first love and I want to be her last

Oh the yellow rose of Texas is the only girl I love
Her eyes are even bluer than Texas skies above
Her heart's as big as Texas and wherever I may go
I'll remember her forever because I love her so

The eyes of Texas are upon you all the live long day
The eyes of Texas are upon you, you cannot get away
Do not think you can escape them at night or early in the morn
The eyes of Texas are upon you 'till Gabriel blows his horn

The eyes of Texas are upon you all the live long day
The eyes of Texas are upon you, you cannot get away
Do not think you can escape them at night or early in the morn
The eyes of Texas are upon you 'till Gabriel blows his horn

The eyes of Texas are upon you all the live long day
The eyes of Texas are upon you, you cannot get away
Do not think you can escape them at night or early in the morn
The eyes of Texas are upon you 'till Gabriel blows his horn

0.21.34 There Ain't Nothing Like a Song

(Words & music by Byers - Johnston)

When you say that's it boy
I'm finally beat
You're goin' ninety miles an hour
Down a dead end street

You don't want to fight no more
You think that you can't win
Come on boy take a real deep breath
Jump right in and

Hold your head up high
Oh you gotta be strong
Come on and sing, sing, sing
There ain't nothing like a song

Now they may take away your job
Take your fancy car
They may repossess your clothes, take that fine guitar
They may take everything you own
Well that's just for today
As long as you've got a song in your heart
Tomorrow's gonna be O.K.

Hold your head up high
Oh you gotta be strong
Come on and sing, sing, sing
There ain't nothing like a song
All right

There ain't nothing gonna stop you
Once you've set your mind
The only people gonna knock you
Are jealous of what they find
Just keep a smile right on your face
Don't let 'em get you down
When you wake up tomorrow
The world is spinnin' round

Hold your head up high, hey, hey, hey
You gotta be strong, all right
Come on and sing, sing, sing
There ain't nothing like a song

Well lovin's all that I can give you
(Baby that's enough)
You ain't easy to satisfy
(Baby I ain't that tough)

Now hey little girl you're about the wildest
Thing I've ever seen
(When I'm with you baby I'm a lovin' machine)
Come on and kiss me honey
Oh you gotta be strong
Come on and sing, sing
There ain't nothing like a song
Come on and sing, (sing) sing
(sing) sing, (sing) sing
There ain't nothing like a song

0.21.35 There Goes My Everything

(words & music by Dallas Frazier)

There goes my only possession
There goes my everything

I hear footsteps slowly walking
As they gently walk across the lonely floor
And a voice is softly saying
Darling this will be goodbye for evermore

There goes my reason for living
There goes the one of my dreams
There goes my only possession
There goes my everything

As my memory turns back the pages
I can see the happy years we've had before
Now the love that kept this heart beating
Has been shattered by the closing of the door

0.21.36 There Is No God but God

(words & music by Bill Kenny)

There is no God, but God,
I know this is true
God made everything,
He made me, He made you
There'd be no birds,
No planes to sail in the blue
Without his wondrous eyes
To see them through

They say God made land
And He gave it all to man
Yes I know He's mighty good and true
There is no God, but God
And He knows everything to do
So just you call on Him
And He will share His love with you

There is no God, but God
I know this is true
For God made everything,
He made me, He made you

There'd be no birds,
No planes to sail in the blue
Without his wondrous eyes
To see them through

They say God made land
And He gave it all to man
This I know is mighty, good and true
There is no God, but God

And He knows everything to do
So just you call on Him
And He will share His love with you

0.21.37 There Is So Much World to See

(Words & music by Wayne - Weisman)

Baby it's wrong wrong as can be
To try and tie guy like me
I could never settle down in a little sleepy town
There's so much world to see

Sure would be happy for a while
But then we'd have to part
When tears replace your loving smile
Well I don't want to be the guy who has to break your heart
So here's where it ends
Not lovers but friends
Though your lips are tempting me
Maybe I'm a fool and yet
This wanderer just can't forget
There's so much world to see

Sure would be happy for a while
But then we'd have to part
When tears replace your loving smile
Well I don't want to be the guy who has to break your heart
So here's where it ends
Not lovers but friends
Though your lips are tempting me
Maybe I'm a fool and yet
This wanderer just can't forget
There's so much world to see
For me, there's so much world to see
Yeah ! yeah ! Mmm

0.21.38 There's a Brand New Day on the Horizon

(Words & music by J. Byers)

There's a brand new day on the horizon
Everything's gonna be just fine
There's a brand new day on the horizon
And the whole world's gonna be mine

I'm gonna tell old trouble, he'd better be moving on
Happiness is going to take his place around here from now on
The old dark clouds are gonna roll away
The sun is gonna shine
And the whole world's gonna be mine

I'm gonna tell old heartaches, pack his bags and go
I've decided that I don't want him hanging around no more
Don't you know I said everything's gonna be just fine
'Cause the whole world's gonna be mine

I'm gonna chase away old problems till they're out of sight
And I guarantee you honey they won't be coming back
Well don't you know I said everything's gonna be all right
'Cause the whole world's gonna be mine

I know my luck's gonna change, just you wait and see
Startin' tomorrow only good things in life are going to come to me
There's a brand new day on the horizon
And the whole world's gonna be mine
And the whole world's gonna be mine

0.21.39 There's a Honky Tonk Angel (Who'll Take Me Back In)

(Words & music by T. Seals / D. Rice)

When was the last time you kissed me
And I don't mean a touch now and then
It's been a long time since you felt like my woman
And even longer since I felt like your man

So tell me if you think it's over
And I'll leave it up to you how it ends
'Cause if you don't want the love I can give you
Well there's a honky tonk angel who will take me back in

You never look at me and say "I love you"
How much more do you think I can stand
Oh, there's an old friend out there and she's waiting
Lord she's happy just holding my hand

So tell me if you think it's over
And I'll leave it up to you how it ends
'Cause if you don't want the love I can give you
Well there's a honky tonk angel who will take me back in
Yes, there's a honky tonk angel who will take me back in

0.21.40 There's Always Me

(words & music by Don Robertson)

When the evening shadows fall,
And you're wond'ring who to call
For a little company
There's always me

Or if your great romance should end,
And you're lonesome for a friend
Darling, you need never be
There's always me

I don't seem to mind somehow
Playing second fiddle now
Someday you'll want me, dear,
and when that day is here,
Within my arms you'll come to know
Other loves may come and go
But my love for you will be eternally
Look around and you will see
There's always me.

0.21.41 There's Gold in the Mountains

(Words & music by Giant - Baum - Kaye)

There are lots of girls in the mountains
And they're worth their weight in gold
When they're in my arms with their lovin' charms
A treasure chest I hold

Well there's gold in the mountains, love in the hills
I don't need no city women with their diamonds and frills
There's gold in the mountains and oh what scenery
The prettiest girls I ever did see

There's such beauty there in the mountains
You can feel your knees growin' weak
Every single boy feels the height of joy
When he climbs that mountain peak

Well there's gold in the mountains, love in the hills
I don't need no city women with their diamonds and frills
There's gold in the mountains and oh what scenery
The prettiest girls I ever did see

I said there's gold in the mountains, love in the hills
I don't need no city women with their diamonds and frills
There's gold in the mountains and oh what scenery
The prettiest girls I ever did see
I ever did see
I ever did see

0.21.42 There's No Place Like Home

(Public Domain)

There's no place like home
Well I say now home, home sweet home
There's no place like home
Wherever you wander
There's no place like home

Well I used to have a sweetheart
To walk and talk with me
But now I have no sweetheart
What pleasure do I see

There's no place like home
Well I say now home, home sweet home
There's no place like home
Wherever you wander
There's no place like home

There's no place like home

0.21.43 They Remind Me Too Much of You

(Words and music by Don Robertson)

Take away, the scent of flowers
Cover up, the sky of blue
Close my ears to tender love songs
They remind me too much of you

Hide young lovers' warm embraces
Keep stars and moonlight from my view
Let me forget, there are such places
They remind me too much of you

Must I evermore be haunted?
Day after day, my whole life through
By the memory of each moment
That I spent alone with you

If these lovely things don't hurt you
Our love just wasn't meant to be
But please come back to me, my darling

If they remind you, too much of me

0.21.44 Thinking About You

(Words & music by Tim Baty)

I woke up this morning and I tried to call you, mmm
But you weren't there and that put me in despair
So I thought that maybe I could lose my mind
In the countryside so I went for a ride

But I never stopped thinking about you
Found myself wishing you were there
Just to be with me, feel the breeze
Sun didn't smile I didn't care

I decided to try just one more time
To let you know I really love you so
Before I arrived I saw you go away
With another guy, a tear filled my eye

But I never stopped thinking about you
Found myself wishing you were there
Just to be with me, feel the breeze
Sun didn't smile I didn't care

A long time has past since that day I cried
Life is fine and I'm doin' fine
When I'm at home and I feel all alone
Well I think of you, try to get a message through

But I never stopped thinking about you
Found myself wishing you were there
Just to be with me, feel the breeze
Sun didn't smile I didn't care

0.21.45 This Is Living

(Words & music by Weisman - Wise)

This is living, full of fun and free
This is living, that's the life for me

It's good to laugh and sing, don't worry about a thing
Wear a happy smile, cut loose and run a mile
If you relax and just enjoy it all, life has got to be a ball

This is living, full of fun and free
This is living, that's the life for me

It wouldn't mean a thing
If I could be a king
I really wouldn't care
To be a millionaire
I'd rather find someone to love a lot
Live and give it all I've got

This is living, full of fun and free
This is living, that's the life for me

Don't wanna settle down
I gotta move around
I gotta lot of time
I'm gonna wait and find
The kinda girl who's heart is restless too
The kind who feels the way I do

This is living, full of fun and free
This is living, that's the life for me

0.21.46 This Is My Heaven

(Words & music by Giant - Baum - Kaye)

This is my heaven
Being here with you
Make it last forever
This is my heaven
It's a dream come true
Make it last forever
Come to me now
And take my hand
This is the paradise I plan
You're like an angel
Sent from up above
Let's stay close together
You brought me heaven
When I shared your love
Make it last forever
Here 'neath the sky beside the sea
This is my heaven
When you come to me

0.21.47 This Is Our Dance

(Words & music by Reed - Stephens)

We had a real good evening
Now all our friends are leaving
Soon we'll be alone
Wait till everybody has gone
Then play just one more song

'Cause this is our dance
Darling remember, it's our dance
Loving and tender
I'll take you away, take you away
In my arms
Yes this is our dance, now we're together
For our dance can't last forever
And nobody knows just what tomorrow will bring
So let our dance begin

We'll turn the light down low now
I'll never let you go now
You're here in my arms
And when I hear you whisper you're mine
We'll play that song just one more time

'Cause this is our dance
Darling remember, it's our dance
Loving and tender
I'll take you away, take you away
In my arms
Yes this is our dance, now we're together
For our dance can't last forever
And nobody knows just what tomorrow will bring
So let our dance begin

0.21.48 This Is the Story

(Words & music by Arnold - Morrow - Martin)

I play the song, it was our own
Your photograph's by my side
I know I can't forget you
So I don't even try

The note you left is in my hand
I read again what you say
You're sorry but you love him
And you've both gone away

This is the story of a man
Whose world has fallen apart
And it's the story
That is breaking my heart

An open fire, our favorite chair
I get a book from the shelf
But the words I am reading
Could apply to myself

This is the story of a man
Whose world has fallen apart
And it's the story
That is breaking my heart
Yes, it's the story that is breaking my heart
Yes, it's the story that is breaking my heart
Yes, it's the story that is breaking my heart

0.21.49 This Time / I Can't Stop Loving You

(Words & music by Chips Moman / Don Gibson)

I'll just jump in there whenever I get the chance

I think I forgot to wear my cup
That's just my way of loving you
This time we're really breaking up
I know I forgot to wear my cup
Daa da dum
Those happy hours that we once knew
So apart still make me blue
I know that time heals a broken heart
But time has stood still since we've been apart

I can't stop loving you
I said I made up my mind
To live in memory of a lonesome time
I can't stop wanting you
Its useless to say
So I'll just live my life
In dreams of yesterday

Those happy hours that we once knew
So long ago you know they still make be blue
They say that time heals a broken heart
But time has stood still since we've been apart

I can't stop loving you
I said I made up my mind
To live in memory of a lonesome time
I can't stop wanting you
Its useless to say
So I'll just live my life
In dreams of yesterday
Mmmmm my life in dreams of yesterday

0.21.50 Three Corn Patches

(Words & music by Leiber - Stoller)

I said three corn patches about four cotton fields away
I said three corn patches about four cotton fields away
Lives the prettiest girl in the whole darn U.S.A.
I said A

She's got big brown eyes and long black wavy hair, Mmm
She's got big brown eyes and long black wavy hair
She's so beautiful, people it don't seem fair

Well I've been to Chicago, been to New Orleans
Yes, I've been to Chicago, been to New Orleans
But I'd rather see my baby workin' in her old blue jeans

I said three corn patches
About four cotton fields away
I said three corn patches
About four cotton fields away
Lives the prettiest girl in the whole darn U.S.A.
I said A

She keeps a big bull dog out in the yard all night
She keeps a big bull dog out in the yard all night
And it barks like a bear oh, but he don't bite

Yeah,
I said three corn patches
About four cotton fields away
I said three corn patches
About four cotton fields away
Lives the prettiest girl in the whole darn U.S.A.
I said A
Gimme three, gimme four
I said three, well four

0.21.51 Thrill of Your Love

(Words & music by Stanley Kesler)

I have wished for the wealth
Of a great millionaire
I have reached for a bright star above
But the thrill of it all
To me seems so small
When compared to the thrill of your love

I'd rather give everything
That I own in this world
Than to be all alone and unloved
For no earthly price and no sacrifice
Is too much to give
For your love

I'd rather give everything
That I own in this world
Than to be all alone and unloved
For no earthly price and no sacrifice
Is too much to give
For your love

0.21.52 Tiger Man

(Words & music by Lewis - Burns)

I am the king of the jungle
They call me the tiger man
I am the king of the jungle
They call me tiger man
If you cross my path
You take your own life in your hands

Yeah, I get up on a mountain
And I call my black cat back
Yeah, I get up on a mountain
And I call my black cat back
My black cat comes a runnin'
And the hound dogs get way back

Yeah, I get up on a mountain
And I call my black cat back
Yeah, I get up on a mountain
And I call my black cat back
My black cat comes a runnin'
And the hound dogs get way back

Yeah, I get up on a mountain
And I call my black cat back
Yeah, I get up on a mountain
And I call my black cat back
My black cat comes a runnin'
And the hound dogs get way back

0.21.53 Today, Tomorrow and Forever

(Words & music by Giant - Baum - Kaye)

I give, give you my heart
Today, tomorrow and forever
You'll always be my love

I vow we'll never part
Today, tomorrow and forever
Long as there's stars above

The cares of life will fade away
As long as we're together
So stay, stay in my arms
Today, tomorrow and forever
You'll always be my love

I give, give you my heart
Today, tomorrow and forever
You'll always be my love

The cares of life will fade away
As long as we're together
So stay, stay in my arms
Today, tomorrow and forever
You'll always be my love
You'll always be my love

0.21.54 Tomorrow Is a Long Time

(Words & music by Bob Dylan)

If today was not an endless highway
If tonight was not an endless trail
If tomorrow wasn't such a long time
Then lonesome would mean nothing to me at all

Yes and only if my own true love was waiting
If I could hear her heart softly pounding
If only she was lying by me
Then I'd lie in my bed once again

I can't see my reflection in the water
I can't speak the sounds that show no pain
I can't hear the echo of my footsteps
I can't remember the sound of my own name

Yes and only if my own true love was waiting
If I could hear her heart softly pounding
If only she was lying by me
Then I'd lie in my bed once again

There's beauty in the silver singing river
There's beauty in the sunrise in the sky
But none of these and nothing else could match the beauty
That I remember in my true love's eyes

Yes and only if my own true love was waiting
If I could hear her heart softly pounding
If only she was lying by me
Then I'd lie in my bed once again

If today was not an endless highway
If tonight was not an endless trail
If tomorrow wasn't such a long time
Then lonesome would mean nothing to me at all

Yes and only if my own true love was waiting
If I could hear her heart softly pounding
If only she was lying by me
Then I'd lie in my bed once again

0.21.55 Tomorrow Never Comes

(words & music by Ernest Tubb - Johnny Bond)

Oh you tell me that you love me
Yes you tell me that you care
That tomorrow we'll be married, oh
But tomorrow's never there

Oh tomorrow never, never comes
Oh tomorrow never comes
Now you tell me that you love me, oh
But tomorrow never comes

Many weeks now have I waited
Oh many long nights have I cried
But just to see that happy morning, happy morning
When I have you right by my side

But tomorrow will never come, oh no, no
Tomorrow never gonna come
Now you tell me that you love me
But tomorrow never, never comes

So tomorrow I'll be leaving
Yes tomorrow I'll be gone
But tomorrow you'll be weeping, oh
But tomorrow will never, never come

Well tomorrow will never, never come
Oh no, tomorrow ain't never gonna come
Yeah, yeah, you tell me, you tell me
That you love me, but tomorrow never comes

0.21.56 Tomorrow Night

(words & music by S. Coslow - W. Grosz)

Tomorrow night
Will you remember what you said tonight?
Tomorrow night
Will all thrills be gone?
Tomorrow night
Will it be just another memory,
Or just another lovely song
That's in my full heart to linger on?

Your lips are so tender,
Your heart is beating fast
And you're willing to surrender.
Tell me, darling, will it last?

Tomorrow night
Will you be with me when the moon's bright?
Tomorrow night
Will you say those lovely things you said tonight?

Tomorrow night
Will it be just another memory
Or just another lovely song
That's in my full heart to linger on?

Your lips are so tender,
Your heart is beating fast
And you're willing to surrender.
Tell me, darling, will it last?

Tomorrow night
Will you remember what you said tonight?
Tomorrow night
Will you say those lovely things you said tonight?

0.21.57 Tonight Is So Right for Love

(words & music by Wayne - Silver - Lilly, based on "G'schichten aus dem Wienerwald" by Johann Strauss)

Hold me tight
The moon's so bright
Tonight is so right for love

Now's the time to say
You're the only one
Tonight is so right for love

One by one the stars appear
They twinkle in your eyes
Who'd believe that we'd be here
So near to paradise

This could be the kiss
To unlock heaven's door
That magic hour of bliss
That we both waited for
I love more and more

Oh' we could fly right up to the sky
The things we've been dreaming of
And how real they would seem
A midsummernight's dream
Can't you see that tonight's so right for love

And how real they would seem
A midsummernight's dream
Can't you see that tonight's so right for love

Hold me tight
The moon's so bright
Tonight is so right for love

0.21.58 Tonight's All Right for Love

(words & music by Wayne - Silver - Lilly)

Hold me tight the moon's so bright
Tonight the night is right for love
As warmed by one as stars are bright
I hold you oh so close my dear
Things could be that magic kiss
That night of this we've waited for
Oh we could fly right up to the sky
How real it all seems to me
That summer night dream to me
Can't you see that tonight's all right for love
Oh we could fly right up to the sky
How real it all seems to me
That summer night dream to me
Can't you see that tonight's all right for love

0.21.59 Too Much

(words & music by Lee Rosenberg - Bernard Weinman)

Honey, I love you too much
Need your lovin' too much
Want the thrill of your touch
Gee, I can't hold you too much
You do all the livin'
While I do all the givin'
Cause I love you too much

You spend all my money too much
Have to share you honey, too much
When I want some lovin', you're gone
Don't you know you're treatin' me wrong
Now you got me started
Don't you leave me broken hearted
Cause I love you too much

Ev'ry time I kiss your sweet lips
I can feel my heart go flip flip
I'm such a fool for your charms
Take me back baby in your arms
Like to hear you sighin'
Even though I know you're lyin'
Cause I love you too much

Need your lovin' all the time
Need you huggin', please be mine
Need you near me, stay real close
Please, please, hear me, you're the most
Now you got me started
Don't you leave me broken hearted
Cause I love you too much

0.21.60 Too Much Monkey Business**(Words & music by Chuck Berry)**

Salesman talking to me tried to run me up a creek
 Says you can buy it, go on try it, you can pay me next week
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho

Blonde haired, good lookin' tryin' to get me hooked
 Wants me to marry, settle down and get a home and and write a book
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho

Pay phone, somethin' wrong, dial gone,
 Well me ought to sue the operator for tellin' me a tale
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho

Oh-ho-ho Oh-ho-ho Oh-ho-ho Oh-ho-ho

Been to Vietnam, been a fightin' in the war
 Army bar, army chow, army clothes, army car
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho

Workin' in the fillin' station, too many tasks
 Wipe the windo', check the tires, check the oil, dollar gas
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho

Blonde haired, good lookin' tryin' to get me hooked
 Wants me to marry, get a home, settle down and and write a book
 Uh-uh, too much monkey business, too much monkey business
 Too much monkey business for me to be involved in
 Oh-ho-ho
 Too much monkey business, Oh-ho-ho, too much monkey business, Oh-ho-ho
 Too much monkey business, Oh-ho-ho too much monkey business, Oh-ho-ho
 Too much monkey business, Oh-ho-ho too much monkey business, Oh-ho-ho

0.21.61 Treat Me Nice

(words & music by Jerry Leiber - Mike Stoller)

When I walk through that door
Baby be polite
You're gonna make me sore
If you don't greet me right
Don't you ever kiss me once, kiss me twice
Treat me nice

I know that you've been told
It's not fair to tease
So if you come on cold
I'm really gonna freeze
If you don't want me to be cold as ice
Treat me nice

Make me feel at home
If you really care
Scratch my back and run your pretty
Fingers through my hair

You know I'll be your slave
If you ask me to
But if you don't behave
I'll walk right out on you
If you want my love then take my advice
Treat me nice

Make me feel at home
If you really care
Scratch my back and run your pretty
Fingers through my hair

You know I'll be your slave
If you ask me to
But if you don't behave
I'll walk right out on you
If you want my love then take my advice
Treat me nice

If you really want my love then treat me nice

0.21.62 Trouble

(Words & music by Leiber - Stoller)

If you're looking for trouble
You came to the right place
If you're looking for trouble
Just look right in my face
I was born standing up
And talking back
My daddy was a green-eyed mountain jack
Because I'm evil, my middle name is misery
Well I'm evil, so don't you mess around with me

I've never looked for trouble
But I've never ran
I don't take no orders
From no kind of man
I'm only made out
Of flesh, blood and bone
But if you're gonna start a rumble
Don't you try it on alone
Because I'm evil, my middle name is misery
Well I'm evil, so don't you mess around with me
I'm evil, evil, evil, as can be
I'm evil, evil, evil, as can be
So don't mess around don't mess around don't mess around with me
I'm evil, I'm evil, evil, evil
So don't mess around, don't mess around with me
I'm evil, I tell you I'm evil
So don't mess around with me
Yeah !

0.21.63 T-R-O-U-B-L-E**(words & music by Jerry Chesnut)**

I play an old piano from nine till a half past one
 Tryin' to make a livin' watchin' everybody have fun
 Well, I don't miss much that ever happens on a dance hall floor
 Mercy, look what just walked through that door

Well, hello T-R-O-U-B-L-E
 What in the world you're doin' A-L-O-N-E ?
 Say, good L-double O-K-I-N-G
 I smell T-R-O-U-B-L-E

I was a little bitty baby when my papa hit the skids
 Mama had a time tryin' to raise nine kids
 Told me not to stare 'cause it was impolite
 And did the best she could to try to raise me right

But mama never told me 'bout nothing like Y-O-U
 Say, your mama must have been another something or the other too
 Say, hello good L-double O-K-I-N-G
 I smell T-R-O-U-B-L-E

Well, you talk about a woman I've seen a lot of others
 But too much something' and not enough another
 You've got it all together like a lovin' machine
 Lookin' like glory and walkin' like a dream

Mother Nature's sure been good to Y-O-U
 Well, your mama must have been another good lookin' too
 Say, hey, good L-double O-K-I-N-G
 I smell T-R-O-U-B-L-E

Well, you talk about a trouble-makin' hunka pokey bait,
 The men are gonna love and all the women gonna hate
 Reminding them of everything they never gonna be
 Maybe the beginning of the World War III
 Oh, the world ain't ready for nothin' like a Y-O-U
 Well, I bet your mama must have been another something or the other too

Say hey good L-double O-K-I-N-G
 I smell T-R-O-U-B-L-E

0.21.64 True Love

(words & music by Cole Porter)

Suntanned, windblown, honeymooners at last alone
Feeling far above par, oh how lucky we are
While I give to you and you give to me
True love, true love
So, on and on it will always be
True love, true love
For you and I have a guardian angel on high
With nothing to do but to give to you
And to give to me love forever true

0.21.65 True Love Travels on a Gravel Road

(Words & music by Frazier - Owens)

How many girls choose cotton dress worlds
When they could have satins and lace
And stand by her man, never once letting shade touch her face
How many hearts could live through all the winters
We've known and still not be cold
True love travels on a gravel road.

Love is a stranger and hearts are in danger
All through streets paved with gold
For true love travels on a gravel road.

Down through the years we've had hard times and tears
But they only helped our love grow
And we'll stay together no matter how strong the wind blows
Not once have I seen your blue eyes filled with envy
Or stray from the one that you hold
Oh true love travels on a gravel road.

Love is a stranger and hearts are in danger
All through streets paved with gold
For true love travels on a gravel road.

Yeah, true love travels on a gravel road. Mmmm
True love travels on a gravel road.
True love travels on a gravel road.

0.21.66 Tryin' to Get to You

(words & music by C. Singleton - R.M. McCoy)

I've been traveling over mountains
Even through the valleys, too
I've been traveling night and day
I've been running all the way
Baby, trying to get to you.

Ever since I read your letter
Where you said you loved me true
I've been traveling night and day
I've been running all the way
baby, trying to get to you

When I read your loving letter
Then my heart began to sing
There were many miles between us,
But they didn't mean a thing.

I just had to reach you, baby,
In spite of all that I've been through.
I kept traveling night and day,
I kept running all the way,
Baby, trying to get to you.

Well if I had to do it over
That's exactly what I'd do,
I would travel night and day,
And I'd still run all the way,
Baby, trying to get to you.

Well, there's nothing that could hold me
Or that could keep me away from you
When your loving letter told me
That you really loved me true

Lord above me knows I love you
It was He who brought me through,
When my way was dark as night,
He would shine His brightest light,
When I was trying to get to you.

0.21.67 Tumblin' Tumbleweeds**(Words & Music Bob Nolan)**

I keep rolling along
 Deep in my heart is a song
 Here on the ranch I belong
 Driftin' along with the tumblin' tumbleweeds

See them tumblin' down
 Pledging their love to the ground
 Lonely but free I'll be found
 Driftin' along with the tumblin' tumbleweeds

Cares of the past are behind
 Know where they're gone, but I'm fine
 Just where the trailer will whine
 Driftin' along with the tumblin' tumbleweeds

I know when night is gone
 That I knew this border done (?)
 I keep rolling along
 Deep in my heart is a song
 Here on the ranch I belong
 Driftin' along with the tumblin' tumbleweeds
 Driftin' along with the tumblin' tumbleweeds

We knew this border done (?)
 I keep rolling along
 Deep in my heart is a song
 Here on the ranch I belong
 Driftin' along with the tumblin' tumbleweeds
 Driftin' along with the tumblin' tumbleweeds

Driftin' along with the tumblin' tumbleweeds

Cares of the past are behind
 Know where they're gone, but I'm fine
 Just where the trailer will whine
 Driftin' along with the tumblin' tumbleweeds

I know when night is gone
 That I knew this border done (?)
 I keep rolling along

Driftin' along with the tumblin' tumbleweeds

0.21.70 Tweedle Dee

(Words & music Winfield Scott)

Tweedle tweedle tweedle dee
I'm as happy as can be.
Jimminy cricket, jimminy jack,
You make my heart go clickety-clack.
Tweedle tweedle tweedle dee.

Tweedle dum, tweedle do,
Give it up give it up,
Give your love to me.
Tweedle do, tweedle dot.
Gimme gimme gimme gimme

Give that kiss to me before you go.
Tweedle do, tweedle dot,
Gimme gimme gimme gimme

Mercy, mercy, who needs you?
I'm gonna keep my eyes on you.
Tweedle tweedle tweedle dee.
Oh, tweedle dee, tweedle do

0.21.71 Twenty Days and Twenty Nights

(words & music by Weisman - Westlake)

I left my home up in the hill far behind me
I left my wife with unpaid bills, she can't find me
I'm trying out the world for size, find that it's not paradise, it's lonely
Now for twenty days and twenty nights I've been alone
And that ain't right without her

City ways are strange to me, I can't make it
For it's not like it ought to be, I can't take it
Gotta face the truth one day, man can't always run away from trouble
No, now for twenty days and twenty nights I've been a fool
And that ain't right, without her

One day soon I'm going back, where she still minds me
And then out of line and off the track, but that's behind me
I fooled around and did it well, but I just couldn't ring the bell, without her, no
It's taken twenty days and twenty nights to prove me wrong and make her right
Twenty days and twenty nights I was wrong and she was right, all along

Oh, I miss her
Oh, how I miss her, oh how I miss her, oh how I miss her

0.22 U

0.22.1 U.S. Male**(Words & Music by Jerry Reed)**

Now, I'm a U.S. Male 'cause I was born
 In a Mississippi town on a Sunday morn
 Now Mississippi just happens to occupy a place
 In the southeastern portion of this here United States
 Now that's a matter of fact, buddy
 And you know it well
 So I just call myself the U.S. Male
 That's M-A-L-E, son. That's me !

Now I said all that to say all this
 I've been watchin' the way
 You've been watchin' my miss
 For the last three weeks you been hot on her trail
 And you kinda upset this U.S. Male
 You touch her once with your greasy hands
 I'm gonna stretch your neck like a long rubber band
 She's wearin' a ring that I bought her on sale
 And that makes her the property of this U.S. Male

You better not mess with the U.S. Male my friend
 The U.S. Male gets mad, he's gonna do you in
 You know what's good for yourself son
 You better find somebody else son
 Don't tamper with the property of the U.S. Male

Through the rain and the heat and the sleet and the snow
 The U.S. Male is on his toes
 Quit watchin' my woman, for that ain't wise
 You ain't pullin' no wool over this boy's eyes
 I catch you 'round my woman, champ
 I'm gonna leave your head 'bout the shape of a stamp
 Kinda flattened out, so you'll do well
 To quit playin' games with this U.S. Male

You better not mess with the U.S. Male my friend
 The U.S. Male gets mad, he's gonna do you in
 You know what's good for yourself son
 You better find somebody else son
 Don't tamper with the property of the U.S. Male

Sock it to me

All right...now I'm gonna tell it like it is son
 I catch you messin' 'round with that woman of mine
 I'm gonna lay one on ya. You're talkin' to the U.S. Male
 The American U.S. Male

0.22.2 Unchained Melody

(Words & music by Zaret - North)

Oh, my love, my darling
I've hungered for your touch, a long lonely time
And time goes by, so slowly and time can do so much
Are you, still mine ?
I need your love, I need your love
God speed your love to me

Lonely rivers flow to the sea, to the sea
To the waiting arms of the sea
Lonely rivers cry, wait for me, wait for me
To the open arms, wait for me

My love, my darling, I've hungered for your kiss
Are you still mine ?
I need your love, I need your love
God, speed your love, to me

0.22.3 Until It's Time for You to Go

(words & music by Buffy Sainte-Marie)

You're not a dream
You're not an angel
You're a woman
I'm not a king,
I'm a man,
Take my hand
We'll make a space
In the lives that we planned
And here we'll stay
Until it's time for you to go

Yes, we're diff'rent worlds apart
We're not the same
We laughed and played
At the start like in a game
You could have stayed
Outside my heart
But in you came
And here you'll stay
Until it's time for you to go

Don't ask why,
Don't ask how
Don't ask forever,
Love me now

This love of mine
Had no beginning
It has no end
I was an oak,
Now I'm a willow
Now I can bend
And tho' I'll never
In my life see you again
I still stay
Until it's time for you to go

0.22.4 Up Above My Head

(Words & music by Brown)

Up above my head there is music in the air
Up above my head there is music in the air
Up above my head there is music in the air, oh yeah !
And I really do believe, I really do believe
I really do believe there's a heaven somewhere
There's a heaven somewhere

0.23.1 Vino, Dinero y Amor

(Words & music by Sid Tepper and Roy C. Bennett)

Viva el vino, viva el dinero

Viva, Viva

El amor

I like to drink wine, and money is fine

But I like the girls even more

Viva el vino, viva el dinero, viva viva el amor

Some pesos you pass, put wine in her glass

And soon she will say "si señor"

Viva el vino, viva el dinero, viva viva el amor

With wine on your lips and money in your pocket

And your sweetheart in your arms

You're rich as you can be

So lift up your glass, let's sing it all together

Muchachas, caballeros, make this toast with me

We'll drink one more time, with money and wine

Let's drink to the girls we adore

Viva el vino, viva el dinero, viva viva el amor

Sing one more time, money and wine

Let's sing to the girls we adore

Viva el vino, viva el dinero, viva viva...

El amor

0.23.2 Violet

(Words & music by S. Dueker - P. Lohstroh)

Underneath the foliage, in its bower set
Loveliest of the flowers of spring
Blooms the violet

(Violet, violet, flower of N.Y.U.)

We will ever sing thy praise
To thee we'll ere be true
(We'll be true)

0.23.3 Viva Las Vegas**(words & music by Doc Pomus and Mort Shuman)**

Bright light city gonna set my soul
 Gonna set my soul on fire
 Got a whole lot of money that's ready to burn,
 So get those stakes up higher
 There's a thousand pretty women waitin' out there
 And they're all livin' devil may care
 And I'm just the devil with love to spare
 Viva Las Vegas, Viva Las Vegas

How I wish that there were more
 Than the twenty-four hours in the day
 'Cause even if there were forty more
 I wouldn't sleep a minute away
 Oh, there's black jack and poker and the roulette wheel
 A fortune won and lost on ev'ry deal
 All you need's a strong heart and a nerve of steel
 Viva Las Vegas, Viva Las Vegas

Viva Las Vegas with you neon flashin'
 And your one armbandits crashin'
 All those hopes down the drain
 Viva Las Vegas turnin' day into nighttime
 Turnin' night into daytime
 If you see it once
 You'll never be the same again

I'm gonna keep on the run
 I'm gonna have me some fun
 If it costs me my very last dime
 If I wind up broke up well
 I'll always remember that I had a swingin' time
 I'm gonna give it ev'rything I've got
 Lady luck please let the dice stay hot
 Let me shout a seven with ev'ry shot
 Viva Las Vegas, Viva Las Vegas,
 Viva, Viva Las Vegas

0.24.1 Walk a Mile in My Shoes

(words & music by Joe South)

If I could be you, if you could be me
For just one hour, if we could find a way
To get inside each other's mind
If you could see you through my eyes
Instead your own ego I believe you'd be
I believe you'd be surprised to see
That you've been blind

Walk a mile in my shoes
just walk a mile in my shoes
Before you abuse, criticize and accuse
Then walk a mile in my shoes

Now if we spend the day
Throwin' stones at one another
'Cause I don't think, 'cause I don't think
Or wear my hair the same way you do
Well, I may be common people
But I'm your brother
And when you strike out
You're tryin' to hurt me
It's hurtin' you, Lord how mercy

Now there are people on reservations
And out in the ghetto
And brother there, but, for the grace of God
Go you and I,
If I only had wings of a little angel
Don't you know, I'd fly
To the top of a mountain
And then I'd cry, cry, cry

0.24.2 Way Down

(words & music by Layng Martine, jr)

Babe, you're getting closer
The lights are goin' dim
The sound of your breathin'
Has made the mood I'm in
All of my resistance
Is lying on the floor
Taking me to places
I've never been before

Ooh, and I can feel it,
Feel it, feel it, feel it

Way down where the music plays
Way down like a tidal wave
Way down where the fires blaze
Way down, down, way, way on down

Ooh, my head is spinnin'
You got me in your spell,
A hundred magic fingers
On a whirling carousel
The medicine within me
No doctor could prescribe
Your love is doing something
That I just can't describe

Ooh, and I can feel it,
Feel it, feel it, feel it

Way down where the music plays
Way down like a tidal wave
Way down where the fires blaze
Way down, down, way, way on down

Hold me again,
Tight as you can
I need you so,
Baby, let's go

Way down where it feels so good
Way down where I hoped it would
Way down where I never could
Way down, down, way, way on down

0.24.3 We call on him

(Words & music by Karger - Weisman - Wayne)

We call on Him

Whenever storm clouds gather

We call on Him to light our darkest day

Why must it be that only when we're lonely

And hopes are dim, we call on Him

Why don't we call on Him before we lose our way

To count our blessings and thank Him while we may

We call on Him when no-one else will answer

We ask of Him a reason to go on

When our cup of joy becomes a cup of sorrow

Filled to the brim, we call on Him

Why don't we call on Him before we lose our way

To count our blessings and thank Him while we may

0.24.4 We Can Make the Morning

(Words & music by J. Ramsey)

I just thought I heard a small voice crying
Looked again and saw that it was me
I feel like a little boy denying
That he fears the night 'cause he can't see

Then a larger thought said stop your crying
Don't be scared to search 'cause you may find
Fate holds out a candle for your footsteps
Time rolls back the shadows of your mind

It's a long, long lonely night
You can make the morning if you try
It's a long, long lonely night
Oh, we can make the morning if we try
Girl, we can make the morning you and I
Together, together, together

Loneliness is darkness' first companion
Spend the night alone and faith may bend
Share it all and see how fear starts fading
Chase away the shadows with a friend

Dawn's elusive light is just beginning
Now the day can push away the night
Dreams can make the sun feel much brighter
Hope creates a foothold for the light

It's a long, long lonely night
We can make the morning if we try
It's a long, long lonely night
We can make the morning if we try
Girl, we can make the morning you and I, Oh
Together

It's a long, long lonely night
We can make the morning if we try
It's a long, long lonely night
We can make the morning if we try
It's a long, long lonely night
We can make the morning if we try

0.24.5 Wear My Ring Around Your Neck

(words & music by Bert Carroll - Russell Moody)

Won't you wear my ring around your neck
To tell the world I'm yours, by heck
Let them see your love for me
And let them see by the ring around your neck

Won't you wear my ring around your neck
To tell the world I'm yours, by heck
Let them know I love you so
And let them no by the ring around your neck

They say that goin' steady is not the proper thing
They say that we're too young to know the meaning of a ring
I only know that I love you and that you love me too
So, darling, please do what I ask of you

Won't you wear my ring around your neck
To tell the world I'm yours, by heck
Let them see your love for me
And let them see by the ring around your neck

Let them know I love you so
And let them know by the ring around your neck

0.24.6 Wearin' That Loved-on Look

(Words & music by Dallas Frazier - Al Owens)

I had to leave town for a little while,
You said you'd be good while I'm gone,
But the look in your eye dun told me you told a lie,
I know there's been some carryin' on.

Baby, You're wearin' that loved on look, Shoop, shoop, shoop, shoop
Baby, You're wearin' that loved on look.

The ash trays are all full of ashes,
The floor needs a touch of the mop,
There's a man downstairs with a long bushy hair,
He said your party was a three day rock.

Baby, You're wearin' that loved on look, Shoop, shoop, shoop, shoop
Baby, You're wearin' that loved on look.

Baby if you ever loved me,
Then Bonnie and Clyde loved the law,
Well a bird can't fly and I don't like apple pie,
And trees won't grow in Arkansas.

Baby, You're wearin' that loved on look, Shoop, shoop, shoop, shoop
Baby, You're wearin' that loved on look.

I had to leave town for a little while,
You said you'd be good while I'm gone,
But the look in your eye dun told me you told a lie,
I know there's been some carryin' on.

Well - Baby, You're wearin' that loved on look,
Yeah - Baby, You're wearin' that loved on look
Yeah - Baby

0.24.7 Welcome to My World

(words & music by Winkler - Hathcock)

Welcome to my world,
Won't you come on in
Miracles, I guess
Still happen now and then
Step into my heart
Leave your cares behind
Welcome to my world
Built with you in mind

Knock and the door shall be open
Seek and you will find
Ask and you'll be given
The key to this heart of mine

I'll be waiting there
With my arms unfurled
Waiting just for you
Welcome to my world
Welcome to my world

0.24.8 We'll Be Together

(Words & music by O'Curran - Brooks)

Oh I will never forget the first night we met
Was love I was searching for
My heart beat faster and faster, oh so much faster
Faster than it did before

Juntos estaremos
Siempre por siempre
Junto a mi corazo'n
Siempre estara's

We'll be together, and love forever
Nothing can change our destiny

I knew the moment I kissed you, couldn't resist you
Together we belong
And then I knew in that moment just what this glow meant
True love had come along

We'll be together, ever and ever, close to my heart
You'll always be.
We'll be together, and love forever
Nothing can change our destiny

0.24.9 We're Coming in Loaded

(Words & music by Blackwell - Scott)

Ooh yes we're comin' in loaded, Ooh yes we're comin' in loaded
I'll hold the boat steady brother like a rock
Full speed a head until we hit the dock
We're heading for home, the fishing was great
We're comin' in loaded 'cause we're all out of bait
Well, well, well, well, well
Oh well now yeah !

We gottem packed to the water-line
Some got away but the catch was fine
Never saw such big ones, m'man oh man,
We're comin' in loaded just as fast as we can
Well, well, well, well, well
Oh well now yeah !

I'm gonna see my baby soon as I get back
Knock on the door with my pockets packed
She'll look at me well she can't say no
We're comin' in loaded so come on let's go
Well, well, well, well, well
Oh well now yeah !
Oh well now yeah !
Yeah ! we're comin' in loaded

0.24.10 We're Gonna Move

(Words & music by Vera Matson - Elvis Presley)

Well there's a leak in this old building
Yes, there's a leak in this old building
Well there's a leak in this old building
We're gonna move to a better home

We got no pane in this old window'
We got no pane in this old window'
We got no pane in this old window'
We're gonna move to a better home

Well there's a hole in the roof where the rain pours in
A hole in the floor where it drops right out again
Well there's a leak in this old building
Well there's a leak in this old building
Well there's a leak in this old building
We're gonna move to a better home

Well there's a crack across the ceiling
Yes there's a crack across the ceiling
Well there's a crack across the ceiling
We're gonna find us a better home

We've gotta stove without a chimney
We've gotta stove without a chimney
What good's a stove without a chimney
We're gonna move to a better home

Pulling down window shades is no use at all
The kids and the neighbor can peep right through the wall
Well there's a leak in this old building
Well there's a leak in this old building
Well there's a leak in this old building
We're gonna move to a better, move to a better
Move to a better home

0.24.11 Western Union

(Words & music by Tepper - Bennet)

Western Union

Oh, Western Union clickety clack

I had a fight with my baby

Ooh how sorry I am

She won't talk to me no how

I'm gonna send a telegram

Western Union oh yeah

Send my lovin' baby back to me

She won't open my letters

She won't answer the phone

When I'm a-ringin' her doorbell

She says there ain't nobody home

Western Union oh yeah

Send my lovin' baby back to me

Western Union oh yeah

Send my lovin' baby back to me

I love you is my message

Just three words and no more

If she won't let you deliver

Slip it underneath her door

Western Union oh yeah

Send my lovin' baby back to me

Western Union oh yeah

Send my lovin' baby back to me

0.24.12 What a Wonderful Life**(Words & music by Wayne - Livingston)**

It's a wonderful life
 This life I'm livin'
 What a wonderful life, days with a life of ease, oh-ho-oh
 Well, I've got no job to worry me
 No big bad boss to hurry me
 It's a wonderful life life's good to me

It's a wonderful road
 This road I'm travelin'
 It's a wonderful road headin' beyond the hills, oh-ho-oh
 Oh it may go straight or it may detour
 But one thing that I know for sure
 It's a wonderful life, life's good to me

Don't know where I'm goin'
 Don't care where I'm goin'
 Like the four winds are blowin' I go on
 Laughin' the day away, lovin the night away
 Till the moon is gone
 It's a wonderful life
 This life I'm livin'
 What a wonderful life
 Livin' the life I love, oh yeah
 Well I've got neighbors, I've got friends
 Just about anywhere the rainbow ends
 It's a wonderful life, life's good to me

Don't know where I'm goin'
 Don't care where I'm goin'
 Like the four winds are blowin' I go on
 Laughin' the day away, lovin the night away
 Till the moon is gone
 It's a wonderful life
 This life I'm livin'
 What a wonderful life
 Livin' the life I love, oh yeah
 Well I've got neighbors, I've got friends
 Just about anywhere the rainbow ends
 It's a wonderful life, life's good to me
 What a wonderful life, life's good to me, yeah
 Crazy life, life's good to me
 Oh what a life

0.24.13 What Every Woman Lives For

(Words & music by Pomus - Shuman)

She may say she needs fancy bangles and beads
That's part of a woman's plan
But what every woman lives for
What every woman lives for
Is to give her love to a man

Wise men have known women can't live alone
So a woman should understand
That what every woman lives for
What every woman lives for
Is to give her love to a man

He may not be the kind you find in picture books
A real life hero with dashing handsome looks
He may not be the guy that you've been dreaming of
But that won't stop you from giving him your love

So dear, can't you see that it was meant to be
It's part, part of our destiny
'Cause what every woman lives for
What every woman lives for
Is to give her love to a man
And I hope that man is me

0.24.14 What Now My Love

(words & music by Sigman - Becaud) What now my love

Now that you left me
How can I live through another day
Watching my dreams turn into ashes
And all my hopes into bits of clay
Once I could see, once I could feel
Now I'm a numb
I've become unreal

I walk the night, oh, without a goal
Stripped of my heart, my soul
What now my love
Now that it's over
I feel the world closing in on me
Here comes the stars
Tumbling around me
And there's the sky where the sea should be

What now my love
Now that you're gone
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now my love
Now there is nothing
Only my last goodbye
Only my last goodbye

0.24.15 What Now, What Next, Where To

(Words & music by Robertson - Blair)

Like a ship without a compass on a cold lonely sea
No beacon light of love to guide me through
I lost the only treasure that means anything to me
What now, what next, where to ?

I thought I had a love that would be mine eternally
I felt so sure you'd be forever true
Now everything I counted on has crumbled under you
What now, what next, where to ?

You were part of every dream I dreamed, of everything I planned
How could I know our castles were built upon the sand
Won't heaven send an angel please, to tell me what to do
What now, what next, where to ?
What now, what next , where to ?

0.24.16 What'd I Say

(Words & music by Ray Charles)

Hey mama, don't you treat me wrong
Come and love your daddy all night long
All right, hey, hey, all right now

See the girl with the diamond ring
She knows how to shake that thing
All right, hey, hey, Mmm, all right now

Ahhh, Ohh, Ahhh, Ohh, Ahhh, Ohh, Ohh

Make me feel so good, make me feel so good right now
Make me feel so good, make me feel so good right now
Make me feel so good, make me feel so good

Mmm, see the girl with the red dress on
She can do the dog all night long
All right, hmm what'd I say, tell me what'd I say

Tell me what'd I say, tell me what'd I say right now
Tell me what'd I say, tell me what'd I say right now
Tell me what'd I say, tell me what'd I say

Ahhh, Ohh, Ahhh, Ohh, Ahhh, Ohh, Ohh
It's all right, It's all right right now
Baby, it's all right, Baby, it's all right right now
Baby, it's all right, Oh yeah !

Baby shake that thing, baby shake that thing right now
Baby shake that thing, baby shake that thing right now
Baby shake that thing, well I feel all right

0.24.17 What's She Really Like

(words & music by Wayne - Silver)

What's she really like
The girl that you see me with
What's she really like
The one I'm so dreamy with
Well, let me tell you she's wonderful
She's marvelous and she's mine

Told here that her lips, her lips are so thrillable
I can't describe her kiss in words of one syllable
She's even more than desirable
And what's moreable she's mine

What's she really like
The girl I go on about
What's she really like
The one I'm so mad about
All I can say, she's wonderful
She's marvelous and she's mine

You're asking if she loves me
Well, you don't know the half
You're wondering if she'll leave me
Ha, ha, ha, don't make me laugh

What's she really like
The girl I go on about
What's she really like
The one I'm so gone about

All I can say, she's wonderful
She's marvelous and she's mine

0.24.18 Wheels on My Heels

(Words & music by Tepper - Bennett)

Gotta do some livin', got the wanderlust
Better clear the highway 'cause I'm gonna move some dust
Oh I got wheels, wheels on my heels
And I gotta keep rollin', rolling along

Lots of pretty dollies try to fence me in
But I love 'em and leave 'em 'cause a tumbleweed's my kin
Oh I got wheels, wheels on my heels
And I gotta keep rollin', rolling along

Why do I keep movin', never settlin' down
Can it be I'm looking for a dream I haven't found
Oh I got wheels, wheels on my heels
And I gotta keep rollin', rolling along

Oh I got wheels, wheels on my heels
And I gotta keep rollin', rolling along

0.24.19 When I'm over You

(Words & music by Milete)

When I'm over you there'll be darkness where my soul has been
And no light will ever shine again when I'm o-over you
When you're leavin' is over and there's not another tear to cry
In the silence of that last goodbye just remember, remember this

When I'm over you there'll be darkness where my soul has been
And no light will ever shine again when I'm over, over you.

Ooh-ooh-ooh

When I'm over you there'll be darkness, darkness where my soul has been
And no light will ever shine again when I'm over, over you.

When I'm over you there'll be darkness where my soul has been
And no light will ever shine again when I'm over, over you.

When I'm over you there'll be darkness, darkness, darkness where my soul has been
And no light will ever, ever shine again when I'm over you.

0.24.20 When It Rains, It Really Pours

(words & music by W. Emmerson)

You know what it takes,
You've got it, baby.
You are the only one I chose.
Don't leave me here with all these heartaches,
Only you and heaven knows
About my troubles troubles troubles.

When it rains, it really pours...

You shouldn't have took away my loving
You know you thrill me from head to toe.
I got a feeling for you baby
And you're the only one who knows
About my troubles, troubles, troubles.

When it rains, it really pours...

You know what you did to make me love you
You really opened up my nose.
You got what you wanted, now you left me.
That's the way the story goes.
Well, I got troubles, troubles, troubles.

When it rains, it really pours.

0.24.21 When My Blue Moon Turns to Gold Again

(words & music by Walker - Sullivan)

When my blue moon turns to gold again

When my rainbow turns the clouds away

When my blue moon turns to gold again

You'll be back within my arms to stay

When the memories that linger in our hearts

Memories that make my heart cold

However some day they'll live again sweetheart

And my blue moon again will turn to gold

0.24.22 When the Saints Go Marchin' In

(Traditional)

Well when the saints go marchin' in
Well when the saints go marchin in
Oh Lord I want to be in that number
When the saints go marchin' in

When the sun refuse to shine
Well when the sun refuse to shine
Oh Lord I want to be in that number
When the sun refuse to shine

Well when the saints go marchin' in
Well when the saints go marchin in
Oh Lord I want to be in that number
When the saints go marchin' in

Well when the saints go marchin' in
Well when the saints go marchin in
Oh Lord I want to be in that number
When the saints go marchin' in

0.24.23 Where Could I Go but to the Lord

(Words & music by J. B. Coats)

Living below in this old sinful world
Hardly a comfort can afford
Striving alone to face temptation so
Now won't you tell me

Where could I go but to the Lord
Where could I go oh where could I go
Seeking the refuge for my soul
Needing a friend to save me in the end
Won't you tell me
Where could I go but to the Lord

Life here is grand with friends I love so dear
Comfort I get from God's own word
Yet when I face that chilling hand of death
Won't you tell me
Where could I go but to the Lord

Where could I go but to the Lord
Where could I go oh where could I go
Seeking the refuge for my soul
Needing a friend to save me in the end
Won't you tell me
Where could I go but to the Lord

0.24.24 Where Did They Go Lord

(Words & music by Frazier - Owens)

The words of her promise
The flame of her faith
The love that would never drift away
Where did they go Lord, where did they go ?

You know somehow forever
Slipped out of my hands
And my dreams ran away with the wind
Where did they go Lord, where did they go

You know sometimes I wish
I had lost her to another
Well but Lord she just walked off all alone
And the heart that's within me is not bitter just hurt
And bewildered because her love had gone

Oh the passion I trusted
The truth that I leaned on
And the hope that would forever keep me strong
I cry out my questions
Oh, the answers are all gone
Where did they go Lord, tell me where did they go
Where did they go Lord, tell me where did they go

0.24.25 Where Do I Go from Here ?

(Words & music by Paul Williams)

If I knew the way I'd go back home
The countryside has changed so much I'd surely end up lost
Half-remembered names and faces so far in the past
On the other side of the bridges that were burned once they were crossed

Tell me where, where does a fool go when there's no-one left to listen
To a story without meaning that nobody wants to hear
Tell me where, where does a fool go when he knows there's something missing
Tell me where, where will I go from here
Where will I go from here

Get back home where my childhood dreams and wishes still are none of my regrets
Go back to a place where I can figure all the odds
Have a fighting chance to lose the blues and win my share of bets

Tell me where, where does a fool go when there's no-one left to listen
To a story without meaning that nobody wants to hear
Tell me where, where does a fool go when he knows there's something missing
Tell me where, where will I go from here
Where will I go from here

Tell me where, where does a fool go when there's no-one left to listen
To a story without meaning that nobody wants to hear
Tell me where, where does a fool go when he knows there's something missing
Tell me where, where will I go from here
Where will I go from here

Tell me where, where does a fool go when there's no-one left to listen
To a story without meaning that nobody wants to hear
Tell me where, where does a fool go when he knows there's something missing
Tell me where, where will I go from here
Where will I go from here

Tell me where, where does a fool go when there's no-one left to listen
To a story without meaning that nobody wants to hear
Tell me where, where does a fool go when he knows there's something missing
Tell me where, where will I go from here
Where will I go from here

0.24.26 Where Do You Come From ?

(words & music by Ruth Batchelor - Bob Roberts)

Where do you come from ?
Tell me who you are
Do you come from another world
Or from some distant star ?

Where do you come from ?
Are you what you seem ?
Are you real,
Are you standing there,
Or is it just a dream ?

Tell me more about yourself
Do you feel the way I feel ?
Are you just a vision,
Or are you really real ?

Where do you come from ?
Angel won't you say ?
Tell me all that there is to know
And tell me that you'll stay.

0.24.27 Where No One Stands Alone

(Words & music by Mosie Lister)

Once I stood in the night
With my head bowed low
In the darkness as black as could be
And my heart felt alone and I cried oh Lord
Don't hide your face from me

Like a king I may live in a palace so tall
With great riches to call my own
But I don't know a thing
In this whole wide world
That's worse than being alone
Hold my hand all the way, every hour every day
Come here to the great unknown

Take my hand, let me stand
Where no one stands alone

Take my hand, let me stand
Where no one stands alone

0.24.28 White Christmas

(Words & music by Irving Berlin)

I'm dreaming of a white Christmas,
Just like the ones I used to know.
Where those tree-tops glisten,
And children listen
To hear sleighbells in the snow.

I'm dreaming of a white Christmas,
With every Christmas card I write,
"May your days be merry and bright,
And may all your Christmases be white".

I'm dreaming of a white Christmas,
Just like the ones I used to know.
May your days may your days may your days be merry and bright,
And may all your Christmases be white.

0.24.29 Who Am I ?

(Words & music by R. Goodman)

When I think of how He came so far from glory
Came to dwell among the lowly such as I
To suffer shame and such disgrace
On Mount Calvary take my place
Then I ask myself this question
Who am I ?

Who am I that The King would bleed and die for
Who am I that He would pray not my will, Thy Lord
The answer I may never know
Why He ever loved me so
But to that old rugged cross He'd go
For who am I ?

When I'm reminded of His words
I'll leave Him never
If you'll be true I'll give to you life forever
Oh I wonder what I could have done
To deserve God's only Son
To fight my battles until they're won
For who am I ?

Who am I that The King would bleed and die for
Who am I that He would pray not my will, Thy Lord
The answer I may never know
Why He ever loved me so
But to that old rugged cross He'd go
For who am I ?
But to an old rugged cross He'd go for, who am I ?

0.24.30 Who Are You (,Who Am I?)

(Words & music by S. Wayne - B. Weisman)

Who are you, who am I?
Are we more than strangers passing by?
Is this your dream are you in mine?
Are we really here or lost in time?

Will you be friend or lover
Show me the heart you conceal
Now is the time to discover
If this feeling we're feeling is real
So close to love and yet so far
Just one kiss will tell us who we are

Will you be friend or lover
Show me the heart you conceal
Now is the time to discover
If this feeling we're feeling is real
So close to love and yet so far
Just one kiss will tell us who we are

0.24.31 Who Needs Money**(A duet with Ray Walker)****(Words & music by Randy Starr)**

I'm on the right track for lots of kissin'
 So that old greenback, I won't be missin'
 All the greatest things in life are free
 Who needs money, not me

Cash or credit, it doesn't matter
 Long as my bank books keep growin' fatter
 Easy street is my favorite avenue
 Who needs money, I do

Just pity all those millionaires they never can relax
 Because they're always worryin' about their income tax
 Why waste time on high financin', I'd rather spend it on good romancin'
 What if my pockets are empty as can be
 Who needs money, not me
 Tell me about it

Some folks save it, some folks lend it
 But as for me I want to spend it
 Give me some green and my skies will be blue
 Who needs money, I do

Stocks and bonds, they only bore me
 Interest holds no interest for me
 Who wants to sit in the lap of luxury
 Who needs money, not me

When I go to bed at night instead of counting sheep
 I start counting dollar bills and then I fall asleep

Making money never thrills me
 It's making love that really kills me
 What can I lose with my philosophy
 Who needs money, not me

What do you want

I want a big yacht, I can cruise in
 The kind that girls just can't refuse in
 All it takes is a million or two
 Who needs money, I do

Any time some gal starts flirtin'
 Now that I'm broke I know for certain
 She really digs my personality
 Tell me, who needs money not me

Poverty's the only thing that money cannot buy
So rich or poor it pays to have M-O-N-E-Y

A gal who's tender, that's what I love

It's legal tender, I want a pile of
Just let my liquid assets overflow

You can't take it with you when you go
So, who needs money

That lovely, lovely money

Who needs money, not me

0.24.32 Whole Lotta Shakin' Goin' On

(words & music by Dave Williams - Sunny David)

I said come on over baby,
a-whole lotta shakin' goin' on
Yeah I said come on over baby,
a-whole lotta shakin' goin' on
Well we ain't fakin',
a-whole lotta shakin' goin' on

Mmm, I said come on over baby,
we got chicken in the barn
Whose barn, what barn, my barn
Come on over baby,
we got the bull by the horns
Yeah, we ain't fakin',
a-whole lotta shakin' goin' on

Well, I said shake baby, shake
I said shake, baby shake now
I said shake it baby, shake it
I said shake it baby, shake
We ain't fakin',
a-whole lotta shakin' goin' on

Well, I said come on over baby,
a-whole lot-ta shakin' goin' on
I said come on over baby,
a-whole lotta shakin' goin' on
Well we ain't fakin',
a-whole lotta shakin' goin' on

Well my mom-mom-mom,
I said shake it baby, shake it
I said shake it baby, shake it
I said shake it baby, shake all right
I said shake it baby, shake it
We ain't fakin',
a-whole lotta shakin' goin' on

0.24.33 Why Me Lord

(Words & music by Kris Kristofferson)

(Why Me Lord ? What have I ever done
To deserve even one of the pleasures I've known
Tell me Lord what did I ever do to deserve loving you
And the kindness you've shown)

Lord heavenly Jesus I praise Him
So help me Jesus I know what I am
Now that I know that I needed you so
Help me Jesus, my soul's in your hands

(Try me Lord, if you think there's a way I can ever repay
All I've taken from you
Forgive Lord I can show someone else
What I've been through myself
On my way back to you)

Lord heavenly Jesus I praise Him
So help me Jesus I know what I am, Oh yes !
Now that I know that I needed you so
Help me Jesus my soul's in your hands
Jesus my soul's in your hands

0.24.34 Wild in the Country

(words & music by George Wise - Hugo Peretti - Luigi Creatore)

A rose grows wild in the country
A tree grows tall as the sky
The wind blows wild in the country
And part of the wild, wild country, am I
Wild, wild, like the deer and the dove
Wild and free is this land that I love

A dream grows wild in the country
A love grows tall as the sky
A heart beats wild in the country
And here with a dream in my heart
Part of the wild, wild country, am I

0.24.35 Winter Wonderland

(words & music by Dick Smith)

Sleigh bells ring, are you listening
In the lane, snow is glistening
A beautiful sight, we're happy tonight
Walkin' in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walkin' in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say are you married
We'll so no man,
But you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid
The plans that we made
Walkin' in a winter wonderland

0.24.36 Wisdom of the Ages

(Words & music by Giant - Baum - Kaye)

Listen, to the wisdom of the ages
Listen, to the words of many sages

Live each day, as if it were your last
It's written in the stars, your destiny is cast
And that hourglass, runs too fast no doubt
For the sands of time are running out

Listen, to the wisdom of the ages
These words, can be found in history's pages

Live each day, for happiness can't wait
And love while you may, but heed the hand of fate
If the finger points, it's too late no doubt
For the sands of time, are running out
But the man who turns, and escapes somehow

Is the wisest of men
And to such a man, I'd bow

0.24.37 Witchcraft

(words & music by Bartholomew - King)

Don't do that, please stop it
Please stop it now
You know I can't take it
Please stop it now

My head is spinning a spell on me now
My head is spinning around and around
My head is spinning around and around
Your witchcraft has got me
Keep going down and down

Let me forget her, don't mention her name
You know it brings back that old burning flame
It hurts to know that she doesn't feel the same

I can't go on since she left me alone
My one desire now is to cry, now to cry
She might come back one day by and by and by

0.24.38 Without Him

(Words & music by Mylon R. Lefevre)

Without Him I could do nothing
Without Him I'd surely fail
Without Him I would be drifting
Like a ship without a sail

Without Him I would be dying
Without Him I'd be enslaved
Without Him life would be worthless
But with Jesus thank God I'm saved

Oh Jesus, oh Jesus
Do you know Him today
Please don't turn Him away
Oh Jesus, my Jesus
Without Him how lost I would be
Without Him how lost I would be

0.24.39 Without Love (There Is Nothing)

(Words & music by Danny Small)

I awakened this morning, I was filled with despair
All my dreams turned to ashes and gone, oh yeah
As I looked at my life it was barren and bare
Without love I've had nothing at all

Without love I've had nothing
Without love I've had nothing at all
I have conquered the world
All but one thing did I have
Without love I've had nothing at all

Once I had a sweetheart who loved only me
There was nothing, oh that she would not give, oh no
But I was blind to her goodness and I could not see
That a heart without love cannot live

Without love I've had nothing
Without love I've had nothing at all
I have conquered the world
All but one thing did I have
Without love I've had nothing at all

0.24.40 Wolf Call

(Words & music by Giant - Baum - Kaye)

Flip, flop with kay-eye (?)
What a cutie pie I see
Oops shoop doo-wah
Lips of honey that's for me

Shim sham shimmie
I might forget you baby, there's no doubt
I saw you standing 'gainst the wall
I whistled and I gave my all
Now don't tell me you don't fall
For that wolf call

Just a little kiss'll put me in a whirl
I'll never whistle dearie at another girl
You love me well we'll have a ball
Why do you try to stall
Now don't tell me you don't fall
For that wolf call
For that wolf call
For that wolf call

0.24.41 Woman Without Love

(words & music by Jerry Chesnut)

Her eyes tell the story so well
She tries hard to hide
So little expected
Too often neglected,
A woman stripped of her pride

Always so careful not to cry
Not till I fall asleep
And there in the silence
She lies with a tear on her cheek

The thought comes to mind
That I've failed somehow
For things I can't quite recall

A man without love is only half a man
But a woman is nothing at all

0.24.42 Wonderful World**(D. Fletcher / M. Flett)**

This is a wonderful day
It's as bright as a day's ever been
There is a big yellow sun looking down
On a wonderful scene

Up in the blue sky birds fly
And sing our cares away
And out of each throat each note
Greets a wonderful day

There is the sound of a symphony
Carried along on the breeze
Even the flowers are swaying in time
With the leaves on the trees

Heaven is found right here on the earth
It surrounds us in the wonderful things all around
In this wonderful wonderful
Wonderful wonderful world

This is a wonderful day
It's as bright as a day's ever been
There is a big yellow sun looking down
On a wonderful scene

Heaven is found right here on the earth
It surrounds us in the wonderful things all around
In this wonderful wonderful
Wonderful wonderful world
Wonderful world, this wonderful world
Wonderful world, this wonderful world
Wonderful world, this wonderful world

0.24.43 Wooden Heart (Muss I Denn)**(words & music by Wise - Weisman - Twomey - Kaemfert)**

Can't you see
 I love you
 Please don't break my heart in two
 That's not hard to do
 'Cause I don't have a wooden heart
 And if you say goodbye
 Then I know that I would cry
 Maybe I would die
 'Cause I don't have a wooden heart
 There's no strings upon this love of mine
 It was always you from the start
 Treat me nice
 Treat me good
 Treat me like you really should
 'Cause I'm not made of wood
 And I don't have a wooden heart

Muss i denn, muss i denn
 Zum Stadtele hinaus
 Stadtele hinaus
 Und du, mein schat, bleibst hier?

There's no strings upon this love of mine
 It was always you from the start
 Sei mir gut
 Sei mir gut
 Sei mir wie du wirklich sollst
 Wie du wirklich sollst
 'Cause I don't have a wooden heart

0.24.44 Words

(words & music by Barry, Maurice and Robin Gibb)

Smile an everlasting smile
A smile can bring you near to me
Don't ever let me find you gone
'Cause that could bring a tear to me

This words have lost their glory,
Let's start a brand new story, now my love
Right now there'll be no other time
And I can show you all my love

Talk in everlasting words
And dedicate them all to me
I will give you all my life
It's here if you should call to me

You think that I don't even mean
A single word I say
It's only words and words are all I have
To take your heart away

0.24.45 Working on the Building

(Words & music by Hoyle - Boulas)

I'm working on the building
It's a true foundation
I'm holding up the blood-stained
Banner for my lord
Well I never get tired, tired, tired of working on the building
I'm going up to heaven to get my reward

I'm working on the building
It's a true foundation
I'm holding up the blood-stained
Banner for my lord
Well I never get tired, tired, tired of working on the building
I'm going up to heaven oh yeah, to get my reward

I'm working on the building
It's a true foundation
I'm holding up the blood-stained
Banner for my lord
Well I never get tired, tired, tired of working on the building
I'm going up to heaven oh yeah, to get my reward

I'm working on the building
It's a true foundation
I'm holding up the blood-stained
Banner for my lord
Well I never get tired, tired, tired of working on the building
I'm going up to heaven oh yeah, to get my reward

I'm working on the building
It's a true foundation
I'm holding up the blood-stained
Banner for my lord
Well I never get tired, tired, tired of working on the building
I'm going up to heaven oh yeah, to get my reward

0.24.46 Write to Me from Naples

(Words & music by Alstone - Kennedy)

Write to me from Naples

Tell me all that's new

I loved you in Naples

More than words can say

Call me cara mia

Tell me all that's new

Write to me from Naples

Keep my heart with you

I can hear a mandolino

Softly it cries

While I raise a glass of vino

Praising your eyes

Since we said a rivederci

My poor heart cries

Just for a letter from you

Write to me from Naples

Tell me all that's new

Write to me from Naples

Keep my heart with you

Please come back, come back to me

0.25 Y

0.25.1 Yesterday

(words & music by John Lennon - Paul McCartney)

Yesterday,
All my troubles seemed so far away
Now it looks as though they're here to stay
Oh I believe in yesterday

Suddenly
I don't have the laugh
I used to weep
There's a shadow hanging over me
Oh, yesterday, came suddenly

Why'd she have to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday
Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

0.25.2 Yoga Is as Yoga Does

(Words & music by Nelson - Burch)

Well I can see that you and yoga will never do

Yoga is as yoga does there's no in-between
 Your either with it on the ball or you've blown the scene
 I can see lookin' at you, you just can't get settled
 How can I even move, twistin' like a pretzel

(Yoga is, yoga does)
 (There's no in-between)
 (Your either with it all the way) Or you've blown the scene
 (Or you've blown the scene)

Come on come on, untwist my legs
 Pull my arms a lot
 How did I get so tied up
 In this yoga knot
 You tell me just how I can take this yoga serious
 When all it ever gives to me is a pain in my posteriors

(Yoga is, yoga does)
 (There's no in-between)
 (Your either with it all the way) Or you've blown the scene
 (Or you've blown the scene)

Stand upside down on your head, feet against the wall
 A simple yoga exercise done by one and all
 Now cross your eyes and hold your breath, look just like a clown
 Yoga's sure to catch you if you come falling down

(Yoga is, yoga does)
 (There's no in-between)
 (Your either with it all the way) Or you've blown the scene
 (Or you've blown the scene)

(Yoga is, yoga does)
 (There's no in-between)
 (Your either with it all the way) Or you've blown the scene
 (Or you've blown the scene)

0.25.3 You Asked Me To

(Words & music by Jennings - Shaver)

Long ago and far away
In my old common labor shoes
I turned the world all which-a-way
Just because you asked me to

Likened to no other feel'
Summer love is simple true
There's no end to what I'd do
Just because you asked me to

Let the world call me a fool
Let it ; things are right with me and you
That's all that matters and I'll do
Anything you ask me to

Knowin' how much I love you
After all I've been through
I'd turn and walk away from you
Just because you asked me to

Let the world call me a fool
Let it ; things are right with me and you
That's all that matters and I'll do
Anything you ask me to

0.25.4 You Belong to My Heart

(Words & music by Gilbert - Lara)

You belong to my heart now and forever
We were there beneath the stars while a million guitars
Played our love song
When they said I love you
Every beat of my heart said it too

¡Spanish ?¿ do you remember
Darling you'll hear that song
And you'll always belong to my heart

0.25.5 You Better Run**(Traditional - Arranged Elvis Presley)**

(Well now you'd better run)

Run when I say, somebody's calling you

You'd better run

Run when I say, (somebody's calling you)

You'd better run

Run when I say, (somebody's calling you)

I feel like my time has long gone

Long gone, (my time is long gone)

Well now goodbye false pretender

Lord I cannot wait for you

For the bible declares you're goin' to heaven Lord

What the bible declares you do

(Well now you'd better run)

Run when I say, somebody's calling you

You'd better run

Run when I say, (somebody's calling you)

You'd better run

Run when I say, (somebody's calling you)

I feel like my time has long gone

Long gone, (my time is long gone)

Long gone

Well I met a false pretender

Whose head was bending Lord

I met him in the evening

He was headed down that long lonesome road

(Well now you'd better run)

Run when I say, somebody's calling you

You'd better run

Run when I say, (somebody's calling you)

You'd better run

Get away from here, somebody's calling you

I feel like my time has long gone

Long gone, (my time is long gone), long gone

0.25.6 You Can't Say No in Acapulco

(Words & music by Sid Feller - Dee Fuller - Lee Morris)

You can't say no, in Acapulco
With every beat your heart will answer yes
Where lovers sing instead of talk
And dance instead of walk together
In a night, that's filled with stars
And strumming guitars

You can't say no, in Acapulco
Where romance blooms, and love is in the air
So kiss me tender, love me true
Darling feel this magic too
Don't say no, you can't say no, in Acapulco

You can't say no, in Acapulco
Where romance blooms, and love is in the air
So kiss me tender, love me true
Darling feel this magic too
Don't say no, you can't say no, in Acapulco

Don't say no...you can't say no, in Acapulco

0.25.7 You Don't Have to Say You Love Me

(words & music by Wickham - Napier - Bell - Donaggio - Pallavicini)

When I said, I needed you
You said you would always stay
It wasn't me who changed, but you
And know you've gone away

Don't you know that now you're gone
And I'm left here on my own
Then I have to follow you
And beg you to come home

You don't have to say you love me
Just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me
I can't help I love you
But believe me, I'll never tie you down

Left alone with just a memory
Life seems dead and so unreal
All that's left is loneliness
There's nothing left to feel

0.25.8 You Don't Know Me

(Words & music by Walker - Arnold)

You give your hand to me and then you say hello
And I can hardly speak, my heart is beating so
And anyone could tell, you think you know me well
But you don't know me

No you don't know the one who dreams of you at night
And longs to kiss your lips and longs to hold you tight
To you I'm just a friend, and that's all I've ever been
No, you don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me and then you say good-bye
I watch you walk away beside the lucky guy
To never, never know the one who loves you so
No, you don't know me

0.25.9 You Gave Me a Mountain

(words & music by Marty Robbins)

Born in the heat of the desert
My mother died giving me life
Deprived of the love of a father
Blamed for the loss of his wife
You know Lord I've been in a prison
For something that I never done
It's been one hill after another
I've climbed them all one by one

But this time, Lord you gave me a mountain
A mountain you know I may never climb
It isn't just a hill any longer
You gave me a mountain this time

My woman got tired of heartaches
Tired of the grief and the strife
So tired of working for nothing
Just tired of being my wife
She took my one ray of sunshine
She took my pride and my joy
She took my reason for living
She took my small baby boy

But this time, Lord you gave me a mountain
A mountain you know I may never climb
It isn't just a hill any longer
You gave me a mountain this time

0.25.10 You Gotta Stop

(Words & music by Giant - Baum - Kaye)

Baby you've been lying to me now I'm onto you
It's the same old song but it doesn't ring true

That's right you're wrong again
Time to change and put you on your own again
You've had your way too long
Time for me to be moving on

You gotta stop, you're wrong again
Stop ... that song again

You've been steppin' out wild and fancy free
Now you've had your fun and you're running back to me
It just can't be if there's no harmony
Then stop!
That's all let's break it up
You've had me fooled now I'm wakin' up
I see right through your lies
You made me open my eyes

You gotta stop, you're wrong again
Stop ... that song again

It's too late now I've made up my mind
Being here with you is just a waste of time

Nothing to say so I'll be on my way
Stop!

You gotta stop, you're wrong again
Stop ... that song again

It's too late now I've made up my mind
Being here with you is just a waste of time

It just can't be if there's no harmony
Then stop! Stop! you're wrong again
Stop that song again
Stop! you're wrong again
You gotta stop that song again
Stop!

0.25.11 You'll Be Gone

(Words & music by R. West - E. Presley - C. Hodge)

Sweetheart we're alone
And you are mine
Let's make this night a night to remember
Don't make our love a cold dying ember
For with the dawn, you'll be gone
Hold me close in your arms as the night withers away
Let's not waste one precious kiss while we're together
Oh please come to my arms and say you'll love me forever
For with the dawn, you'll be gone

Sweetheart when you're near
My heart is aflame
Your lips pressed on mine is heaven descending
And I could die because it is ending
For with the dawn, you'll be gone
Let these passions we feel in our hearts never end
I could never share this feeling with another
Oh please say that you feel the same, there'll be no other
For with the dawn, you'll be gone
For with the dawn, you'll be gone
For with the dawn, you'll be gone
For with the dawn, you'll be gone

0.25.12 You'll Never Walk Alone

(Words & music by Oscar Hammerstein II - Richard Rogers)

When you walk through a storm hold your head up high
And don't be afraid of the dark.
At the end of a storm is a golden sky
And the sweet silver song of a lark.
Walk on through the wind,
Walk on through the rain,
Tho' your dreams be tossed and blown.
Walk on, walk on with hope in your heart
And you'll never walk alone,
You'll never, ever walk alone.

Walk on, walk on with hope in your heart
And you'll never walk alone,
You'll never, ever walk alone.

0.25.13 You'll Think of Me

(Words & music by Mort Shuman)

I'm sorry now girl, but I must leave you
There's something deep inside my soul keeps calling me
The winter wind girl, will not deceive you
And in your cold and empty bed, you'll think of me, oh yes
You'll think of me

You'll see me coming, you'll see me going
Don't ask me why, I'm just the kind needs to be free
Just like that outlaw wind keeps on a-blowin'
Yeah, in your cold and empty bed, you'll think of me, oh yes
You'll think of me

Now I know you loved me just like I wanted
I know you'd follow me across an endless sea
But baby I've got a heart that's haunted
Yeah, in your cold and empty bed, you'll think of me, oh yes
You'll think of me

Ah but you should know girl that I'll be crying
Out on that lonely road where not a soul can see
I'll shed my tears for a love that's dying
Yeah, in your cold and empty bed, you'll think of me, oh yes
You'll think of me

The summer sun girl will bring a stranger
And he'll be better to you than I used to be
And when he takes you into his arms girl
Well, in your warm and loving bed, you won't think of me, no, no
You won't think of me

Then in your warm and loving bed, you won't think of me, no, no
You won't think of me

0.25.14 Young and Beautiful

(Words & music by Aaron Schroeder / Abner Silver)

You're so young and beautiful and I love you so
Your lips so red, your eyes that shine
Shame the stars that glow
So fill these lonely arms of mine
And kiss me tenderly
Then you'll be forever young
And beautiful to me

You're so young and beautiful, you're everything I love
Your angel smile, your gentle touch
Are all I'm dreaming of
Oh take this heart I offer you
And never set me free
Then you'll be forever young
And beautiful to me

0.25.15 Young Dreams

(Words & music by Kalmanoff - Schroeder) (Young dreams of love, young dreams of love)

Young dreams (Young dreams, young dreams)

My heart is filled with young dreams (dreams)

And I'm longing to

Share them all with you

In my eyes, (my eyes, my eyes)

Oh can't you see in my eyes (in eyes)

That you're the only one who

Can make my young dreams come true

I have young arms

That wanna hold you (hold you)

Hold you oh so tight

I have young lips (lips)

That want to kiss you (kiss you)

Kiss you morning noon and night

Take my hand (my hand my hand)

Oh darling take my hand (take hand)

And let me make you a part

Of all my young dreams of love

I have young arms

That wanna hold you (hold you)

Hold you oh so tight

I have young lips (lips)

That want to kiss you (kiss you)

Kiss you morning noon and night

Take my hand (my hand my hand)

Oh darling take my hand (take hand)

And let me make you a part

Of all my young dreams of love

A part of all of my young dreams of love

(Young dreams of love, young dreams of love)

0.25.16 Your Cheatin' Heart

(Words & music by **Hank Williams**)

Your cheatin' heart will make you weep
You'll cry and cry and try to sleep
But sleep won't come the whole night through
Your cheatin' heart will tell on you

When tears come down like falling rain
You'll toss around and call my name
You're gonna walk that floor the way that I do
Your cheatin' heart will tell on you

When tears come down like falling rain
You'll toss around and call my name
You're gonna walk that floor just the way that I do
Your cheatin' heart will tell on you

Your cheatin' heart will tell on you
Your cheatin' heart will tell on you

0.25.17 Your Love's Been a Long Time Coming

(Words & music by R. Bourke)

The first time I saw you I knew I was hooked on somebody other than me
The first time I held you, your soft lips and blue eyes
Were as far as my eyes could see

Yes here in my arms I knew I had found the reason that I'm living for
And I felt the feeling, such a wonderful feeling
That I'd never felt before

Baby, you're love's been a long time coming
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming

Deep in my heart there's a feeling I never knew
Until I saw a love that was very new
I'm gonna tell everyone what good love can do

Baby, you're love's been a long time coming
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming

Baby, you're love's been a long time coming
Baby your love's got a hold on me

0.25.18 Your Time Hasn't Come Yet Baby

(Words & music by Hirschhorn - Kascho)

Your time hasn't come yet baby
You got a lot of dreams to go
Your time hasn't come yet baby
But when it does your heart will know

You're gonna be a beautiful woman
Because you're such a beautiful child
And when you start to bloom
Just like a rose in June
I bet the schoolboys all go wild, but right now

Your time hasn't come yet baby
You got a few dreams to go
Your time hasn't come yet baby
When it does your heart will know

Your life's still a lollipop heaven
Your teddy bear's at the foot of your bed
The little boy next door who only makes you sore
Is gonna some day turn your head but right now

Your time hasn't come yet baby
You got a few dreams to go
Your time hasn't come yet baby
When it does your heart will know

You're gonna grow over night into a lady
With a devastatingly smile ???
And then a lucky guy will see you
And wanna walk you down the aisle, but meanwhile

Your time hasn't come yet baby
You got a few dreams to go
Your time hasn't come yet baby
When it does your heart will know
When it does your heart will know
When it does your heart will know

0.25.19 You're a Heartbreaker

(words & music by J. Sallee)

You're a heartbreaker,
You're a love faker,
A heartbreaker playing with fire.
You're a tear snatcher,
You're a quarrel patcher,
But you can't break my heart anymore,
For I just found someone else who's sure to take your place.
Someone I can always trust and to fill this empty space.

You're a heartbreaker,
You're a love faker,
But you can't break my heart anymore.

You're a smooth talker,
You're a real cool walker,
But now you have talked out of turn.
You're a high stepper,
You're an eye-catcher,
But you won't catch my glances anymore.
For I just found someone else who's sure to take your place,
Someone I can always trust and to fill this empty space.

You're a heartbreaker
You're a love faker,
But you can't break my heart anymore.

You're a heart breaker
You're a love faker,
A heartbreaker playing with fire.
You're a tear snatcher,
You're a quarrel patcher,
But you can't break my heart anymore.
For I've just found someone else who's sure to take your place.
Someone I can always trust and to fill this empty space.

You're a heartbreaker,
You're a love faker,
But you can't break my heart anymore.

0.25.20 You're the Boss

(Duet with Ann-Margaret)

(Words & music by Leiber - Stoller)

When it comes twistin' I just got to keep insistin'
Oh baby you sure do swing

When it comes twistin' I just got to keep insistin'
Oh daddy hey, you are the king

Baby you got me beat up and down inside out and across
Oh yeah !

But in the middle of the night when the moon is shining bright
Ah ! You're the boss

Hey talkin' 'bout the days when we ended down the hall romancin'
Big daddy Hey ! You make the scene

Hey talkin' 'bout dancin' and down on romancin'
Oh now baby, you are the queen

Oh when push comes to shove, when it comes down to love
You're a horse

Oh yeah ! but in the middle of the night when the moon is shining bright
Baby, you're the boss

You're the best of everything
You're a peach, you're a plum
You're a diamond, you're a pearl
You're the best of everything
Ahh daddy you're my man

Baby you're my girl
Now when it comes to knowin' which way the wind is blowin'
Now baby, you sure are wise

Yeah ! When it comes to knowin' which way the wind is blowin'
Oh daddy, you take the prize

Baby you're a genius when it comes to cooking up some chili sauce
Oh yeah !

Oh but in the middle of the night when the moon is shining bright
Ahh, you're the boss

You're the boss
You're the boss
You're the boss

But in the middle of the night when the moon is shining bright
Ahh, you're the boss
You're the boss
You're the boss
Baby You're the boss
Tell me 'bout it baby

0.25.21 You're the Only Star in My Blue Heaven

(Words & music by Gene Autry)

You're the only star in my blue heaven
And I'm waiting just for you
You're the only star in my blue heaven
And in dreams your face I see

Well you're the guiding light
That brightens up the night
And I see your face in my dreams
You're the only star in my blue heaven
And I'm waiting just for you

0.25.22 You've Lost That Lovin' Feelin'

(words & music by Mann - Weil)

You never close your eyes
Anymore when I kiss your lips
There's no tenderness
Like before in you fingertips
You're trying hard not to show it,
But baby, baby I know it

You've lost that lovin' feelin', oh that lovin' feelin'
You've lost that lovin' feelin', now it's gone, gone, gone

There's no tenderness in your eyes
When I reach out for you
Girl, you're starting to criticize
Every little thing I do
It makes me just feel like crying
'Cause baby, something beautiful's dying

You've lost that lovin' feelin', oh that lovin' feelin'
You've lost that lovin' feelin', now it's gone, gone, gone

Baby, baby, I get down on my knees for you
If you would only love me like you used to do
We had a love, love, love, love affair every day
Oh don't, don't, don't, don't take it away
Listen to me, talkin' to you

Bring back that lovin' feelin, oh, that lovin' feelin'
Bring back that lovin' feelin, now it's gone, gone, gone
And I can't go on
